3. The Investigating Officer will have to obtain certified documents from the original sources to which those documents relate. Bank statements relating to foreign accounts, of which some clues are available in the report will have to be certified by the concerned banks to make them presentable as evidence before the court. Similarly the ownership of the off shore companies located in the British Virgin Island will have to be verified and certified by the authorities of those countries and connecting evidence will have to be obtained to link the Sharif brothers with those companies. So far as the London properties are concerned, the circumstantial evidence connecting them with the Sharif brothers is already there as the Sharif family uses those apartment houses for residence while in London. Yet, investigations will have to be conducted at London to verify as to who pays the utility bills for those properties and as to how long those properties are under occupation of the Sharif family.

4. The petition and its annexes will also have to be obtained from London in the prescribed manner i.e. with proper verification of the court and Pakistan's Mission in that country.

5. The papers received from NAB are, therefore, returned with the above observations and with the request to kindly have the papers verified and investigations conducted abroad in the manner indicated above. The foreign currency accounts in Pakistan also cannot be examined or looked into under the Protection of Economic Reforms Act 1992, which has also been upheld by the judgement of Lahore High Court. Therefore, legislation will be required for Law Enforcing Agencies to examine these accounts.

CHIEF EXECUTIVE SECRETARIAT
NATIONAL ACCOUNTABILITY BUREAU

*****

Islamabad, the 31 March, 2000.

To The Director General,
Federal Investigation Agency,
Islamabad.

Subject: Avenfield Properties, London.

It is alleged that Avenfield Houses No.16, 16-A, 17 and 17-A, Park Lane, London, commonly known as Avenfield properties valued at US $ 5.00 million approximately are owned by Mian Shajif family which are being managed through off-shore companies. The above said houses were reportedly purchased through Mr. Urs Specker during the period 1993-1996 where Mr. Hussain Nawaz Sharif and others had also been residing and some utility services were billed in his name. The sources of income through which the property under reference was purchased appear to be disproportionate to the known legal sources of Sharif family.

You are requested to please have the investigation conducted into the above allegations for scrutiny and further necessary action. It may be noted National Accountability Bureau. The report may please be finalized within a period of one month.

The matter may be dealt with on priority basis.

contract basis, it is essential that the post for which the appointment is required should be advertised. It is also essential that the person to be appointed to this post must fulfill the qualifications laid down under the rules. Similarly the appointments below Grade-17 have to be made through he DPC. In all above mentioned appointments the Prime Minister deliberately, wilfully and intentionally, violated the rules in order to bestow a favour on the persons he appointed because they had close links with the members of ruling party or directly with the Prime Minister. The requisition for these posts were not submitted bythe FIA. The Prime Minister himself, without seeking the advice or recommendations of the departmental authorities, made the appointments. Thus Mian Muhammad Nawaz Sharif who was at the relevant time the Prime Minister of Pakistan committed the offence of corruption and corrupt practices as defined in NAB Ordinance, 1999. The accused ex-P.M committed acts of omission/wilful commission comprehending corruption and corrupt practices and extended favoritism and nepotism, undue favour and ordered for direct appointments on contract basis in violation of merit.A reference was received from NAB to investigate into the matter. It was alleged that Nawaz Sharif Govt. when came into power, sacked tens of thousands of employees from Govt. departments, Banks, autonomous and Semi-autonomous bodies in the name of Right-Sizing, Down-Sizing and Golden Hand Shake. On one hand Nawaz Sharif Govt. was throwing people out of jobs but on the other it clandestinely and illegally appointed dozens of its cronies, relatives and political/business friends in violation of the FIA (Appointment Promotion & Transfer) Rules, 1975. During investigation the relevant record was obtained from FIA Hqrs., ministry of Interior, Establishment Division and the Chief Executive Secretariat (formerly Prime Minister's Sectt.). During course of investigation original record pertaining to said 42 officials/officers was taken into possession and concerned P.Ws were examined and their statements u/s 161 Cr.P.C. were recorded who proved the guilt of accused. In the light of record it has been found that the following persons were taken in FIA on contract basis:-

1. Maj. (Retd) Shahid Maqbool s/o Maqbool Ahmed Khan r/o 15/L, Ghazali Road, Samanabad, Lahore appointed as Deputy Director

38. S.Muhammad Saqlain Naqvi s/o S. Mukhtar Hussain Naqvi, H. No. 45/2-B, Jafaria Colony, Bund Road, Lahore appointed as Constable.

39. Mr. Muhammad Ilyas s/o Muhammad Aqeel Khan, H. No. 248, Dhok Kanda, P.O. Dhok Ali Khan, Distt. Mianwali, appointed as Constable.

40. Mr. Imran Saleem s/o Saleem Akhtar, Moh. Rehmatpura, Ya Ali Colony, Qainchi Amer Sidhu, Lahore, appointed as Constable.

41. Mr. Muhammad Waseem Afzal s/o Muhammad Afzal, Chak No. 40/12-L, Chicha Watni, Distt. Sahiwal.

42. Mr. Iftikhar Ahmed s/o Bashir Ahmed, Chak No. 467-GB, Sharifabad, Teh. Sumundri, Distt.Faisalabad, appointed as LDC.

Out of above 42, about 34 employees were examined and it has come to light that they were taken in FIA without any merit. Some of them were reportedly found relatives of parliamentarians and high ups, which proves the charge of favoritism and nepotism as defined in Section 9 of NAB Ordinance, 1999. The accused Mian Muhammad Nawaz Sharif was also examined in Landhi jail, Karachi on 1.3.2000 but he stated that being competent authority he ordered for these contract appointments. However, pertaining to the appointments of his relatives he kept quiet and stated nothing. The persons so appointed in FIA had no previous experience at all. They were not recommended by he Federal Investigation Agency. Rather their appointments were objected and resisted to by the department. Almost all the appointees were relatives/relatives of friends or political supporters of Mian Muhammad Nawaz Sharif. During scrutiny of record it has transpired that out of 42 persons, 26 belonged to Lahore City alone which was the home city and constituency of the ex-P.M. While approving the above cited contract appointments the requirements of FIA were not taken into consideration and inspite of objection by FIA that the appointees are not coming on merits but appointment were made under the orders of accused Prime Minister. A directive of Prime Minister was received to implement these orders within 48 hours. It further contained that in case of non-compliance departmental action will be taken against the responsible officer.

The investigation has been completed. The accused has been confronted with the allegations. His defence regarding competency is not plausible and charge of mis-use of authority, corruption and corrupt practices against accused Mian Muhammad Nawaz Sharif has been proved. He is liable for legal action u/s 9(vi) of NAB Ordinance, 1999. Report u/s 173 Cr.P.C is submitted with the request of initiating trial in the court of law. The accused may be summoned through notice and P.Ws through summons.

the said helicopter, by the accused Mian Nawaz Sharif were not proportionate to his known sources of income and were also concealed.

2. The co-accused, Mr. Saifur Rehman Khan, actively aided and abetted in the commission of the offences committed by Mian Muhammad Nawaz Sharif.

3. Mian Muhammad Nawaz Sharif, in collusion with Mr. Saifur Rehman, manipulated the import of the said helicopter from Russia, during July 1993, on wet lease, through Mr. Niaz Hussain Siddiqui of M/s Orient Air (Pvt.) Ltd., against a service charge @ 15% of the expenditure incurred on wet-leasing of the helicopter. Following negotiations, Mian Nawaz Sharif made an advance cash payment of US$40,000 to Niaz Hussain Siddiqui on 31.07.1993, as mobilization expenses. In pursuance thereof, Mr. Niaz Hussain Siddiqui hired Dr. Sajid Latif Khan of M/s Meridian Consolidated (Pvt.) Ltd., as consultant to settle the deal with the owners of the helicopter in Moscow, Russia. Mr. Siddiqui made payment of US$20,000 to Dr. Sajid Latif Khan for arranging the trip and further mobilization expenses. In Moscow, the two individuals selected one helicopter bearing Russian registration no. RA-27092 and Serial No.59489605201 on a wet-lease of US$550 per flying hour and made a contract on 09.08.1993, for a wet lease based on a minimum of 100 flying hours, for a maximum of 60 days. Mr. Siddiqui signed the contract on behalf of Chairman, Orient Air, as lessee while Mr. Alexander V. Petchinkine, Deputy Director General, Special Cargo Airline, signed as Lessor.

4. While the proceedings were still under way at Moscow, the airline licence of Orient Air was cancelled due to an internal corporate dispute, which rendered Orient Air unable to operate the said helicopter in

Pakistan under their license. Consequently, the accused, Mian Nawaz Sharif and co-accused Saifur Rehman, decided to induct one Javed Iqbal of M/s Javed Aviation Services (Pvt.) Ltd. to operate the helicopter under his license in Pakistan at a lump sum price of Rs.750, 000 as management fee for a period of three months. An additional protocol for this purpose was signed between Niaz Hussain Siddiqui and Mr.Lebedev, Director General of Special Cargo Airlines on 13-08-1994, thereby authorizing M/s Javed Aviation to operate accordingly. M/s Javed Aviation Services (Pvt.) Ltd., under the instructions of the accused, Mr. Muhammad Nawaz Sharif and the co-accused, Mr. Saifur Rehman, requested CAA, Karachi, for operating the MI-8 Helicopter on Charter Agriculture Aerial Spray Operation on wet-lease basis for a period of 3 months only. The CAA granted permission for the same. However, subsequently the CAA also granted permission for the additional use of this Helicopter for election campaign of PML (Nawaz Group).

5. The helicopter was ferried to Pakistan in the third week of August 1993 and Col. Muhammad Zareef took custody of the same as the Chief Pilot/Safety Pilot of Mr. Muhammad Nawaz Sharif, who later on flew the Air Craft as its Pilot. During the lease period of two months, the accused Muhammad Nawaz Sharif, through co-accused Saifur Rehman made all arrangements and expenditures towards the operation, maintenance, transport, food, medical, ground support, crew allowances, safety pilot/operation room expenses etc. and besides that also paid lease charges payment @ U.S. $550 per hour.

6. In October 1993 co-accused Saifur Rehman on behalf of accused Muhammad Nawaz Sharif, asked Dr. Sajid Latif Khan of M/s Meridian Consolidated, to hold negotiation for the purchase of the aforesaid

helicopter from M/s Special Cargo Airlines. Accordingly Dr. Sajid Latif proceeded to Moscow and after negotiations, finalized the purchase of the said helicopter for a lump-sum payment of U.S $0.8 Million. However, in order to sign the purchase agreement the accused sent Col. Zareef to Moscow, who signed a purchase contract in Moscow in October 1993 with Mr. I. M. Lebedev, on behalf of M/s Special Cargo Airlines. However, the name of the purchaser was fraudulently indicated in the contract, as Shaikh Abdur Rehman Bin Nasir Al Thani of Doha, Qatar, under the instructions of Muhammad Nawaz Sharif and co-accused Saifur Rehman. Col. Zareef signed on his behalf and also affixed a seal, which had been provided to him by the co-accused Saifur Rehman bearing the name of Abdur Rehman Bin Nasir Al Thani. Afterwards the cash payment of U.S. $0.8 Million was made directly by co-accused Saifur Rehman to Mr. Petchinkin of M/s Special Cargo Airlines at Islamabad, Pakistan.

7. The accused Muhammad Nawaz Sharif and co-accused Saifur Rehman who was also corresponding with CAA and other concerned departments in this behalf, willfully and fraudulently, with common object and criminal intention, concealed the actual date of purchase of the helicopter from the concerned authorities till 10th November, 1996, when they finally got the same registered in the name of Muhammad Nawaz Sharif. During the period between October, 1993 and November 1996 the accused persons willfully indulged in litigation, correspondence and arguments with the concerned authorities to cover-up their misdeeds and fraudulent act of purchase of the helicopter. However, in the process, the accused Muhammad Nawaz Sharif, during the proceedings in the Lahore High Court and Supreme Court of Pakistan admitted the ownership of the helicopter being its main beneficiary and also admitted to have paid the customs duty etc. himself.

10. The accused Muhammad Nawaz Sharif, despite the ownership and possession of the aforesaid helicopter and huge expenditures incurred thereon, willfully and with criminal intent failed to declare the same before the Income Tax Authorities, in Income Tax and Wealth Tax statements during the period w.e.f 1994 to 1998. Accordingly M/s Javed Aviation Services (Pvt) Ltd. under the instructions of accused Mr. Muhammad Nawaz Sharif and co-accused, Mr. Saifur Rehman submitted an application bearing No.JAS/AIR/101/93 dated 15.08.1993 (Annex-A/3) to CAA, Karachi requesting for operating the M.I-8 Helicopter on Charter Operation/Agriculture Aerial Spray Operation on wet-lease basis for a period of 3 months only. The CAA granted permission for the same vide its reference No.HQ/CAA/1602/52/AT-4 dated 28.08.1993. However, subsequently the CAA vide its Telex No.HQ/CAA/1602/52/AT-4 dated 29.08.1993 (Annex-A/5) also granted permission for the additional use of this Helicopter for election campaign of PML (Nawaz Group).

The helicopter was ferried to Pakistan in the third week of August, 1993 and P.W, Col. Muhammad Zareef took over the same as the Chief Pilot/Safety Pilot of Mr. Muhammad Nawaz Sharif who later on flew the Air Craft as its Pilot. During the lease period of two months, accused Muhammad Nawaz Sharif through co-accused Saifur Rehman of Redco used to make all arrangements and expenditures towards the operation, maintenance, transport, food, medical, ground support, crew allowances, safety pilot/operation room expenses etc. and besides that they also used to pay lease charges payments @ U.S $550 per hour.

In October, 1993 co-accused Saifur Rehman on behalf of accused Muhammad Nawaz Sharif asked P.W, Dr. Sajid Latif Khan of M/s Meridian Consolidated to hold negotiation for the purchase of the aforesaid helicopter from M/s Special Cargo Airlines. Accordingly P.W, Dr. Sajid Latif proceeded to Moscow and after negotiation finalized the purchase of the said helicopter for a lump-sum payment of U.S $0.8 Million. However, in order to sign the purchase agreement the accused sent P.W, Col. Zareef to Moscow who signed a purchase contract in Moscow in October, 1993 (Annex-F/2) with Mr. I.M. Lebedev on behalf of M/s Special Cargo Airlines. However, the name of the purchaser was fraudulently indicated in the contract as Shaikh Abdur Rehman Bin Nasir Al Thani of Doha, Qatar, under the instructions of Muhammad Nawaz Sharif and co-accused Saifur Rehman and P.W, Col. Zareef signed on his behalf and also affixed a seal which had been provided to him by the co-accused Saifur Rehman bearing the name of Abdur Rehman Bin Nasir Al Thani. The cash payment of U.S $0.8 Million was subsequently made directly by co-accused Saifur Rehman to M/s Petchnikin of M/s Special Cargo Airlines at Islamabad, Pakistan afterwards.

The investigations have revealed that the accused Muhammad Nawaz Sharif and co-accused Saifur Rehman who was also corresponding with CAA and other concerned departments in this behalf, fraudulently, with common object and criminal intention willfully concealed the actual date of purchase of the helicopter from the concerned authorities till 10th November, 1996 when they finally got the same registered in the name of Muhammad Nawaz Sharif. During the period between October, 1993 and November 1996 the accused persons willfully indulged in unnecessary litigations/ correspondence/arguments with the concerned authorities to cover-up their connected misdeeds. However, in the process, the accused Muhammad Nawaz Sharif, during the proceedings in the Lahore High Court and Supreme Court of Pakistan admitted the ownership of the helicopter being its main beneficiary and also admitted to have paid the customs duty etc. himself.

The aforesaid helicopter remained in the ownership, possession and use of accused Muhammad Nawaz Sharif and co-accused Saifur Rehman w.e.f August, 1993 till 23rd June, 1997 (when it crashed near Chillas in the Northern Areas) and was finally grounded. During this period they made approximate expenditures of the following descriptions on the wet-leasing, purchase, operation and maintenance of the aforesaid Helicopter.

During the course of investigation, in order to give them a fair opportunity to explain their positions with reference to the allegations, both the accused persons i.e Muhammad Nawaz Sharif and Saifur Rehman were contacted and examined in Landhi Jail on 24.01.2000. Accused Muhammad Nawaz Sharif declined to offer any explanation saying that the would make a statement before the trial court. Accused Saifur Rehman however put forwarded his contention which was found unsatisfactory on the basis of available oral and documentary evidence.

The co-accused Saifur Rehman, willfully and with criminal intention, aided, abetted, assisted and manipulated the fraudulent import of the aforesaid helicopter into Pakistan, its subsequent purchase in October, 1993 and its operation and maintenance during the period w.e.f August, 1993 to June, 1997 on behest of the accused Muhammad Nawaz Sharif.

The accused Muhammad Nawaz Sharif thus being holder of a public office in different capacities during the entire period from 1993 till 1997, in collusion with co-accused Saifur Rehman committed offences of corruption and corrupt practices as defined U/s 9(a) Sub Clause (iv), (v) and (vi) punishable U/s 10 (a) and (b) of the NAB Ordinance, 1999.

It is therefore, prayed that in view of the above omissions and commissions a reference may be filed against both the accused persons.

## (I) BRIEF FACTS OF THE CASE.

The brief facts of the case are that a case was entrusted to the undersigned by the Deputy Chairman, NAB vide his office letter No.CES(NAB's) U.O No.&(6)/99-D.D(I&E) dated 23rd November, 1999 on the basis of an information received by the NAB (at Annex-R). It was alleged that Mr. Muhammad Nawaz Sharif, Ex-Prime Minister of Pakistan during 1993 had imported and owned a Helicopter bearing Serial No.59489605201 which was purchased from Moscow, Russia for several Million Dollars. However, he didn't declare this Helicopter as his personal assets before the Income Tax authorities during the period w.e.f 1993 till today. Besides, the purchase, owning and maintaining of this helicopter was also not proportionate to his known sources of income.

Consequent upon entrustment of the above case, necessary investigations were conducted into the import of the above Helicopter into Pakistan. During the investigation, a number of witnesses from Civil Aviation Authority, Income Tax Department, AFU Department of Customs, Islamabad Airport and other persons who remained connected with the alleged transactions were examined as detailed in the list of witnesses appearing at Sr. No.5 and their statements U/s 161 Cr.P.C were recorded. Besides, relevant record from different departments/persons including Civil Aviation Authority, Income Tax Department, AFU of Customs, M/s Javed Aviation Services (Pvt) Ltd. as well as from other witnesses were also secured under proper seizure memos prepared, as per details given in the list of documents (at Annex-A to F).

Besides, the accused persons Mr. Muhammad Nawaz Sharif and Mr. Saifur Rehman who were presently under judicial custody in Landhi Jail in Case FIR No.201/99 of P.S Airport, Karachi were also examined and their contentions were obtained.

From the investigation conducted into the reference it has been established that Mr. Muhammad Nawaz Sharif, in active collusion with accused Saifur Rehman of M/s Redco manipulated the import of One M.I-8 Helicopter from Russia on wet-lease through the P.W, Mr. Niaz Hussain Siddiqui of M/s Orient Air (Pvt) Ltd. during July, 1993 as his front-man against a service charges @ 15% of the expenditures incurred on wet-leasing of the Helicopter. After negotiation, Mr. Muhammad Nawaz Sharif made an advance cash payment of U.S $40,000/- to P.W, Niaz Hussain Siddiqui on 3.107.1993 as mobilization expenses. In furtherance, P.W, Niaz Hussain Siddiqui hired P.W, Dr. Sajid Latif Khan, of M/s Meridian Consolidated (Pvt) Ltd. as a consultant to settle the deal with the owners of the Helicopter in Moscow, Russia. P.W, Niaz Hussain Siddiqui further paid U.S $20,000 to P.W, Dr. Sajid for arranging the trip and for further mobilization expenses. After having reached Moscow, the two individuals selected one Helicopter bearing Russian Registration No.RA-27092 on a wet-lease of U.S $550 per flying hour and made a contract on 09.08.1993 for a wet-lease based on a minimum of 100 flying hours for a maximum 60 days. P.W, Niaz Hussain Siddiqui signed the contract (at Annex-E/2) on behalf of Chairman, M/s Orient Air as Lessee while Mr. Alexander, Deputy Director General of Special Cargo Airline signed on behalf of his firm as a Lessor.

However, while the proceedings were still under way at Moscow, the Airline License of M/s Orient Air was canceled due to some internal corporate dispute which rendered M/s Orient Air unable to operate this Helicopter in Pakistan under their license. Subsequently, in order to cover-up the problem accused Mr. Muhammad Nawaz Sharif in

collusion with co-accused Saifur Rehman inducted P.W, Mr. Javed Iqbal of M/s Javed Aviation Services (Pvt.) Ltd. Lahore under whose license the Helicopter was decided to be operated in Pakistan at a lump-sum price of Rs.750,000/- as management fee for a period of three months. For the purpose an additional protocol was signed between P.W, Niaz Hussain Siddiqui and Mr. Lebedev, Director General of Special Cargo Airlines on 13.08.1994 (Annex-E/3), thereby authorizing M/s Javed Aviation to operate the Helicopter under the chartered license of M/s Javed Aviation.

Accordingly M/s Javed Aviation Services (Pvt) Ltd. under the instructions of accused Mr. Muhammad Nawaz Sharif and co-accused, Mr. Saifur Rehman submitted an application bearing No.JAS/AIR/101/93 dated 15.08.1993 (Annex-A/3) to CAA, Karachi requesting for operating the M.I-8 Helicopter on Charter Operation/Agriculture Aerial Spray Operation on wet-lease basis for a period of 3 months only. The CAA granted permission for the same vide its reference No.HQ/CAA/1602/52/AT-4 dated 28.08.1993. However, subsequently the CAA vide its Telex No.HQ/CAA/1602/52/AT-4 dated 29.08.1993 (Annex-A/5) also granted permission for the additional use of this Helicopter for election campaign of PML (Nawaz Group).

The helicopter was ferried to Pakistan in the third week of August, 1993 and P.W, Col. Muhammad Zareef took over the same as the Chief Pilot/Safety Pilot of Mr. Muhammad Nawaz Sharif who later on flew the Air Craft as its Pilot. During the lease period of two months, accused Muhammad Nawaz Sharif through co-accused Saifur Rehman of Redco used to make all arrangements and expenditures towards the operation, maintenance, transport, food, medical, ground support, crew allowances, safety pilot/operation room expenses etc. and besides that they also used to pay lease charges payments @ U.S $550 per hour.

In October, 1993 co-accused Saifur Rehman on behalf of accused Muhammad Nawaz Sharif asked P.W, Dr. Sajid Latif Khan of M/s Meridian Consolidated to hold negotiation for the purchase of the aforesaid helicopter from M/s Special Cargo Airlines. Accordingly P.W, Dr. Sajid Latif proceeded to Moscow and after negotiation finalized the purchase of the said helicopter for a lump-sum payment of U.S $0.8 Million. However, in order to sign the purchase agreement the accused sent P.W, Col. Zareef to Moscow who signed a purchase contract in Moscow in October, 1993 (Annex-F/2) with Mr. I.M. Lebedev on behalf of M/s Special Cargo Airlines. However, the name of the purchaser was fraudulently indicated in the contract as Shaikh Abdur Rehman Bin Nasir Al Thani of Doha, Qatar, under the instructions of Muhammad Nawaz Sharif and co-accused Saifur Rehman and P.W, Col. Zareef signed on his behalf and also affixed a seal which had been provided to him by the co-accused Saifur Rehman bearing the name of Abdur Rehman Bin Nasir Al Thani. The cash payment of U.S $0.8 Million was subsequently made directly by co-accused Saifur Rehman to M/s Petchinkin of M/s Special Cargo Airlines at Islamabad, Pakistan afterwards.

The investigations have revealed that the accused Muhammad Nawaz Sharif and co-accused Saifur Rehman who was also corresponding with CAA and other concerned departments in this behalf, fraudulently, with common object and criminal intention willfully concealed the actual date of purchase of the helicopter from the concerned authorities till 10th November, 1996 when they finally got the same registered in the name of Muhammad Nawaz Sharif. During the period between October, 1993 and November 1996 the accused persons willfully indulged in unnecessary litigations/ correspondence/arguments with the concerned authorities to cover-up their connected misdeeds. However, in the process, the accused Muhammad Nawaz Sharif, during the proceedings in the Lahore High Court and Supreme Court of Pakistan admitted the ownership of the helicopter being its main beneficiary and also admitted to have paid the customs duty etc. himself.

The aforesaid helicopter remained in the ownership, possession and use of accused Muhammad Nawaz Sharif and co-accused Saifur Rehman w.e.f August, 1993 till 23rd June, 1997 (when it crashed near Chillas in the Northern Areas) and was finally grounded. During this period they made approximate expenditures of the following descriptions on the wet-leasing, purchase, operation and maintenance of the aforesaid Helicopter.

Expenditures while the Helicopter was on wet-lease.

(a) Lease money paid to Russian Owner U.S. $ 55,000/- @ U.S $ 550 per flying hour for 100 guaranteed hours.

(b) Operational charges for 100 flying hours U.S $120,000/- @ U.S $1200 per flying hour.

Expenditures during owner-ship from October 1993 till 23.06.1997 (when it met an accident).

(a) Price of the Helicopter U.S $800,000/-.

(b) Crew Salaries for 44 months (while the helicopter remained grounded but was serviced) Rs.8,800,000/- @ Rs.200,000/- per months for 44 months.

(c) Operational cost of 335 hours of actual flying U.S $402,000/- at an approximate rate of U.S $1000 per flying hour.

Total Expenditures in U.S $ = 13,77,000/-
Total Expenditures in Pak Rupee = 8,800,000/-

As such as evident from the investigation, the accused Muhammad Nawaz Sharif in collusion with co-accused Saifur Rehman made a total expenditures to the tune of approximately 1.25 Million Dollars and over approximate Rs.8 Million towards the ownership, possession, operation and maintenance of the aforesaid helicopter during the period from October, 1993 till June, 1997.

The investigation has further revealed that for the purpose of operating the helicopter, Mr. Muhammad Nawaz Sharif, committed serious violations of the CAA rules. Even there was no insurance coverage available to the Helicopter.

The investigation has further confirmed that the accused Muhammad Nawaz Sharif despite the ownership and possession of the aforesaid helicopter and huge expenditures incurred thereon, willfully and with criminal intent failed to declare the same before the Income Tax Authorities through his declaration of Income Tax and Wealth Tax during the period w.e.f 1994 to 1998 (as per Annex-D/1 to D/18). There are sufficient reasons to believe as evident from the income tax/wealth tax returns of accused Muhammad Nawaz Sharif for the relevant years that he was having the ownership, possession and use of the helicopter being a moveable property which remained in his possession for more than 3 1/2 years. This cost a total expenditures of approximately U.S $12.5 Million and Pak Rs.8.2 Million towards the purchase, operation, maintenance of the said helicopter which was dis-proportionate to his known sources of income for which he could not reasonably account for.

During the course of investigation, in order to give them a fair opportunity to explain their positions with reference to the allegations, both the accused persons i.e Muhammad Nawaz Sharif and Saifur Rehman were contacted and examined in Landhi Jail on 24.01.2000. Accused Muhammad Nawaz Sharif declined to offer any explanation saying that he would make a statement before the trial court. Accused Saifur Rehman however put forwarded his contention which was found unsatisfactory on the basis of available oral and documentary evidence.

The co-accused Saifur Rehman, willfully and with criminal intention, aided, abetted, assisted and manipulated the fraudulent import of the aforesaid helicopter into Pakistan, its subsequent purchase in October, 1993 and its operation and maintenance during the period w.e.f August, 1993 to June, 1997 on behest of the accused Muhammad Nawaz Sharif.

The accused Muhammad Nawaz Sharif thus being holder of a public office in different capacities during the entire period from 1993 till 1997, in collusion with co-accused Saifur Rehman committed offences of corruption and corrupt practices as defined U/s 9(a) Sub Clause (iv), (v) and (vi) punishable U/s 10 (a) and (b) of the NAB Ordinance, 1999.

It is therefore, prayed that in view of the above omissions and comissions, a reference may be filed against both the accused persons.

2. While the proceedings were underway at Moscow, the Airline License of Orient Air was cancelled due to an internal corporate dispute which rendered Orient Air unable to operate the said Helicopter in Pakistan under their license. Consequently, the accused decided to induct one Javed Iqbal of M/s Javed Aviation Services (Pvt.) Ltd., to operate the Helicopter under his license in Pakistan for a period of 3 months against a management fee of Rs.750,000/-.

3. On the instructions of the accused, an additional Protocol Ex.PC was signed for the said purpose between Niaz Hussain Siddiqui and Mr. Lebedev, Director General of Special Cargo Airlines on 13.8.1994 authorizing M/s Javed Aviation to operate accordingly. M/s Javed Aviation, under the instructions of the accused, requested the Civil Aviation Authority, Karachi for operating the MI-8 helicopter on Charter Agriculture Aerial Spray Operation on wet-lease basis for a period of 3 months. The C.A.A granted permission for the same, however, subsequently it also granted permission for the additional use of this helicopter for election campaign of Pakistan Muslim League (Nawaz Group).

4. The Helicopter was ferried to Pakistan in the 3rd week of August 1993 and PW.2-Col. (Rtd.) Muhammad Zareef took the charge of the same as the Chief Pilot/Safety Pilot of accused Nawaz Sharif. After the expiry of the wet lease period, Muhammad Zarif (PW) flew the said aircraft as its Pilot. During the lease period of 2 months, accused Muhammad Nawaz Sharif, through his co-accused Saif ur Rehman made all arrangements and expenditures towards the wet-lease charges, operation, maintenance, transport, food, medical, ground support, crew allowances and safety pilot/operation room expenses etc.

Accordingly PW.-Dr. Sajid Latif proceeded to Moscow and after negotiations, finally purchased the said helicopter for a lump-sum payment of U.S $ 800,000. However, in order to sign the purchase agreement, the accused sent PW-Col. Zarif to Moscow who signed the purchase contract Ex.PJ in Moscow in October 1993 with Mr. I.M. Lebedev, *on behalf of M/s Special Cargo Airlines. However, the name of the purchaser was fraudulently indicated in the said contract as Sh. In response to the said letter, M/s Javed Aviation submitted an application for the registration of this aircraft in their name. The said application was found lacking the legal requirements. The witness said that Ex.P.NN, Ex.P.OO, Ex.P.PP, Ex.P.QQ, Ex.P.QQ/1, Ex.P.RR, Ex.P.SS and Ex.P.SS/1 are in relation to the correspondence regarding the registration of the said aircraft. The witness further stated that on 23.10.1996, accused Mian Muhammad Nawaz Sharif applied for the registration of the said helicopter in his name through application Ex.P.VV which, on scrutiny by the C.A.A, was found incomplete and deficient of the required documents whereupon he (this witness) wrote letter Ex.P.WW to Mian Muhammad Nawaz Sharif accused pointing-out the deficiencies. He tried to get the helicopter registered in Pakistan and wrote several letters in this regard such as Ex.P.OO, Ex.P.PP, Ex.P.QQ which were written under his authority; submitted applications Ex.P.RR and Ex.PSS/1 respectively for issuing Registration and Airworthiness but the Aircraft could not be registered because the import permit was not given by the Ministry of Commerce. He then went to Mian Muhammad Nawaz Sharif and requested him to let the aircraft proceeded abroad as he did not have anything to do with it. Upon this, accused Mian Nawaz Sharif told him to go into Writ Petition against the Government of Pakistan and try to retain the helicopter in Pakistan but he did not agree to the said proposition.

The witness further said that subsequently, Mian Muhammad Nawaz Sharif accused himself filed the writ petition against the Government of Pakistan and others in which he (this witness) was also made one of the respondents and that during the pendency of that writ petition, he stated before the High Court that he cannot operate the helicopter and cannot be a part of the entire matter as under the Rules and Regulations, he was neither the beneficiary nor interested party. He said that during the said proceedings in the High Court, his Air Line License was produced before the High Court by PW-Col. Rtd. Ltd. was never the owner of this aircraft and after the wet-lease period, the aircraft was purchased by Mian Muhammad Nawaz Sharif and was subsequently registered in his name under the orders of Supreme Court of Pakistan. The witness further stated that accused Mian Muhammad Nawaz Sharif had asked him that he wanted to retain the Helicopter in Pakistan and would be interested in getting it registered in the name of M/s Javed Aviation Services (Pvt.) Ltd.

The witness told the Court that the helicopter itself was exempt from custom duty as it was imported on the Airline License of M/s Javed Aviation Services. Custom duty was leviable on the accessories and parts which accompanied the helicopter. However, if the helicopter was imported by Mian Muhammad Nawaz Sharif in his own name, in that situation the custom duty would have been levied under a different schedule.

PW.9-Air Commodore Hashim Yamin, Chief Pilot Investigator, Safety Investigating Board, C.A.A, Karachi brought with him the interim report dated 30.7.1997 Ex.P.GGG and final report Ex.P.HHH in respect of the accident of MI-8 Helicopter bearing No.AP-BFJ and produced the said reports before the Court. He deposed that these reports were in the custody of Safety Investigating Board, C.A.A where he is working and he also stated that the wreckage of the aforesaid helicopter is lying in 503 Aviation Workshop, Dhamial, Rawalpindi.

PW.10-Sartaj Aziz deposed that letter Ex.P.YYY was written by him in reply to a letter of C.A.A addressed to Mian Muhammad Nawaz Sharif. He said that letter Ex.P.YY was signed by him and his signatures thereon are Ex.P.YY/1. He said that he had signed the said letter in his capacity as Secretary General of the Pakistan Muslim League.

He was cross-examined by both the accused. During cross-examination by Mian Muhammad Nawaz Sharif accused, the witness stated that the real issue in the C.A.A letter and his reply deals with the ownership of the helicopter and the date of the ownership. The witness explained that the C.A.A letter stated that Javed Aviation had applied for the registration of the helicopter in March 1994 and had also claimed to have paid the custom duty, therefore,what was the basis on which Mian Muhammad Nawaz Sharif had applied for the registration of the said aircraft in his name. The witness said that in order to understand his reply dated 5.11.1996 to the C.A.A, the following facts should be kept in view :-

First. This helicopter was chartered in August 1993 by the Pakistan Muslim League from Javed Aviation for a period of 3 months for use in the election campaign of 1993. The running expenses including insurance fee and the expenditure on running and hotel expenses of Pilots were to be paid by P.M.L. These expenses are recorded;

Second. In October 1993, the helicopter was purchased by Sh. Abdur Rehman Althani of Qatar but soon after that, it was grounded for 2.5 years when the Peoples Party Government took office after election until the Supreme Court decided in October 1996 that the helicopter should be allowed to fly.

Third, Meanwhile, though the helicopter was grounded towards the end of 1993, the Custom Authorities kept issuing notices to Javed Aviation to pay the custom duty because the period of wet-lease was over. Since an undertaking had been given by the Pakistan Muslim League in August 1993 with regard to the custom duty, Mr. Nawaz Sharif, according to the statement of Javed Aviation in the Supreme Court, arranged the amount of custom duty amounting to Rs.3000,000/- and this was the reference which he (this witness) had made in his reply to the C.A.A letter; and

Fourth, It should be clear from the foregoing that while custom duty was arranged in May 1994, the helicopter was actually transferred and registered in the name of Nawaz Sharif in November 1996. Nawaz Sharif was not, therefore, the owner of the helicopter on 30th June 1996 on the basis of which Tax Return for that year was to be filed and before the next financial year ended on 30th June 1997, the helicopter had crashed on 23.6.1997. The witness said that this was the background in which his letter dated 5.11.1996 referred to the payment of custom duty by Nawaz Sharif.

During cross-examination by Mr. Saif ur Rehman, the witness said that initially the helicopter was brought for aerial spraying but in August 1993, Pakistan Muslim League chartered it with the permission of the government for election campaign and that according to the Pakistan Muslim League record, a sum of Rs.500,000/- was given to Col. Zarif by cheque for the running expenses of the helicopter, about Rs.90,000/- were paid for its insurance and another sum of Rs.20,000/- was paid for the expenses of the crew. According to the record, about Rs.6,15,000/- were paid from the Muslim League Account towards all the payments on the aforesaid helicopter. To another question asked during cross-examination by Saif ur Rehman accused, the witness replied that lumpsum amount of Rs.500,000/- was paid to Col. Zarif for the running expenses of the helicopter during the election campaign whereas other two items, viz. insurance fee was sent to the Insurance Company by Cheque and the cheques for the hotel expenses were sent to the hotels concerned.

On the request of the Prosecutor, this witness was re-examined by him and during the re-examination, the witness said that he belongs to Pakistan Muslim League and was its Secretary General from July 1993 to March 1999 and that once or twice he had attended the proceedings in the Supreme Court regarding the appeal challenging the grounding of the helicopter. When the witness was asked whether in the Supreme Court proceedings, it was said that the expenses for operating the helicopter and custom duty on it was paid by Pakistan Muslim League and whether Muslim League had ever issued any public statement in the press that these expenses or custom duty were paid by Muslim League, the witness said that what-ever was stated before the Supreme Court must be on the record of the Supreme Court and that there was no occasion to make press statement about expenses of the helicopter and the custom duty.

After re-examination, both the accused were again provided opportunity to cross-examine the witness but they declined to further cross-examine the witness.

PW.11-Nawab Hussain, Stenographer, N.A.B, Islamabad deposed that he joined investigation of this case on 15.1.2000 and on that day, in his presence, Col. Niaz Hussain

About Additional Protocol Ex.PC whereby it was agreed that the helicopter shall be allowed to operate under the license of Javed Aviation, he said that the agreement was signed between Russian Company and the Muslim League. He denied that on behalf of accused Muhammad Nawaz Sharif, he had hired the services of PW-Col. Muhammad Zarif as Officer Incharge of helicopter flight operation for the election programme of Muhammad Nawaz Sharif at Rs.40,000/- per month. He, however, admitted that the helicopter was used for the election campaign in the month of September 1993 but showed his ignorance if it was used in the bye-election also. He denied that after the wet-lease period was over, he had contacted PW Sajid Latif and told him that Mian Muhammad Nawaz Sharif was interested in purchasing the said helicopter. He admitted about the meeting which took-place in the house of Shujat Hussain where the lease of the helicopter was discussed with one of the prosecution witnesses. He was specifically asked if he had sent PW Col. Muhammad Zarif to Moscow to execute the contract for the purchase of the said helicopter on behalf of accused Mian Muhammad Nawaz Sharif with the instructions that it should be purchased in the name of Sh.

Abdur Rehman Bin Nasir Al Thani of Doha and he also gave to the said PW a seal bearing the name of the said Sheikh with the instructions to affix it on the purchase contract, he did not specifically deny the said allegation but gave an evasive answer saying that he had not taken any illegal step and purchase by Sh. Abdur Rehman was registered. He denied that according to contract Ex.P.J, the actual owner was accused Muhammad Nawaz Sharif and the name of Sh. Abdur Rehman Althani was used dishonestly and asserted that the helicopter was purchased by Sh. Abdur Rehman Bin Nasir Al Thani. He did not deny but showed his ignorance about the fact that the price of U.S $ 800,000 was paid by accused Muhammad Nawaz Sharif to Mr. Alexander Petchinkine of Special Cargo Airlines. He, however, admitted that PW Col. Muhammad Zarif was the Chief Pilot of the helicopter and remained associated with it right from the first day it arrived in Pakistan to the day it crashed in June 1997. He did not deny but showed his ignorance regarding the allegation that he had arranged for the filing of an appeal in the name of M/s Javed Aviation before the Customs, Central Excise as well as Tax Appellate Tribunal through PW Col. Muhammad Zarif and that as a result of this appeal, a refund of Rs.1,204,147/- was allowed to M/s Javed Aviation. He admitted that the said amount of Rs.1.2 Millions was collected by PW Muhammad Zarif and was kept by him in satisfaction of his dues but denied that he was involved in it or he had paid him that money. When he was asked if during the wet-lease period, a sum of U.S $ 55,000 for 100 flying hours and a further sum of U.S $ 120,000/- as operating cost for 100 flying hours was incurred by accused Muhammad Nawaz Sharif through him and his brother Mujeeb ur Rehman and one Khayyam Qaisar, P.S to Muhammad Nawaz Sharif, he said that the payments were made by Muslim League. He admitted that the helicopter remained grounded for two years & 6 months. He did not deny but showed ignorance about the fact that after the lease period was over and the helicopter came in the ownership of accused Mian Muhammad Nawaz Sharif, it flew for 335 hours and the expenses for that were U.S $ 402,000 which were incurred by Mian Muhammad Nawaz Sharif. He admitted that through application Ex.P.VV, accused Mian Muhammad Nawaz Sharif had applied for the registration of the helicopter in his name and the C.A.A accordingly registered the said helicopter in the name of Mian Muhammad Nawaz Sharif through Certificate of Registration, copy of which is Ex.P.AAA but added that the aircraft was registered in the name of accused No.1 as per direction of the Lahore High Court and the Supreme Court of Pakistan. He did not deny but showed ignorance about the fact that M/s REDCO Islamabad had sent an envelop to PW Halim Ahmed Siddiqui containing a Registration Certificate from F.A.A and that the said envelop was delivered by Halim Ahmed Siddiqui to the C.A.A. He also did not deny but showed the ignorance about the fact that C.A.A had delivered the original certificate

of registration of the helicopter in the name of accused Mian Muhammad Nawaz Sharif to the said PW Halim Ahmed Siddiqui.

He alleged that he was falsely involved in this case because he remained Chairman Ehtesab Bureau and had annoyed many people in the process of accountability. He had been under life threats by many people. It was an extremely difficult job involving cases against corrupt Mafia including Bureaucrats and the Politicians who were extremely influential, hence for that reason he is behind the bars for the last 10 months because he must have annoyed many people who are in power and they are taking revenge from him. He also alleged that the Investigating Officer of this case, viz. Khaliq uz Zaman has taken revenge from him by involving him as co-accused in this case because the said Khaliq uz Zaman was removed by him from F.I.A Karachi and was made as OSD on the basis of corruption of Tawakal Group and HUBCO Group. There were written complaints against him and he was removed on the basis of those complaints. The second reason for his false involvement is because of his friendship with the principal accused Mian Muhammad Nawaz Sharif as he was one of his trusted colleagues in the government and had stayed loyal to him and had refused to become State witness against him.

He alleged that no witness had deposed against him and he is absolutely innocent.

He declined to make statement on oath in disproof of the allegations against him and tendered his written statement Ex.DA with 3 annexures. He said that he does not have any witness to produce in his defence.

20. Written statement Ex.D.A submitted and relied upon by co-accused Saif ur Rehman is not verified on oath. He has said in his written statement that he was deprived of free access to his lawyers who had no opportunity to have a detailed meeting with him; he was not allowed even one joint meeting with his co-accused and their lawyers to consider the defence jointly; that there were some documents which were not legible which amounted to non-compliance of Sec.265-C of Cr.P.C, the Court ordered for the supply of legible copies of the said documents but time was not granted and charge was framed on that day which resulted in the boycott of the advocates; that fundamental rights guaranteed by Article 10 of the Constitution were denied; that jurisdiction and establishment of this Court and the venue of the trial as well as N.A.B Ordinance are under challenge in various writ petitions in the High Court and the Supreme Court; that serious prejudice has been caused to him; the trial has been conducted one sided; that as a Chairman of the Ehtesab Bureau, he had pursued the cases of corruption and the affected persons many of whom were powerful and influential had become his enemies; Reference was not properly examined; the investigation was incompetent and the prosecution could not prove any charge against him.

It was also asserted that the helicopter in question was hired by Pakistan Muslim League for its election campaign and the name of Mian Muhammad Nawaz Sharif figures only in the entire context in his capacity as the President of Pakistan Muslim League and his (Saif ur Rehman's) name figures only as a Muslim League worker.

That before the High Court and the Supreme Court, it was the prosecution's own case that the helicopter did not belong to Mian Muhammad Nawaz Sharif and that he was only a user of the said aircraft, therefore, it is evident that neither Mian Muhammad Nawaz Sharif claimed nor he was accepted by the authorities as the owner of the helicopter; the purchase contract was signed between Mr. Lebedev of M/s Special Cargo Airlines and Col. Muhammad Zarif on behalf of Sh. Abdur Rehman Althani. There was, therefore, nothing wrong with the said contract. PW.2-Col. Muhammad Zarif also admitted during his statement that he had signed contract on behalf of Sh. Abdur Rehman Althani and had affixed his seal on the contract. Althani has not denied the agreement nor disowned his seal. The prosecution should have examined Sh. Abdur Rehman Althani but they did not produce him in the witness box. The Investigation Officer and did not deny the genuineness of the sale. Payment of sale consideration was not proved by the prosecution. According to the contract Ex.PJ, Sh. Abdur Rehman Althani purchased the aircraft in the normal course of business, therefore, it shall be presumed that he is the person who made payment and there is nothing to prove anything to the contrary. Sh. Abdur Rehman Althani confirmed of having sold this helicopter to Mian Muhammad Nawaz Sharif, his letter Ex.P.ZZ to that effect was produced and relied upon by the prosecution.

According to the statement of Sartaj Aziz (PW.10) who is a prosecution witness, the helicopter registered in the name of Mian Muhammad Nawaz Sharif in November 1996. He was, therefore, not the owner of the said aircraft on 30.6.1996, hence the said helicopter could not be included in his Wealth Tax Return for that year, viz. 1996-97. The helicopter had crashed on 23.6.1997, i.e. before the financial year ended on 30th June 1997, therefore, there was no question of its inclusion in the Wealth Tax Return of Mian Muhammad Nawaz Sharif for the year ended on 30.6.1997, hence it could not find mention in the Wealth Tax Return for the assessment year 1997-98 onwards.

During the wet-lease period, accused Mian Muhammad Nawaz Sharif was neither the owner nor the lessee, he was only the user, the operational expenses of the lease was paid by Muslim League; the helicopter was purchased by Sh. Abdul Rehman Althani in October 1993 whereafter he becamethe owner/lessor and Javed Aviation continued to be the lessee and Pakistan Muslim League continued to be a user. The registration was allowed under a special arrangement, the C.A.A accepted the letter of Sh. Abdur Rehman Althani as formal proof of the transfer in favour of Mian Muhammad Nawaz Sharif.

The request for delivering the envelop containing De-regisration Certificate and letter Ex.PZZ from Sh. Abdur Rehman Althani was made by him (accused Saif ur Rehman) as a Senator of Pakistan Muslim League to Halim Ahmed Siddiqui as M.N.A of Muslim League from Karachi as the matter related to Pakistan Muslim League and the headquarter of C.A.A was in Karachi.

Receipt of U.S $ 40,000 on page 781 of the Reference does not show from whom the payment was received while receipts at pages 787 and 789 were not taken from the record of REDCO. Document at page 785 of the Reference is not a document of REDCO and this document has also not been proved.

PW.1 has stated that he received payment from him (Saif ur Rehman_ but he did not produce a single receipt indicating that he (Saif ur Rehman) had made any payment. No voucher of REDCO office was produced for proving any payment in connection with the said helicopter. The documents produced and exhibited by the prosecution during the evidence needed formal proof and required scrutiny through cross-examination which was denied.

In the first Annexure attached with the written statement Ex.D.A in para No.5, Saif ur Rehman has mentioned that a letter of Sheikh confirming its sale/gift to Nawaz Sharif, which was submitted to the Supreme Court, is enclosed for the record of the Court; this document was intentionally with-held by the prosecution to cover the facts and to mislead the Court. The said letter is Annexure No.2 of the written statement Ex.DA. The contents of the said letter are as under :-

> "i. The undersigned purchased helicopter RA No.27092 from Special Cargo Airlines of Joint Stock Company, Moscow as per terms and conditions of the contract No. 2410-93 of 01st October 1993 under Reference (Copy attached) on 01 October 1993.
>
> ii. I hereby donate this MI-8 (AMT) helicopter RA No.27092 to Mian Muhammad Nawaz Sharif for his personal use in Pakistan. He is kindly requested to pay the undersigned its flying charges within 5 years as mutually agreed upon."

In the third Annexure of the written statement, accused Saif ur Rehman has pointed-out that the case suffers from material lacuna which makes all the proceedings null and void as it is mandatory under the law to produce case property (helicopter) in the Court during the proceedings, particularly at the time of cross-examination of witnesses. This has not been done.

21. The defence set-up by the accused in the cross-examination on PW.10-Sartaj Aziz, their examinations u/s 342 of the Cr.P.C and the written statement Ex.DA alongwith its three annexures submitted by co-accused Saif ur Rehman is as under :-

i. Their advocates have boycotted the proceedings;

ii. They also did not participate in the proceedings and, therefore, did not cross-examine the PWs;

iii. The helicopter in question was in fact leased by Pakistan Muslim League for its election campaign;

iv. The expenses of wet-lease and operation costs were incurred by Pakistan Muslim League and not by accused Mian Muhammad Nawaz Sharif. The lease Deed was signed between Russian Company and the Muslim League. After the election campaign, the helicopter was purchased by Sh. Abdur Rehman Althani of Doha Qatar;

v. Subsequently on the direction of the Supreme Court, the aircraft was registered in the name of accused Mian Muhammad Nawaz Sharif;

vi. That case property (helicopter) was not produced in the Court on account of which the proceedings have become null and void;

vii. That the Investigating Officer has falsely involved Saif ur Rehman because of personal grudge and vengeance as he (Saif ur Rehman) was Chairman of Ehtesab Bureau; he had removed Khaliq uz Zaman, Investigating Officer of this case from F.I.A on the basis of corruption; and

viii. That the helicopter in question was in fact donated by Sh. Abdur Rehman Althani to accused Mian Muhammad Nawaz Sharif through Annexure No.2 which is annexed with the written statement Ex.DA and it was lateron registered in the name of Mian Muhammad Nawaz Sharif under the order of the Supreme Court.

22. Raja Muhammad Bashir, Deputy Prosecutor General, argued that from the evidence produced on record, case of the prosecution stands proved beyond any doubt; it is proved that the accused, in collusion with each other, manipulated the import of helicopter on wet-lease and the principal accused had incurred the wet-lease charges and the operational cost; he had authorized his co-accused Saif ur Rehman and in his absence Mujeeb ur Rehman to handle all matters relating to the said helicopter in connection payments in hard cash, its documentation and government permissions, etc. The prosecutor argued that on record, it

was proved that a sum of $ 175,000 was incurred by accused Mian Muhammad Nawaz Sharif during the wet-lease period; that it was proved by the prosecution that the said aircraft was subsequently purchased by the principal accused through contract Ex.PJ but the name of the purchaser was fraudulently shown in the contract as Sh. Abdur Rehman Althani in order to conceal the ownership of the principal accused in the aircraft with the object of evading wealth tax due thereon. The prosecutor said that the prosecution had also established through evidence that thereafter an expenditure of U.S $ 1,202,000 and Pak Rs.8,800,000/- was made by the principal accused on the purchase, maintenance and operation of the said aircraft, during the period August 1993 to June 1997. The total expenditure made during the said period by the principal accused was, therefore, Pak Rs.8,800,000/- and U.S $ 1,377,000. The minimum dollar rate in the year 1994 was Rs.30.15. If the aforesaid amount of dollar is converted into Pak Rupees at a lesser rate, i.e. Rs.30/- per dollar, the amount spent by the principal accused in dollars comes to Pak Rs.41,310,000/-. So the total amount spent by the accused during the period from August 1993 to June 1997 was Rs.50,110,000/- whereas according to the Income Tax Returns for the period 1992-93 to 1997-98, submitted by the principal accused, which are Ex.PM to Ex.PR on record, his total income from all sources during the said period was only Pak Rs.613,025/- which was extremely disproportionate and the principal accused could not account for the said money which was spent by him beyond his known and declared income.

It was next argued that by virtue of Ex.P.TTT, order of the Appellate Authority dated 8.5.1997, value of the helicopter was assessed as U.S $ 650,000. The principal accused did not declare the said helicopter as his asset in his Wealth Tax Returns submitted by him which are Ex.PU to Ex.P.DD for the period 1992-93 to 1997-98. He, therefore, evaded the Wealth Tax on the said aircraft which is @ 2.5% which comes to Rs.487,500/- per year and the principal accused thereby dishonestly and fraudulently secured for himself pecuniary advantage to the extent of the Wealth Tax which was not paid by him. It was next argued by the Prosecutor that the import of the helicopter was also fraudulent because if it was imported in the name of the principal accused, custom duty @ 5% would have been levied on the import; the helicopter was imported on the Airline License of M/s Javed Aviation. In case of import by an Airline Company, the helicopter itself was exempt from the custom duty and the duty which was levied and was paid amounting to Rupees about 30,00,000/- was not on the helicopter but on its accessories and parts which accompanied the helicopter and Iqra Surcharge. The accused thus fraudulently saved the custom duty on the import of the helicopter. In support of his arguments, he referred to Notifications SRO-482(I)/92 dated 14.5.1992; S.R.O-488(I)/93 and SRO(I)/93 dated 23.11.1993. While summing up, it was contended by the Prosecutor that it was established from the evidence produced by the

prosecution that co-accused Saif ur Rehman actively aided, assisted and abetted the principal accused in the commission of the aforesaid offences.

23. Accused Mian Muhammad Nawaz also addressed arguments which was in fact a political speech which started from his arrested on 12th October, 1999, his detention, the treatment received by him and his family by the present government; the achievements made by his government when he was in power with the remarks that he was being punished for the said achievements; he also talked about the present position of Pakistan with reference to economic and political situation. He talked about destruction of Parliamentary Democracy; about his heavy mandate in the elections and summed up by saying that he was falsely involved in this case due to vengeance of the present regime and said that if money was spent on the helicopter, it was not government's money and that there is no allegation against him regarding embezzlement of public funds, kick-back and the commission, hence the prosecution could not make-out a case of corruption against him.

Just after accused Muhammad Nawaz Sharif completed his speech-cum-arguments, a gentleman from the audience by the name of Mian Ejaz Shafi who was sitting in the Court watching the proceedings sought leave of the Court for saying a few words which, in his opinion, could assist the Court. Leave was granted to him. He stated before the Court that Sec.5 of the Wealth Tax Act grants exemptions and one of the exemption is that assets brought from abroad and bought in foreign currency are exempt from tax for 5 years and on this principle, wealth exempt from tax is excluded from the Act; that under Income Tax Law, only income is to be declared and tax, if any, to be paid thereon; that non-submission of the return is not an offence and such cases do not fall under the purview of N.A.B Ordinance; that no income tax or wealth tax authorities had ever issued notice to the principal accused in connection with payment of tax and the matter regarding the said wealth tax is also time-barred. He also submitted that as the helicopter was allegedly purchased in foreign currency and expenses incurred thereon were also in foreign currency, it was, therefore, exempt from custom duty and wealth tax.

24. Mr. Saif ur Rehman co-accused also argued the case himself. During his arguments, he in fact reiterated what was stated by him in his written statement Ex.DA and he read-out his written statement alongwith its annexures in the Court. He emphasized that Annexure 2 which is a part of written statement is a Certificate issued by Sh. Abdur Rehman Althani which shows that the helicopter in question was donated/gifted by the said Sheikh to Mian Muhammad Nawaz Sharif on 5th October, 1993 and that this important document was

produced before the Supreme Court of Pakistan but it has been purposely withheld by the prosecution.

25. Arguments addressed by the learned Prosecutor as well as both the accused were heard by me, record has also been perused.

26 When the accused were asked to cross-examine the witnesses, except one prosecution witness, they declined to cross-examine all the remaining witnesses by saying that their advocates have boycotted and they are not participating in the proceedings. The word or term "boycott" is not known to law. It is, therefore, of no legal significance and consequence. It was the duty of the Court to provide opportunity to the accused to cross-examine the prosecution witnesses. that opportunity was provided to them, if they did not avail it, it would be presumed that what-ever the witness said was admitted by them as correct.

27. Accused Saif ur Rehman during his arguments had raised a legal objection which also finds mention in his 3rd Annexure. He said that the helicopter in question was not produced in the Court during the trial at the stage of evidence, therefore, the entire proceedings have become null and void. His objection is without force because PW.9-Air Commodore Hashim Yamin, Chief Pilot Investigator, Safety Investigating Board, C.A.A Karachi appeared before the Court and tendered in evidence interim and final reports of the helicopter in question regarding its accident which were respectively exhibited as Ex.P.GGG and Ex.P.HHH. He also deposed that the wreckage of the aforesaid helicolpter is lying in 503 Aviation Workshop, Dhamial, Rawalpindi. He was not cross-examined by the accused. It was not possible to bring the wreckage of the helicopter in the Court. Existence of the same was, therefore, proved.

28. It was alleged by accused Saif ur Rehman in his written statement that he was deprived of free access to his lawyers who had no opportunity to have a detailed meeting with him. He was not even allowed joint meeting with the co-accused and their lawyers to consider their defence jointly.

An application was moved for joint meeting of both the accused alongwith all their family members, associates and panel of advocates of both of them which was dismissed on 2.6.2000 on the grounds that under Prison Rule 554, not more than 6 adults are allowed to interview a person at one interview and that according to the record, all the three advocates appointed by the said two accused were allowed to meet them twice in a week. daugthter, son-in-law and daughter-in-law of Mian Muhammad Nawaz Sharif and mother, wife, sister's husband, brother's wife and all other blood relations of Saif ur Rehman accused were also allowed to meet him once in a week for an hour. Similarly, on 18.5.2000, 4 associates of accused Mian Muhammad Nawaz Sharif and 3 staff members from the office of Saif ur Rehman accused were respectively granted permission to meet the said accused. All the applications for the aforesaid meetings were allowed on that very day on which they were submitted. The meetings were thus already allowed to the accused by the Court with all their advocates, family members and associates. It was also held that request for an joint meeting of both the accused at one time with all their family members, advocates and associates was neither feasible nor permissible under the Prison Rules.

29. Accused Saif ur Rehman had also alleged in his written statement that there were some documents which were not legible which amounted to non-compliance of Sec.265-C of the Cr.P.C; the Court ordered for the supply of legible copies but time was not granted and charge was framed on that very day which resulted in the boycott.

The documents, better copies whereof were asked by the accused, according to their application, were at pages No.485, 489,757,758,769,771,773,819,820 and 821 of the Reference Book.

Section 265-C, Cr.P.C relates to the supply of statements and documents to the accused and it says that in all cases instituted upon police report, copies of the following documents, shall be supplied free of cost to the accused, not later than 7 days before the commencement of the trial, namely :-

a. The First Information Report;

b. The police report;

The case was ordered to be put up again when the requisite better copies are ready.

According to the Order-sheet, the case was again called after half an hour. The Prosecutor had delivered to the Court the requisite better copies for delivering to the accused when at that juncture, Malik Rafiq Advocate stood up and after expressing no confidence in the

Court, alongwith other advocates, left the Court room on the ground that application for joint meeting of the accused and their other application for allowing the accused further three weeks' time for consulting and briefing their advocates were rejected.

The requisite copies were presented to the accused but they declined to accept the same. The copies were ordered to be kept with the Registrar ;with the instruction to supply the same on demand to the accused or their counsel.

The documents, better copies whereof were demanded by the accused at page No.485 & 489, are portions of Note-sheet of Custom Department which is exhibited as Ex.P.VVV. Document at page No.757 and 758 is a letter dated 10.8.1993 from Masood Khan Malik, Chairman Macro Group of Companies to Syed Salim Abbas Jilani, Secretary Defence, Government of Pakistan. Page No.758 is the reverse side of the above letter, it is blank. Document mentioned at page No.769 and 771 of the Reference Book is a Fax message from REDCO Office Doha. Document mentioned at page No.773 of the Reference Book is a letter on the letter head pad of REDCO Pakistan Ltd. addressed to Col. Niaz Hussain Siddiqui. Document at page No.819 is Fax message dated 20.8.1993 from M.K. Malik to Midland Bank. Page 820 is blank as it is reverse side of the aforesaid letter at page No.819 and document mentioned at page No.821 is a Faxed letter dated 1.9.1990 to Col. Niaz. The above were the documents better copies whereof were required. None of the said documents falls within the ambit of documents mentioned in Sec.265-C of the Cr.P.C which, under the law, are required to be supplied to the accused not later than 7 days before the commencement of the trial. In the order-sheet of the same day, viz. 2.6.2000, it is also mentioned that since the legible/better copies have been prepared and offered to the accused today, it would be just and fair that a reasonable opportunity be provided to them to peruse the said documents and they were accordingly given time upto 9.6.2000 for perusing the said documents, if they so desire. It is also recorded that the opportunity has been given by the Court and it is now for the accused to avail it. The prosecution evidence was present but it was not recorded and the case was adjourned to 9.6.2000 after allowing 6 days' time to the accused.

30. At pages No.5 and 6 of his written statement Ex.DA, accused Saif ur Rehman has referred to documents at page Nos.153,159,161,715,717,757 and 827 of the Reference Book. All the aforesaid documents were not produced in the evidence and are not on the judicial record, hence they cannot be considered.

The accused also referred to the statements of Col. Niaz Hussain Siddiqui and Ilyas Majeed PWs, recorded u/s 161 Cr.P.C during investigation but when the said witnesses had appeared before the Court, they were not confronted by the accused with their said statements u/s 161

Cr.P.C, thererfore, their said statements were not exhibited and are not on the judicial file and for that reason they cannot be looked into and considered at this stage.

31. At page No.8 of his written statement, accused Saif ur Rehman has said that it was the prosecution's own case that the helicopter did not belong to Mian Nawaz Sharif. A specific objection was raised in the Lahore High Court to that effect and it was alleged there by the prosecution that he was only a user. Similar stand was taken by the government in the Supreme Court in C.M No.486/96 in Civil Appeal No.1514/96. The accused, therefore, tried to say that the prosecution has now changed its stand by alleging Mian Muhammad Nawaz Sharif as the owner of the helicopter.

Copy of Memorandum of petition of C.P.L.A 160-L/95 filed in the Supreme Court of Pakistan by Muhammad Nawaz Sharif against Federation of Pakistan & 8 others was produced by the Prosecutor in the evidence as Ex.P.YYY; certified copy of the reply to C.M.A No.486 of 1996 in Civil Appeal No.1514/96 titled Mian Nawaz Sharif vs. Federation of Pakistan etc filed by Deputy Attorney General for Pakistan was produced as Ex.P.ZZZ; certified copy of the order dated 13.10.1996 passed by the Supreme Court in C.M.A No.486/96 in case titled Mian Muhammad Nawaz Sharif vs. Federation of Pakistan, etc was produced as Ex.P.AAAA; copy of understanding/compromise was produced as Ex.P.BBBB and copy of order dated 16.10.1996 passed by the Supreme Court in C.M.A No.486/96 in C.A No.1514/96 was produced as Ex.P.CCCC.

A perusal of the aforesaid documents shows that in the writ petition filed by Mian Muhammad Nawaz Sharif against the Federation of Pakistan, he himself did not allege that he was the owner of the helicopter. Similarly, in the appeal also, he did not disclose his ownership in the helicopter. He wanted the helicopter to be registered in Pakistan, hence in the circumstances of the case, it was validly objected on behalf of the State that Mian Nawaz Sharif has no locus-standi to ask for the registration of the helicopter because he was nothing more than a user and a customer of Javed Aviation who wants to charter the helicopter. It was for the first time during the pendency of the appeal in the Supreme Court that Mian Muhammad Nawaz Sharif claimed his ownership in the said helicopter. In the said situation, how could the Deputy Attorney General or the C.A.A know that ownership of the helicopter vested in Mian Muhammad Nawaz Sharif.

32/ It was also alleged in the written statement by Saif ur Rehman that Sh. Abdur Rehman Althani did not deny the contract nor disowned his seal, therefore, prosecution should have examined him as a witness. This aspect would be dealt with hereinafter. He admitted in his written statement that he had asked Halim Ahmed Siddiqui (PW) as a Muslim

League MNA to deliver the envelop and collect the Registration Certificate as it was the work of Muslim League which was being done by him pursuant to the order of the Supreme Court in its compliance. The said envelop contained letter Ex.P.ZZ purporting to be sent by Sh. Abdur Rehman Althani alongwith a De-registration Certificate.

Saif ur Rehman accused also alleged that PW.1 had said that he received payment from him (this accused) but the PW did not produce a single receipt indicating that the accused had made payment to him.

The said contention is ridiculous because when payment was received by PW.1 from the accused, the receipt should have been executed by that witness and must have been delivered to the accused. The receipt should, therefore, be in possession of the accused and not in possession of the witness.

33. It was also alleged by Saif ur Rehman in his written statement that original documents produced by the prosecution during the evidence were not formally proved. Reference was not made to any specific document, however, most of the documents produced and exhibited in evidence of the prosecution formed record of acts of public officers. The term 'record' includes "collection of documents". Where according to the official practice, a file is maintained containing copies of the communications sent, the copies thus maintained is itself an official record within the meaning of Article 49, and public document within the meaning of Article 85 of the Qanun-e-Shahadat Order.

34. The case of the prosecution is that accused Mian Muhammad Nawaz Sharif had purchased the helicopter in question whereas the defence raised by the accused was that Muslim League had chartered the helicopter and had paid all its expenses.

Contract of wet-lease Ex.PA is executed between Niaz Hussain Siddiqui on behalf of Orient Air as lessee and Mr. Alexander Petchinkine on behalf of M/s Special Cargo Airlines as lessor. Niaz Hussain Siddiqui is Director Operations of Orient Air and a Retired Colonel from Army Aviation Corps. From his testimony, it is proved that accused Nawaz Sharif had engaged his company for providing him a helicopter on wet-lease and had agreed to pay Orient Air service charges @ 15% of the expenditure incurred on wet-lease of the helicopter. U.S $ 40,000 were paid by Mian Muhammad Nawaz Sharif through accused Saif ur Rehman to this witness as mobilization expenses for the said helicopter. From the testimony of this witness, it is established that he hired the consultency services of PW.3-Dr. Sajid Latif of M/s Meridian Consolidated (Pvt.) Ltd. who went with him to Moscow to settle the deal as PW.3 was fully conversant with Russian language and his concern dealt with providing consultency in Aviation related matters. From the testimony of this witness PW.1, it is also proved that

after the contract of wet-lease Ex.PA was signed, Saif ur Rehman accused had telephonically informed him that the Airline License of Orient Air had been cancelled and asked him to execute the lease Deed in favour of M/s Javed Aviation and his telephonic message was followed by a Fax in the hand-writing of accused Saif ur Rehman which is produced on record as Ex.PB. It is also proved from the testimony of PW.1 that the Russian counter-part declined to execute another lease Deed but agreed to allow the operation of the helicopter in Pakistan under the License of Javed Aviation by virtue of an additional Protocol in the same contract which was produced as Ex.PC.

The lease contract Ex.PA and the Additional Protocol Ex.PC were duly proved by PW.1-Niaz Hussain Siddiqui who is one of the executants of the said documents and as such a natural witness who could tell about the wet-lease and the circumstances under which it was executed. From his testimony, it is also established that when the helicopter arrived in Pakistan, the hourly wet-lease charges amounting to U.S $ 89,000 were received by him at various stages in hard cash as a lessee from Saif ur Rehman, Mujeeb ur Rehman and Khayyam Qaisar, P.S to Nawaz Sharif and these payments were made on behalf of accused Nawaz Sharif.

35. From his statement, it is abundantly clear that the helicopter was leased by his Company, Orient Air, at the behest of Mian Nawaz Sharif and Muslim League figured no where in it. No payment was made to this witness in connection with wet-lease by Muslim League. PW.10-Sartaj Aziz said that helicopter was chartered in August 1993 by Pakistan Muslim League from Javed Aviation and running expenses thereof were paid by Muslim League. According to him, payment of Rs.500,000/- in cash was made to PW.2-Col. Zarif while a sum of Rs.90,000/- was paid to Insurance Company and another sum of Rs.20,000/- to the hotels where the crew was staying, through cheques. According to Sartaj Aziz, no payment in connection with the wet-lease charges was made by Muslim League to PW.1-Niaz Hussain Siddiqui. Sartaj Aziz also did not disclose as to who had paid the amount of Rs.500,000/- to PW.2-Col. Zarif. Sartaj Aziz was admittedly not directly involved with the charter agreement of Javed Aviation. Syed Javed Iqbal, Managing Director of M/s Javed Aviation while appearing as PW.7 said that Muhammad Nawaz Sharif had hired his services for a lumpsum fee of Rs.750,000/- out of which he paid to him a sum of Rs.200,000/- to him while the remaining amount is still outstanding. He did not say that his services were hired by Pakistan Muslim League or any payment regarding the helicopter was made to him by Pakistan Muslim League.

Col. Zarif while appearing as PW.2 also did not acknowledge any payment from Pakistan Muslim League. No evidence regarding payment by Pakistan Muslim League is available on

record. Similarly, there is nothing on record to show that the helicopter in question was obtained on wet-lease by Pakistan Muslim League.

36. The testimony of Niaz Hussain Siddiqui is fully supported and corroborated by that of PW.3-Dr. Sajid Latif of M/s Meridian Consolidated (Pvt.) Ltd. This witness corroborated the testimony of PW.1 regarding the fact of hiring his services for settling the deal of the helicopter on wet-lease with the Russian Company; about the execution of the contract of wet-lease Ex.PA and the Additional Protocol Ex.PC; about the telephonic message and Fax Ex.PB from Saif ur Rehman to PW.1-Niaz Hussain Siddiqui and also about the fact that he used to get payments regarding lease charges from lessee, viz. Orient Air. This witness Dr. Sajid Latif (PW.3) also deposed that he was present at Islamabad Airport when the helicopter arrived there and said that PW.2-Col. Zarif had taken over the charge of the said helicopter as its Officer Incharge and Chief Pilot. This witness also said that the helicopter had flown about 100 hours during the lease period.

37. PW.2-Col. Muhammad Zarif is retired Colonel from Army Aviation Corps. He deposed that in the year 1993, his services were hired by Saif ur Rehman as Officer Incharge of helicopter Flight Operation for the election campaign programme of Nawaz Sharif at a monthly salary of Rs.40,000/-. He also said that during the election campaign, he flew in the helicopter as Safety Pilot and the Aircraft was mostly used by Nawaz Sharif and Saif ur Rehman. He specifically said that during the wet-lease period, the following expenses on the helicopter were incurred by Mian Muhammad Nawaz Sharif :-

i. Wet lease charges @ U.S $ 550/- per flying hour for 100 flying hours. = US $ 55000

ii. Operating cost of helicopter @ U.S $ 1200 per flying hour for 100 flying hours. = U.S $ 120,000

He said that the salaries of the Russian crew were included in this operational cost. According to him, the crew of the helicopter comprised of two Pilots, one Flight Engineer, One Maintenance Engineer and 5 Technicians and Nawaz Sharif was the boss of the entire staff of the helicopter.

38. According to Syed Javed Iqbal (PW.7), who is the Managing Director of M/s Javed Aviation Services, the services of his company were hired for Nawaz Sharif for importing the helicopter and operating it in Pakistan under the charter Airline license of his Company. According to this witness, the deal for the said purpose was made at a lumpsum fee of Rs.750,000/- which was to be paid by accused Mian Muhammad Nawaz Sharif and out

of that he said that Nawaz Sharif had paid to him a sum of Rs.200,000/- only while the remaining amount is still outstanding. This witness also said that after the lease period was over, Nawaz Sharif had told him to file a writ petition against the Government of Pakistan as it had directed to deport the helicopter. The witness said that he declined whereupon Mian Nawaz Sharif himself filed a writ petition against the Government of Pakistan and others.

According to the statement of this witness also, it is clear that the helicopter was not imported or chartered by Pakistan Muslim League but by accused Muhammad Nawaz Shairf. If Pakistan Muslim League had any interest in the helicopter, the writ petition should have been filed by it and not by Nawaz Sharif in his personal capacity.

This witness also explained that during the proceedings in the writ petition, under the orders of the High Court, custom duty of about Rs.30,00,000/- was assessed by the Custom Authority which was paid by Nawaz Sharif. He said that the appeal against that order was filed on his behalf by the Advocate of Nawaz Sharif and he (this witness) did not pay any legal fee to that advocate. He said that after the decision of the appeal, cheque for the refund of about Rs.12,00,000/- was issued in favour of M/s Javed Aviation and on the same day he issued a cheque of the same amount in the name of Col. Zarif (PW).

39. All the aforesaid PWs were the persons who were directly involved with the helicopter affair and were, therefore, likely to be conversant with the facts regarding the lease and they could tell as to who had incurred the expenditure regarding the wet-lease charges and operational costs of the helicopter.

From the testimony of the aforesaid witnesses, it is proved beyond doubt that the helicopter was obtained on wet-lease by Nawaz Sharif through M/s Orient Air; it was brought into Pakistan on the charter license of M/s Javed Aviation by virtue of an agreement between Nawaz Sharif and M/s Javed Aviation. All the expenses regarding wet-lease charges and operational costs etc were borne by Nawaz Sharif and Muslim League had nothing to do with it. It is, however, possible that since the helicopter was used in the campaign, Pakistan Mulsim League may have contributed a sum of Rs.615,000/- towards the running expenses and insurance etc, as stated by PW.10-Sartaj Aziz.

40. Now coming to the ownership of the helicopter, PW.3-Dr. Sajid Latif of M/s Meridian Consolidated (Pvt.) Ltd. is the person who negotiated the deal of purchase. He said that after the expiry of the wet-lease, Mian Nawaz Sharif was interest in purchasing the said helicopter and he had told him to go to Russia for negotiating the purchase of the aircraft. According to the testimony of this witness, he had proceeded to Moscow for the said purpose in the 3rd week of October 1993 and after making the deal, had asked Saif ur Rehman

accused to send a representative to Moscow for signing the contract of sale. PW.2-Col. Zarif accordingly arrived in Moscow who signed the sale contract Ex.PJ in presence of this witness. The witness said that the contract was signed by Mr. Lebedev on behalf of M/s Special Cargo Airlines and by Col. Zarif on behalf of Sh. Abdur Rehman Althani. According to this witness, Col. Zarif had also affixed a rubber stamp bearing the name of Sh. Abdur Rehman Althani on the sale contract. This witness also said that at that time, the contract had an Annexure with it wherein sale-price of U.S $ 800,000 and the mode of its payment was mentioned but that Annexure was not present with the contract Ex.PJ. He mentioned that the contract including the said Annexure was delivered by PW.2-Col. Zarif to Saif ur Rehman in his presence. According to this witness, if for some reasons, the helicopter is grounded but is kept airworthy, in that event also expenses are involved such as crew salaries and maintenance charges regarding oil lubricants etc. which are about Rs.200,000/- per month in Pakistan.

41. PW.2-Col. Muhammad Zarif is the person who had signed the contract Ex.PJ. According to his testimony, after the wet-lease period was over, he proceeded to Moscow on the instruction of Saif ur Rehman accused for purchasing the helicopter. According to this witness, Saif ur Rehman gave him a rubber stamp containing the name of Sh. Abdur Rehman Althani and instructed him that the name of the purchaser in the contract should be stated as Sh. Abdur Rehman Bin Nasir Althani. According to this witness, when he proceeded to Moscow, PW.3-Dr. Sajid Latif was already present there in connection with the settlement of the deal in consequence whereof Deed Ex.PJ was executed by him as per instructions of Saif ur Rehman and he had affixed the stamp on the Sale Deed which was provided to him by Saif ur Rehman. This witness being Chief Pilot, remained associated with the helicopter right from the day when it arrived in Pakistan on wet-lease till it crashed in June 1997. The Log-book Ex.PK of the helicopter was maintained under his supervision according to the entries whereof, the helicopter had flown for 435 hours including ferry.

According to this witness, the helicopter remained grounded for 44 months from March 1994 to November 1996 during which period expenditure towards the payment of salaries of crew and maintenance staff and other maintenance expenses was incurred which was about Rs.100,000/- to Rs.125,000/-. The witness said that this expenditure was incurred by accused Mian Muhammad Nawaz Sharif. According to this witness, after the wet-lease period, the aircraft had flown for 335 hours which involved an expenditure of U.S $ 402,000 @ U.S $ 1200 per flying hour and that the said expenses were also borne by accused Muhammad Nawaz Sharif. Including the purchase price, the total expenditure made by Muhammad Nawaz Sharif was, therefore, U.S $ 1,202,000. According to this witness, the expenditure

incurred by Mian Muhammad Nawaz Sharif when the helicopter was grounded for 44 months was Rs.4,400,000/-. According to this witness, cheque regarding rebate of Rs.12,00,000/- was given by the Income Tax Tribunal to Javed Aviation, who in turn, gave the said amount of cheque to him (this witness) because the custom duty was paid by Mian Muhammad Nawaz Sharif. According to this witness, he took that amount to Saif ur Rehman accused who told him to keep it by way of his (this witness's) dues/salary. This witness also stated that the document which he had given to the I.O were seized by him through Memo Ex.PL which is signed by him.

42. From the statements of PW.2-Col. Zarif and PW.3-Dr. Sajid Latif, it is established that the helicopter was purchased in October 1993 by Mian Muhammad Nawaz Sharif and after the purchase, all the expenses in connection with the maintenance and operation of the said aircraft were incurred by Mian Muhammad Nawaz Sharif through Saif ur Rehman, Mujeeb ur Rehman and Khayyam Qaisar which were to the tune of Rs.7,400,000/- and U.S $ 1,202,000. If the said amount of dollars is converted into Pak Rupees @ Rs.30/- per dollar, which rate is even less than the dollar rate of the year 1994, the amount spent by Mian Muhammad Nawaz Sharif in foreign currency comes to Rs.36,060,000/-. The total amount thus spent by Mian Muhammad Nawaz Sharif comes to Rs.43,460,000/-.

43. It was argued by Saif ur Rehman accused that the Helicopter was donated by Sh. Abdur Rehman Althani to Mian Muhammad Nawaz Sharif vide Annexure 2 which, according to him, was an important document, which was produced in the Supreme Court but the prosecution had suppressed and with-held it.

I have perused this Annexure, it is a Certificate bearing caption "To whom it may concern". It consists of the following two paras :-

i. The undersigned purchased helicopter RA No.27092 from Special Cargo Airlines of Joint Stock Company Moscow as per terms and conditions of the Contract No.2410-93 of 01 October 93, under reference (copy attached) on 01 October 93.

ii. I hereby donate this MI-8 (AMT) Helicopter RA No.27092 to Mian Muhammad Nawaz Sharif for his personal use in Pakistan. He is accordingly requested to pay the undersigned its flying charges within next 5 years as mutually agreed upon.

It is a donation/gift. Below it, it is mentioned "accepted on behalf of Muhammad Nawaz Sharif" and below these words are the signatures of Saif ur Rehman with date as 05 October 93.

In para 1 of this document, reference to purchase contract No.2410-93 of 01 October 93 is given. Ex.PJ is the purchase contract which bears the same Number but date is not given therein. Only month and year is stated.

It is pertinent to note that it was PW.3-Sajid Latif who had gone to Russia for settling the purchase deal in pursuance whereof purchase contract Ex.PJ was executed. He specifically said in his statement before the Court that he had proceeded to Russia in the 3rd week of October and was followed by Col. Zarif (PW.2) who signed this contract. The testimony of this witness on the fact of proceeding to Moscow in the 3rd week of October 1993 is not rebutted on record. His evidence on all material points was corroborated by PW.2-Col. Muhammad Zarif who signed the agreement Ex.PJ. It is, therefore, obvious that contract Ex.PJ could not have been executed before the 3rd week of October 1993 whereas in the Annexure, date of the contract is stated as 01 October 93 and according to the Annexure, the donation was made by Sh. Abdur Rehman Althani and was accepted on behalf of Muhammad Nawaz Sharif on 05 October 93. The signatures purporting to be that of Sh. Abdur Rehman Althani appearing on this Annexure are altogether different from his alleged signatures on his alleged letter Ex.P.ZZ which purports to have been issued on 9.11.1996. Signatures purporting to be that of Sh. Abdur Rehman Althani on both the documents, viz. Annexure and his alleged letter Ex.P.ZZ, are not identical in any respect what-so-ever. Apart from that, if the helicopter was gifted by the said Sheikh on 5.10.1993 to accused Mian Muhammad Nawaz Sharif, he was thereafter no more its owner and after about 3 years, he could. therefore, not legally sell that helicopter to Mian Nawaz Sharif. It is also worth notice that in letter Ex.P.ZZ, it is not mentioned as to when the said helicopter was sold by Sh. Abdur Rehman Althani to Mian Nawaz Sharif. No sale Deed regarding that alleged sale was produced on record by the accused.

So far as document Ex.PZZ is concerned, it is proved by the evidence of PW.6-M. Ilyas Majid, Air Commodore, Chief of Airworthiness, C.A.A that the said letter alongwith De-registration Certificate contained in an envelop were brought to him by PW.15-Halim Ahmed Siddiqui. Halim Ahmed Siddiqui said that he had received that envelop from REDCO Islamabad. None from REDCO Islamabad came forward to say that as to how that letter Ex.PZZ, which is addressed to the Director General, C.A.A Karachi and which says that original De-registration Certificate is attached with it, reached REDCO Islamabad. The letter Ex.P.ZZ and De-registration Certificate, therefore, did not come from the proper custody,

hence they could not be deemed as genuine unless their execution was proved by producing the person who scribed and signed those documents. The court will not accept these documents as genuine merely because they were considered as such by the Civil Aviation Authority.

44. From the evidence produced by the prosecution it, therefore, stood proved that the helicopter was in fact purchased by Nawaz Sharif in the name of Sh. Abdur Rehman Althani and all the operational expenses of the said aircraft were also incurred by accused Muhammad Nawaz Sharif through Saif ur Rehman, Mujeeb ur Rehman and Khayyam Qaisar.

45. PW.4-Anwar-ul-Haq has produced the original record of Income Tax Returns of accused Mian Muhammad Nawaz Sharif relating to assessment years 1992-93 Ex.PM to 1999-2000 Ex.PT, Relevant record is from 1992-93 Ex.PM to 1997-1998 Ex.PR. These Returns were submitted by accused Muhammad Nawaz Sharif and according to the said Returns, total income of Muhammad Nawaz Sharif from all sources for the period 1993 to 1997 is Rs.613,025/- whereas according to the evidence discussed above, the expenditure incurred by him on the wet-lease, purchase, maintenance, operation and custom duty regarding the helicopter during the period from August 1993 to June 1997 was Rs.43,460,000/-.

A sum of Rs.42,846,975/- was spent by him over and above his total income, declared by himself. Even if a sum of Rs.625,000/- which was allegedly contributed by Pakistan Muslim League is deducted from it, in that event. expenditure incurred by Mian Muhammad Nawaz Sharif in connection with the helicopter was Rs.42,221,975/-.

He obviously possessed the aforesaid amount during the period 1993 to 1997 as it was spent by him. Possession of monetary resources and spending money are not offences but if a person owns or possesses pecuniary resources disproportionate to his known and declared sources of income, which he cannot reasonably account for, he is deemed to have committed the offence of corruption and corrupt practices u/s 9(a)(v) of the NAB Ordinance, 1999.

U/s 14© of the Ordinance, it is provided that in any trial of an offence provided under this Ordinance, the fact that accused person is in possession of pecuniary resources disproportionate to his own resources which he cannot reasonably account for, the Court shall presume, unless contrary is proved, that he guilty of corruption and corrupt practices and his conviction shall not, therefore, be invalid by reason that it is based solely on such a presumption.

Accused Nawaz Sharif did not at all account for the said disproportionate monetary resources. He did not explain as to from where that money to the tune of Rs.42,221,975/- came from.

46. During the arguments attention of the Court was drawn by Ejaz Shafi to Section 5 of the Wealth Tax Ordinance. According to the Wealth Tax Ordinance,

i. Assets brought or remitted or received by an assessee from outside Pakistan are exempt in that year in which they are brought, or remitted or brought in Pakistan and the following 5 years;

ii. Assets created by an assessee out of the remittances received in or brought into Pakistan through "normal Banking channel" are exempt in the year of receipt and the following 5 years;

Foreign currency accounts are also exempt.

Assets belonging to Tax Payer held in the name of any other person are included in the net-wealth of the tax payer.

Assets purchased in the name of any other person are to be declared in the Wealth Tax Returns.

Original record of Wealth Tax Returns of accused Muhammad Nawaz Sharif for the assessment year 1992-93 Ex.PU to 1999-2000 Ex.P.HH was produced in the Court by PW.4-Anwar ul Haq, Addl. Commissioner Income Tax Range II, Company Zone I, Lahore. Columns are provided in the Wealth Tax Return Form 'A' for showing assets brought or remitted from outside Pakistan regarding bank drafts/remittances, or others. Similarly another column is provided for showing assets created out of remittances from abroad. A column is also provided for showing business capital out of Pakistan. In none of the aforesaid Returns submitted by accused Mian Muhammad Nawaz Sharif, he has shown or disclosed that any asset was received or remitted from outside Pakistan. It is true that expenditure on helicopter was also incurred in foreign exchange by the principal accused but he did not show that the helicopter was purchased by him or the running expenses incurred on the helicopter were made out of remittances received in or brought into Pakistan through normal banking channel. He also did not show that he had any foreign currency account. Hence he was not entitled to any exemption. I, therefore, hold accused Muhammad Nawaz Sharif guilty u/s 9(a)(v) of the NAB Ordinance, 1999.

47. During his arguments, learned Prosecutor had urged that import of the helicopter was also fraudulent because if it was imported in the name of the principal accused, custom duty @ 5% would have been levied on the import. The helicopter was

imported on the Airline License of M/s Javed Aviation. In case of import by an Airline Company, the helicopter itself was exempt from custom duty and duty which was levied and was paid amounting to Rs.30,00,000/- was not on the helicopter but on its accessories and parts which accompanied the helicopter. It was, therefore, said that the accused had fraudulently saved the custom duty on the import of the helicopter.

I do not agree with the learned Prosecutor because initially the helicopter was obtained on wet-lease by the principal accused for a period of 60 days only without any intention of purchasing it. It was through an agreement with M/s Orient Air that the helicopter was to be brought on wet-lease in Pakistan, therefore, the accused was not bound to import that helicopter in his own name.

48. The principal accused was also charged u/s 9(a)(iv) of the NAB Ordinance that he, with the assistance, aid and abetment of his co-accused Saif ur Rehman, purchased the said helicopter dishonestly by making it appear that the said aircraft was purchased by Abdur Rehman Althani and he did so in order to unlawfully secure for himself the pecuniary advantage of not paying the taxes payable on the ownership and use of the said aircraft.

Sec.9(a)(iv) of the Ordinance is reproduced as under :-

> "A holder of a public office or any other person, is said to commit or to have committed the offence of corruption and corrupt practices if he by corrupt, dishonest, or illegal means, obtains or seeks to obtain for himself, or for his spouse and/or dependents or any other person, any property, valuable thing, or pecuniary advantage."

To bring an act within the ambit of this Section, it is necessary that the mode used for obtaining pecuniary advantage must be corrupt, dishonest or illegal.

"Corrupt" – The word "corrupt" means influenced by or using bribery. There is no allegation that the alleged pecuniary advantage obtained by the accused by bribery.

"Dishonest"- The term "dishonestly" is explained in Sec.24 of the P.P.C as,

> "Whosoever does anything with the intention of causing wrongful loss to any person is said to do that thing dishonestly."

U/S 23 of the P.P.C, it is provided that "Wrongful gain" is gain by unlawful means, of property to which the person gaining is not legally entitled and "wrongful loss" is the loss by unlawful means, of property to which the person losing it, is legally entitled.

Gain or advantage which is obtained through lawful means cannot be, therefore, deemed as dishonest.

"Illegal" or "unlawful means" are those means which are contrary to law. Ex.PJ is a "Benami" transaction wherein name of the purchaser is indicated as Abdur Rehman Bin Nasir Althani. The system of putting "Benami", i.e in the name of a person other than true owner has been a recognized custom in Pakistan and has received judicial and legislative recognition. The word "Benami" is a Persian compound word consisting of "Be" which means "without", and "Nam" which means "name".

It, therefore, literally means "without a name", i.e nameless or fictitious and is used to denote a transaction by a person without using his own name, i.e "Benami" but in the name of another. In such case, the purchaser desires to buy property but does not desire to buy it in his own name and, therefore, buys it in the name of someone else. "Benami" transaction is one in which the real owner of property allows it to appear in the name of an ostensible owner who has no interest at all in that property. The person who is so used in such transactions, to which he is really no party but party merely in name is known as "Benamidar" is in no sense an owner of the property. "Benami" transaction is legally enforceable.

The said system is resorted to for many reasons, sometimes for benefiting the person in whose name the conveyance is taken, sometimes for secrecy, and often for defeating the claims of creditors.

Besides Section 66 of the C.P.C, there are certain other Enactments forbidding "Benami" purchases under which such purchases are not enforceable in a Court of law but the present transaction Ex.PJ does not fall in any of them.

There are some other forms of "Benami" transactions which are opposed to equity, eg. "when "Benami" is in fraud of creditors". In such cases the only legal consequence is that the assignor is not legally entitled to show the true nature of the conveyance which gave a good title to the transferee where the conveyance has been successfully used to give effect to the fraudulent purpose for which it was executed. Courts do not show indulgence in favour of true owners in such cases.

49. A "Benami" contract, therefore, cannot be labeled as unlawful despite the fact that title of the true owner is concealed in such contract and taking undue advantage of that situation, the true owner may evade his tax liability in respect of the property which is the subject matter of the contract.

50. Inspite of the concealed ownership, the actual owner is legally bound to pay tax on such property and to disclose the same in his Tax Returns. An intentional evasion of tax amounts to fraud which carries only a monetary non-criminal liability. The means used for evading the tax was, therefore, the Wealth Tax Returns wherein the helicopter was not

declared by the principal accused as his asset. The non-declaration of property in the Wealth Tax are separate and distinct acts which may entail penalty under the Taxation Laws but the said acts, in my view, do not fall within the definition of corruption and corrupt practices as defined in NAB Ordinance or specified in the Schedule to the Ordinance. I am, therefore, of the considered view that the aforesaid acts of the principal accused do not fall within the ambit of Sec.9(a)(iv) of the NAB Ordinance. The prosecution has, therefor, failed to prove charge against the principal accused u/s 9(a)(iv) of the NAB Ordinance.

51. Accused Saif ur Rehman was charged for abetting principal accused in the commission of the offences stated in the second head of the charge, viz. u/s 9(a)(iv). Since the aforesaid charge against the principal accused is not proved, Saif ur Rehman cannot be burdened with the criminal liability of abetment.

52. Under the 4th head of the charge sheet, Saif ur Rehman was also charged for dishonestly manipulating the sale-deed "Benami" in order that the ownership of the principal accused in the aircraft should remain concealed and he may be able to evade the wealth tax thereon. It has been held hereinbefore that such "Benami" contract is not illegal, therefore, if Saif ur Rehman accused had abetted in the manipulation of the said contract which was otherwise legal and not unlawful, no offence was committed by Saif ur Rehman.

53. Holders of public office and leaders are expected to be honest and above board. Nation expects that its leaders should be beyond suspicions. Corruption is undesirable but when it is committed by a person who has held public office, it is much more undesirable as it has far reaching affects on the society.

54. I have already held accused Muhammad Nawaz Sharif guilty u/s 9(a)(v) of NAB Ordinance. He is hereby convicted u/s 10 read with Sec.9(a)(v) of the NAB Ordinance is sentenced to R.I for 14 years and a fine of Rs.20,000,000/-. In default of payment of fine, he shall undergo further R.I for a period of three years. He stands disqualified for 21 years for seeking or from being elected, chosen, appointed or nominated as member or representative of any public office or any statutory or local authority of the Government of Pakistan.

JOINT INVESTIGATION TEAM
CASE

a general statute which includes the specific subject--is not necessarily dependent on the time of the enactment of such statutes, although it may be a vital and important consideration."

Section 4 as amended, repeals section 5 to the extent of it's repugnancy with the later provision. One Dish as amended in section 4, shall also be read in section 5.

15. The act of omission of on the part of respondent in implementing provisions of section 3 of Ordinance, 2000, cannot be ignored. Respondents have constituted various Committees and had also taken various steps and measures to effectively control violations of section 4. Surprisingly not a single step has been taken to prohibit the ostentatious celebrations. Decorating house, building or street by lights and illumination, is prohibited under section 3 of the Ordinance 2000: the places of marriage function, are extravagantly illuminated and decorated with lights, offending the provisions of section 3 of the Ordinance. Learned Law Officer, failed to quote a single instance, wherein an action against the offender under section 3 has been taken. Respondent No.3 is, therefore, directed to seek implementation of the provisions of Ordinance II of 2000, including section 3, in it's letter and spirit, through notified officer or through the agency, so notified.

16. The cognizance of an offence under sections 3, 4 and 5 of the Ordinance, 2000 can be taken on the complaint in writing by the Committee or the Authorities mentioned in section 7. None else except for the persons mentioned in section 7 can lodge a complaint. The Ordinance, 2000 has prescribed a particular form and mode for taking cognizance of the offences under sections 3, 4 and 5. Criminal cases were registered by the police in neglect of section 9 of the Ordinance, 2000. Since learned Law Officer has conceded that the impugned action of lodging of F.I.Rs. was without any lawful authority, therefore, I am not inclined to further dilate upon it.

17. For the foregoing, section 5 to the extent of it's repugnancy with section 4 (as amended) is struck down by invoking the doctrine of implied repeal. The cognizance of an offence under the Ordinance, 2000 shall only be initiated on a complaint in writing made by the Committee or the Authorities mentioned in section 7, in the prescribed manner. Respondent No.5, as has been undertaken by learned Law Officer, will proceed in these F.I.Rs., according to the provisions of section 157(1)(b) and will finalize the matter expeditiously.

18. Disposed of with above directions.

H.B.T./M-367/L Order accordingly.

## JUDGMENT

TARIQ SHAMIM, J.---This judgment is in continuation of our short order dated 26-6-2009 whereby the appeal filed by Mian Muhammad Nawaz Sharif against his conviction and sentence recorded by the learned Judge, Accountability Court, Attock Fort vide judgment dated 22-7-2000 was accepted and he was acquitted of all the charges. Our detailed findings are as under:--

2. Through this appeal, Mian Muhammad Nawaz Sharif (hereinafter to be referred as the "Appellant") has assailed the judgment passed by the learned Judge Accountability Court Attock Fort dated 22-7-2000 whereby he had been convicted in Reference Number 2 of 2000 under section 10 read with section 9(a)(v) of the National Accountability Bureau Ordinance, 1999 (promulgated on 16-11-1999) and awarded sentence of rigorous imprisonment for 14 years and a fine of Rs.20,000,000. In default of payment of fine, to further imprisonment for a period of three years. He was also disqualified for 21 years for seeking or from being elected, chosen, appointed or nominated as member or representative of any public office or any statutory or local authority of the Government of Pakistan.

3. Briefly the allegation against the appellant in the reference was that in October of 1993, the appellant had purchased a helicopter and used and maintained the same for his election campaign. The costs and

maintenance expenses incurred by the Appellant were beyond his known sources of income. It was also alleged that in fact the Appellant had purchased the helicopter with the aid and active connivance of Saif-ur-Rehman (acquitted accused) but had dishonestly shown the helicopter to have been purchased by one Abdul Rehman Bin Nasir Al Thani. The Reference was sent to the Accountability Court for trial on 28-2-2000 and the accused were summoned by the Court for 12-5-2000.

4. After supply of copies of the reference and all other relevant documents, on 2-6-2000, the following charge was framed against the appellant and his acquitted co-accused Saif-ur-Rehman:-

"Firstly: That from August, 1993 to June, 1997 you Mian Muhammad Nawaz Sharif accused possessed pecuniary resources disproportionate to your known and declared sources of income which you could not reasonably account for, as;

In August, 1993, you got imported in Pakistan one MI-8 Helicopter from Moscow bearing Russian Registration No.RA-27092, on wet lease for 60 days @ $ 550 per flying hour;

In October, 1993, you purchased the said aircraft in consideration of US $ 8,00,000 and

From July, 1993 to June, 1997, you spent US $ 13,77,000 and Rs.88,00,000 on the wet lease, purchase, maintenance and operation of the said aircraft.

And you thereby committed an offence punishable under section 10 read with sec. 9(a)(v) of the NAB Ordinance, within the cognizance of this Court.

Secondly: That you Mian Muhammad Nawaz Sharif accused with the assistance, aid and abetment of your co-accused Saif-ur-Rehman purchased the said helicopter from Messrs Special Cargo Airlines and dishonestly made it appear that the said aircraft was purchased by Abdur Rehman Bin Nasir Al Thani and you did so in order to unlawfully secure for yourself the pecuniary advantage of not paying the taxes payable on the ownership and use of the said aircraft and you thereby committed an offence punishable under section 10 read with section 9(a)(iv) of the NAB Ordinance, within the cognizance of this Court.

Thirdly: That you Saif-ur-Rehman accused assisted, aided and abetted your co-accused Mian Muhammad Nawaz Sharif in the commission of the offence stated in the above 2nd Head of the Charge and you thereby committed an offence punishable under

section 10(b) read with Sec. 9(a)(iv) of the NAB Ordinance, within the cognizance of this Court.

Fourthly: That you Saif-ur-Rehman accused dishonestly manipulated the execution of the contract of purchase of the aircraft, in a manner so that your co-accused Muhammad Nawaz Sharif may acquire illegal pecuniary advantage and you thereby committed an offence punishable under section 10 read with Sec.9(a)(iv) of the NAB Ordinance, within the cognizance of this Court".

5. The statement of the appellant and his co-accused were recorded under section 342, Cr.P.C. In response to the question "why this case against you and why the P.Ws have deposed against you?" Mian Muhammad Nawaz Sharif, Appellant, replied as under:--

> "Because they were under the instructions of the G.H.Q. to give evidence against me. There is no allegation against me regarding kickbacks, commission or embezzlement of Government money. I do not know why this case has been made against me. This Ordinance (N.A.B.) has been made by a single person who wants to destroy me and this country."

The appellant neither opted to appear as his own witness in disproof of the allegations levelled against him nor did he produce any evidence in defence.

6. At the conclusion of the trial, the co-accused of the appellant

was acquitted whereas the appellant was convicted and sentenced as stated above. The appellant has challenged his conviction and sentence through this appeal.

7. While arguing on the point of limitation, as the appeal was barred by 8 years and 260 days, the learned counsel for the appellant contended that since the period of limitation provided for filing an appeal before this Court under the National Accountability Ordinance, 1999 was 10 days, which was different from the period of limitation provided for filing of appeals in criminal cases under the Limitation Act, 1908 as such, section 5 of the Limitation Act was no applicable, hence the application for condoning the delay was filed under the enabling provisions of law including section 561-A of the Code of Criminal Produce, 1908 and Article 203 of the Constitution of the Islamic Republic of Pakistan, 1973 on the ground that upon imposition of Military Rule by General Pervez Musharaf after overthrowing the democratically elected Government of which the appellant was the prime Minister and his refusal to recognize the legality of the new dispensation and various laws promulgated pursuant thereto and certain allied events, it was natural for the appellant to have harboured skepticism about the then State of judicial independence. He further maintained that since the trial was a mockery as it was conducted in violation of Articles 4, 9,10 and 25 of the Constitution of the Islamic Republic of Pakistan, 1973, therefore, the question of limitation would not arise which in any case was liable to be conducted in the given circumstances, During the period Mian Muhammad Nawaz Sharif was in Pakistan after his conviction by the trial Court he was pre-occupied in pursuing the appeal for his acquittal as well as the State appeal filed for enhancement of sentence from life imprisonment to death. Subsequently, the Appellant was forced to leave the country and his attempts to return were thwarted by the administration despite observation made by the Honourable Supreme Court of Pakistan in the cases of Pakistan Muslim League (N) v. Federation of Pakistan and others (PLD 2007 SC 642) and Mian Muhammad Shahbaz Sharif v. Federation of Pakistan (PLD 2004 SC 583). The Appellant returned to Pakistan on 27-11-2007, however, he consciously restrained from assailing the impugned judgment till the restoration of the judiciary to its pre November 3,2007 position. As being head of his political party he had taken a principled stand to desist from taking any legal matter to the Supreme Court till the restoration of the judiciary and insofar as the period after 16th of March, 2007 till the filing of the appeals was concerned, the appellant had applied for certified copies of certain orders which were not provided till the filing of the appeal.

8. The learned counsel for the appellant while arguing on merits stated that the conduct of proceedings against the appellant in the Attock

Fort was not fair and in the course of the proceedings, the constitutional guarantees were denied to the appellant and as such, the trial stood vitiated. It was also argued that the trial was conducted with unholy haste without providing the appellant and his co-accused the right to have proper access to their lawyers and without affording an opportunity to the appellant to discuss the case and impart instructions to them. It was maintained that the National Accountability Ordinance was a newly introduced law which was not free from legal technicalities, complications and ambiguities and the Appellant had himself challenged the Ordinance before the Honourable Supreme Court through C.P. No.27 of 2000 and therefore, it required specialized expertise and extensive knowledge of law particularly as the arrangement under which the helicopter was brought inside the country and the transactions in connection therewith were of highly technical nature. However by denying access to highly skilled professional lawyers, the Court had perpetrated injustice and consequently, the conviction and sentence passed by the Court were a nullity in the eye of law. It was argued on behalf of the appellant that the impugned judgment was based on no evidence as not a single witness had stated before the trial Court that any money was paid by the Appellant either for the wet lease of the helicopter or its operation and maintenance and in fact the only witness who had said something about the payment in respect of wet lease etc. was Surtaj Aziz (P.W.10) who unequivocally stated that the helicopter was requisitioned and obtained for the election campaign of the Pakistan Mulsim League and the payments were made from the funds of the party. It was also urged that the only witness who was privy to the facts associated with the payments with respect to transactions relating to the helicopter was Saif-ur-Rehman who had stated before the trial Court that no payments were ever made by the appellant, thus reflecting that there was no evidence on the record to prove that the Appellant had spent any money towards the wet lease, maintenance, operation or for that matter the purchase of the helicopter and as such, the charge of possessing or owning assets beyond the known sources of income could not be established. The learned counsel for the appellant further contended that the most material witness was Sheikh Abdul Rehman Bin Nasir Al Thani in whose name the sale deed in respect of the helicopter had been executed, but he was not produced by the prosecution at the trial. The trial Court had further committed grave jurisdictional error by invoking the provisions of section 14 of the National Accountability Ordinance, 1999, for raising a presumption of guilt against the appellant without taking into consideration that the pre-conditions stipulated for its applicability had not been fulfilled.

9. On the other hand, the learned Additional Prosecutor General Accountability contended that the delay in filing the appeal against

conviction was contumacious and could not be condoned by any stretch of imagination particularly as the Ordinance had provided a specific time frame for filing an appeal. Even if the time spent by Mian Muhammad Nawaz Sharif abroad is excluded, he had no legal justification for not filing an appeal after his return to Pakistan on 27-11-2007. Further, the appellant had failed to provide any plausible explanation or cause for not preferring an appeal after restoration of judiciary on 16th of March, 2009 till the filing of appeal on 23rd of April, 2009. On merits the learned counsel contended that the evidence collected by the National Accountability Bureau in the course of investigation was sufficient to connect the appellant with the commission of crime committed by him and that the charge as framed by the Court was fully proved through evidence adduced by the prosecution witnesses at the trial which was sufficient by all standards to connect the appellant with the crime. He also contended that in fact the transaction relating to the purchase of the helicopter was a benami transaction as Sheikh Abdul Rehman Bin Nasir Al Thani was a fictitious person and since he was non-existent, he was, therefore, neither cited as a witness nor produced at the trial and that the charge against the appellant had been fully proved beyond a shadow of doubt through oral as well as documentary evidence collected by National Accountability Bureau in the course of investigation. It was lastly stated by the learned Additional Prosecutor-General Accountability that the sentence passed by the trial Court was in consonance with law and based on proper appraisal of evidence, hence, no interference was called for by this Court.

10. We have heard Khawaja Haris Ahmad, Advocate, the learned counsel for the appellant at length as well as the learned Additional Prosecutor-General Accountability and have gone through the record of the case with their able assistance.

11. In the light of the arguments advanced by the learned counsel for the appellant we can divide the delay in filing of the appeal broadly into three parts. i.e. the first pertaining to the period from 22-7-2000 till the departure of the appellant from Pakistan, the second part relating to the period during which the appellant was forced to remain outside Pakistan and the third in respect of the period commencing from his return to Pakistan on 27th of November, 2007 till the filing of the appeal on 23rd of April, 2009.

12. Insofar as the first part is concerned, as has rightly been pointed out by the learned counsel, the Appellant remained pre-occupied in pursing appeal against his conviction and sentence recorded by the Anti-Terrorism Court at Karachi as well as the appeal filed by the State for enhancement of his sentence from imprisonment for life to that of death. Since it was a more pressing matter as it involved the question of life and

death of the appellant, all his energy and concentration was forced in contesting the appeals referred to above. Soon thereafter the appellant got involved in more serious matters which ultimately culminated in his departure from Pakistan for the above referred period, therefore, in our view his part of delay has been adequately explained hence, non-filing of appeal by the appellant during this period is justified.

13. Now adverting to the period when the appellant was absent from the country, it is a matter of record that Mian Muhammad Nawaz Sharif had left the country on 10th of December, 2000 and had returned after about seven years on 27th of November, 2007. During this period the appellant admittedly did not file any appeal. However, it has been noticed that attempts were made by the appellant and his brother to return to Pakistan but the same were frustrated by the then administration. In the case of Pakistan Muslim League (N) v. Federation of Pakistan and others (PLD 2007 SC 642) it was observed by the Honourable Supreme Court of Pakistan that the appellant was entitled to enter and remain in Pakistan and no hurdle or obstruction was to be created by any authority to prevent his return and pursuant to the said direction the appellant embarked on a return journey to Pakistan which, as stated earlier, was thwarted by the administration. A contempt of Court application was also filed before the Honourable Supreme Court of Pakistan for violation of the said order. In the above discussed background, when the appellant was restrained from returning to Pakistan, the question of his filing an appeal against his conviction does not arise. Even otherwise, the delay in filing of the appeal during this period has not been seriously challenged by the learned Additional Prosecutor-General Accountability who has conceded that in the given circumstances the appellant could not have preferred an appeal against his conviction and sentence passed by the trial Court.

14. Now coming to the last phase i.e. after returning to Pakistan on 27th of November, 2007 till the filing of the instant appeal on 23rd of April, 2009 the stand taken by the Appellant was that after the military coup on 12th of October, 1999 pursuant to which General Pervez Musharaf had imposed himself as Chief Executive of the country and had required the Honourable Judges of the Superior Courts to take oath under the new dispensation, five Honourable Judges of the Supreme Court of Pakistan refused to accede to the said requirement and consequently, they ceased to hold their judicial offices. In the said circumstances and certain other allied events it was natural for the appellant to have entertained genuine apprehension about the state of judicial independence in the country. On his return to Pakistan the country was in the grip of judicial crises as 63 Honourable Judges of the Superior Courts had been restrained from performing and continuing their judicial functions in the garb of imposition of Emergency on 3rd of November, 2007. In view of

the previous events as well as the judicial crises referred to above, the appellant and his party members took an oath for restoration of the judiciary to its pre-November 3, 2007 position and pursuant thereto the appellant had declared that he would not appear before the judges of the Superior Courts prior to reinstatement of all the Honourable Judges who had been illegally deposed on November 3, 2007. We are convinced that this was a principled stand taken by the appellant as not only did he abstain from filing an appeal against his conviction and sentence in the instant case but he also did not contest the election petition preferred against the acceptance of his nomination papers. Legal proceedings in furtherance thereof were also not challenged or contested by the appellant. However, after the restoration of the judiciary on 16th of March 2009 the Appellant filed Review Petitions bearing Nos. 45 and 46 of 2009 in Civil Petition Nos. 778 and 779 of 2008 titled 'Federation of Pakistan v. Mian Muhammad Nawaz Sharif and others' and on the question as to whether the appellant's non-appearance could be condoned for reason given by him in Review Petitions the Honourable Supreme Court of Pakistan observed.

> "The restoration of the Honourable Chief Justice of Pakistan and other Judges who were deposed on the imposition of "State of Emergency" and the immediate appearance of the petitioners by way of filing these review petitions indicate that the stance taken was based on a certain moral ground which stood vindicated. The same cannot be dubbed as either contumacious or reflective of acquiescence to warrant the impugned findings."

Thus, the principled stand taken by the Appellant referred to above was also accepted by the Honourable Supreme Court of Pakistan while accepting the explanation extended by the appellant for his non-appearance before the Superior Courts after his return to Pakistan from exile.

15. It was vehemently argued by the learned Additional Prosecutor-General that the appellant had no plausible reason for not filing an appeal immediately after 16th of March, 2009 i.e. from the date of restoration of the judiciary. We are afraid the arguments has no force as after having gone through the record of the case we are convinced that the delay in non-filing of the appeal is attributable to non-supply of copy of the order dated 2-6-2000 recorded separately by the trial Court on the application filed by the appellant under Article 10 of the Constitution. Be that as it may, mere delay of a few days in filing of the appeal would not deter this Court from condoning the delay and hearing the appeal on merits.

16. For the above discussed reasons we are inclined to accept the

plea advanced by the appellant for non-filing of the appeal soon after returning to Pakistan. It is also worth noting that the Superior Courts in Pakistan are always slow in dismissing petitions on question of limitation and are inclined to hear the cases on merits in order to prevent grave miscarriage of justice. In the case of Zia-ul-Rehman v. The State (2001 SCMR 1405) while condoning delay of 266 days the Honourable Supreme Court of Pakistan observed as under:--

> "No doubt, the petition which was filed by the appellant from jail has been shown to be barred by 266 days, but in view of the circumstances of the case, we condone the delay as dismissal of the appeal for such technical reasons will cause grave injustice to the appellant under the circumstances of the present case."

In a similar situation in the case of Abdur Rehman v. The State (1978 SCMR 292) the Honourable Supreme Court of Pakistan condoned the delay of 1119 days in filing of a review petition. While holding that the Supreme Court generally condones delay in criminal cases, the Honourable Supreme Court of Pakistan in the case of Muhammad Sadiq v. Muhammad Sarwar (PLD 1973 SC 469) observed as under:—

> "Once the Court has come to the conclusion that injustice has been done and has granted leave to appeal, there is no reason as to why an appeal by special leave should be treated differently to an appeal as of right. Both appeals should stand on the same footing and should be determined according to the same principles of administration of justice by the Court. Now that the Supreme Court is no longer merely exercising a prerogative jurisdiction but is exercising powers conferred by the Constitution, there appears to be no valid reasons for this Court to be inhibited by the limitations which the Judicial Committee of the Privy Council had imposed upon itself. There is no reason to go back again to the rule in Dillet's case and narrow down the scope and content of its own constitutional jurisdiction. The Supreme Court should have the fullest power to do full justice without fettering itself with any self-imposed restrictions which are no longer necessary in the context of the changed circumstances in which it does now function."

17. Now coming to the merits of the case, at the very outset we have noticed that the appellant was denied a fair trial being in breach of fundamental rights guaranteed by the Constitution. It is a matter of record that the Appellant and his acquitted co-accused Saif-ur-Rehman were confined in separate cells in Attock Fort and were being produced before Courts from time to time. Since the appellant and Saif-ur-Rehman were jointly charged, one as principal offender and the other as abettor, an application under Article 10 of the Constitution of the Islamic

Republic of Pakistan, 1973 was moved on behalf of the accused requesting for three weeks' time to consult and brief their counsel to prepare their defence. However, to our amazement, the order rejecting the said application is not available on the record although reference has been made in the said regard by the trial Judge in its order dated 2-6-2000. The relevant portion thereof is reproduced hereunder:--

> "Vide order of even dated recorded separately, the petition under Article 10 of the Constitution has been rejected while on the other application for providing better copies, order has been recorded on the said application that better and legible copies of the requisite documents be provided to the accused today."

We are at a loss to understand as to what has happened to the said order as apparently it has vanished into thin air.

18. After having rejected the request of the appellant for providing reasonable time to his counsel for preparation of the case, the trial Court proceeded to allow 7 days time from 2-6-2000 to 9-6-2000 for preparation of the reference which was spread over more than 900 pages. This, by no stretch of imagination can be termed as adequate time for preparation of a voluminous case involving hyper technicalities. Besides, the trial Judge proceeded to record the prosecution evidence on 9-6-2000 and continued therewith on day to day basis and after examining 17 prosecution witness, admitting numerous documents in evidence and recording the statements of the appellant and his co-accused without oath under section 342, Cr.P.C. proceeded to convict the appellant vide judgment dated 22-7-2000. During the period from 9th of June, 2000 till 27th of July, 2000 the Appellant had attended a number of hearing of the hijacking case pending before the Sindh High Court at Karachi. It is also worth mentioning here that the trial Judge on account of non-association of the appellant with the trial proceedings had proceeded to hear ex parte arguments in the case on 19-7-2000. Thus, it is evident that the trial of the case was conducted by the Court in a slipshod manner in undue haste and that too in disregard of the due process of law rendering the trial a nullity in the eyes of the law. In the case of New Jubilee Insurance Company Ltd., Karachi v. National Bank of Pakistan, Karachi (PLD 1999 SC 1126) in the context of the doctrine of "due process of law" the Honourable Supreme Court of Pakistan held as under:--

> "It may be observed that there are certain basic norms of justice. One of the cardinal principles of above basis norms is that one cannot be a judge in his own cause. The breach of the above cardinal principle of jurisprudence will in fact be violative of the right of "access to justice to all" which is a well-recognized inviolable right enshrined in Article 4 of the Constitution. This

right is equally founded in the doctrine of "due process of law". The right of access to justice includes the right to be treated according to law, the right to have a fair and proper trial and the right to have an impartial Court or Tribunal. The term "due process of law" can be summarized as follows as held by this Court in the case of Aftab Shahban Mirani v. President of Pakistan (1998 SCMR 1863):--

(1) A person shall have notice of proceedings which affect his rights.

(2) He shall be given reasonable opportunity to defend.

(3) That the Tribunal or Court before which his rights are adjudicated is so constituted as to give reasonable assurance of his honesty and impartiality, and

(4) That is a Court of competent jurisdiction. Above are the basic requirements of the doctrine "due process of law" which is enshrined, inter alia, in Article 4 of the Constitution. It is intrinsically linked with the right to have access to justice which is fundamental right. This right, inter alia, includes the right to have a fair and proper trial and a right to have an impartial Court or Tribunal. A person cannot be said to have been given a fair and proper trial unless he is provided a reasonable opportunity to defend the allegation made against him."

19. Insofar as the factual aspects of the case are concerned, we are of the view that it is a case of no evidence as not a single prosecution witness has stated before the trial Court that any money had been paid by the appellant towards the wet-lease of the helicopter or its operation or maintenance or in respect of sale price thereof. There is no evidence on the record that the appellant had withdrawn any money from his accounts or the accounts of his dependents or associates for making payment towards the wet-lease etc. On the contrary, it is well established that the helicopter had been obtained on wet-lease for the election campaign of the Pakistan Muslim League and not for personal use of the appellant. Reference is made to the statement made by Sartaj Aziz who while appearing as P.W.10 categorically stated that the helicopter was obtained for the election campaign of Pakistan Muslim League and the payments for the helicopter were also made by the party. We have also noted with surprise that not a single witness has been produced by the prosecution to show that the appellant had made any payment with respect to any transaction relating to the helicopter. There is not an iota of evidence on the record to establish payment of any amount by the appellant to either the initial owner of the helicopter or for that matter Sheikh Abdul Rehman Bin Nasir Al Thani. The prosecution did not produce at the trial

any voucher or any document for proving payment in connection with the said helicopter. It is, thus, evident that the prosecution has miserably failed to establish any connection of the appellant with the helicopter as owner or otherwise and in the given background the appellant could not have been charged for owning assets in terms of transactions relating to the said helicopter beyond his known sources of income. Thus, the finding of the trial Court that the appellant possessed pecuniary resources disproportionate to his declared sources of income is not based on any convincing material hence not proved at the trial.

20. It is also worth pointing out at this juncture that apart from committing a number of illegalities and irregularities, the trial Court, contrary to all norms of justice, had allowed the Deputy Prosecutor-General who was prosecuting the case against the Appellant to re-examine Sartaj Aziz (P.W.10) for no apparent legal or just cause. Apart therefrom the only two persons who were privy to the sources from which the payments were allegedly made for the wet-lease and expenses and subsequently the purchase of the helicopter were Saif-ur-Rehman and his brother Mujeeb-ur-Rehman however, at the conclusion of the trial, Saif-ur-Rehman, was acquitted by the trial Court whereas his brother Mujeeb-ur-Rehman was neither cited as an accused nor as witness in the case. Sheikh Abdul Rehman Bin Nasir Al Thani around whom the transaction relating to the helicopter revolved was not produced by the prosecution at the trial. In fact during investigation no effort was made by the National Accountability Bureau to even associate this person with the investigation of the case. The record is bereft of any evidence which could show that even an attempt was made by the National Accountability Bureau to establish contact with this person. It has also been observed by us that the trial Court had committed serious error in permitting the prosecution to bring on record as evidence a number of documents notwithstanding that these documents had neither been proved through any scribe or executant nor produced from proper custody. A similar error was committed by the trial Court in placing implicit reliance on the contents of the application filed by the appellant for issuance of certificate of registration (Exh.PVV), as owner of the helicopter and rejecting the contents of most relevant document (Exh.PZZ) on the basis of which the appellant had claimed the ownership of the helicopter although the said documents had been produced by the prosecution itself in support of its case and had got it exhibited as such. Another error committed by the trial Court was that section 14 of the National Accountability Bureau Ordinance, 1999 which raised a presumption of guilt against the accused was invoked against the appellant although the pre-conditions mentioned therein for its applicability were not fulfilled. Apparently the trial Court had proceeded on the presumption that in fact the helicopter was purchased by the

appellant on the basis of a benami transaction in the name of Sheikh Abdul Rehman Bin Nasir Al Thani, however, there is no evidence on the record to even remotely suggest that it was such a transaction.

21. Having gone through the entire evidence available on the record and having perused the judgment of the trial Court we have no hesitation in holding that the appellant has been convicted by the trial Court on no evidence direct or indirect; that the charge framed against the appellant was in fact defective; that gross illegalities and irregularities were committed by the trial Court during the trial proceedings; that the appellant was denied his fundamental rights as enshrined in Article 10 of the Constitution of the Islamic Republic of Pakistan, 1973 and that in fact the conviction and sentence passed against the appellant was an outcome of an unfair trial conducted in violation of due process of law guaranteed in Article 4 of the Constitution of the Islamic Republic of Pakistan, 1973.

22. For what has been discussed above, after having condoned the delay in filing of the appeal, for reasons recorded hereinabove we accept the appeal and acquit Mian Muhammad Nawaz Sharif, Appellant, of all the charges.

H.B.T./M-625/L Appeal accepted.

| **Case Title** | Reference No. 5 of 2000 against Mian Muhammad Nawaz Sharif and others regarding unaccounted for amounts reflected in accounts of Hudabiya Paper Mills |
| **Date of Authorization of investigation** | 28.02.2000 |
| **Date of Filling of reference** | 16.11.2000 |
| **Allegations** | Mian Muhammad Nawaz Sharif and other directors of Hudabiya Papers Mills and Associated companies have received huge share deposits from unknown sources which are disproportionate to their known sources of income. |
| **Accused persons** | Mian Muhammad Nawaz Sharif Prime Minister and others |
| **Brief Facts** | a. Chairman NAB authorized investigation against Mian Muhammad Nawaz Sharif and directors of Hudabiya papers mills and entrusted the same to FIA for investigation. FIA after completion of investigation submitted its report to Chairman NAB and a reference no 5 of 2000 was filed in accountability court.<br>b. The reference revealed that Mian Nawaz Sharif in connivance with others was in possession of huge illicit proceeds and it was difficult for them to explain the source of the acquisition of the same. In order to launder this money they fraudulently opened different foreign currency accounts and deposited huge amounts in these accounts. They also got themselves benefited from these funds all the time by obtaining pak rupees credit lines in the name of M/s Hubabiya Paper Mills and their Group companies from the banks by offering their foreign currency funds in these fictitious accounts as collateral.<br>c. When these foreign currency accounts were exposed they decieded to directly inject this money into the accounts of M/s Hudabiya Paper Mills in such a way that the legitimacy of these proceeds could not be challenged. For this purpose through different money changers they arranged different dollar TT`s in favor of M/s HPML from abroad equivalent to the foreign currency funds. In these TT`s under the instructions of Sharif Family, the name of the ordering customer was given as Saddiqa Sayed Mahfoodh Hashim Khadem and the purpose of this dispatch wa mentioned as share deposit money from her.<br>d. After 28 may 1998 the foreign currency accounts were frozen and subsequently the rest of the foreign funds were got encashed and deposited into the accounts of M/s HPML as share deposit money on behalf of the account holders. A sum of Rs. 642.742 million was shown as share deposit money from Saddiqa Hashim Khadim, Talat Masood Qazi, Kashif Masood Qazi and Mrs. Sikandara Masood Qazi. All laundered money was used to pay |

| | |
|---|---|
| | off loans/Liabilities of M/s HPML and other companies. Further to this amount an amount of Rs. 600 million has been paid by Sharif family as a final settlement with Al Towfeek company. Thus a total amount of Rs. 1242.732 million was disproportionate to their known sources of income.<br>e. The reference was sine die adjourned by Accountability court due to non-availability of the accused in country. When the accused returned to country they filed a writ petition no. 2617 of 2011 was filed by the accused in Honorable Lahore High Court. Two-member bench of Lahore high Court gave a split judgement and the matter was referred to Refree judge for the decision that whether the reference be quashed of matter be referred to NAB for re- investigation. The refree judge quashed the reference vide its order dated 11.03.2014. NAB did not file appeal against the decision of High Court. |
| **Current Status** | Reference had been quashed by Lahore High Court and no appeal against that decision has been filed by NAB. |
| **Conclusion** | It is a very well investigated reference which could not get a chance to go under trial and was quashed mere on technical grounds. The investigation report reveals the whole chain of events and money trail has been established by the IO which clearly shows a huge influx of funds coming from abroad which was being pumped in by Sharif into their companies. The investigation has clearly established the accounts and annexed the relevant evidences along with the reference which could not have over shadowed/thrown out mere on technical deficiencies in the investigation process. |
| **Recommendations** | **A detailed report on this case with additional evidence in the form of a stand-alone report has been submitted separately.**<br>NAB may be ordered to file an appeal before Supreme Court assailing the orders of the Honorable Lahore Court keeping in view the fresh, very strong and comprehensive documentary evidence, money trail and banking record. |

REFERENCE UNDER SECTION 18(G) OF THE NATIONAL ACCOUNTABILITY BUREAU ORDINANCE –1999 AGAINST M/S HUDAIBYA PAPER MILLS LTD. AND ITS DIRECTORS FOR THE COMMISSION OF OFFENCES UNDER SECTION 9 OF THE NAB ORDINANCE.

Respectfully Shewth.

1. That the accused No.1 is a Company incorporated under the Company's Ordinance 1984 whereas accused No. 2 to 8 are the Directors, share holders & beneficial owners of the Company and their accomplices.

2. That on a complaint received regarding M/s Hudaibya Papers Mills Ltd. (herein after called the Company), wherein it was revealed that the balance sheet of the company for the year endeding June 30 1998, submitted to the statutory auditor under the signatures of two Directors, for the purpose of statutory audit under the companies ordinance 1984, reflected an unexplained additional sum of Rs.612.273 million as share deposit money over and above the previous unexplained amount of Rs. 30.469 million in same account thereby raising total unexplained amount to Rs.642.743 million.

3. That the matter was referred for investigation to the DG FIA and the same was investigated and probe was extended that the corruption and corrupt practices were carried out by the management / directors in the affairs of the company by amassing illegal wealth under the garb of foreign equity investment which was reflected in the books as share deposit money.

4. Investigation was carried out by the FIA wherein it was revealed that this amount was received from 4 non-resident individuals namely Siddiqa Sayed Mahfoodh Hashim Khadem, Sikandara Masood Kazi, Kashif Masood Kazi and Talat Masood Kazi and was reflected as share deposit money in the books of the company.

5. That total paid up capital of the company prior to the influx of Rs.642.743 million was only Rs.95.70 million. It is also imperative to mention that the company has been sustaining losses over the years and as on June 30, 1998, the accumulated losses reached a staggering figure of Rs. 809.834 million that in such a scenario, it is un-usual for a company/directors to lure in such huge investments. Therefore, the financial position of the company makes the influx of huge foreign investments seriously doubtful and unlikely.

6. From the investigation so far conducted, examination of the record of accounts of the company in different banks, and statements of concerned bankers/witnesses, it has been established that the Directors of the company are in possession of voluminous ill-gotten money retained by them by opening non-bonafide fraudulent accounts in the name of non-residents and used the same for availing various financial benefits for themselves and their other business concerns.

7. Despite the fact that the company had so far failed to account for the investment of Rs.642.743 million, yet another item appearing on the balance sheet as loan from Al-towfeek Company for Investment Funds has reportedly been settled by the management of the company with the lenders by way out of court settlement pursuant to which a payment of Pound Sterling 8.7 million has been made. The issues relating to the source of this repayment along with the unexplained investment is under further investigation which may lead to an unexplained amount of over a billion rupees in the books of the company.

8. It has been established that offence of corruption and corrupt practices defined under Section 9 of NAB Ordinance 1999 has been committed.

9. In view of the above and on the basis of record placed before me which I have perused, I am satisfied that the accused persons mentioned here-in-above are liable to be tried under the NAB Ordinance, therefore this reference is being filed before the Honourable court for proceeding in accordance with law.

10. It is, therefore, respectfully submitted that the accused mentioned above and others, not so far arrested be tried and punished in accordance with the law in the light of evidence brought on record. Alongwith reference the report of the I.O. and statements under Section 161 are submitted.

BRIEF DESCRIPTION OF THE OFFENCE

Facts giving rise to the investigation of this reference are that, National Accountability Bureau Islamabad, during the scrutiny of record pertaining to the accounts of M/s Hudaybia Paper Mills Limited, 32 Davis Road Lahore (hereinafter called the company), observed that in the accounts of the company submitted to the auditors under the signatures of its two Directors for the year 1997-98 for statutory audit under the companies Ordinance 1984, an additional sum of Rs. 612. 273 Million has been reflected as share deposit money. Further probing of bank accounts of the company revealed that this amount was received from four non-resident individuals namely; Saddiqa Sayed Mahfoodh Hashim Khadem, Sikandara Masood Kazi, Kashif Masood Kazi and Talat Masood Kazi. Such a huge investment in a company whose share capital prior to this addition was only Rs. 95.70 Million and which was carrying huge accumulated losses to the tune of Rs. 809.834 million, raised serious doubts as to the bonafide of this transaction. Resultantly, National Accountability Bureau, vide Memo No. NAB.No.2(4),2000/I&M-15/NAB, dated 28.2.2000 sent this report to Director General FIA for investigation under the NAB Ordinance 1999 and the undersigned was appointed as Investigating Officer of this reference.

During the investigation, the record pertaining to these issues have been collected from the Office of the Registrar of Companies, Company Registration Office, Lahore, Kaleem & Company, the statutory Auditors of the company, as well as from the concerned banks and from other concerned quarters. In the light of this record, the statements of concerned individuals have also been recorded, which are annexed with this report.

From the perusal of record, it was revealed that M/s Hudabiya Paper Mills Limited is an unlisted public limited company incorporated in January 1992 to manufacture different kinds of paper and board products. Initially it's authorized capital was Rs.150.00 million. Its board of directors had seven directors namely, Mian Muhammad Sharif, Mian Shahbaz Sharif, Mian Abbas Sharif, Mian Hussain Nawaz, Mian Hamza Shahbaz, Mrs. Sabiha Abbas & Mrs. Shamim Akhtar. There was no change in its board of directors as of June 30, 1998. M/s Kaleem & Company were appointed as statutory auditors of the company. Mian Muhammad Sharif was to be the chief executive of the company. In the year ending

30.6.1997, it's authorized capital was Rs. 250.00 million and paid up capital was Rs. 95.70 million. By 30.6.1998 it's authorized capital was got enhanced up to Rs.750.00 million however its paid up capital remained the same.

(47)

During the course of investigation, the accounts of the company for the year ending 30-06-1998, submitted to the Auditor for the purpose of statutory audit under companies ordinance 1984, by the management under the signature of two of its directors namely Mian Abbas Sharif and Mrs. Sabiha Abbas, were taken in to custody under proper seizure memo. From the perusal of these accounts, it was found that an exorbitant increase of Rs. 612.274 million as compared to the previous year's balance on account of "Share deposit money" was reflected. In previous year's financial statement of the company, the balance on this account was Rs. 30.469 million while it jumped to Rs. 642.743 million in the balance sheet as of June 30, 1998, thereby registering an increase of Rs. 612.274 million. The auditor in his statement has explained that the financial year of the company closes on June 30th and statutory audit has to be completed and accounts to be submitted to Securities & Exchange Commission of Pakistan (SECP) by 31st December every year. The said accounts were delivered to him by the management of the company for the purpose of completion of statutory audit in March 1999. He demanded documentary evidences and other relevant record regarding share deposit money / litigation between the company & Al-Towfeek company for Investment funds on the issue of Loan financing of US $ 10.0 million. The management never came back with the requisite documents and therefore he was unable to complete the statutory audit and Auditor's report at his end. The sum of Rs. 612.274 million appearing as share deposit money therefore remains Un-explained in addition to previous unexplained amount of 30.469 million (Total Rs.642.743 million) in the books of the company.

From the examination of the record of the accounts of the company in different banks, it is established that from March 98 to June 98, foreign currency remittances of US $ 13.586 million equivalent to Rs. 612.274 million were received in the accounts of the company, from four non resident individuals namely; Saddiqa Sayed Mahfoodh Hashim Khadem, Sikandara Masood Kazi, Kashif Masood Kazi and Talat Masood Kazi, as their equity investment. The statements of the concerned bankers have been recorded which are annexed with this challan. They have made full disclosure of the matter/state of affairs in which the above mentioned transactions took place. In the light of these statements / record of banks pertaining to the transactions, it has been established that Sharif family was in possession of voluminous ill gotten money , which was kept by them in these banks by opening certain

bonafide/ benami foreign currency accounts in the names of different non resident individuals viz;Talat Masud Qazi, Skindra Masud Qazi, Kashif Masud Qazi, Nuzhat Gohar, Moosa Ghani, Saeed Ahmad etc. by using the contacts of Ishaq Dar who used to open /manage/operate these accounts by issuing instructions regarding the operations of these accounts either directly and/ or through one of his employees, Naeem Mahmood. None of the bankers engaged in these transactions ever met or interacted with any of the account holders directly. Instead, the manager of Ishaq Dar used to provide necessary documentation, instructions of the account holders etc. to the bankers, as and when required. In some instances, Ishaq Dar had personal meetings with the bankers regarding the affairs of the operations of accounts and in some instances, the letters to the account holders were mailed to the residential address of Ishaq Dar. Mr. Haroon Pasha also had active involvement in all this maneuvering and management of financial transactions in these accounts in order to launder / conceal ill-gotten money of the directors of M/s Hudaibya Paper Mills Ltd.

The foreign currency funds in these malafide / benami accounts were used by various companies of sharif family /-companies of Ishaq Dar as collateral to obtain loans from various banks. Starting from early 90s to the beginning of 1998, the huge foreign currency balances were routed / parked from one bank to another and from one benami account to another along with corresponding loans in order to effectively conceal / camouflage the origin / beneficial user of ill gotten money by creating an octopus of transactions.

In 1998, Sharif family decided to unwind the financial matrix constructed by them in various banks over almost a decade, by liquidating the dollar deposits in these benami accounts and to adjust the loans obtained against these deposits. For this purpose the arrangements with the help of bankers and money changers were made, whereby, money changers first remitted US dollars from abroad, in the accounts of the company with Emirates bank & Faysal bank /Al-Faysal investment respectively, in the name of Saddiqa Sayed Mahfoodh Hashim Khadem at their instructions, and on receipt of these remittances, bankers released the dollars under lien and delivered these to money changers or to their customers (as per their instructions). However, this plan could be partially implemented during the month of March & April 1998 before the freezing of Foreign Currency Accounts (FCA) by the government of Pakistan in the aftermath of atomic explosions on 28th May 1998. On freezing of FCAs, it was not possible to remit US dollars out of these accounts, but these deposits could only be encashed @ of Rs. 46 per dollar. So the plan of liquidating dollars and showing these as foreign investment by Saddiqa Sayed Mahfoodh Hashim Khadem was slightly altered. Now the dollar deposits were directly encashed @ Rs 46 per dollar from the accounts of Talat Masud Qazi, Ksahif Masud Qazi & Skindra Masud Qazi and the proceeds were deposited in to the accounts of HPML as equity investment by these individuals respectively. These funds were subsequently transferred to other companies of sharif family/companies of Ishaq Dar, to which HPML was liable. Ultimately these funds were used to adjust the facilities obtained by the companies of sharif family/Ishaq Dar from respective banks.

In this way, the ill gotten money, which was previously kept as dollar deposits in foreign currency accounts and used as collateral for obtaining loans for companies of Sharif family / Companies of Ishaq Dar, was finally parked in the accounts of HPML as foreign investment from above named non resident individuals. Ultimately the funds were used to adjust the financial facilities availed by the companies of Sharif Family / companies of

Ishaq Dar. This establishes that the said money of Rs. 642.743 million actually belonged to Sharif family / Ishaq Dar in one form or another.

Despite the fact that the company had so far failed to account for the investment of Rs. 642.743 million., yet another item appearing on the balance sheet as loan from Al-towfeek Company for Investment Funds has reportedly been settled by the management of HPML with the lenders by way out of court settlement pursuant to which a payment of Pound Sterling 8.7 million has been made. The issues relating to the source of this repayment along with the unexplained investment is under further investigation which may lead to an un explained amount of over a billion rupees in the books of the company.

From the above discussed facts, it is established that the management of M/s Hudaibya Paper Mills Limited comprising of Mian Muhammad Sharif, Mian Shahbaz Sharif, Mian Abbas Sharif, Mian Hussain Nawaz and Mian Hamza Shahbaz was in possession of ill gotten wealth of Rs.642.743 million which with the active connivance of Muhammad Ishaq Dar and Haroon Pasha was kept in malafide / benami foreign currency accounts of different non residents individuals and subsequently in March/April, 1998 was transferred in the accounts of the company on the pretext of share deposit money. This amount is unexplained. Thus all the above stated persons have committed the offence of corruption and accumulated wealth through corrupt practices as defined in the NAB Ordinance, 1999 and thus are recommended for judicial action. Further investigations are underway and complete challan of the reference will be submitted immediately after completion of the same.

CASE

REFERENCE UNDER SECTION 18(g) READ WITH SECTION 24 OF THE NATIONAL ACCOUNTABILITY BUREAU ORDINANCE, 1999.

**Respectfully Sheweth,**

1. • An interim reference against the accused Nos. 1-2 and 4-6 was filed before the Honourable Accountability Court Attock, under section 18(g) of the NAB ordinance whereby it was submitted that the directors / shareholders and beneficial owners of M/S Hudaibya Paper Mills (HPML) had committed acts of corruption and corrupt practices defined under Section 9 of the NAB Ordinance 1999.

• It appeared that there was an unexplained investment of Rs. 642.743 Million appearing in the books of HPML as share deposit money. The same belonged to the directors / shareholders and beneficial owners of the company, which they had fraudulently amassed under the garb of foreign equity investment. Further more, in November, 1999, the company had settled its loan with Al-Towfeek Company for Investment Funds, London by making a payment of US $ 8.7 million and the source of this payment also appeared to be doubtful.

• Further investigation was carried out into the matter and in the light of additional evidence this Reference is being submitted to be read with and in addition to the interim Reference already filed.

2. • I have gone through the record placed before me, the statements of witnesses and report of the Investigation Officer.

• It appears from the evidence that in order to launder and conceal their ill-gotten wealth, accused No. 3 & 4, Mr. Nawaz Sharif and Mr. Shahbaz Sharif appeared to have fraudulently opened fictitious foreign currency accounts in the names of various individuals with the active connivance of some of their close associates and employees. The amounts that have been deposited in the said accounts stand unexplained & appear to be beyond the known source of income of the accused individuals.

• The fraudulent accounts and deposits therein were used by the accused persons as collateral to obtain loans from various financial institutions,. Subsequently, the same deposits were released, en-

cashed and the proceeds were used to adjust financial facilities availed by various companies owned by the accused persons. The amounts so en-cashed and paid were shown as equity investment in the company.

- Thus, all the accused persons in collusion and in connivance with each other appear to have committed acts of corruption and corrupt practices as defined under section 9 read with section 10 of the NAB Ordinance and the Schedule thereto.

3. Keeping in view the personalities involved and the ever present danger to the security of all persons involved in the trial of the accused, it is deemed necessary and appropriate in the interest of justice, fair play, and transparency of proceedings that this Reference be filed in the Hon'ble Court Attock Fort.

It is therefore, respectfully prayed that all the accused persons named above may be tried and punished in accordance with law by this Hon'ble Court.

**BRIEF DESCRIPTION OF THE OFFENCE.**

1. During the scrutiny of the record pertaining to the accounts of M/s. Hudaibya Paper Mills Ltd. (hereinafter called **"HPML"**) for the year 1996-97 and 1997-98, National Accountability Bureau **(NAB)** Chief Executive Secretariat Islamabad observed that a sum of Rs.30.469 million and Rs.612.273 million in respective years was ***shown as share deposit money.*** Such a huge influx of investments in a company whose share capital prior to this addition was only Rs. 95.7 million & which was carrying huge accumulated losses to the tune of Rs. 809.834 million, raised serious doubts as to the bonafide of this investment. Resultantly, Chairman, NAB, ordered the investigation of the matter under NAB Ordinance,1999 and the undersigned was entrusted with the investigation.

2. During investigation, it was established that the allegations leveled against HPML were true. Accordingly, an interim challan of the reference was submitted in Accountability Court, Attock on 27.03.2000 against the company as well as its Directors/Beneficiaries and the associate accused persons. Now, the investigation of this reference has been completed, hence, this challan is being submitted for onward submission in the Court of Law to take the cognizance of the offence. This report, its schedules as well as the documentary evidence attached with this report will form an integral part of the interim challan / evidence already submitted in the court.

3. During further investigation of this reference, it has been found that Sharif Family was in possession of voluminous illicit proceeds and it was difficult for them to explain its source. In order to conceal the source of the acquisition of this illicit money, Sharif family resorted to the modern techniques commonly referred to as "*Money* Laundering" i.e. placement of illicit money in the bank accounts, channeling the same through various banks & creating layers of transactions to conceal the source and to finally integrate this money into main stream financial system.

4. As per record, HPML is a non listed company limited by shares, is and has always since its incorporation, remained essentially a Sharif Family business entity with no participation of any outsider. Though the legal form of the business is that of a limited company but in substance it is a private business concern of the Sharif Family. The senior Sharif Family members conceived the idea of setting up of the Paper Mill raised the capital outlay, implemented the same and were fully responsible for running its affairs. The Mill being the family business was set up for the benefit of the Sharif Family as a whole. The initial capital was raised in the names of the family members and later on the funding requirement for the project were met by the accused by injection of their ill-gotten and illicit wealth through carefully planned and executed money laundering techniques. They enjoyed absolute authority in running the affairs of the company on account of the powers vested with them by virtue of the share holding. The share holding by male members of the family is either in their own name or in the names of their spouses/minor children.

   Apart from the directors of the company, Mian Muhammad Nawaz Sharif holds 375, 000/- shares of Rs.100/- denomination each in the name of his minor daughter Miss Asma Nawaz Sharif, while Mian Shahbaz Sharif holds 10,000/- shares in his own name and 303,000/-shares in the name of his minor daughter Miss Rabia Shahbaz Sharif. At no point of time has any individual except immediate members of the Sharif Family held any shares in the company.

5. In the year 1992, a new law in the name of "The Protection of Economic Reforms Act, 1992" was promulgated in the country according to which bonafide foreign currency accounts were provided with immunity from any inquiry or investigation as to the source of funds. In an attempt to derive the benefit of concealment of ill gotten wealth through the protection available under the above Act, the Sharif Family with the connivance and professional guidance of Muhamamd Ishaq Dar (one of their close friends), fraudulently opened / operated fictitious foreign currency accounts in the names of Mrs. Sikandra Masood Qazi, Kashif Masood Kazi, Talat Masood Kazi, Mrs. Nuzhat Gauhar and Mr. Moosa Ghani (a nephew of the wife of Muhammad Ishaq Dar) in the Bank of America, Lahore now known as Union Bank (hereinafter called **"BOA"**). They also opened a benami foreign currency account in BOA in the name of Mukhtar Hussain (one of Sharif's employee). Another foreign currency account already existing in BOA in the name of Mr. Saeed Ahmed (a close friend of Mr. Dar) was used by Sharif Family for their designs of laundering ill-gotten wealth.

6. Under the instructions received from Mian Nawaz Sharif and Mian Shahbaz Sharif, all the bank documents (from the signing of "account opening form" till the closure of these accounts, including instructions given to the banks for the operation of these accounts from time to time) were fraudulently prepared and signed by Muhammad Ishaq Dar in the names of Sikandra Masood Qazi, Talat Masood Qazi and Moosa Ghani. Whereas the bank documents pertaining to the accounts of Mr. Kashif Masood Qazi and Mrs. Nuzhat Gohar were fraudulently prepared and signed by Mr. Naeem Mehmood (an employee of a company of Muhammad Ishaq Dar). This was done under the direct verbal instructions of Mian Nawaz Sharif and Mian Shahbaz Sharif. In order to use the bank account of Mukhtar Hussain with BOA, the requisite documents were got signed form him directly by Sharif Family, whereas in case of accounts of Mr. Saeed Ahmed with AL-Towfeek Investment Bank & Emirates Bank International Lahore, signatures were obtained from him through Muhammad Ishaq Dar.

7. After the opening of these accounts, illicit funds belonging to the Sharif Family were deposited and immediately thereafter Pak. Rupee loans in the names of Sharif Group Companies were obtained from BOA, using the same deposits as primary security for these loans. Apart from their own companies,

ATTESTED TO BE TRUE COPY

REGISTRAR, ACCOUNTABILITY COURT NO. I / RAWALPINDI 14/5/17

borrowings were also affected in the like manner for the benefit of Hajvery Group of companies (owned by Ishaq Dar) from where funds of similar amounts were lent to the Sharif Group of Companies. Subsequently these funds were shifted from BOA to other banks/ financial institutions using the same modus operandi for the same reasons/ objectives. These institutions included Al-Faysal Investment Bank Ltd. **(AFIBL), Citibank** Lahore, Emirates Bank International **(EBI), Atlas (BOT)** Investment Bank Lahore, **Al-Towfeek** Investment Bank, Lahore, & **Al-Baraka** Islamic Bank, Lahore. Parking of Deposits / Loans in these various institutions was in fact the layering part of money laundering, with an objective of concealing the source of funds.

8. In the year 1995, due to different investigations conducted by Pakistani Agencies as well as the research reports published in the National / International Press, this modus operandi of Sharif Family was exposed especially with reference to fraudulently opened fictitious accounts of Qazi Family. Therefore to avoid any further embarrassment on the political front, they were compelled to evolve a new strategy; Temporarily, the deposits with Al-Towfeek, Al-Baraka & Atlas BOT were pooled in the A/C of Saeed Ahmed with EBI, and Sharif Group Companies availed loans indirectly through Hajvery Modaraba (Owned by Ishaq Dar). Later on, again with the active assistance of Mr. M. Ishaq Dar, alternate names were considered to replace the names of Qazis. However, for the implementation of the same, appropriate time was awaited and it was accomplished once the Govt. of Mian Nawaz Sharif took office. The said plan was implemented through explicit support of banks and money changers.

9. In march 1998, Sharif Family decided to unwind the financial matrix constructed by them in various banks over years, by way of liquidating the dollar deposits in these fraudulent accounts and adjusting the loans obtained against these deposits. In order to achieve this goal, an unscrupulous method was adopted according to which, the Bank Managers were requested to arrange for telegraphic transfers (TTs) of dollar deposits equivalent to the collateral held by these banks, from abroad (with the help of money changers) in favor of HPML. It was further requested that in these TTs, the name of the ordering customer should be mentioned as Saddiqa Sayed Mahfoodh Hashim Khadim and the purpose of this transfer of money should be quoted as share deposit money. Sharif Family assured the banks that after the receipt of these dollar TTs, the Pak. Rupee proceed of the same will be used to pay off their Pak. Rupee loans to these banks. It was further assured that after the payment of Pak. Rupee loans the released dollar collateral would be reimbursed to the money changers and money changers was also paid a commission for his services.

10. The Plan so conceived could not be fully implemented due to Pakistan's Nuclear Detonation on 28.5.1998, the date on which all foreign currency accounts were frozen under the directive of SBP. BY the said date only a sum of US dollar 6.674 million equivalent to Pak. Rs. 294.364 million were transferred to the accounts of M/s HPML as share deposit money from Saddiqa Sayed Mahfoodh Hashim Khadim. As explained above the said dollar deposits were withdrawn from the accounts of Qazi Family with AFIBL and Mr. Saeed Ahmed with EBI.

11. After the freezing of foreign currency accounts, Sharif Family was left with no option except to convert dollars kept in these banks, into Pak rupees and inject the proceeds thereof into the accounts of M/s. HPML as share deposit money from each of the deposit holder respectively. The funds so received in HPML were immediately appropriated and the borrowing raised by HPML and other companies of the Sharif Group from respective banks were liquidated.

12. A brief chronology of money laundering operations carried out by the Sharif Family during April, 1992- June 1998, to conceal the ill-gotten wealth & its real beneficiaries, is appended below: -

(a) Details of opening of fraudulent foreign currency A/Cs at BOA in 1992 are given below;

| Date of A/C Opening | US $ A/C # (6214-) | A/Cs Title | Initial Deposit. | Max. Bal.* At one time. |
|---|---|---|---|---|
| 08.04.1992 | 197526-091 | Sikandra Masood Qazi | $500,000 | $ 2,375,000. |
| 12.05.1992 | 197964-091 | Mukhtar Hussain | $300,000 | $ 300,000 |
| 04.06.1992 | 198243-091 | Moosa Ghani | $1,094,340 | $ 2,946,000 |
| 27.06.1992 | 198558-091 | Talat Masood Qazi | $1,163,765 | $ 3,163,000 |
| 11.10.1992 | 199936-091 | Nuzhat Gohar | $2,000,000 | $ 3,705,000 |
| 26.10.1992 | 260133-091 | Kashif Masood Qazi | $1,500,000 | $2,884,000 |

(b) Between 10.05.1992 to 22.09.1992, four Pak Rupee Borrowing Accounts were opened in BOA in the name of different companies of Sharif Group namely M/s. Chaudhry Sugar Mills Ltd. M/s. Hudaibya Paper Mills Ltd., M/s. Hudaibya Engg. Company Ltd. and M/s. Hamza Board Mills Ltd. These companies of the Sharif Group obtained 100% Pak rupee finances from BOA against the foreign currency deposits of Mrs. Sikandra Mosood Qazi, Mukhtar Hussain, Moosa Ghani, Talat Masood Qazi, Nuzhat Gohar and Kashif Masood Qazi in their above cited foreign currency accounts in BOA. In order to cover margin requirement and for additional security, the bank pledged the assets of these companies. Details of these loans are tabulated in the annexed schedule 'A' – Synopsis of Events

(c) From Mid 1993 onwards, due to credit ceiling restrictions of SBP, BOA in consultation with Sharif Group, arranged the transfer of these credit facilities/ collateral to CITI Bank, Al-Towfeek, AFIBL, Al-Baraka, Atlas BOT & EBI, Lahore etc. This also facilitated Sharifs to create as many layers of transactions as possible in order to conceal the source of deposits. Details of these transfers are given below. For more details kindly refer to the annexed schedule 'A' – Synopsis of Events;

i) On 26.05.1993, BOA transferred a sum of US$ 1.0 million out of the afore-mentioned deposits to CITI Bank in the A/C of Sikandra Masud Qazi as a collateral of loan. The account of Sikandra Masud Qazi was already operative with CITI Bank since March 1992, however there was no balance in the account at the time of transfer. In turn, CITI Bank, approved 100 % financing facilities for HPML against the US $ deposits. The proceeds of this loan were remitted to BOA for adjustment of loans against same deposits at BOA. This loan arrangement with CITI Bank, continued for about five years till the matrix was unwinded in 1998.

ii) During September – November 1993, BOA transferred a sum of US$ 3.0 million out of the afore-mentioned deposits to Al-Towfeek in the names of Talat Masud Qazi, Sikandra Masud Qazi & Moosa Ghani as collateral of loans. In turn, AL-Towfeek approved financing facilities equivalent to US $ deposits for Hajvery Holding, Talat Masud Qazi, Sikandra Masud Qazi & Moosa Ghani etc. Deposits & loans kept on changing names during the currency of

relationship but effectively the loans were always equal to the US $ deposits and beneficiary was also the same i.e. Sharifs. It is noteable that Hajvery Holding provided equivalent financing to Sharif Group Companies after availing the same from Al-Towfeek against US $ deposits. This relationship with Al-Towfeek continued till April 1997, though major portion of deposits / loans was shifted from here to EBI before April 1996.

iii) From 10.01.1994 to 10.03.1994, BOA transferred a sum of US$ 6.59 million (appx) out of the afore-mentioned deposits to AFIBL in the names of Talat Masud Qazi, Kashif Masud Qazi & Nuzhat Gohar, for collateral of loans. In turn, AFIBL approved financing facilities for three Sharif Group Companies viz.; Hudaibya Engg. Mills Ltd., Hamza Board Mills Ltd. and Chaudhry Sugar Mills Ltd. respectively and issued three cheques of Rs.60.380 million, 70.000 million and Rs. 70.000 million respectively in favor of these companies. These loan arrangement of Sharif Family with AFIBL continued for about four years till the matrix was unwinded in 1998.

iv) On March 09,1994, BOA transferred a sum of US$ 1.0 million out of the afore-mentioned deposits to Al-Baraka Islamic Bank in the A/C of Sikandra Masud Qazi as collateral of loan. In turn, Al-Baraka Bank approved financing facilities for Sikandra Masud Qazi herself. The proceeds of the loan were remitted to BOA for adjustment of loan against these deposits at BOA. This loan arrangement with Al-Baraka continued till Jan 1995 when the A/C was transferred to another bank.

v) <u>Transactions with Atlas BOT Investment Bank:</u>

- In May, 1994, BOA transferred a sum of US$ 2.589 million out of the afore-mentioned deposits to Atlas BOT in the name of Mr.Talat Masood Qazi as collateral for loans. Simultaneously four loan accounts in the name of Mr. Zubair Hameed Butt, Arif Hameed Butt, Abdul Aziz Khan and Muhammad Yousaf were opened in ATLAS BOT and a sum of Rs.24 million each was sanctioned in the name of First three persons whereas a loan of Rs.7.192 million was granted to the 4th individual (Mr. Muhammad Yousaf). Funds so generated totaling to Rs.79.192 million were transferred to BOA for adjustment of loans of Sharif Group Companies. As these loans were 100% of the collateral funds, therefore in order to cover the margin requirements, a charge on the stocks of M/s. HPML worth Rs.29.248 million was created/registered in favor of ATLAS bank through a resolution of the Board of Directors of the Company.

- In August 1995, these loans with Atlas BOT were settled in a novel way. Instructions from Talat Masood Qazi were provided to ATLAS Bank to remit the pledged US $ deposits of US$ 2,786,780 to DOHA Bank Ltd. Lahore (DBL) for credit into the accounts of M/s. HPML & Hudabiya Engg. Co.(HEC) as share deposit money paid by Sheikh Zakauddin as per distribution given below;

| | |
|---|---|
| - Hudaibya Paper Mills | $ 569,580 (Eq. Rs. 17,816,462) |
| - Hudaibya Engg. Co. | $ 2,217,200 (Eq. Rs. 69,354,016) |
| Total | $ 2,786,780 (Eq. Rs. 80,170,478) |

- Atlas BOT had written assurance from DBL that the above two companies had instructed DBL to remit to Atlas BOT the Rs. equivalent of the remittances from AIB, immediately after the

receipt of the same. The Rs. equivalents were accordingly transferred back to Atlas BOT after routing through the A/Cs of HPML & HEC with DBL. The loans of M/S Arif Hameed Butt, Zubair Hameed Butt, Abdul Aziz Khan & Muhammad Yousaf with Atlas BOT were therefore adjusted and Rs. equivalent of US $ deposits landed in HPML & HEC as share deposit money.

vi) From July 1995 onwards, the US $ deposits with Al-Towfeek, Al-Baraka & Atlas BOT were shifted to EBI in the A/C of Saeed Ahmad (A confidante of Sharifs & Ishaq Dar). The loans against these deposits were obtained in the name of Hajvery Holding, Hajvery Modaraba etc. (Companies owned by Ishaq Dar). Simultaneously, Hajvery Modaraba provided equivalent financing to Sharif Group Companies. The loans from Hajvery to Sharif Group Companies were provided at cost plus small charges to cover the administrative expenses of Hajvery group companies. Therefore an indirect approach was adopted by Sharifs to use their US $ deposits previously concealed in various banks under garb of fraudulent Qazi Accounts. This arrangement with EBI continued till March 1998 when unwinding of the financial matrix was initiated.

(d) As referred to in point # 9,10 & 11 above the plan of liquidation of US $ deposits & adjustment of loans there-against was initiated by Sharifs in March 1998. This process culminated in to the integration of Sharifs' ill-gotten wealth in to the financial system, thereby completing the operation of money laundering, which was initiated in 1992, by placing the ill-gotten wealth in the banking system. Details of these transactions are given below. For more details kindly refer to the annexed schedule 'A' – Synopsis of Events.

i) To start with the unwinding, the collateralized US $ 3.735 million in the accounts of Saeed Ahmed with EBI were encashed and showed as foreign equity investment in HPML by a foreigner lady, Saddiqa Sayed Mahfoodh Hashim Khadim. The transactions were carried out in the manner discussed below;

- Instructions were obtained from Mr. Saeed Ahmed for the release of US $ deposited in his account by Sharif Family through Ishaq Dar.

- Mr. Naeem Mahmood (an employee of Ishaq Dar) requested the, Branch Manager of EBI, Mr. Shahid Ali Sheikh, to arrange the services of some money changers who could first remit, from his own source, the US $ from abroad (Dubai) as equity investment by Saddiqa Sayed Mahfoodh Hashim Khadim in the A/C of HPML with EBI. Subsequently the money changer was to get his money back after the release of collateralised US $ in the A/C of Saeed Ahmed on receipt of equivalent amount of foreign remittance in EBI.

- Mr. Mansoor Zaigham ( a money changer of Lahore) was engaged for this job. From 24.03.98 to 22.04.1998, Mr. Mansoor Zaigham in collaboration with Altaf Khanani of M/s. Khanani & Kalia, Money Changers, Karachi, remitted from abroad a sum of US$3.725 million (equivalent to Pak Rupees 164.375 million ) through eight TTs, in the A/C of HPML with EBI as share deposit money from Saddiqa Sayed Mehfoodh Hashim Khadim.

- On receipt of the remittances from abroad, EBI immediately paid back to the money changer (or to his various customers on his instructions) the same US $ amounts by releasing the US $

under lien in the A/C of Saeed Ahmed. Proper instructions were obtained from Saeed Ahmed for disbursement. The money changer was paid a commission for his services.

- The Rupee proceeds of these TTs amounting to Rs. 164.375 million were first deposited in the account of HPML with EBI and were immediately utilized to pay off the loans of Sharif Group Companies (Chaudhary Sugar, Hamza Board & Hamza Spinning) towards 1st Hajvery Modaraba. In turn, Hajvery Modaraba & other group companies adjusted their liabilities with EBI.

ii) Furthering the strategy of unwinding the financial matrix, on May 21 & 22, 1998, the collateralized US $ 2.949 million in the account of Nuzhat Gohar Qazi with AFIBL were encashed and again showed as foreign equity investment in HPML by Saddiqa Sayed Mahfoodh Hashim Khadim. The transactions were carried out in the similar manner as were carried out in EBI i.e.

- Five remittance of funds (TTs) from abroad were made by a money changer as equity investment by Sadiqa Sayed Mahfoodh Hashim Khadim and on receipt of those funds at AFIBL, immediate repayment of the same was made to the money changers by releasing the collateralised US $ of Nuzhat Gohar.

- In this case, Mr. Majeed Moti, a Karachi based currency dealer was engaged to carry out the job. Mr. Kamal Qureshi, an employee of Sharifs expedited the matter with concerned banks & money changer. US $ remittances were received at Faysal Bank Ltd., Karachi and their rupee proceeds amounting to 129.989 million were deposited in the A/C of HPML with Faysal Bank.

- After deposits of the proceeds of these remittances in the A/Cs of HPML with Faysal Bank, Karachi, HPML issued cheques to its associated companies having their accounts in Faysal Bank. These companies in turn issued cheques to AFIBL to adjust their loans with the same.

iii) Freezing of Foreign Currency Accounts (FCAs) by GOP in the aftermath of atomic explosions on 28th May 1998, left no option with Sharifs except to encash the deposits @ Rs. 46 per US $. The rest of the dollar deposits could not be routed into the account of M/s. HPML as share deposit money from Saddiqa Sayed Mehfoodh Hashim Khadim as remittances from abroad and their subsequent withdrawal now had added costs. So the deposits of US $ 2.967 million (Eq. to Pak Rs. 136.511 million) in the A/C of Talat Masud Qazi & US$ 2.621 million (Eq. to Pak Rs. 120.609 million) in the A/C of Kashif Masud Qazi with AFIBL were encashed on 22-06-98 and proceeds totaling to Rs. 257.120 million were deposited in the accounts of HPML as equity investment by Talat & Kashif Masud Qazi respectively. These funds were immediately transferred to other companies of Sharif family to adjust their loans with AFIBL.

iv) Similar to above transaction, the deposits of US $ 1.321 million (Eq. to Rs. 60.779 million) in the A/C of Sikandra Masud Qazi, with CITI Bank, were encashed on 24-06-98. The encashment proceeds were deposited in the A/C of HPML with CITI Bank, as share deposit Money from Sikandra Masud Qazi. Subsequently the loan of HPML with CITI Bank was adjusted from these deposits. The transaction was expedited by Mr. Kamal Qureshi, under the instructions of Mian

Shahbaz Sharif. He provided the bank the requisite instructions by the deposit holder for encashment of US $. He also ensured the bank that the money received in the saving account of HPML as equity investment by Sikandra Qazi will be used to pay off the liabilities of HPML towards the bank. The bank had therefore no problem for encashing the US $ deposits immediately before settlement of loans.

v) To sum up, starting from March 23, 1998 to June 24 1998, Sharifs unwinded the financial matrix, which was constructed over a period of six years (From April 1992 onwards.) During this decomposition, they encashed a total sum of US $ 13.586 Million (Equivalent to Pak Rs. 612.274 Million) and showed the proceeds as foreign equity investment in Hudabiya Paper Mills. Immediately, the loans of various Sharif Group Companies with various banks were adjusted, which had been obtained from these banks against ill-gotten US $ deposits in fraudulent foreign currency accounts.

A flow chart showing sequence of the above mentioned transactions and a synopsis of Events mentioning details of transactions is being filed as Schedule-A, which forms an integral part of this report.

13. Mr. Muhammad Ishaq Dar has confessed that it was Mian Nawaz Sharif and Mian Shahbaz Sharif who hatched the plan to fraudulently open the fictitious accounts where the Sharif Family could place their ill-gotten wealth. In the furtherance of the plan, Mr. Ishaq Dar fraudulently opened and operated fictitious accounts in the names of Sikandra Masud Qazi, Talat Masud Qazi and one of his employee Naeem Mahmood fraudulently opened and operated fictitious accounts in the names of Mrs. Nuzhat Gohar and Kashif Masood Qazi by forging the signatures of the respective persons.

14. The specimen signature of the both persons were obtained and referred to the handwriting expert alongwith the questioned documents (the instructions prepared by Muhammad Ishaq Dar/Naeem Mehmood and submitted to the Banks in the name of Qazi's and Moosa Ghani) and the routine signatures of the Qazi's. The hand-writing expert has confirmed that the signatures on the said documents do not tally with the original signatures of the Qazi's and are similar to the specimen signatures provided by Muhammad Ishaq Dar and Naeem Mehmood.

15. Mrs. Sikandra Masood Qazi, Mr. Kashif Masood Qazi, Mr. Talat Masood Qazi, Mrs. Nuzhat Gohar have been examined and shown the bank record pertaining to the fictitious / fraudulent accounts as well as the accounts of HPML for the year 1998, which shows an investment of Rs.60.788 million, Rs. 120.609 million and Rs.136.511 million in the name of First three persons respectively. They have categorically denied the opening / operation of any Pak-Rupee / Foreign Currency Accounts in BOA, AFIBL, Atlas BOT, CITI Bank, EBI, Al-Towfeek, Al-Baraka or any other bank in Pakistan. They have further stated that they belonged to a lower middle class family and even cannot think of acquiring such huge deposits. They have stated that they do not know any lady by the name of Saddiqa Sayed Mehfoodh Hashim Khadim or persons namely Sheikh Zakauddin, Zubair Hameed Butt, Arif Hameed Butt, Abdul Aziz Khan, Muhammad Yousaf, or Saeed Ahmed etc. All of them have denied the issuance of any instructions pertaining to any remittance / encashment of deposits or any other instruction relating to the operations of these accounts. They have further added that they had never visited any of the above mentioned banks in connection with the opening or operation of their so called accounts. They have also stated that they had never made any investment in HPML or any other company of the Sharif Group as share deposit money. Except for Nuzhat Gohar who has submitted a photo copy of her passport, the rest have submitted their original passports pertaining to the

year in which foreign currency accounts were opened in their name which prove that at the time of opening of their accounts, they were not visiting Pakistan (their original passports are also attached with this report). The version of the Qazi Family is further proved from the statements of Muhammad Ishaq Dar, Naeem Mehmood, hand-writing expert and the Bank Officers. Their statements under section 161 Cr. P.C have been recorded and annexed with this report.

16. Sh. Zakauddin (A cousin of Muhammad Nawaz Sharif) has also been examined and shown the accounts of HPML for the year 1996 in which a sum of Rs.30.469 Million have been shown as his share deposit money. His statement U/S 161 Cr. P.C. has also been recorded. In his statement he had told that neither any investment into the accounts of M/s Hudaibya Paper Mills Ltd. or any other company of Sharif Group had ever been made by him nor his resources are compatible to the investment shown in his name.

17. Muhammad Ishaq Dar had further confirmed that the foreign currency accounts of Mr. Saeed Ahmed in BOA and in EBI were used to deposit the dollar funds of the Sharif Family. However, necessary instructions regarding the keeping of these funds as collateral against the direct / Indirect Pak-Rupee Loans received by the Sharif Group Companies and the other instructions regarding the movement of these funds according to the desire of Sharif Group were got signed from Mr. Saeed Ahmed by him. In March / April 1998 a balance of US$.3.725 Million of the Sharif Family was existing in the Dollar A/C. of Mr. Saeed Ahmed in EBI. The same was received in the accounts of HPML as share deposit money from Saddiqa Sayed Mahfoodh Hashim Khadim through money changers.

18. Muhammad Ishaq Dar has made full and true disclosure of all the facts pertaining to this case. He has disclosed that he fraudulently opened different accounts in the name of Qazi Family and committed all the subsequent illegalities in this connection under the directions of Mian Muhammad Nawaz Sharif & Mian Shahbaz Sharif.

19. The statement of Muhammad Ishaq Dar has been verified and confirmed through independent evidence. Since he has been granted pardon by the Chairman National Accountability Bureau under the provisions of the NAB Ordinance 1999. Hence his name has been excluded from the list of accused persons recommended for judicial action.

20. At the time of submission of interim challan, some evidence had come on record involvement of Haroon Pasha, (General Manager of the Sharif Group) whereas further evidence was expected thus his name was also placed in the list of accused (column No.3 of the challan). But now after the completion of investigation, sufficient evidence to connect Haroon Pasha with the commission of the offence of corruption and corrupt practices has not come on record. Hence his name is being excluded from the list of accused persons challaned in this reference.

21. <u>Settlement of Loan of US $ 10.0 Million by HPML with Al-Towfeek Company for Investment Funds, London. (ATCIF)</u>

- In interim challan of this reference it was stated that HPML had made an out of court settlement with one of its creditor financial institution M/s. Al-Towfeek Company for Investment Funds at London by making a payment of US $ 8.700 Million in November 1999. Now further investigations have revealed that a Murabaha financing of US dollar 10.000 million was sanctioned to M/s Hudabiya Paper Mills Ltd. By M/s Al-Towfeek Coy. For investment funds Jeddah (ATCIF) in November, 1992.

- M/s Al-Barka Islamic Investment Bank B.S.C (E.C.), Lahore, were appointed as Security Agent for this financing. As per Murabaha Agreement, this loan was to be repaid in ten bi-annual installments totaling to US dollar 13.168 million starting from May 23, 1994. Apart from other securities offered by the company against this financing, **Mian Muhammad Sharif, Mian Muhammad Shahbaz Sharif and Mian Muhammad Abbas Sharif had executed their personal guarantees.** All the security documents were held in the custody of Al-Barka Bank Lahore in the capacity of security agent for Al-Towfeek company for investment funds Jeddah.

- The facility was restructured in May 1996 due to non payment of a single installment. The outstanding was capitalized making a new principle of US dollar 12.048 million to be repaid in semi annual installments from Feb. 1997 with a final maturity in August, 2000. The total funds to be repaid at maturity after the rescheduling were approximately US dollar 16.500 million. The securities provided for the facility were registered mortgaged of fixed assets of HPML besides the unconditional joint and several personal guarantees of the above named members of the Sharif Family.

- Subsequently, HPML did not even adhere to the rescheduling and defaulted upon its commitments. Thereafter legal proceedings were instituted against HPML and the guarantors in the London court. The suit filed by Al-Towfeek was decreed in its favor and execution proceedings were initiated in which flats belonging to Sharif Family commonly known as 16/17 Aven Field House, Park Lane, London were ordered to be attached.

- Thereafter, M/s Al-Towfeek Company for investment funds and M/s HPML reached upon a compromise regarding final settlement of the facility, which was subsequently submitted in the court in London. The record regarding the compromise agreement is sealed by the court in London for the de-sealing of which, orders of the trial court of this Reference in Pakistan are needed. The settlement reached between HPML's Mian Muhammad Sharif, Mian Muhammad Shahbaz Sharif and Mian Muhamamd Abbas Sharif and M/s Al-Towfeek is for approximately US dollar 10 million equivalent to approximately Pak. Rs. 600 million.

22. The accused were confronted with the evidence discussed above through questionnaires. Most of the accused have not replied the questionnaire. Though Muhammad Abbas Sharif, Hussian Nawaz and Hamza Shahbaz Sharif have offered their replies but the same have been found vague in nature.

23. Conclusion:

- From the above discussed facts, it is established that the Management of M/s. Hudaibya Paper Mills Ltd. comprising of Mian Muhammad Sharif, Mrs. Shamim Akhter, Mian Muhammad Nawaz Sharif, Mian Shahbaz Sharif, Mian Abbas Sharif, Mrs. Mariam Safdar, Mrs. Sabiha Abass, Mian Hussain Nawaz and Mian Hamza Shahbaz Sharif was in possession of a huge illicit proceeds and it was difficult for them to explain the source of the acquisition of the same . In order to launder this money, under the cover of the provisions of "The Protection of Economic Reform Act 1992, they fraudulently opened different fictitious foreign currency accounts and deposited huge amounts in these accounts. They also got themselves benefited from these funds all the time, by obtaining Pak rupees credit lines in the name of M/S HPML and their other group companies from the banks by offering their foreign currency funds in these fictitious / fraudulent accounts as collateral. When these foreign currency accounts were exposed they decided to directly inject this money into the accounts of M/s

HPML in such a way that the legitimacy of these proceeds could not be challenged. For this purpose through different money changers they arranged different Dollar TT's in favour of M/s Hudaibya paper Mills Ltd from abroad equivalent to their foreign currency funds. In these TT's, under the instructions of the Sharif Family, the name of the ordering customer was given as Saddiqa Sayed Mahfoodh Hashim Khadem and the purpose of this dispatch was mentioned as share deposit money from her. After 28th May 1998, the foreign currency accounts were frozen and subsequently the rest of the foreign currency funds were got encashed and deposited into the accounts of M/s HPML as share deposit money on behalf of the account holders. To begin with ,in the accounts of HPML for the year ending 30-06-96, a sum of Rs.30.469 was shown as share deposit money from one of their cousin Sheikh Zakauddin. Whereas in the accounts of the company for the year ending 30-06-98, a sum of Rs.294.364 million, Rs.136.511 million, Rs.120.609 million and Rs.60.788 million (totaling to Rs.612.273 million) was shown as share deposit money from Saddiqa Sayed Mehfoodh Hashim Khadim, M/s. Talat Masood Qazi, Kashif Masud Qazi and Mrs. Sikandra Masood Qazi respectively. Mian Muhammad Nawaz Sharif and Mian Shahbaz Sharif engaged Muhammad Ishaq Dar in fraudulently opening of a number of fictitious accounts and in a number of other illegal activities to achieve their objectives for their own benefit. All the laundered money was used to pay off the liabilities of HPML and other companies of the Group. All this money totaling to Rs642.742 Million injected into the accounts of M/s HPML on the pretext of share deposit money In the name of these persons and the money approx. equivalent to Rs. 600.00 Million used for final settlement with Al Towfeek Company for investment funds was / is in fact, owned by Mian Muhammad Sharif, Mrs. Shamim Akhter, Mian Muhammad Nawaz Sharif ,Mian Shahbaz Sharif, Mian Abbas Sharif, Mrs. Sabiha Abbas, Mian Hussain Nawaz, Mian Hamza Shahbaz Sharif and Mariam Safdar. Though Mian Muhammad Nawaz Sharif and Mian Shahbaz Sharif are not presently the directors of HPML, yet they have benefited themselves directly from these criminal activities as they hold shares in HPML through their minor children.

- The said entire money totaling to appx. Rs.1,242.732 million which has been used by Sharif family for their businesses over a period of time and finally to adjust their business liabilities is unexplained and is disproportionate to their known legitimate sources of income. The income tax / wealth tax returns submitted by the accused members of Sharif family do not commensurate with the deposits held in the fraudulent foreign currency accounts by them. During this entire operation of money laundering / concealment of ill-gotten wealth, Sharifs defrauded a whole lot of institutions & individuals including a number of banks, tax authorities, etc. Hence, all the accused persons mentioned in column No.3 of this report, being directors / beneficiaries of this entire proceed as share holders (either directly or through their minor children) are guilty of the offence of corruption and corrupt practices as defined in the NAB Ordinance 1999 as well as NAB (amendment) Ordinance 2000. The accused persons are recommended for judicial action.

## SYNOPSIS OF EVENTS – Schedule 'A'.

| Sr. # | Time Period | Description of Event | Details of the Event |
|---|---|---|---|
| 10 | March to June 1998. | Liquidation of US $ deposits in Qazi A/Cs with various Bank and adjustment of Loans there-against of various business concerns of Sharifs. | In 1998, Sharif family decided to unwind the financial matrix constructed by them in various banks over almost a decade, by way of liquidating the dollar deposits in these fraudulent accounts and adjusting the loans obtained against these deposits. For this purpose, arrangements with the help of bankers and money changers were made, whereby;<br>1) Money changers first remitted US dollars from abroad, in the accounts of Hudaibya Paper Mills Ltd.(HPML) with Emirates Bank & Al-Faysal Investment Bank respectively, as foreign equity investment by one, Saddiqa Sayed Mahfoodh Hashim Khadem.<br>2) On receipt of these remittances, banks released the dollars under lien and delivered these to money changers or to their customers (as per their instructions).<br><br>However, this plan could be partially implemented during the month of March & April 1998 before the freezing of Foreign Currency Accounts (FCAs) by the Government of Pakistan in the aftermath of atomic explosions on 28th May 1998. On freezing of FCAs, it was not possible to remit US dollars out of these accounts, but these deposits could only be encashed @ of Rs. 46 per dollar. So the plan of liquidating dollars and showing these as foreign investment by some foreign individual(s) i.e. Saddiqa Sayed Mahfoodh Hashim Khadem was slightly altered. Now the dollar deposits were directly encashed @ Rs. 46 per dollar from the account of Talat Masud Qazi, Kashif Masud Qazi & Skindra Masud Qazi and proceeds were deposited in the accounts of HPML as equity investment by respective account holder (Qazis). These funds were subsequently transferred to other companies of Sharif family / companies of Ishaq Dar and were used to adjust the facilities obtained by these companies from respective banks.Details are given below; |
| 10-a | 23rd March to 22nd April 1998. | 1) Encashment of US $ deposits with Emirates Bank International, Lahore (EBI) & Showing the proceeds as Foreign equity investment in Hudabiya Paper Mills.<br><br>2) Subsequent adjustment of Loans of Sharif Group Companies with Hajvery Modaraba & in turn adjustment of loans of Hajvery group companies with EBI, Lahore. | As a part of strategy of unwinding the financial matrix, the collateralized US $ in the accounts of Saeed Ahmed with EBI were encashed and showed as foreign equity investment in HPML by a foreigner lady, Saddiqa Sayed Mahfoodh Hashim Khadim. The transactions were carried out in the following manner.<br>1) Instructions were obtained from Mr. Saeed Ahmed for the release of US $ deposited in his account by Sharif Family thru Ishaq Dar.<br>2) Mr. Naeem Mahmood (an employee of Ishaq Dar) requested Mr. Shahid Ali Sheikh, Branch Manager, EBI to arrange the services of some money changers who could first remit,from his own source, the US $ from abroad (Dubai) as equity investment by Saddiqa Sayed Mahfoodh Hashim Khadim in the A/C of HPML with EBI. Subsequently the money changer was to get his money back after the release of collateralised US $ in the A/C of Saeed Ahmed on receipt of equivalent amount of foreign remittance in EBI.<br>3) Mr. Mansoor Zaigham ( a money changer of Lahore) was engaged for this job. From 24.03.98 to 22.04.1998, Mr. Mansoor Zaigham in collaboration with Altaf Khanani of M/s. Khanani & Kalia, Money Changers, Karachi, remitted from abroad a sum of US$3.725 million (equivalent to Pak Rupees 164.375 million ) through eight TTs, in the A/C of HPML with EBI as share deposit money from Saddiqa Sayed Mehfoodh Hashim Khadim. **Writ Petition No. 2617-2011**

M/S Hudaibya Paper Mills Ltd etc Vs. Federation of Pakistan etc

**JUDGEMNT**

**Date of hearing:** 26, 27, 28, 29-11-2012 and 03.12.2012

**Petitioner by:** Kh. Haris Ahmad, Advocate Assisted by Mr. Mustafa Ramday and Ms. Anosha Rehman, Advocates

**Respondent by:** Ch. Riaz Ahmad, Additional Prosecutor General, NAB.

KH. IMTIAZ AHMAD, J:- This petition under Article 199 of the Constitution of Islamic Republic of Pakistan, 1973 along with all other enabling provisions of law has been filed for the quashment of Reference No.5 of 2000 pending in the NAB Court No.IV, Rawalpindi.

2. The relevant facts for the disposal of this writ petition are that petitioner No.2 herein namely Mian Muhammad Nawaz Sharif in the year 1999 was the elected Prime Minister of Pakistan. On 12.10.1999 the then military dictator removed his government and consequently petitioner No.2 was arrested and thereafter he was involved in two cases, one under the NAB Ordinance,1999 the famous "helicopter case"

and the other known as "hijacking" case. During this period Reference No.5 of 2000 was initiated against the petitioners. An initial report was filed before the court on 27.3.2000 while the final and supplementary report under Section 173 Cr.P.C. was filed on 16.11.2000. The conclusion of the investigation so conducted is mentioned in par-23 of the final report which reads as under:-

> "From the above discussed facts, it is established that the Management of M/S Hudaibya Paper Mills Ltd. Comprising of Mian Muhammad Sharif, Mrs. Shamim Akhter, Mian Muhammad Nawaz Sharif, Mian Shahbaz Sharif, Mian Abbas Sharif, Mrs.Mariam Safdar, Mrs. Sabiha Abbas, Mian Hussain Nawaz and Mian Hamza Shahbaz Sharif was in possession of a huge illicit proceeds and it was difficult for them to explain the source of the acquisition of the same. In order to launder this money, under the cover of the provisions of "The Protection of Economic Reform Act, 1992, they fraudulently opened different fictitious foreign currency accounts and deposited huge amounts in these accounts. They also got themselves benefited from these funds all the time, by obtaining Pak rupees credit lines in the name of M/S HPML and their other group companies from the banks by offering their foreign currency funds in these

fictitious/fraudulent accounts as collateral. When these foreign currency accounts were exposed they decided to directly inject this money into the accounts of M/S HPML in such a way that the legitimacy of these proceeds could not be challenged. For this purpose through different money changers they arranged different Dollar TT's in favour of M/S Hudaibya paper Mills Ltd from abroad equivalent to their foreign currency funds. In these TT's under the instructions of the Sharif Family, the name of the ordering customer was given as Saddiqa Sayed Mahfoodh Hashim Khadem and the purpose of this dispatch was mentioned as share deposit money from her. After 28th May, 1998, the foreign currency accounts were frozen and subsequently the rest of the foreign currency funds were got encashed and deposited into the accounts of M/S HPML as share deposit money on behalf of the account holders. To begin with, in the accounts of HPML for the year ending 30.06.1996, a sum of Rs.30.469 was shown as share deposit money from one of their cousin Sheikh Zakauddin. Whereas in the accounts of the company for the year ending 30.06.1998, a sum of Rs.294.364 million, Rs.136.511 million, Rs.120.609 million and Rs.60.788 million (totaling to Rs.612.273 million) was shown as share deposit money from Saddiqa Sayed Mahfoodh Hashim Khadim, M/S Talat Masood Qazi, Kashif Masud Qazi and Mrs. Sikandra

Masood Qazi respectively. Mian Muhammad Nawaz Sharif and Mian Shahbaz Sharif engaged Muhammad Ishaq Dar in fraudulently opening of a number of fictitious accounts and in a number of other illegal activities to achieve their objectives for their own benefit. All the laundered money was used to pay off the liabilities of HPML and other companies of the Group. All this money totaling to Rs.642.742 million injected into the accounts of M/S HPML on the pretext of share deposit money in the name of these persons and the money approx. equivalent to Rs.600.00 million used for final settlement with Al Towfeek Company for investment funds was/is in fact, owned by Mian Muhammad Sharif, Mrs.Shamim Akhter, Mian Muhammad Nawaz Sharif, Mian Shahbaz Sharif, Mian Abbas Sharif, Mrs. Sabiha Abbas, Mian Hussain Nawaz, Mian Hamza Shahbaz Sharif and Mariam Safdar. Though Mian Muhammad Nawaz Sharif and Mian Shahbaz Sharif are not presently the directors of HPML, yet they have benefited themselves directly from these criminal activities as they hold shares in HPML through their minor children.

The said entire money totaling to approx. Rs.1,242.732 million which has been used by Sharif family for their businesses over a period of time and finally to adjust their business liabilities is unexplained and is disproportionate to their known

legitimate sources of income. The income tax/wealth tax return submitted by the accused members of Sharif family do not commensurate with the deposits held in the fraudulent foreign currency accounts by them. During this entire operation of money laundering/concealment of ill-gotten wealth, Sharifs defrauded a whole lot of institutions and individuals including a number of banks, tax authorities, etc. Hence, all the accused persons mentioned in column No.3 of this report, being directors/beneficiaries of this entire proceed as share holders (either directly or through their minor children) are guilty of the offence of corruption and corrupt practices as defined in the NAB Ordinance, 1999 as well as NAB (amendment) Ordinance 2000. The accused persons are recommended for judicial action."

3. It is also appropriate to mention that when this reference was filed and came up for hearing before the Accountability Court at Attock Fort on 27.3.2000, petitioner No.2 was already under arrest. He was, however exiled to Saudi Arabia on 10.12.2000. Nonetheless, the court seized of the matter did not issue any summon for the attendance of the accused. However, on 12.4.2001, the Additional Prosecutor General NAB made statement before the court that some of the accused were not available and were abroad.

and so the reference be adjourned sine-die and that at appropriate time they would move an application for its revival. On this statement of Additional Prosecutor General NAB , the court adjourned the case sine-die. Thereafter again an application for its revival was moved which was allowed on 17. 8.2007 and the court directed the prosecution to procure latest address of the accused. On 25.8.2007 on the application of prosecution, the court ordered for deletion of name of Mian Muhammad Sharif who had expired meanwhile. The court further observed that since the Hon'ble Supreme Court had allowed the accused persons, who were abroad, to come back, therefore, the court will have to wait till such time that said persons reach Pakistan and service of summons shall be affected and thereafter adjourned the case for 7.9.2007 for further proceedings. On 7.9.2007 the court repeated the earlier order and adjourned the case for 13.9.2007. On 13.9.2007 the case was adjourned on the request of Deputy Prosecutor General NAB and Prosecutor. On 3.10.2007 again the case was adjourned on the request of Deputy Prosecutor General NAB and Senior Prosecutor for the State to 18.10.2007 for the reason that

some of accused persons were likely to arrive in Pakistan. However, the court also observed that in case the position remains the same the prosecution would justify for not adjourning the case sine-die. On 18.10.2007 the case was adjourned for 19.10.2007 as the Presiding Officer was on leave and on 19.10.2007 the court adjourned the case to the first week of November, 2007 for the reason that Mian Muhammad Nawaz Sharif was scheduled to arrive in Pakistan in the first week of November. On 8.11.2007 the case was adjourned to 22.11.2007 on the request of the Deputy Prosecutor General due to Emergency declared in the country. On 22.11.2007 the case was adjourned for further proceedings and on 5.12.2007 the court directed the Prosecutor General Accountability Court to clarify whether the Government intents to prosecute the case or not and to seek instructions in this behalf and the case was adjourned to 12.1.2008. Again the case was adjourned on 12.1.2008 to 21.2.2008 awaiting the instructions from Chairman NAB. For the same purpose the case was again adjourned to 28.3.2008 and then to 8.5.2008 and then to 22.5.2008, 19.6.2008, 4.7.2008 and 31.7.2008. On all these dates the

Lahore High Court, Lahore

case remained adjourned for awaiting the instructions from Chairman NAB. Then the case was fixed for 21.8.2008 on which date again the court adjourned the case sine-die on the ground that application for recommencement of the trial had not been filed under the signatures of Chairman NAB. Thereafter on 22.8.2008 an application by NAB was moved for recalling the order dated 21.8.2008. This application remained pending till 12.11.2008 on which date it was dismissed for non-prosecution. Thereafter on 17.2.2010 the NAB authorities again filed a petition for revival of reference which application was also dismissed on 3.5.2010 on the ground that it was not signed by Chairman NAB and directed the NAB to file fresh application duly signed by Chairman NAB and thereafter on 17.7.2012 again the application for revival of reference was filed i.e. after 9 months of the filing of present writ petition which is still pending. During all these years, the learned Trial Court never summoned the accused to face the trial.

4. Learned counsel for the petitioners contended that he would not indulge into factual inquiry but would confine himself only to the legal grounds showing

that the proceedings in the reference were illegal and without due process of law. He contended that as far as Mian Muhammad Nawaz Sharif is concerned, he is neither a director of the company nor a share holder and that his case is distinguishable from the case of other petitioners though allegedly he had nominal shares in the name of his minor children. To the extent of rest of the petitioners, the learned counsel contended that merely being a director of the company is no ground to hold that he is also liable for any criminal liability unless it is proved. The very basis on which the learned counsel for the petitioner has challenged the proceedings of the reference and the investigation of the reference is on the legal plain. He contended that under Section 9(v) of the NAB Ordinance, 1999, a person can be held liable only if he or any of his dependents or benamidars owns, possesses, or has any right or title in any movable or immovable property or pecuniary resources disproportionate to his own sources of income, which he cannot "reasonably account for". He contended that it is a condition precedent before filing reference that the accused is unable to "reasonably account for" his sources.

ATTESTED

Lahore High Court, Lahore

He contended that in the present case, it is an admitted fact that none of the petitioners were ever summoned to join the investigation, so much so when the proceedings were initiated the petitioner No.2 was under arrest and so on this legal ground, the investigation so conducted without joining the petitioners in the investigation is no investigation at all. He contended that this is a special law and its provisions have to be construed strictly. He further contended that, though, the petitioners were available to join the investigation but with mala fide intention they were not joined in the investigation. He further maintained that at the most the evidence collected against the petitioner is the statement of approver i.e. of Ishaque Dar which was recorded by the Magistrate on 15.10.1999. He submitted that this statement recorded by the Magistrate is illegal as under Section 26(e) of the National Accountability Bureau Ordinance, 1999, it was only the Chairman NAB or the court which was competent to record the statement. He contended that through the National Accountability Bureau (Second Amendment) Ordinance, 2000, which came into force on 5.7.2000, the amendment was made in Section 26(e) and

word "Magistrate" was substituted. He emphasized that this amendment cannot be retrospective and as the statement of accomplice was recorded on 15.10.1999 so the said statement recorded by the Magistrate was illegal, ab-initio, being not recorded by the competent authority/court. He placed reliance on the case of "Nadeem Sarwar Vs. Station House Officer Police Station Sadar, Hafizabad and others" (2000 YLR-756), "Bank of Punjab an another Vs. Haris Steel Industries (Pvt) Ltd and others" (PLD 2010 SC-1109), "Abdul Latif Vs. Inspector General Police and others" (1999 P Cr.L.J.1357), " Liaqat Ali and another Vs. 5. On the other hand, learned Additional Prosecutor NAB contended that as the reference has been filed in the court and a writ petition under Article 199 of the Constitution of Islamic Republic of Pakistan, 1973 is only maintainable when there is no other alternate remedy available to the petitioners but in the present case the petitioners have the remedy before the learned Trial Court under Section 265-K Cr.P.C. He further contended that defective investigation cannot be a basis for the quashment of a reference and even after the submission of challan, order for re-investigation of the case can be passed and the petitioners have the remedy to move the learned Trial Court for reinvestigation of the case and even this court is competent to pass such order. He placed reliance upon the cases of "**Suleman Vs. Fateh Naseeb and others"** (1995 P Cr.L.J.1543), "**Ajmeel Khan Vs. Abdur Rahim and others"** (PLD 2009 SC-102), "**Ch. Muhammad Anwar Vs. JOINT INVESTIGATION TEAM PAKISTAN CASE

Ali Vs. Additional Inspector General Police (Investigation Branch) Punjab and three others" (2011 MLD 1179).

6. Arguments heard. Record perused.

7. There is no denial of the fact that factual inquiry cannot be made in a writ jurisdiction under Article 199 of the Constitution of Islamic Republic of Pakistan, 1973. Since, in the present writ petition only legal questions have been raised, so this court has the jurisdiction to decide the said legal questions.

8. As has been mentioned above and is apparent from the record that in this case when the proceedings were initiated by the NAB authorities admittedly, the petitioner No.2, 3 & 4 were under arrest thereafter petitioner No.2 namely Mian Muhammad Nawaz Sharif was sacked on 12.10.1999.The investigation started much before 27.3.2000 when the interim report was submitted in the court and it is also established that the petitioners No.2, 3 & 4 were sent to Saudi Arabia on 10.12.2000 meaning thereby that when the interim report was filed on 27.3.2000 at least these

petitioners were under arrest while the other petitioners were also available. The first question which requires determination is that when the proceedings are initiated whether it is mandatory to join the accused in the investigation? It is appropriate to reproduce Section-9 of the National Accountability Bureau Ordinance, 1999, which reads as under:-

"9. **Corruption and corrupt practices.**

(a) A holder of public office, or any other person, is said to commit or to have committed the offence of corruption and corrupt practices--

(i) ----------

(ii) ----------

(iii) ----------

(iv) ----------

(v) If he or any of his dependents or benamidars owns, possesses, or has any right or title in any movable or immovable property or pecuniary resources disproportionate to his known sources of income, which he cannot reasonably account for; or

Now the perusal of above-said provision clearly implies that the accused can only be said to commit or to have committed the offence of corruption or corrupt practices which he can not reasonably account for meaning thereby that joining him in the investigation is condition precedent because if he can reasonably account for the said allegations then he has committed no offence. In this case inspite of the fact that all the petitioners were available, they were never joined in the investigation. In the report it was mentioned that the questionnaire was issued to them but no such questionnaire is available on the record and the learned Prosecutor NAB has frankly conceded that the petitioners were never summoned to join the investigation nor any questionnaire was issued to them nor any such questionnaire is available on the record. In the case of **"Nadeem Sarwar Vs. Station House Officer Saddar, Hafizabad and others"** (2000 YLR 756) it was observed as under:-

"association of accused----It is the statutory duty of every Investigating Officer of a criminal case to

associate the accused person with investigation and also to record his version of incident in question."

9. Similarly in a case reported as "**Liaqat Ali and others Vs. State"** (1998 P. Cr.L.J.216), it was observed that phrase "collection of evidence" used in the definition of investigation cannot be confined to such evidence which favours only the prosecution. It was also observed in the said case that Investigating Officer is bound to record the version of the accused in every case if presented, failure of police to record the accused's version or the evidence sought to be adduced by him amounts to frustrate the constitutional guarantee, set out in Article 10 of the Constitution. The Constitution of Pakistan also gives guarantee to every person of his fair trial through due process of law.

ATTESTED Examiner Copy Lahore High Court, Lahore

10. In the case of "**Bank of Punjab and another Vs. Haris Steel Industries (Pvt) Ltd and others"** (PLD 2010 SC-1109), it was observed as under:-

"Investigation means nothing more than collection of evidence. It is evidence and evidence alone which

JOINT INVESTIGATION TEAM CASE

could lead a court of law to a just and fair conclusion about the guilt or innocence of an accused person. It is, therefore, only an honest investigation which could guarantee a fair trial and conceiving a fair trial in the absence of an impartial and a just investigation would be a mere illusion and a mirage. It is, hence, only a fair investigation which could assure a fair trial and thus any act which ensures a clean investigation which is above board, is an act in aid of securing the guaranteed right and not in derogation thereof."

In a case captioned "**Ghani-ur-Rehman Vs. National Accountability Bureau and others"** (PLD 2011 SC-1144), it was observed by the Supreme Court of Pakistan as under:-

ATTESTED

"Mere possession of any pecuniary resource or property is by itself not an offence but it is the failure to satisfactorily account for such possession of pecuniary resource or property that makes the possession objectionable and constitutes relevant offence."

JOINT INVESTIGATION TEAM

The same view was taken in the case of "**Hakim Ali Zardari Vs. The State**" (2007 MLD-910).

11. In view of what has been said above, we have no doubt in our mind that by violating the provisions of Section-9(v) of the National Accountability Bureau Ordinance, 1999, the investigation so conducted by the NAB authorities was absolutely illegal, as inspite of availability of the petitioners, they were never required to join the investigation or to account for the resources.

12. The next question which requires determination is that as to what is the evidentiary value of the statement of so called accomplice to whom pardon was tendered. The said statement was recorded on 15.10.1999. Section 26 of the National Accountability Bureau Ordinance, 1999 deals with the tender of pardon to an accomplice/plea bargaining. Its sub Section (e) is reproduced as under:-

> "(e) Any statement made before the Chairman NAB or the Court by a person who has accepted a tender of pardon may be given in evidence against him at such trial."

The above-section clearly provides that such statement could only be recorded by the Chairman NAB or the court. A Magistrate was not competent to record such statement. It was through the National Accountability Bureau (Second Amendment) Ordinance, 2000 promulgated on 5.7.2000 much after the recording of said statement by the Magistrate that the amendment in Section 26(e) was made whereby words "Chairman NAB or the court" were substituted by the word "Magistrate". This amendment can not have retrospective affect and so it stands established that the afore-said statement was not recorded by a person authorized by law, so it losses its value and significance. It is also the case of the petitioners that military regime subjected the approver to torture and then procured the said statement. Be that as it may, the fact remains that we are dealing with this aspect on a legal ground, so, it is unnecessary to give any findings on this aspect.

13. The next question which requires determination is that whether in view of availability of alternate remedy, this court has the power to quash the reference as well as the proceedings. In the case of "State

through Advocate-General, NWFP Peshawar and others Vs. Gulzar Muhammad and others" (1998 SCMR 873), it was observed by the August Supreme Court that if the accused are not held entitled to the acquittal in terms of Section 249-A/265-K Cr.P.C. then they have the right to approach the High Court for quashment of proceedings against them and further observed that this rule proceeds on prudence and cautiousness. Nonetheless both the jurisdictions under Section 249-A/265-K and 561-A Cr.P.C are co-extensive. It may be mentioned here that this writ petition, though, has been filed under Article 199 of the Constitution of Islamic Republic of Pakistan, 1973 but with all the enabling provisions of law. Similarly, in the case of "Khan Asfandyar Wali and others Vs. Federation of Pakistan through Cabinet Divison, Islamabad and others" (PLD 2001 SC-607), the August Supreme Court of Pakistan observed as under:-

ATTESTED
Examiner

"These provisions which confer Fundamental Rights on a citizen whenever violated and complaint is made to a High Court about their violation, the Court must

PAKISTAN CASE

step into investigation such facts under the discretionary jurisdiction conferred on it under Article 199 and pass such order as may be found just, legal and equitable taking into consideration the facts and circumstances of each case."

14. Similarly in the case of "**Abdul Latif Vs. Inspector-General Police and others**" (1999 P. Cr.L.J.1357), it was observed as under:-

"Under Section 157 of the Code of Criminal Procedure the Investigating Agency is under a mandate to send the FIR immediately to the concerned Magistrate. This provision has been made to put effective check on investigation. Provisions of Section 157, 160 and 161 and other sections of Cr.P.C. dealing with investigation had provided mechanism of check and balance so that fair and impartial investigation be conducted within frame work of said provisions and also without fear or favour from political and foreign elements or without nepotism and favouritism. If investigation was not conducted in that manner, subsequent proceedings

based on such findings, would be bound to fall on the ground automatically."

15. The above-said observations clearly implies that if the investigation is not conducted in the manner provided by the law, then the subsequent proceedings based on such findings are bound to fall on the ground automatically.

16. Similarly, in the case of "**Muhammad Kashif and others Vs. Maj (retd) Atta Ullah Butt and others**" (2003 MLD-1017), it was observed that if challan has been submitted even then the proceedings can be quashed under Section 561-A Cr.P.C. Same is the view expressed in the case of "**Muhammad Aslam (Amir Aslam) and others Vs. District Police Officer, Rawalpindi and others**" (2009 SCMR-141).

17. Coming to the contentions raised by the Prosecutor NAB that defective investigation can not be made basis for the quashment of the reference. There is a difference between the defective investigation and an investigation which under the law is "no investigation" at

all. As has been mentioned above that an offence under Section 9(v) of the National Accountability Bureau Ordinance, 1999 is only constituted when the accused fails to account for his resources meaning thereby that joining him in the investigation is a condition precedent for holding him guilty of offence but in this case inspite of availability of the petitioners, neither they were joined in the investigation nor even after lapse of 12 years the court had ever summoned them to face the trial. The case law cited by the learned Prosecutor NAB has distinguishable facts and is not applicable in strict-senso.

18. In view of what has been said above, we are of the considered opinion after taking into consideration entire facts and case law available on the subject that it was no investigation at all on the basis of which reference was filed and because there was no investigation, then the proceedings in the main reference would also be devoid of any legal sanctity.

19. The result of above discussion is that this writ petition succeeds. Reference No.05-2000 against the petitioners and subsequent proceedings before the court

stands quashed. However, it is clarified that the NAB authorities are competent to proceed against the petitioners if the investigation is again initiated in accordance with law.

W.P. 2617-2011

**MUHAMMAD FARRUKH IRFAN KHAN-J.** Writ petition No.2617-2011 was heard at Rawalpindi Bench of this Court by the Division Bench consisting of Hon'ble Justice Kh. Imtiaz Ahmad and myself. After hearing the detailed arguments of the parties and examining the voluminous record, Judgment was reserved to be pronounced later. After deliberation my learned brother Kh. Imtiaz Ahmad-J elected to write the judgment. I have had the privilege of going through the proposed judgment and fully agree with conclusion arrived at by my learned brother in quashing the impugned Reference. However, with utmost respect to the learning and scholar of my learned brother, I regret to disagree with the following clarification given at the end of his conclusion;-

> *"It is clarified that the NAB authorities are competent to proceed against the petitioners if the investigation is again instituted in accordance with law."*

In my humble view such an explicit observation is likely to be mistaken as an express permission by this Court to initiate investigation afresh against the petitioners, which this Court is not ordering and such an observation/clarification is likely to be misused for victimization, which cannot be allowed against any person. My reasons for disagreeing with the aforesaid observation are given in this separate note which may be placed before the Hon'ble Chief Justice for appropriate order in the matter.

2. The National Accountability Bureau Ordinance (XVIII of 1999) (hereinafter referred to as NAB Ordinance) is fully enforced

and NAB authorities are expected to be cognizant of their responsibilities. Any new or fresh investigation, if initiated by NAB in any case against any accused can always be undertaken by the said authority, however, it will always be subject to compliance with law and procedure and shall always remain open to judicial scrutiny if a person against whom such an investigation is initiated is aggrieved.

3. In my humble view, we have not heard arguments on the question as to whether **"NAB authorities are competent to proceed against the petitioners if the investigation is again instituted in accordance with law"** and therefore no such observation be expressly given in the instant proceedings. As to whether such an investigation can be again initiated after 12 years is a question which has not been raised by the respondents, nor have we heard arguments on this issue and if such an observation is given by this Court as a clarification or otherwise, that would be prejudicial to the petitioners, in this petition, without hearing them on this issue and hence violate the principles of natural justice that no person shall be condemned unheard. Whether or not such an investigation or re-investigation can be initiated after 12 years on the same charges, in particular when the accused were available for investigation at relevant time but were not associated in the investigation, as also frankly conceded by the learned counsel for NAB, is not of ordinary significance but has to be carefully and cautiously adjudicated on the touchstone of appropriate law and judicial precedents.

4. In my humble view NAB Ordinance cannot be used as a tool to harass any citizen of this country whether an artisan, farmer,

ATTESTED

professional, businessman, government servant or a political person as all are equal before the law and the laws of Pakistan, including the NAB Ordinance, have to be applied equally and squarely to all of them.

5. It is useful to recall that the intent and object of the NAB Ordinance is to ensure investigation and conclusion of a trial within shortest possible time as held in case reported as Majid Rasheed ..Vs.. The State (2010 MLD 27);-

> *"The law as emphatically available in the criminal jurisprudence and repeatedly ordained by the superior Courts of this country aims at ensuring that the accused are made to be available for trial but it has never been nor it can ever be the intention of law to punish the accused for the offence the trial whereof is still pending against him. The concept of punishment is essentially relatable to the conclusion of the trial and the punishment can only be imposed after the end of the trial. The fact that unless otherwise specifically prohibited under the law, the benefit of section 382-B, Cr.P.C. is generally available to a convict also indicates that nobody can be incarcerated during the trial merely as a matter of punishment."*

6. The purpose of the NAB Ordinance is to dispose of the accountability cases expeditiously and without any delay as held in the case reported as **Ms. Benazir Bhutto ..Vs.. The State** (2001 YLR 1647 at page 1652).

7. In the case of Muhammad Nadeem Anwar and another ..Vs.. National Accountability Bureau and others (PLD 2008 SC 645) the Hon'ble Supreme Court of Pakistan has observed

that *"The N.A.B. Ordinance was promulgated to provide effective measures of detection, investigation, prosecution and speedy disposal of cases involving corruption, corrupt practices, misuse and abuse of power of authority, misappropriation of property, taking kickbacks, commissions and for matters connected and ancillary or incidental thereto. The object of N.A.B. Ordinance as is evident in its preamble is to provide expeditious trial of the scheduled offences within the shortest possible time."* It was further observed by the Hon'ble August Court that *"it is fundamental right of an accused that his case should be concluded as early as could be possible particularly in those cases where law has prescribed a period for the completion of the trial as in the instant case, under section 16(a) of the Ordinance the Court is bound to dispose of the case within 30 days"*.

7. In the case reported as **Muhammad Saeed Mehdi ..Vs.. The State (2002 SCMR 282)** the Hon'ble apex Court has laid down as under:-

> *"We have carefully considered the submission made by the learned counsel for the parties. The objection of a criminal trial is to make the accused face the trial and not to punish an undertrial prisoner for the offence alleged against him. The basic idea is to enable the accused to answer the criminal prosecution against him rather than to rot him behind the bars. It is also well-recognized principle of law that bail cannot be withheld as punishment on accusation of non-bailable offences against any accused. It is also a salutary proposition of law that an accused is entitled to*

*expeditious access to justice which includes a right to fair and expeditious trial without any unreasonable delay. In the instant case, it is admitted that the trial against the petitioner has not commenced for no fault attributable to him. It is undisputed that undue delay has taken place in the commencement of the trial against the petitioners for non-production of co-accused Mr. Shafi M. Sehwani, who has been found to be unable to travel to Attock though it is conceded that he is able to appear before any Court at Rawalpindi. Be that as it may, the object of NAB Ordinance, as contained in its preamble, inter alia, provides for expeditious trial of scheduled offences within the shortest possible time. This position is reassured in section 16 of NAB Ordinance postulating for day to day trial of the case and its conclusion within thirty days. Obviously, in the present case such objection does not seem to be anywhere near its achievement for the reasons mentioned above. (emphasis supplied)*

8. On the point that the reference has remained pending for almost 12 years as the case came up on 27th March 2000, when some of the petitioners were under arrest, I make reference to a few passages from a judgment of a learned Division Bench of this Court in the case of Sardar **Muhammad Naseem ..Vs.. Judge Accountability Court, Lahore (PLD 2006 Lahore 162)** wherein it was observed as follows:-

*"6. Learned counsel for NAB while explaining the position from his side, stated that the case against the petitioner was of a very serious nature and certainly this will end in his conviction. According to him, the petitioner also was a contributory factor against adjournments.*

*7. The offence may be of a very serious nature calling for a prolonged trial but we do not expect this to be an unending exercise.*

*8. The object of criminal justice is to confront a criminal with the charge as early and precisely as possible while following the due process and not to punish him before the verdict through a prolonged incarceration. There is truth in the proposition that justice delayed is justice denied.*

*9. In cases which end in the acquittal of an accused, a question often arises as to who will be responsible for his agony, pain and hardship due to the prolonged period of his incarceration and the delayed trial. Whereas, in case he remains on bail he can still be made to suffer an imprisonment after the trial.*

*10. An accused is not only entitled to a fair trial but also to a proper and human treatment. A proper treatment envisages an honest investigation, an honest preparation of the record and the charge-sheet and a trial without delay.*

*11. A State is under an obligation to ensure that its Courts were well-equipped with the required manpower for handling the trials with dispatch. Likewise, the prosecutors are required to be equipped with the required skills essential for establishing a foolproof case before a Court without much cost of time.*

*12. Section 16(a) of the National Accountability Ordinance, 1999, has been enacted with such a rationale. It has laid a period of 30 days for disposing of a trial.*

*respecting this important provision of the law or not and were skilled for meeting the requirement of law? This case however, does not give a commendable impression about them.*

*14. It is now for the authorities to take curative measures so that the intention and the spirit of law is respected in the matter of the tenure of a trial otherwise, as we have seen in case of Anti-Corruption Laws, the NAB law will also lose its purpose while defeating the expectations and aspirations attached to the law. The entire desire for elimination of corruption and corrupt practices though expeditious trials will then be a far of cry and ultimately the public confidence will get totally shattered. Who will then bridge the credibility gap?"*

9. In case reported as **Khadim Hussain ..Vs.. The State (2012 P CrLJ)** it was held as follows:-

*"The concept of a fair trial necessarily includes a trial without inordinate delay, because it is a right of every accused to stand trial within a reasonable time. It is proverbial that justice delayed is justice denied. Inordinate and scandalous delay in trial, which in the present case is two and half years, is not only abuse of the process of law and of Court, but also violation of fundamental right of access to justice."*

10. In case reported as **Muhammad Hussain ..Vs.. The State (PLD 1959 (W.P.) Lahore 322)** it was held as under:-

*"In the above circumstances, there cannot be the least doubt that the cases have not progressed for over four or five years. The plight of the petitioner can well be understood. These cases were originally registered on 30th September, 1952, and the sword of damocles has been hanging over his head for over six years. The*

*chances of the accused to defend himself after a lapse of so many years must have been seriously affected. If the prosecution does not take care to see that a case against any accused person is proceeded with expeditiously and allows it to linger on inordinately or delays its progress, the fault must lie at its door, whether for non-production of sanction, the witnesses, the co-accused from jail, or by frequent transfers of case from Court to Court, by change of law or by the conduct of the Prosecutor. The intention of the law is that a criminal case must be expeditiously disposed of without unnecessary delay. Section 344 of the Code of Criminal Procedure, requires the Court to record (1) reasons for every adjournment (2) to consider the reasons for, and (3) the period for which an adjournment is to be granted. The section indicates that adjournments can be made for absence of witnesses or for any other reasonable cause. Any cause other than the absence of witnesses must be for a cause of necessitating or justifying an adjournment on reasonable grounds. What is a reasonable ground is a question of fact in each case. The Court must apply its mind to its reasonableness and should not grant an adjournment mechanically and without cause. The recording of reasons is as necessary a condition as the reasonableness of the cause for which adjournment is granted. The provision has been made deliberately to avoid unnecessary delays and adjournments so as to ensure speedy decision. In the present case, the adjournments were given without any reasonable cause, and in fact for causes which did not exist. Adjournments were given for months when a Public Prosecutor had already been appointed for the conduct of the cases. The supply of copies, if it was necessary, could and*

*should have been taken in hand simultaneously and not after a counsel had been nominated and in any case it should not have taken ten months to copy a few statements. The state of affairs discloses utter incompetence and callous disregard of the worry and anxiety of a person who is charged with crime. It is a mockery of law to allow criminal cases to proceed for four or five years without any progress. It is revolting to the conscience of a Judge under any system of law that a criminal case should take so long and still not be decided. The conduct of these cases by the learned Public Prosecutor reflects a lack of interest in the cases. He did not apply his mind to what was needed and he has sought adjournment after adjournment, which should have been shown such an indulgence? If not, should the prosecution fails persistently without reasonable cause to produce its witnesses, or seeks adjournments unjustifiably, it is the duty of a Court to proceed to judgment expeditiously and without unnecessary delay. Justice delayed is justice denied for the defence of the accused must suffer by lapse of time and the prosecution may also suffer likewise. A fair and speedy trial is the essence and essential of judicial administration in a civilized country. Protracted proceedings as in this case are a mockery of the law and must be deemed to be an abuse of process of Court."*

Delay in trial for two and a half years in one case was held to be not only abuse of the process of law and of the Court, but also violation of fundamental right of access to Justice, whereas the present case remained pending for over 12 years without justifiable explanation.

12. As a sequel of the above discussion and reasons detailed above, I am of the considered view that after quashing the impugned Reference, the aforestated clarification/observation would not only amount to give a premium to the prosecution of their own fault but also provide them another opportunity ostensibly to fill up their lacunas and equip them with better tools for combating/victimizing the petitioners at the hands of the NAB authorities, which obviously is not the intent and purport of the law. For these reasons, in my humble view the stated observation/clarification is superfluous and uncalled for.

I have the privilege to go through the judgment rendered by my learned brother Muhammad Farrukh Irran Khan, J.

2. In-fact, the reference and subsequent proceedings were quashed mainly on the ground that under Section 9 (v) of the National Accountability Bureau, 1999, the reference could only be filed if the accused cannot reasonably account for the assets possessed by accused, dependents or benamidar. Since in the present case, the accused were not joined to account for the resources so on this basis, the reference and the subsequent proceedings were quashed. To this extent my learned brother Muhammad Farrukh Irfan Khan, J has given the consenting judgment,

3. However, while disposing of the petition I had made the further observations as under:-

> "It is clarified that the NAB authorities are competent to proceed against the petitioners, if the investigation is again initiated in accordance with law."

To this extent my learned brother Muhammad Farrukh Irfan Khan, J has disagreed, mainly on the ground that 12 ½ years had elapsed and this observation would not only amount to give a premium to the prosecution of their own fault but also provide them another opportunity ostensibly to fill up their lacunas and equip them with better tools for combating/victimizing the petitioners at the hands of the NAB authorities.

The point of difference is that whether there was no necessity or requirement to give observations that the NAB authorities are competent to proceed against the petitioners, if investigation is again initiated in accordance with law.

The matter is referred to the Hon'ble Chief Justice for referring the matter to another Hon'ble Judge to give decision on this point.

For this purpose through different money changers they arranged different Dollar TT's in favour of M/S Hudaibya Paper Mills Ltd from abroad equivalent to their foreign currency funds. In these TT's under the instructions of the Sharif Family, the name of the ordering customer was given as Saddiqa Sayed Mahfoodh Hashim Khadem and the purpose of this dispatch was mentioned as share deposit money from her. After 28th May, 1998, the foreign currency accounts were frozen and subsequently the rest of the foreign currency funds were got encashed and deposited into the accounts of M/S HPML as share deposit money on behalf of the account holders. To begin with, in the accounts of HPML for the year ending 30.06.1996, a sum of Rs. 30.469 was shown as share deposit money from one of their cousin Sheikh Zakauddin. Whereas in the accounts of the company for the year ending 30.06.1998, sum of Rs. 294.364 million, Rs. 136.511 million, Rs. 120.609 million and Rs. 60.788 million (totaling to Rs. 612.273 million) was shown as share deposit money from Saddiqa Sayed Mahfoodh Hashim Khadim, M/S Talat Masood Qazi, Kashif Masud Qazi and Mrs. Sikandra Masood Qazi respectively. Mian Muhammad Nawaz Sharif and Mian Shahbaz Sharif engaged Muhammad Ishaq Dar in fraudulently opening of a number of fictitious accounts and in a number of*

*other illegal activities to achieve their objectives for their own benefit. All the laundered money was used to pay off the liabilities of HPML and other companies of the Group. All this money totaling to Rs. 642.742 million injected into the accounts of M/S HPML on the pretext of share deposit money in the name of these persons and the money approx.. equivalent to Rs.600.00 million used for final settlement with Al Towfeek Company for investment funds was/is in fact, owned by Mian Muhammad Sharif, Mrs. Shamim Akhter, Mian Muhammad Nawaz Sharif, Mian Shahbaz Sharif, Mian Abbas Sharif, Mrs. Sabiha Abbas, Mian Hussain Nawaz, Mian Hamza Shahbaz Sharif and Mariam Safdar. Though Mian Muhammad Nawaz Sharif and Mian Shahbaz Sharif are not presently the directors of HPML, yet they have benefited themselves directly from these criminal activities as they hold shares in HPML through their minor children.*

*7. The said entire money totaling to approx. Rs.1,242.732 million which has been used by Sharif family for their businesses over a period of time and finally to adjust their business liabilities is unexplained and is disproportionate to their known legitimate sources of income. The income tax/wealth tax return submitted by the accused members of Sharif family do not commensurate with the deposits held in the fraudulent foreign currency accounts by them. During this entire operation of money laundering/concealment of ill-gotten wealth, Sharifs defrauded a whole lot of institutions and individuals including a number of banks, tax authorities, etc. Hence, all the accused persons mentioned in column No.3 of this report, being directors/beneficiaries of this entire proceed as share holders (either directly or through their minor children) are guilty of the offence of corruption and corrupt practices as defined in the NAB*

4. It is pertinent to mention here that when this Reference came-up for hearing before the Accountability Court at Attock Fort on 27.03.2000, Mian Muhammad Nawaz Sharif, petitioner No.2 was already under arrest. He was exiled to Saudi Arabia on 10.12.2000. Surprisingly, the Court seized of the matter, did not issue any summon for attendance of the petitioners/accused. On 12.04.2001 the Additional Prosecutor General for NAB made statement before the Court that some of the accused/petitioners were not available in Pakistan, therefore, reference be adjourned sine-die and that at appropriate time an application for its revival would be moved . On this statement of Addl. Prosecutor General for NAB, the Court adjourned the case sine-die. An application for revival of the case was moved by NAB authorities which was allowed by the Court on 17.08.2007. On 25.08.2007 the Court observed that since Hon'ble Supreme Court of Pakistan had allowed the accused persons who were abroad, to come back, therefore, the Court will have to wait till such time and service of summons shall be effected upon them. The case was adjourned time and again due to different reasons and on 21.08.2008, the Court again adjourned the case sine-die on the ground that application for recommencement of trial had not been filed under the signatures of Chairman, NAB.

trial court did not issue summon to him to face the trial for many years.Meanwhile,the petitioners filed the instant petition for quashment of reference which was fixed before learned Division Bench of this Court comprising of my learned brothers (Kh. Imtiaz Ahmad and Muhammad Farrukh Irfan Khan,JJ.) at Rawalpindi Bench of this Court.

6. Perusal of record reveals that an application for revival of the reference was filed by the NAB authorities before the Accountability Court nine months after the filing of present petition by the petitioners.

7. After hearing arguments from both the sides, learned Division Bench of this Court came to the conclusion that instant reference was filed against the spirit of Section 9 of National Accountability Bureau Ordinance, 1999, which clearly implies that an accused can only be said to commit or to have committed the offence of corruption or corrupt practices when accused cannot "**reasonably account for**"his sources, which clearly means that joining of the accused in an investigation is condition precedent because if he (accused) can reasonably account for his sources pertaining to said allegation then he has committed no offence and in such eventuality no reference can be filed against him. In the instant case inspite of the fact that all the petitioners were available, they were never joined in the investigation of this case. Although in the report submitted by NAB authorities it has been mentioned that questionnaires were issued to petitioners/accused but no such questionnaire was available on record and learned Prosecutor for NAB has frankly conceded that petitioners were never summoned to join the investigation nor any questionnaire was issued to them and that no such questionnaire is available on record. In case law reported as

"Nadeem Sarwar Vs. Station House Officer Saddar, Hafizabad and others" (2000 YLR 756) it was observed as under:-

> " **Association of accused---- It is the statutory duty of every investigating Officer of a criminal case to associate the accused person with investigation and also to record his version of incident in question".**

Similarly while seeking guidance from case law reported as "Liaqat Ali and others Vs. State" (1998 P.Cr.L.J 216), it was observed by my learned brothers that phrase "**collection of evidence**" used in the definition of investigation, cannot be confined to such evidence which favours only the prosecution. It was also observed in the said case that Investigating Officer is bound to record the version of the accused in every case if presented, failure of police to record the accused's version or the evidence sought to be adduced by him, amounts to frustrate the constitutional guarantee, set out in Article 10 of the Constitution. The Constitution of Pakistan also gives guarantee to every person of his fair trial through due process of law.

8. Learned Division Bench of this Court also relied upon case law reported as "Ghani-ur-Rehman Vs. National Accountability Bureau and others" (PLD 2011 SC-1144) whereby Hon'ble Supreme Court of Pakistan observed as under:-

> "**Mere possession of any pecuniary resource or property is by itself not an offence but it is the failure to satisfactorily account for such possession of pecuniary resource or property that makes the possession objectionable and constitutes relevant offence.**"

09. Keeping in view the fact that petitioners/accused persons were not joined in the investigation of this case, both of my learned brothers

JOINT INVESTIGATION TEAM
PART OF CASE

came to the conclusion that by violating the provisions of Section-9(v) of the National Accountability Bureau Ordinance, 1999, the investigation so conducted by the NAB authorities was absolutely illegal, as despite the availability of the petitioners, they were never required to join the investigation or to account for the resources.

10. It was further observed by my learned brothers that during investigation of instant reference statement of approver i.e Ishaq Dar was recorded against the petitioners by the Magistrate on 15.10.1999 but such evidence recorded by the Magistrate was illegal, therefore, same could not be used against the petitioners. Section 26 of the National Accountability Bureau Ordinance, 1999 deals with the tender of pardon to an accomplice/plea bargaining. Its sub Section (e ) is reproduced as under:-

> **"(e) Any statement made before the Chairman NAB or the Court by a person who has accepted a tender of pardon may be given in evidence against him at such trial"**

11. While discussing evidence of approver against the petitioners in the instant case, learned Division Bench of this Court came to the conclusion that such statement could only be recorded by Chairman, NAB or the Court. A Magistrate was not competent to record such statement. Although later on by second amendment in National Accountability Bureau Ordinance ,2000 promulgated on 05.07.2000 much after the recording of said statement by the Magistrate, an amendment in section 26 (e) was made whereby words "**Chairman NAB or the Court**" were substituted by the word "Magistrate" but this amendment cannot have retrospective affect ,therefore it was held that

MS

aforesaid statement of approver was not recorded by a person authorized by law, so it loses its value and significance. It is also the case of the petitioners that military regime subjected the approver to torture in order to procure said statement against the petitioners.

12. After taking into consideration the facts and circumstances of this Case , learned Division Bench of this Court came to the conclusion that Reference No.5/2000 against the petitioners and subsequent proceedings before the Court stands quashed. However, one of my learned brother *(Kh. Imtiaz Ahmad, J.)* observed as under:-

> **"The result of the above discussion is that this writ petition succeeds. Reference No.5/2000 against the petitioners and subsequent proceedings before the Court stands quashed. However, it is clarified that the NAB authorities are competent to proceed against the petitioners if the investigation is again initiated in accordance with law."**

13. My learned brother *Muhammad Farrukh Irfan Khan, J.*, although agreed with the findings arrived at by my learned brother *Kh. Imtiaz Ahmad, J.* pertaining to the quashment of reference, however, he differed with the opinion of my learned brother *Kh. Imtiaz Ahmad, J.* ,whereby, NAB authorities were authorized to proceed against the petitioners if investigation is again initiated in accordance with law by observing as follows:-

> *"As a sequel of the above discussion and reasons detailed above, I am of the considered view that after quashing the impugned Reference, the aforestated clarification/observation would not only amount to give a premium to the prosecution of their own fault but also provide them another opportunity*

*ostensibly to fill up their lacunas and equip them with better tools for combating/victimizing the petitioners at the hands of the NAB authorities, which obviously is not the intent and purport of the law. For these reasons, in my humble view the stated observation/ clarification is superfluous and uncalled for."*

14. On the receipt of instant reference notices were issued to both the parties. Learned counsel for the petitioners contended that when Reference was quashed by learned Division Bench of this Court then according to law re-investigation of the Reference cannot be carried out against the petitioners. While placing reliance on case law reported as K. Chandrasekhar vs. State of Kerala and others (1998) 5 Supreme Court Cases 223), Waris Khan vs. Deputy Superintendent Custom Mardan and another (2001 P. Cr. L.J 660) and Liaqat Ali Virk vs. Inspector General of Punjab Police, Lahore and 8 others (PLD 2010 Lahore 224), it has been stated by learned counsel for the petitioners that observation made by one of my learned brother for re-investigation of the Reference would amount to provide an opportunity to the prosecution to fill up lacunas of the Reference; that National Accountability Bureau Ordinance, 1999 is silent on the question of re-investigation after the submission of the Reference before the Accountability Court which is a special law, therefore, reinvestigation after quashment of reference would be totally illegal. Thus, it was prayed that observation made by one of my learned brother *(Kh. Imtiaz Ahmad, J.)* is liable to be set aside.

15. Learned Additional Prosecutor General for NAB while defending the observations of one of my learned brothers *(Kh. Imtiaz Ahmad, J.)* submits that NAB authorities are competent to re-investigate the matter and re-investigation can be carried out even after submission of report under Section 173 Cr.P.C. and the same can be conducted at any stage. However, when confronted that whether he can refer to any case law that after quashament of the Reference re-investigation can be carried out by the NAB authorities, he has frankly conceded that he was unable to find out any such case law.

16. Mr. Naseer Ahmad Bhutta, Additional Attorney General and Mr. Muhammad Mahmood Khan, D.A.G, representing Federation of Pakistan, have categorically stated before me that as the instant reference has been quashed, therefore, re-investigation in this matter cannot be carried out by the NAB authorities and they have frankly conceded that the observations made by one of my learned brothers *(Kh. Imtiaz Ahmad, J.)* allowing the NAB authorities to re-investigate the case, is liable to be set aside.

17. I have heard the arguments, advanced by learned counsel for the parties and perused the record with care.

18. After taking into consideration facts and circumstances of the instant reference and keeping in view the law laid down in National Accountability Bureau Ordinance, 1999, I am of the considered view that both of my learned brothers have rightly quashed the instant reference as the same was filed contrary to the spirit of sub-section (v) of Section 9 of the said Ordinance which runs as under:-

JOINT INVESTIGATION TEAM
PANAMA CASE

9. *"Corruption and Corrupt Practices:*

*(a) A holder of a public office, or any other person, is said to commit or to have committed the offence of corruption and corrupt practices:-*

*(v) if he or any of his dependents or benamidars owns, possesses, or has (acquired) right or title in any ("assets" or holds irrevocable power of attorney in respect of any assets") or pecuniary resources disproportionate to his known sources of income, which he cannot (reasonably) account for (or maintains a standard of living beyond that which is commensurate with his sources of income)"*

19. Now, I would like to decide the point of difference between my learned brothers that whether after the quashment of the reference the NAB authorities can be permitted to re-investigate the matter or not. First of all, I would like to reproduce the meanings of the word "QUASH".

(a) In the dictionary of Modern Legal Usage it has been defined as under:-

**(1) to suppress or subdue; to crush out, beat into pieces;**

**(2) to annul; to make void (as a writ or indictment); to put an end to (as legal proceedings)."**

(b) In the Law Lexicon of British India the word **'quash'** has been defined as under:-

**"Quash-To overthrow or annul, to make void; to abate (Tomlins Law Dic)(as) Quashing a conviction."**

(c) Mr. Abbott, in his Abbott's Law Dictionary, defines **'quash'** *to mean to annul, overthrow, or vacate by judicial acts.*

20. The meanings of word **'quash'** gives rise to an impression that where proceedings are irregular or defective the same would

be quashed in civil as well as criminal cases. In legal phraseology the word '**quashes**' connotes the process of annulling or vacating proceedings by judicial decision.

21. It has been noticed that the Criminal Procedure Code or the NAB Ordinance does not contain any provision authorizing the Court to order for re-investigation after filing of reference or after submitting report under Section 173 Cr.P.C. before the competent Court of law and to call a person to join fresh investigation after the quashment of the proceedings, therefore, observation of my learned brother *(Kh. Imtiaz Ahmad, J.)* ,whereby, NAB was empowered to re-investigate the matter, is beyond the jurisdiction of the Court.

22. It has further been noticed that when report under Section 173 Cr.P.C. is forwarded to Magistrate for taking cognizance of the offence, the Magistrate can direct the Officer Incharge of the Police Station to make further investigation keeping in view the provision of sub-section (2) of Section 173 Cr.P.C. From the plain reading of above said section, it becomes clear that even after submission of report under sub-section (2) of Section 173 Cr.P.C., police has right to further investigation but not fresh investigation or re-investigation. Although, under special circumstances re-investigation can be permitted after submission of report under Section 173 Cr.P.C and during the trial before the learned trial Court but findings of such investigation are just an opinion of the police and Court has to decide the case after recording evidence of the parties but in the instant matter the

ATTESTED
Examiner
Copy Supply Section

effect of quashing of proceedings is that said proceedings are **"annulled"/"void"** for all purposes. After the quashment of this reference it has become "nonest" and "non-existence".

23. The system of re-investigation was disapproved by Hon'ble Supreme Court of Pakistan in judgment reported as *Bahadur Khan vs. Muhammad Azam and 2 others (2006 SCMR 373)* wherein it has observed as under:-

> *"(e) Criminal Procedure Code (V of 1898)----*
>
> *---Ss.156 & 173---Reinvestigation---System of reinvestigation is a recent innovation which is always taken up at the instance of influential people for obtaining favourable reports, which in no way assists the Courts in coming to a correct conclusion, rather they create more complications in the way of administration of justice---Such system of reinvestigation and successive investigations, therefore, was disapproved."*

24. Sub-section (a) of Section 16 of National Accountability Bureau Ordinance, 1999 provides that an accused shall be prosecuted for an offence under this Ordinance in the Court and the case shall be heard from day to day and shall be disposed of within 30 days. The Reference against the petitioners was filed before the Accountability Court, Rawalpindi in the year, 2000 which should have been decided within 30 days as it is a mandatory provision of law. The observation of one of my learned brothers allowing NAB authorities, for re-investigation of the Reference, after about 13 years of filing of reference, would be contrary to the scheme of aforesaid law.

25. Perusal of record reveals that NAB or Federation of Pakistan (respondents) during the arguments of instant petition before Hon'ble Division Bench of this Court did not make any request for allowing them to re-investigate the matter, therefore, there was no reason for making such an observation by one of my learned brothers (*Kh. Imtiaz Ahmad, J)* which would amount to give free hand to NAB authorities and premium to prosecution of their own faults and provide them an opportunity to fill up their lacunas and equip them with better tool for victimization of the petitioners after laps of thirteen years which is not permissible in the law.

26. For what has been discussed above, I am of the considered opinion that both of my learned brothers have rightly quashed instant reference (No.5 of 2000). However, observation made by one of my learned brothers *Kh. Imtiaz Ahmad, J.*, whereby, it was held that *"However, it is clarified that the NAB authorities are competent to proceed against the petitioners if the investigation is again initiated in accordance with law."* is hereby set aside and I agree with the opinion and observations of my learned brother *Muhammad Farrukh Irfan Khan, J.*, wherein it was held by his lordship that *"As a sequel of the above discussion and reasons detailed above, I am of the considered view that after quashing the impugned Reference, the aforestated clarification/ observation would not only amount to give a premium to the prosecution of their own fault but also provide them another opportunity ostensibly to fill up*

*their lacunas and equip them with better tools for combating/victimizing the petitioners at the hands of the NAB authorities, which obviously is not the intent and purport of the law. For these reasons, in my humble view the stated observation/ clarification is superfluous and uncalled for."*

27. Seeking guidance from the case laws reported as:-

1. **The State vs. Salehoon(PLD 1971 Lahore 292),**
2. **Muhammad Sharif vs. The State (PLD 1971 Lahore 708),**
3. **State vs. Salehoon (P.L.J 1975 Cr.C.) Lahore 230.**
4. **The State of Orissa vs. Minaketan Patnaik (A.I.R, 1953 Orissa 160).**

It has been observed that this petition is not to be referred again to the aforesaid learned Bench which originally heard the same as the decision would not be that of majority, rather, it would be the opinion of this Court (Referee Judge) which would have decisive effect and would be of binding nature and the judgment will follow such opinion.

The offence of accumulation of assets beyond known sources of income still exists and evidence collected during the process of investigation should have been provided a chance to go through the process of trial or if there were shorting comings in investigation the matter should have been referred for re-investigation.<br>e. Strong documentary evidence is available on record. |

**REFERENCE UNDER SECTION 18(g) READ WITH SECTION 24 OF THE NATIONAL ACCOUNTABILITY BUREAU ORDINANCE.**

**Respectfully Sheweth,**

1. It was brought to my notice that the accused, Mian Muhammad Sharif, Mrs. Shamim Akhtar and Mian Muhammad Nawaz Sharif, had acquired vast tracts of land upon which a number of palatial houses and mansions were constructed thereupon with pecuniary resources which appeared to be grossly disproportionate to their known sources of income.

It was considered necessary to carry out a detailed inquiry into the matter.

2. The case was referred to the FIA for inquiry/investigation so as to determine the quality and quantity of work done at the estate and also determine the investments and expenditures incurred by the accused for the purchase of the land and the construction of the buildings thereon and determine the sources of the income spent on these. The Deputy Director FIA Immigration was appointed as Investigating

Officer initially, but subsequently the investigation was conducted by the Assistant Director, FIA, Immigration, Lahore Mr. Javed Hussain. After a detailed investigation, a final report was submitted by the Investigation Officer..

3. The report reveals that an area measuring 401 kanals allegedly acquired by Accused Nos.1 & 2 has been used for the construction of palatial mansions and other ancillary buildings thereon. The record indicates that the land is in the names of Accused No.1 & 2, a major portion of which is surrounded by a high boundary wall. This entire holding is known as the "Raiwind Estate".

4. That a number of buildings and structures have been constructed both inside and outside the boundary wall which are occupied by the accused persons. The construction appears to have been carried out between 1992-1999. M/S NESPAK were asked to carry out a survey and provide an estimate of the cost of land, houses, structures and the other buildings located at the Raiwind Estate. As per the Survey Report, the investments and expenditures on the construction of the buildings and structures erected amounted to an estimated Rs.247.352 million. A sum of Rs.171.130 million appears to have been paid by accused No.3 for the construction of his own house and the house of Mian Shahbaz Sharif located at the Estate.

5. That the income of the accused persons declared in the income tax returns filed during the years 1992-2000 amount to Rs.16.806 million, Rs.21.961 million and 2.422 million respectively. The total income of the said accused persons during the years 1992-2000 if added appear as Rs.41.190 million. Whereas the total investment made by the accused persons for the construction of the buildings amounted to an estimated Rs.247.352 million. Therefore the amount spent on the construction of the buildings and acquisition of land by the accused persons is wholly disproportionate to legitimate sources of income as reflected in the annual tax returns filed by the accused persons, from time to time during the relevant period.

6. It appears from the record placed before me and the statements of witnesses recorded that accused 1-3 in connivance with and in collusion with each other appear to be in possession of assets/property wholly disproportionate to their known sources of income which they have failed to account for. All the three accused persons appear to have committed acts of corruption and corrupt practices as defined in section 9 read with section 10 of the Schedule of Offences of the NAB Ordinance, 1999.

7. Having considered the facts and circumstances of the case and the personalities involved, I feel that it would be fair, just and appropriate if this Reference is filed before the Accountability Court at Attock Fort, because of the prevalent threat to the security of all those who are involved in the trial. In order to ensure an open and transparent trial without fear of any disruption and breach of law and order, this Reference is being filed before this Accountability Court at Attock Fort.

It is, therefore, prayed that the accused, Mian Muhammad Sharif, Mst Shamim Akhtar & Mian Nawaz Sharif, may be tried and punished in accordance with the provisions of the NAB Ordinance and law.

ENTRUSTMENT OF INVESTIGATION OF THE REFERENCE

In first week of March 2000, a report was received from NAB Headquarter Islamabad for investigation regarding palatial mansions and buildings erected by Mian Muhammad Sharif, Mst. Shamim Akhtar, Mian Muhammad Nawaz Shari, Mian Shahbaz Sharif, Mian Muhammad Abbas Sharif and other members of their family on the land acquired by them in and around Raiwind (Town) near Lahore by means of pecuniary resources disproportionate to their known legal sources of income (annexure-I). Initially Mr. Kalb-e-Abbas Deputy Director FIA Immigration was appointed as I.O. However, subsequently the investigation was entrusted to the undersigned.

THE EVIDENCE

During investigation, the statements of all the witnesses have been recorded under section 161 Cr.P.C. and all the incriminating record obtained under proper seizure memos. This evidence has been attached with this report as per list (annexure A & B).

LOCATION OF THE BUILDINGS/STRUCTURES

Sharif Family had purchased approximately five thousand kanal agricultural land in different villages near Raiwind Town Lahore and had set up a Farm by the name of Shamim Farms over there. This farm is about 20 kms away from the Thokar Niaz Baig, Lahore. In this Farm a piece of land measuring 401 kanal and 10 marlas located in Mauza Manak Teh: & District Lahore is encircled with a boundary wall and most of the buildings and civil works (which are the subject matters of the investigation) have been built inside the boundary by the accused. Only a few civil works exist outside the boundary wall.

## STRATEGY OF THE INVESTIGATION

During investigation, in order to assess the volume of the money disproportionate to the legitimate sources of income of the accused, efforts have been made to (i) gather evidence regarding the expenditure/investments made by the accused persons (ii) get first hand knowledge of the known legal sources of income of the accused, so that the volume of the money disproportionate could be assessed. The position appearing from the evidence is being discussed in the following paras under these heads.

## (I) THE INVESTMENTS / EXPENDITURES

During investigation, the investments / expenditures incurred by the accused to purchase the land and to make different constructions over it have been focused. The investments made by the accused over the Land and the Building and Structures are as under.

### A. THE LAND

The subject buildings have been constructed over a piece of land measuring 401 kanals and 10 marlas falling in village Manak, Tehsil and Distt. Lahore. As far as the investments/expenditures made to purchase the land are concerned, the purchase price given in the mutation deeds is relied upon. As per Revenue Record, in the year 1992 (from 4.5.92 to 23.5.92), 144 kanals 2 marlas land was purchased against an investment of Rs. 51,04,387/- in the name of Mrs. Shamim Akhtar w/o Mian Muhammad Sharif R/o 180/181-H Model Town Lahore. In the year 1993 (from 5.1.93 to 9.12.93), 189 Kanals and 16 Marlas land was purchased against an investment of Rs. 44,46,359/- in the name of Mrs. Shamim Akhtar w/o Mian Muhammad Sharif. In the year 1994 (from 2.2.94 to 18.12.94), 29 kanals 5 marlas land was purchased against an investment of Rs. 10,78,437/- in the name of Mrs. Shamim Akhtar w/o Mian Muhammad Sharif. Whereas on 13.8.1999, 19 kanals 2 marlas land was purchased against an investment of Rs. 9,43,062/- in the name of Mrs. Shamim Akhtar w/o Mian Muhammad Sharif. In total from1992 to 1999, 382 kanals 9 Marlas land was purchased against an investment of Rs. 1,15,72,235/- in the name of Mrs. Shamim Akhtar in Mauza Manak. All the payments for the purchase of this land were made by Mst. Shamim Akhtar through her husband Mian Muhammad Sharif. This land still exists in the name of the lady in the Revenue record and encircled with the boundary wall inside which the above cited buildings/structures have been built.

On 28.2.94, Mian Muhammad Sharif S/o Mian Muhammad Ramzan also purchased a piece of land measuring 19 kanals 3 Marlas adjacent to the above quoted pieces of land in Mauza Manak against an investment of Rs. 7,30,093/-. This piece of land still exists in the name of Mian Muhammad Sharif.

From the above discussion it is evident that Mian Muhammad Sharif and his wife Mrs. Shamim Akhtar, from 1992 to 1999, purchased 401 kanals 12 Marlas land in Mauza Manik Tehsil & District Lahore against an investment of Rs. 1,23,02,328/-. This land still exists in their names (Revenue record exhibit Annexure-5).

## (B) THE BUILDINGS / STRUCTURES

Inside the farm, there exist a number of structures, the majority of which is located inside the boundary wall whereas some of them are built outside the boundary wall on the above cited land. Before discussing the investments made by the accused for the construction of these buildings/structures, let us have a look over the location of these buildings.

The following buildings have been constructed inside the boundary wall.

i) House of Capt. (Rtd.) Muhammad Safdar.
ii) Guest House.
iii) Residence of Mian Muhammad Nawaz Sharif.
iv) Under construction house of Mian Muhammad Shahbaz Sharif.
.v) Residence of Mian Muhammad Sharif.
vi) Gymnasium Building.
vii) Kitchen Building (old).

Whereas the following buildings exist outside the boundary wall.

i) Guest House (External)
ii) Staff residence
iii) Cattle Farm Building
iv) Misc. Civil Works (These include the access road inclusive of the Heli Pad, Boundary Wall and Gate etc.)

The construction period of these buildings is between 1992 to October, 1999. For the estimation of the expenditures incurred on the construction of the above cited buildings, the services of M/s NESPAK (Pvt.) Ltd. a renowned Engineering Company of Pakistan, were obtained and the site was visited by the team of Engineers/Experts of M/s. NESPAK. Some of the buildings were permitted for inspection of the visiting team whereas entry was not allowed into the residence of Mian Muhammad Sharif, Mian Muhammad Nawaz Sharif and some other areas. M/s. NESPAK have submitted their estimates showing the worth of these buildings. While offering estimated cost, they have relied upon the skill of their experts, the drawings of the buildings, measurement made at site, inspection of the buildings and statements of different contractors who have been associated in the construction of these buildings.

The investments/expenditure incurred by the accused over the construction of these buildings and structures are as under.

(8)

(i) House of Capt. (Retd.) Muhammad Safdar

This is double storey house having a covered area of around 10,000 Sq. Feet inclusive of covered area on the roof. It has extensive marble work in the exterior. During field inspection entry into the building was not permitted to the Engineers by the residents. However M/s NESPAK have assessed its present value as Rs. 5.08 million. As per the statement of witnesses, this house was completed before March, 1997 which means that it was constructed between June, 1992 to March, 1997.

(ii) Guest House (Internal)

This double storied building has a covered of 14000 Sq. Feet. Limited access was allowed to the Engineers by the owners and M/s NESPAK have assessed its present worth as Rs. 5.85 Million. As per the statement of witnesses, this guest house was completed before March, 1997 which means that it was constructed between June, 1992 to March, 1997.

(iii) Residence of Mian Muhammad Nawaz Sharif.

The residence of Mian Muhammad Nawaz Sharif is a double storey palatial building which also has a small basement having an approximate covered area of 3600 Sq. Feet. The construction of the building was started in 1997 and completed before June 1999. The building could not be inspected, due to the non cooperation of the owners. M/s NESPAK has assessed its value at Rs. 122.19 millions, which is based on the complete inspection of one of Nespak officers, Mr.Asad I. A. Khan at the time of the completion of the building, on the directions of Mian Muhammad Nawaz Sharif and other relevant evidence. The estimates of M/s NESPAK regarding the value of this house have been further corroborated with the evidence available on record. It has further been established that all the payments on the construction of this house was made to the contractors by Mian M. Nawaz Sharif himself. According to the report of the Engineers of M/s. NESPAK, the covered area of the residence of Mian Nawaz Sharif is 57471 Sq.ft.

(iv) Under Construction House of Mian Muhammad Shahbaz Sharif.

The residence of Mian Muhammad Shahbaz Sharif is also a double storey palatial building. The construction of the house was also started in 1997. Presently, approximately 80% construction is complete and

finishing items are to be installed. As per evidence this building was only attributed to Mian Shahbaz Sharif. The residence has been designed to have central air conditioning. M/s NESPAK have calculated its instant worth at Rs. 48.94 million. It has further been established that all the payments on the construction of this house was made to the contractors by Mian M. Nawaz Sharif. The covered area of this house is 29133.00 Sq.ft.

(v) **Residence of Mian Muhammad Sharif.**

The residence of Mian Muhammad Sharif is a double storey building. It was the first building which was built in the farm. Mrs. Shamim Akhtar did not permit the Engineers to examine the building or to enter into the house for assessment. However its minimum cost has been calculated at Rs. 5.00 million (approximately). As per the statement of witnesses, this house was completed before March, 1997 which means that it was constructed between June, 1992 to March, 1997.

(vi) **Gymnasium / Old Kitchen / Gate Houses / WorkShop etc.**

The visiting team of Engineers of M/s NESPAK was not permitted entry into the above quoted building/structures. However they obtained the photograph of the Gymnasium and old kitchen and attached the same with their report. They expressed their inability to provide any assessment of these structures in the absence of specific measurements. Any way, the minimum worth of these structures is not less than Rs.2.00 millions approximately. As per the statements of witnesses, these structures were complete before March, 1997 which means that the same were constructed between June, 1992 to March, 1997.

(vii) **Guest House (External)**

A single storey guest house having a covered area of 4130 Sq. feet is constructed outside the main compound of the Raiwind Estate. The general condition of the building is satisfactory. It has six rooms with attached baths besides a kitchen and a dinning room. M/s NESPAK have calculated its worth at Rs. 1.88 million. As per the statements of witnesses, this guest house was completed before March, 1997 which means that it was constructed between June, 1992 to March, 1997.

(viii) **Staff Residences**

Single bed staff residences have also been constructed in the farm adjacent to the rest house. M/s NESPAK have calculated its cost at Rs.0.95 millions. As per the statement of witnesses, these residences were

complete before March, 1997 which means that the same were constructed between June, 1992 to March, 1997. (10)

(ix) **Cattle Farm / Misc. Civil Work**

The cost of Cattle Farm / Misc. Civil Works (which includes the access road inclusive of the Heli Pad, Boundary Wall and Gate etc.) have been assessed as Rs. 13.41 million. As per the statement of witnesses, these structures/constructions were complete before March, 1997 which means that the same were constructed between June, 1992 to March, 1997. The water course has not been included in it.

**SUMMARY OF THE INVESTMENTS**

In the light of the foregoing discussion, it is established that Mian Muhammad Sharif, Mrs. Shamim Akhtar and Mian Nawaz Sharif have made huge investments, to purchase this land and subsequently to construct different buildings/houses over it by them. Now, the position of the total investments made to purchase the land and to construct different buildings/ structures is as under:

| | | |
|---|---|---|
| A) | Cost of Land | = Rs. 12.302 Million |
| B) | Cost of Buildings/structures (Assessed by M/s NESPAK) | =Rs. 198.30 Million |
| C) | Additional Misc. allowance (Assessed by M/s NESPAK) | =Rs. 29.75 Million |
| D) | Cost of the remaining buildings/ structures Subsequently estimated in the light of NESPAK Report. Excluding water course (about 1 Km long ) and lower rates assessed by NASPAK | =Rs. 7.00 Million |
| | **Grand Total** | **=Rs.247.352 Millions** |

From the above narrated facts, it is also clear that from May, 1992 to March, 1997, a sum of Rs.76.222 million was spent by Mian Muhammad Sharif to build different structures over this land whereas Mian Muhammad Nawaz Sharif made payments of Rs.171.130 million

for the construction of his own house, as well as the house of Mian Shahbaz Sharif on the land owned by his parents.

## (II) THE KNOWN SOURCES OF THE INCOME OF THE ACCUSED PERSONS

Under the Income tax Ordinance 1979, every resident of the Islamic Republic of Pakistan whose, annual income exceeds the limit fixed by the Government of Pakistan at the relevant time is bound to file his return of total income before the Income Tax authorities. Likewise he is also obliged to file his annual Wealth Tax Return (if his wealth exceeds the limits specified at the relevant time) wherein he has to declare all of his wealth with description (i.e.) moveable, immovable property, cash, coins, shares, Prize Bonds etc. alongwith his liabilities. The information given in the Wealth Tax return by the assessee, is the reflection of his total income/loss up till the specific date.

### (i) Declaration of Income By Mrs. Shamim Akhtar

The information collected from the Income Tax department reveals that Mrs. Shahmim Akhtar W/o Mian Muhammad Sharif has declared her total income for the assessment year 1992-93 to1999-2000 (after deduction of zakat and wealth tax ) at Rs.2,24,37,773/-. This income is further reduced after the deduction of loss shown during the assessment year 1994-95 and balance income remains at Rs.2,19,61,792/-. The household /personal expenses of the lady has not been shown. On the other hand the lady has shown total wealth for assessment year 1994-95 (as on 30/6/94) including immovable (residential & agricultural) and moveable including cash, shares etc. at Rs.3,80,16,665/- and liabilities of Rs.6,94,91,794/-. In the A.Y. 1999-2000 this wealth was raised to Rs.11,31,56,331/- whereas the liabilities have been reduced Rs.3,70,93,263/- meaning thereby that from 1994-95 to 1999-2000 an increase of Rs.7,51,39,666/- has been shown in the wealth whereas liabilities have been reduced by Rs.3,23,98,531/-

The above details go to reveal that the increase of Rs.10,75,38,197/- in the wealth uptill 30/6/99 is itself higher and is not corresponding to the declared income of Rs.2,19,61,792/- from the assessment year 1992-93 to 1999-2000. The above facts are enough to prove that the palatial buildings have not been included in the declared assets by the lady are not commensurate with her known/legal sources of income.

### (ii) Declaration of Income/Wealth By Mian Muhammad Sharif

AS per income tax record, Mian Muhammad Sharif S/o Mian Muhammad Ramzan has declared his total has declared his total income for the assessment year 1992-93 to 1999-2000 at Rs.1,68,06,171/-. Against the

JOINT INVESTIGATION TEAM PANAMA CASE

above income Mian Muhammad Sharif has shown his total wealth of Rs.4,12,40,984/- on 30/6/94 which includes all moveable immovable properties as well as cash, shares etc. This wealth has been increased to Rs.11,50,83,346/- in the year 1999-2000 i.e. on 30/6/1999. The liabilities have been reduced from Rs.78,76,013/- in the year 1994-95 to Rs.47,84,980/- in the assessment year 1999-2000 i.e. reduction of Rs.30,91,033/-. Thus total increase of Rs.7,69,33,395/- is visible. However the accused have not declared any property/structure/building in question but despite this fact the increase of Rs7,69,33,395 in itself is not commensurate with the legal/known sources of the accused.

In the instant reference, it has been concluded that Mst. Shamim Akhtar made all the payments against the purchase of land in question through her husband and got land on her name in mauza Manak, Raiwind, Lahore. Mian Muhammad Sharif also made payments for land purchased in his own name. It has further been established that from May, 1992 to March, 1997, an amount of Rs.76.222 million was also spent by him on the construction of his own house as well as other buildings / structures. The evidence has further come on record that the construction of the house of Mian Muhammad Sharif, inside the boundary wall of Shamim Farm was completed during the years 1992-97 with an investment of Rs.5.00 million approx. In any of his Tax Return, he has not declared any investment over the construction of any house or any building.

**Declaration of Income/Wealth By Mian Muhammad Nawaz Sharif**

Mian Muhammad Nawaz Sharif S/o Mian Muhammad Sharif has declared his total income for the assessment year 1992-93 to 1999-2000 at Rs.24,22,949/- which is worked out after deduction of Rs.30,07,038/- loss shown for the assessment year 1994-95. The income for the assessment year 1998-99 is not included as return for the same is not available with the tax authorities. This includes his total income i.e, from dividend, property and agriculture etc. Against the said income the accused has shown total wealth of Rs.6,39,62,150/- for the assessment year 1994-95 and Rs.3,62,61,934/- for the year 1999-2000. This shows the decrease in the wealth. The liability of the accused has also been reduced by Rs.34,50,315/-.The reduction in the total wealth can be presumed to be the personal expenditure of the accused for the above years as no details of the yearly expenses have been provided.

As per evidence collected during investigation, from March, 1997 to October, 1999, Mian Muhammad Nawaz Sharif, made payments of 171.130 million for the construction of two palatial buildings/palaces for himself and for Mian Shahbaz Sharif. As per his tax returns, he has not declared this investment made by him. (Annexure 12)

**SUMMARY OF THE KNOWN SOURCES OF THE INCOME OF THE ACCUSED PERSONS**

From the perusal of the above evidence it is clear that the investments of the accused persons on these palatial buildings are not commensurate with their

RAWALPINDI

(13)

legitimate source of income declared by them in their Income/Wealth Tax Returns. None of the accused has declared his investments over the construction of these buildings in his Income/Wealth Return:

## VERSION OF THE ACCUSED

In the light of the above discussions, questionnaires were served upon the accused persons. Mian Muhammad Sharif and Mrs. Shamim Akhtar had offered their replies to the questionnaire, but Mian Muhammad Nawaz Sharif has not bothered to reply, which means that he has nothing to say in his defence. In the replies of the accused received, they have admitted only five houses and one kitchen within the boundary wall and have stated that there is no Gymnasium in the premises. They further admitted the purchase/occupation of the land in question. As far as the sources to purchase the land are concerned, they have stated that they purchased the land from the loans received from M/s. Ittefaq Brothers Ltd. (one of their group company) and these loans were reimbursed by them by way of foreign remittances, FEBCs and DBCs. As far as the construction cost of different houses is concerned, Mrs. Shamim Akhtar had stated that she herself as well as one of their group companies, M/s. Chaudhry Sugar Mills Ltd. made investment over the construction of these houses.

## CRITICAL ANALYSIS OF THE REPLIES RECEIVED FROM THE ACCUSED

From the perusal of the replies received from the accused persons and the comparison of the same with the evidence discussed above, the following picture appears:-

1. Mian Muhammad Sharif and his wife, Mrs. Shamim Akhtar, had admitted the purchase/ownership/occupation of the land in question and buildings and structures constructed over it.

2. The contention of Mrs. Shamim Akhtar that the land was purchased from the funds advanced by M/s. Ittefaq Brothers (Pvt.) Ltd. (one of their group company) is baseless due to two reasons:- (I) no such advance is visible in the balance sheet of the Company for the relevant year that's why the lady has not provided the copy of any of the relevant document in support of her version. (ii) The source of repayment of this advance has been shown as the receipt of foreign remittances and the encashment of FEBCs and DBCs whereas no proof to this effect has been provided. In fact, the defence taken by the accused is an after thought and without basis.

3. Even in case of the submission of the encashment certificates of the FEBCs and DBCs, tax authorities may not proceed further in the case but as far as the criminal investigations under the NAB Ordinance, 1999 are concerned, any person who owns property disproportionate to his legal/legitimate sources of income is guilty of the offence of corruption and corrupt practices, unless he/she leads evidence otherwise.

JOINT INVESTIGATION TEAM PANAMA CASE

(14)

4. In any case, the defence plea taken by Mrs. Shamim Akhtar and endorsed by Mian Muhammad Sharif discussed in the upper lines is related to a small component of the amount charged.

5. As far as the investment of Rs.76.222 million made by the accused from May 1992 to March, 1997 on the construction of different buildings is concerned, the accused has taken plea that the funds for this purpose were received by her from M/s. Chaudhry Sugar Mills Ltd. in addition to her own funds. The contention of the accused is incorrect as the buildings/structures in question have neither been shown in the balance sheet of the Company nor in the Wealth Tax Return of Mrs. Shamim Akhtar. Hence the reply is not tenable.

6. As regards the cash payments of Rs.171.130 million, supported by evidence, made by Mian Muhammad Nawaz Sharif from March 1997 to October, 1999 for the construction of two palatial buildings, one for himself and the other for his brother i.e. Mian Shahbaz Sharif, no reply has been received in rebuttal of the allegation from Mian Nawaz Sharif. Though, Mrs. Shamim Akhtar had tried to save her son by owning these investments on her part, yet the evidence on record as well as the record of Tax Department negates her version.

7. From the above discussions, it is evident that the entire investments made by all the accused persons to purchase the land and to construct different buildings over it are un accounted for.

## RECOMMENDATIONS

In the light of the evidence discussed above, it is established that from 1992 to 1994, a sum of Rs.12.302 million was spent by Mrs. Shamim Akhtar and her husband Mian Muhammad Sharif to purchase land in question measuring 401 Kanal, 10 Marlas in mauza Manik, Raiwind, Lahore. Subsequently, a boundary wall was constructed around this land and from May, 1992 to March, 1997, with an investment of Rs.76.222 million, Mian Muhammad Sharif got constructed different houses/structures over this land. From March 1997 to October 1999, Mian Muhammad Nawaz Sharif, with the expenditure of Rs.171.130 million got constructed two palatial houses over this land having a covered area of 86,604 sq.ft. for himself and for Mian Shahbaz Sharif. In total, from May 1992 to October, 1999, all the three accused persons made an investment of Rs.247.352 million which they have failed to account for from their legitimate sources of income. During course of investigation, however, no incriminating evidence came on record against Mian Abbas Sharif, Mian Shahbaz Sharif and Capt.Safdar.

It is, therefore, concluded that the accused M/s. Mrs. Shamim Akhtar, Mian Muhammad Sharif and Mian Nawaz Sharif with the connivance of

KH. IMTIAZ AHMAD, J:- This petition under Article 199 of the Constitution of Islamic Republic of Pakistan, 1973 has been filed for the quashment of Reference No.7 of 2000 pending in the National Accountability Court No.IV, Rawalpindi.

2. The relevant facts for the disposal of this writ petition are that petitioner No.2 herein namely Mian Muhammad Nawaz Sharif in the year 1999 was the elected Prime Minister of Pakistan. On 12.10.1999 the then military dictator removed his government and consequently petitioner

No.2 namely Mian Muhammad Nawaz Sharif was arrested and he was involved in some cases, one under the NAB Ordinance, 1999 the famous "helicopter case" and the other known as "hijacking case". The present Reference No.7 of 2000 was filed on 29.06.2000 against three persons namely Mian Mohammad Sharif, father of petitioner No.2, Mrs. Shamim Akhtar who is petitioner No.1 herein and the mother of petitioner No.2 Mian Muhammad Nawaz Sharif. The reference impugned herein alongwith the investigation report has been produced by the learned Additional Prosecutor General NAB. On the basis of said investigation report, the reference impugned herein is based on the following allegations:-

"3. The report reveals that an area measuring 401 kanals allegedly acquired by Accused Nos. 1 & 2 has been used for the construction of palatial mansions and other ancillary buildings thereon. The record indicates that the land is in the names of Accused No. 1 & 2, a major portion of which is surrounded by a high boundary wall.

This entire holding is known as the " Raiwind Estate".

4. That a number of buildings and structures have been constructed both inside and outside the

boundary wall which are occupied by the accused persons. The construction appears to have been carried out between 1992-1999. M/S NESPAK were asked to carry out a survey and provide an estimate of the cost of land, houses, structures and the other buildings located at the Raiwind Estate. As per the Survey Report, the investments and expenditures on the construction of the buildings and structures erected amounted to an estimated Rs. 247.352 million. A sum of Rs. 171.130 million appears to have been paid by accused No.3 for the construction of his own house and the house of Mian Shahbaz Sharif located at the Estate.

5. That the income of the accused persons declared in the income tax returns filed during the years 1992-2000 amount to Rs. 16.806 million, Rs. 21.961 million and 2.422 million respectively. The total income of the said accused persons during the years 1992-2000 if added appear as Rs. 41.190 million. Whereas the total investment made by the accused persons for the construction of the buildings amounted to an estimated Rs. 247.352 million. Therefore the amount spent on the construction of the buildings and acquisition of land by the accused persons is wholly disproportionate to legitimate sources of income as reflected in the annual tax returns filed by the

accused persons, from time to time during the relevant period.

6. It appears from the record placed before me and the statements of witnesses recorded that accused 1-3 in connivance with and in collusion with each other appear to be in possession of assets/property wholly disproportionate to their known sources of income which they have failed to account for. All the three accused persons appear to have committed acts of corruption and corrupt practices as defined in section 9 read with section 10 of the Schedule of Offences of the NAB Ordinance, 1999.

7. Having considered the facts and circumstances of the case and the personalities involved, I feel that it would be fair, just and appropriate if this Reference is filed before the Accountability Court at Attock Fort, because of the prevalent threat to the security of all those who are involved in the trial. In order to ensure an open and transparent trial without fear of any disruption and breach of law and order, this Reference is being filed before this Accountability Court at Attock Fort."

No.2 was under arrest. He was however exiled to Saudi Arabia on 10.12.2000. Nonetheless, the court seized of the matter did not issue any summon for the attendance of the accused. However, on 12.4.2001, the Additional Prosecutor General NAB made statement before the court that some of the accused were not available and were abroad and so the reference be adjourned sine-die and that at appropriate time they would move an application for its revival. On this statement of Additional Prosecutor General NAB, the court adjourned the case sine-die. Thereafter again an application for its revival was moved though even at that time some of the accused were abroad and there was no fresh ground for moving the application for the revival of the reference but the Court allowed the said petition vide order dated 17.8.2007 and directed the prosecution to procure latest address of the accused. On 25.8.2007 on the application of prosecution, the court ordered for deletion of name of Mian Muhammad Sharif who had expired meanwhile. The court further observed that since the Hon'ble Supreme Court had allowed the accused persons, who were abroad, to come back, therefore, the court will have to wait till such time that

said persons reach Pakistan and service of summons shall be affected and thereafter adjourned the case for 7.9.2007 for further proceedings. On 7.9.2007 the court repeated the earlier order and adjourned the case for 13.9.2007. On 13.9.2007 the case was adjourned on the request of Deputy Prosecutor General NAB and Prosecutor. On 3.10.2007 again the case was adjourned on the request of Deputy Prosecutor General NAB and Senior Prosecutor for the State to 18.10.2007 for the reason that some of the accused persons were likely to arrive in Pakistan. However, the court also observed that in case the position remains the same the prosecution would justify for not adjourning the case sine-die. On 18.10.2007 the case was adjourned for 19.10.2007, as the Presiding Officer was on leave and on 19.10.2007 the court adjourned the case to the first week of November, 2007 for the reason that Mian Muhammad Nawaz Sharif was scheduled to arrive in Pakistan in the first week of November. On 8.11.2007 the case was adjourned to 22.11.2007 on the request of the Deputy Prosecutor General due to Emergency declared in the country. 5.12.2007 the court directed the Prosecutor General Accountability Court to clarify whether the Government intends to prosecute the case or not and to seek instructions in this behalf and the case was adjourned till 12.1.2008. Again the case was adjourned on 12.1.2008 to 21.2.2008 awaiting the instructions from Chairman NAB. For the same purpose the case was again adjourned to 28.3.2008 and then to 8.5.2008 and then to 22.5.2008, 19.6.2008, 4.7.2008 and 31.7.2008. On all these dates the case remained adjourned for awaiting the instructions from Chairman NAB. Then the case was fixed for 21.8.2008 on which date again the court adjourned the case sine-die on the ground that application for re-commencement of the trial has not been filed under the signatures of Chairman NAB. Thereafter on 22.8.2008 an application by NAB was moved for recalling the order dated 21.8.2008. This application remained pending till 12.11.2008 on which date it was dismissed for non-prosecution. Thereafter on 17.2.2010 the NAB authorities again filed a petition for revival of reference which application was also dismissed on 3.5.2010 on the ground that it was not signed by Chairman NAB and directed the NAB to file fresh

application duly signed by Chairman NAB and thereafter on 17.7.2012 again the application for revival of reference was filed i.e. after 9 months of the filing of present writ petition which is still pending. During all these years, the learned Trial Court never summoned the accused to face the trial.

4. Learned counsel for the petitioners contended that the proceedings in the reference were illegal and without due process of law. He contended that under Section 9(v) of the NAB Ordinance, 1999, a person can be held liable only if he or any of his dependents or benamidars owns, possesses, or has any right or title in any movable or immovable property or pecuniary resources disproportionate to his own sources of income, which he cannot "reasonably account for". He contended that it is a condition precedent before filing reference that the accused is unable to "reasonably account for" his sources. He contended that in the present case, the questionnaires were issued to Mrs. Shamim Akhtar on 19.04.2000 and its reply was delivered on 2.6.2000. Similarly the questionnaires were issued to Muhammad Sharif on 11.5.2000 and its reply was delivered on 22.5.2000. He contended that no questionnaires were ever

issued to Mian Muhammad Nawaz Sharif. He also invited the attention of this Court to the questionnaires mentioned above and there replies submitted by Mrs. Shamim Akhtar and Mian Muhammad Sharif. He contended that while submitting the reference, neither the replies submitted by Mrs. Shamim Akhtar and Mian Muhammad Sharif were taken into consideration nor even the most important aspect of the case was taken care of wherein they both had mentioned that all the male members of the family had been arrested excepting Mian Muhammad Sharif. These answers were submitted under protest and without assistance of the record which has since been sealed. Further contended that neither the office in which the record was lying was de-sealed by the NAB authorities nor access was given to the petitioners to check the record and then to reply the questions, so much so even in the reference and in the investigation report, this part of the answers was not mentioned therefore the investigation so conducted by the NAB authorities without giving access to the petitioners to the sealed record, was no investigation in the eye of law and is liable to be quashed on this sole ground. He also referred

the case law maintaining therein that the investigation should be fair and every party has a right under the Constitution to be tried fairly and under due process of law. He also contended that the investigating Officer belonged to the Immigration Department and was not a skilled person to investigate the present reference. The August Supreme Court in the case of **Bank of Punjab and another Vs. Haris Steel Industries (Pvt) Ltd and others** (PLD 2010 SC 1109) has observed that the investigation should be conducted by the person who is skilled person to investigate the allegations.

5. On the other hand, the learned Addl. Prosecutor NAB contended that whatever is agitated by the learned counsel for the petitioners, the same can be termed as irregularities in the investigation or the defective investigation but this cannot be a basis for the quashment of the reference and its subsequent proceedings. He contended that the petitioner has the alternate remedy under Section 265-K Cr.P.C to move the learned trial Court for their acquittal. He placed reliance upon the cases of

"Suleman Vs. Fateh Naseeb and others" (1995 P Cr.L.J.1543), "Ajmeel Khan Vs. Abdur Rahim and others" (PLD 2009 SC-102), "Ch. Muhammad Anwar Vs. Senior Superintendent of Police, Investigating Cell, Lahore and two others" (2002 P Cr.L.J.2014) and "Liaqat Ali Vs. Additional Inspector General Police (Investigation Branch) Punjab and three others" (2011 MLD 1179).

6. Arguments heard. Record perused.

7. The first question which requires determination is that when the proceedings are initiated whether it is mandatory to join the accused in the investigation? It is appropriate to reproduce Section-9 of the National accountability Bureau Ordinance, 1999, which reads as under:-

"9. **Corruption and corrupt practices.**

(a) A holder of public office, or any other person, is said to commit or to have committed the offence of corruption and corrupt practices--

(iii) ----------

(v) If he or any of his dependents or benamidars owns, possesses, or has any right or title in any movable or immovable property or pecuniary resources disproportionate to his known sources of income, which he cannot reasonably account for; or

(vi) ----------

(vii) ----------

Now the perusal of above-said provision clearly implies that the accused can only be said to commit or to have committed the offence of corruption or corrupt practices which he can not "reasonably account for" meaning thereby that joining him in the investigation is condition precedent because if he can reasonably account for the said allegations then he has committed no offence and in such eventuality no reference can be filed against him. Now coming to the present case, it stands established as has been mentioned above that Mian Muhammad Nawaz Sharif was under arrest when the reference was filed. The learned counsel for the petitioners has pointed out that no questionnaires were issued to Mian Muhammad Nawaz

Sharif and so he was unable to account for the allegations leveled against him. The learned Addl. Prosecutor NAB has nowhere agitated in the arguments that the said questionnaires were ever issued to Mian Muhammad Nawaz Sharif. However, the perusal of the record of the reference produced by the Deputy Director NAB shows that it consists of two volumes. In Volume No. II, the questionnaire sent to Mian Muhammad Nawaz Sharif are available on the record which is dated 19.4.2000. The perusal of the said questionnaires clearly shows that these questionnaires were sent to Mian Muhammad Nawaz Sharif through Superintendent Central Jail Karachi. However, there is absolutely no evidence/ statement of the Superintendent Jail Karachi that the said questionnaires were ever served upon Mian Muhammad Nawaz Sharif nor even in the investigation report or in the reference this fact is mentioned. Only it has been mentioned that these questionnaires were served through the Superintendent Central Jail, Karachi. In this connection, the learned Additional Prosecutor NAB has not been able to support the fact that any such questionnaire was served upon Mian

Muhammad Nawaz Sharif petitioner No.2. In this way to the extent of Mian Muhammad Nawaz Sharif, we are satisfied that no questionnaires were ever served upon Mian Muhammad Nawaz Sharif and in stricto senso he was never joined in the investigation though he was under arrest at that time.

8. The next question, which requires determination is that if the questionnaires were served upon the other accused Mian Muhammad Sharif and Mrs. Shamim Akhtar, then whether it would be presumed that they have been joined in the investigation for all intents and purposes. It is appropriate to mention here the questionnaires sent to the said accused and the replies submitted by them. The record shows that questionnaires issued to Mst. Shamim Akhtar are questions No. 1, 2 & 3 but thereafter it starts from questions No. 14 & 15. The remaining questions from questions No. 4 to 13 are not available on the record of NAB. Similarly, the record further shows that the reply submitted by Mst. Shamim Akhtar contained all the answers starting from question No.1 to question No. 15. It is further mentioned that the

9. Now the first and most important aspect of the case is that in both the said answers, both the accused had specifically mentioned that these answers are being submitted under protest and without assistance of the record which has since been sealed and it was also requested by the said accused that if the access is provided to them and the said office is de-sealed which contains the record, they would be in a better position to explain their resources and would be able to even append the record

with the answers. However, the perusal of the reference itself and the investigation report clearly shows that this request of the accused was never considered by the NAB authorities nor there is any mention of this plea of accused. It is strange that when the record was sealed by the NAB authorities then why they prevented the accused to have access to the record, so much so even if they were not inclined to give them access to the record they could easily themselves check the record but nothing has been mentioned as such in the reference as well as in the investigation report. In the case of "**Nadeem Sarwar Vs. Station House Officer Saddar, Hafizabad and others**" (2000 YLR 756) it was observed as under:-

> "association of accused----It is the statutory duty of every Investigating Officer of a criminal case to associate the accused person with investigation and also to record his version of incident in question."

10. Similarly, the August Supreme Court in the case of "**Bank of Punjab and another Vs. Haris Steel Industries (Pvt) Ltd and others**" (PLD 2010 SC 1109), observed that there should be a highly transparent

inquiry/investigation to ensure that everyone involved in the case is dealt with according to law and no injustice is done to anyone. It was further observed by the August Supreme Court that Article 10-A of the Constitution ensures, as a fundamental right, a fair trial of the accused facing the charges. Needless to add that even in absence of this provision of the Constitution, the Courts in Pakistan had been putting their best efforts in order to ensure fair and independent trials, but after incorporation of this new provision in the Constitution, it has also become all the more important that the investigations and inquiries should be fully transparent. In this case, it was also observed as under:-

> "Investigation means nothing more than collection of evidence. It is evidence and evidence alone which could lead a court of law to a just and fair conclusion about the guilt or innocence of an accused person. It is, therefore, only an honest investigation which could guarantee a fair trial and conceiving a fair trial in the absence of an impartial and a just investigation would be a mere illusion and a mirage. It is, hence, only a fair investigation which could assure a fair trial and thus any act

ATTESTED
Examiner

which ensures a clean investigation which is above board, is an act in aid of securing the guaranteed right and not in derogation thereof."

11. Similarly in a case reported as "**Liaqat Ali and others Vs. State**" (1998 P. Cr.L.J.216), it was observed that phrase "collection of evidence" used in the definition of investigation cannot be confined to such evidence which favours only the prosecution. It was also observed in the said case that Investigating Officer is bound to record the version of the accused in every case if presented, failure of police to record the accused's version or the evidence sought to be adduced by him amounts to frustrate the constitutional guarantee, set out in Article 10 of the Constitution. The Constitution of Pakistan also gives guarantee to every person of his fair trial through due process of law.

12. In a case captioned "**Ghani-ur-Rehman Vs. National Accountability Bureau and others**" (PLD 2011 SC-1144), it was observed by the Supreme Court of Pakistan as under:-

> "Mere possession of any pecuniary resource or property is by itself not an offence but it is the failure to satisfactorily account for such possession of pecuniary resource or property that makes the possession objectionable and constitutes relevant offence."

The same view was taken in the case of "**Hakim Ali Zardari Vs. The State"** (2007 MLD-910).

11. In view of what has been said above, we have no doubt in our mind that mere issuing the questionnaires and that too only to the two accused does in no way imply that the accused had been joined in the investigation. Their answers were not taken into consideration and they were not given any opportunity to vindicate their position and so the requirement of Section 9(v) of the National Accountability Bureau Ordinance, 1999 has not been complied with, since the proper opportunity to account for their resources has not been provided to them.

12. The next question which requires determination is that whether the I.O who conducted the investigation was a person of that skill who could investigate the present reference, which relates to the

JOINT INVESTIGATION TEAM
PANAMA CASE

acquiring of land, their prices and the price of the construction. There is no denial of the fact that I.O who investigated the case belongs to the Immigration Department. There is nothing on the record to show that he was skilled in construction work. In the case of "**Bank of Punjab and another Vs. Haris Steel Industries (Pvt) Ltd and others**" (PLD 2010 SC-1109), the August Supreme Court observed as under:-

> "This Court feels that in the absence of a highly skilled person, such a high profile case could not be investigated properly."

The above said dictum laid down by the Supreme Court clearly shows that the man who is conducting the investigation must have some experience in order to probe into the allegations.

13. The next question which requires determination is that whether in view of availability of alternate remedy, this court has the power to quash the reference as well as the proceedings. In the case of "**State through Advocate-General, NWFP Peshawar and others Vs. Gulzar Muhammad and others**" (1998

SCMR 873), it was observed by the August Supreme Court that if the accused are not held entitled to the acquittal in terms of Section 249-A/265-K Cr.P.C. then they have the right to approach the High Court for quashment of proceedings against them and further observed that this rule proceeds on prudence and cautiousness. It was also observed that nonetheless both the jurisdictions under Section 249-A/265-K and 561-A Cr.P.C are co-extensive. In view of the said dictum, if for arguments sake, it be presumed that under Article 199 of the Constitution of Islamic Republic of Pakistan, 1973, this Court has no jurisdiction but at the same time it has the jurisdiction under Section 561-A Cr.P.C, which is co-extensive with the provisions of Section 249-A and 265-K Cr.P.C. Similarly, in the case of "**Khan Asfandyar Wali and others Vs. Federation of Pakistan through Cabinet Divison, Islamabad and others"** (PLD 2001 SC-607), the August Supreme Court of Pakistan observed as under:-

such facts under the discretionary jurisdiction conferred on it under Article 199 and pass such order as may be found just, legal and equitable taking into consideration the facts and circumstances of each case."

14. In the case of "**Abdul Latif Vs. Inspector-General Police and others"** (1999 P Cr.L.J.1357), almost the same principle was laid down and it was also observed in the said case as under:-

" If investigation was not conducted in that manner, subsequent proceedings based on such findings, would be bound to fall on the ground automatically."

ATTESTED

Lahore High Court, Lahore

15. The above-said observations clearly implies that if the investigation is not conducted in the manner provided by the law, then the subsequent proceedings based on such findings are bound to fall on the ground automatically.

16. Similarly, in the case of "**Muhammad Kashif and others Vs. Maj (retd) Atta Ullah Butt and others"** (2003 MLD-1017), it was observed that if challan has been submitted even then the proceedings can be quashed

under Section 561-A Cr.P.C. Same is the view expressed in the case of "**Muhammad Aslam (Amir Aslam) and others Vs. District Police Officer, Rawalpindi and others"** (2009 SCMR-141).

17. The learned Additional Prosecutor General NAB has also raised the plea that the defective investigation can not be made basis for the quashment of the reference. We have considered this plea raised by the learned counsel and have also gone through the case law cited by him but we are of the firm opinion that there is a difference between the defective investigation and an investigation, which under the law is "no investigation" at all. As has been mentioned above that an offence under Section 9(v) of the National Accountability Bureau Ordinance, 1999 is only constituted when the accused fails to account for his resources. In the present case, one of the accused was not joined in the investigation and the other two accused were not given access to the record which was sealed by the NAB authorities nor even the answers were taken into consideration before filing the reference and so it is not a case of defective investigation but it is a

case of no investigation at all. The case law cited by the learned Additional Prosecutor NAB has distinguishable facts and are not attracted to the facts of the present case in strict-senso.

18. The result of the above discussion is that this writ petition succeeds. Reference No. 7 of 2000 against the petitioners and subsequent proceedings before the Court stands quashed. However, it is clarified that the NAB authorities are competent to proceed against the petitioners if the investigation is again initiated in accordance with law.

M/s Shamim Akhtar etc. Federation of Pakistan.

I have the privilege to go through the judgment rendered by my learned brother Muhammad Farrukh Irran Khan, J.

2. In-fact, the reference and subsequent proceedings were quashed mainly on the ground that under Section 9 (v) of the National Accountability Bureau, 1999, the reference could only be filed if the accused cannot reasonably account for the assets possessed by accused, dependents or benamidar. Since in the present case, the accused were not joined to account for the resources so on this basis, the reference and the subsequent proceedings were quashed. To this extent my learned brother Muhammad Farrukh Irfan Khan, J has given the consenting judgment,

3. However, while disposing of the petition I had made the further observations as under:-

> "It is clarified that the NAB authorities are competent to proceed against the petitioners, if the investigation is again initiated in accordance with law."

To this extent my learned brother Muhammad Farrukh Irfan Khan, J has disagreed, mainly on the ground that 12 ½ years had elapsed and this observation would not only amount to give a premium to the prosecution of their own fault but also provide them another opportunity ostensibly to fill up their lacunas and equip them with better tools for combating/victimizing the petitioners at the hands of the NAB authorities.

The point of difference is that whether there was no necessity or requirement to give observations that the NAB authorities are competent to proceed against the petitioners, if investigation is again initiated in accordance with law.

The matter is referred to the Hon'ble Chief Justice for referring the matter to another Hon'ble Judge to give decision on this point.

MUHAMMAD FARRUKH IRFAN KHAN-J. Writ petition No.2619-2011 was heard at Rawalpindi Bench of this Court by the Division Bench consisting of Hon'ble Justice Kh. Imtiaz Ahmad and myself. After hearing the detailed arguments of the parties and examining the voluminous record, Judgment was reserved to be pronounced later. After deliberation my learned brother Kh. Imtiaz Ahmad-J elected to write the judgment. I have had the privilege of going through the proposed judgment and fully agree with conclusion arrived at by my learned brother in quashing the impugned Reference. However, with utmost respect to the learning and scholar of my learned brother, I regret to disagree with the following clarification given at the end of his conclusion;-

> *"It is clarified that the NAB authorities are competent to proceed against the petitioners if the investigation is again instituted in accordance with law."*

In my humble view such an explicit observation is likely to be mistaken as an express permission by this Court to initiate investigation afresh against the petitioners, which this Court is not ordering and such an observation/clarification is likely to be misused for victimization, which cannot be allowed against any person. My reasons for disagreeing with the aforesaid observation are given in this separate note which may be placed before the Hon'ble Chief Justice for appropriate order in the matter.

2. The National Accountability Bureau Ordinance (XVIII of 1999) (hereinafter referred to as NAB Ordinance) is fully enforced

and NAB authorities are expected to be cognizant of their responsibilities. Any new or fresh investigation, if initiated by NAB in any case against any accused can always be undertaken by the said authority, however, it will always be subject to compliance with law and procedure and shall always remain open to judicial scrutiny if a person against whom such an investigation is initiated is aggrieved.

3. In my humble view, we have not heard arguments on the question as to whether **"NAB authorities are competent to proceed against the petitioners if the investigation is again instituted in accordance with law"** and therefore no such observation be expressly given in the instant proceedings. As to whether such an investigation can be again initiated after 12 years is a question which has not been raised by the respondents, nor have we heard arguments on this issue and if such an observation is given by this Court as a clarification or otherwise, that would be prejudicial to the petitioners, in this petition, without hearing them on this issue and hence violate the principles of natural justice that no person shall be condemned unheard. Whether or not such an investigation or re-investigation can be initiated after 12 years on the same charges, in particular when the accused were available for investigation at relevant time but were not associated in the investigation, as also frankly conceded by the learned counsel for NAB, is not of ordinary significance but has to be carefully and cautiously adjudicated on the touchstone of appropriate law and judicial precedents.

4. In my humble view NAB Ordinance cannot be used as a tool to harass any citizen of this country whether an artisan, farmer,

professional, businessman, government servant or a political person as all are equal before the law and the laws of Pakistan, including the NAB Ordinance, have to be applied equally and squarely to all of them.

5. It is useful to recall that the intent and object of the NAB Ordinance is to ensure investigation and conclusion of a trial within shortest possible time as held in case reported as **Majid Rasheed ..Vs.. The State** (2010 MLD 27);-

> *"The law as emphatically available in the criminal jurisprudence and repeatedly ordained by the superior Courts of this country aims at ensuring that the accused are made to be available for trial but it has never been nor it can ever be the intention of law to punish the accused for the offence the trial whereof is still pending against him. The concept of punishment is essentially relatable to the conclusion of the trial and the punishment can only be imposed after the end of the trial. The fact that unless otherwise specifically prohibited under the law, the benefit of section 382-B, Cr.P.C. is generally available to a convict also indicates that nobody can be incarcerated during the trial merely as a matter of punishment."*

6. The purpose of the NAB Ordinance is to dispose of the accountability cases expeditiously and without any delay as held in the case reported as **Ms. Benazir Bhutto ..Vs.. The State** (2001 YLR 1647 at page 1652).

7. In the case of **Muhammad Nadeem Anwar and another ..Vs.. National Accountability Bureau and others** (PLD 2008 SC 645) the Hon'ble Supreme Court of Pakistan has observed:-

that *"The N.A.B. Ordinance was promulgated to provide effective measures of detection, investigation, prosecution and speedy disposal of cases involving corruption, corrupt practices, misuse and abuse of power of authority, misappropriation of property, taking kickbacks, commissions and for matters connected and ancillary or incidental thereto. The object of N.A.B. Ordinance as is evident in its preamble is to provide expeditious trial of the scheduled offences within the shortest possible time."* It was further observed by the Hon'ble August Court that *"it is fundamental right of an accused that his case should be concluded as early as could be possible particularly in those cases where law has prescribed a period for the completion of the trial as in the instant case, under section 16(a) of the Ordinance the Court is bound to dispose of the case within 30 days".*

7. In the case reported as **Muhammad Saeed Mehdi..Vs..The State** (2002 SCMR 282) the Hon'ble apex Court has laid down as under:-

> *"We have carefully considered the submission made by the learned counsel for the parties. The objection of a criminal trial is to make the accused face the trial and not to punish an undertrial prisoner for the offence alleged against him. The basic idea is to enable the accused to answer the criminal prosecution against him rather than to rot him behind the bars. It is also well-recognized principle of law that bail cannot be withheld as punishment on accusation of non-bailable offences against any accused. It is also a salutary proposition of law that an accused is entitled to*

*expeditious access to justice which includes a right to fair and expeditious trial without any unreasonable delay. In the instant case, it is admitted that the trial against the petitioner has not commenced for no fault attributable to him. It is undisputed that undue delay has taken place in the commencement of the trial against the petitioners for non-production of co-accused Mr. Shafi M. Sehwani, who has been found to be unable to travel to Attock though it is conceded that he is able to appear before any Court at Rawalpindi. Be that as it may, the object of NAB Ordinance, as contained in its preamble, inter alia, provides for expeditious trial of scheduled offences within the shortest possible time. This position is reassured in section 16 of NAB Ordinance postulating for day to day trial of the case and its conclusion within thirty days. Obviously, in the present case such objection does not seem to be anywhere near its achievement for the reasons mentioned above. (emphasis supplied)*

8. On the point that the reference has remained pending for almost 12 years as the case came up on 27th March 2000, when some of the petitioners were under arrest, I make reference to a few passages from a judgment of a learned Division Bench of this Court in the case of **Sardar Muhammad Naseem ..Vs.. Judge Accountability Court, Lahore (PLD 2006 Lahore 162)** wherein it was observed as follows:-

*"6. Learned counsel for NAB while explaining the position from his side, stated that the case against the petitioner was of a very serious nature and certainly this will end in his conviction. According to him, the petitioner also was a contributory factor against adjournments.*

*7. The offence may be of a very serious nature calling for a prolonged trial but we do not expect this to be an unending exercise.*

*8. The object of criminal justice is to confront a criminal with the charge as early and precisely as possible while following the due process and not to punish him before the verdict through a prolonged incarceration. There is truth in the proposition that justice delayed is justice denied.*

*9. In cases which end in the acquittal of an accused, a question often arises as to who will be responsible for his agony, pain and hardship due to the prolonged period of his incarceration and the delayed trial. Whereas, in case he remains on bail he can still be made to suffer an imprisonment after the trial.*

*10. An accused is not only entitled to a fair trial but also to a proper and human treatment. A proper treatment envisages an honest investigation, an honest preparation of the record and the charge-sheet and a trial without delay.*

*11. A State is under an obligation to ensure that its Courts were well-equipped with the required manpower for handling the trials with dispatch. Likewise, the prosecutors are required to be equipped with the required skills essential for establishing a foolproof case before a Court without much cost of time.*

*12. Section 16(a) of the National Accountability Ordinance, 1999, has been enacted with such a rationale. It has laid a period of 30 days for disposing of a trial.*

*13. A question for consideration of the concerned authorities will be whether the prosecutors working for NAB and its different forums were*

*14. It is now for the authorities to take curative measures so that the intention and the spirit of law is respected in the matter of the tenure of a trial otherwise, as we have seen in case of Anti-Corruption Laws, the NAB law will also lose its purpose while defeating the expectations and aspirations attached to the law. The entire desire for elimination of corruption and corrupt practices though expeditious trials will then be a far of cry and ultimately the public confidence will get totally shattered. Who will then bridge the credibility gap?"*

9. In case reported as **Khadim Hussain ..Vs.. The State (2012 P CrLJ)** it was held as follows:-

*"The concept of a fair trial necessarily includes a trial without inordinate delay, because it is a right of every accused to stand trial within a reasonable time. It is proverbial that justice delayed is justice denied. Inordinate and scandalous delay in trial, which in the present case is two and half years, is not only abuse of the process of law and of Court, but also violation of fundamental right of access to justice."*

10. In case reported as **Muhammad Hussain ..Vs.. The State (PLD 1959 (W.P.) Lahore 322)** it was held as under:-

*"In the above circumstances, there cannot be the least doubt that the cases have not progressed for over four or five years. The plight of the petitioner can well be understood. These cases were originally registered on 30th September, 1952, and the sword of damocles has been hanging over his head for over six years. The*

*chances of the accused to defend himself after a lapse of so many years must have been seriously affected. If the prosecution does not take care to see that a case against any accused person is proceeded with expeditiously and allows it to linger on inordinately or delays its progress, the fault must lie at its door, whether for non-production of sanction, the witnesses, the co-accused from jail, or by frequent transfers of case from Court to Court, by change of law or by the conduct of the Prosecutor. The intention of the law is that a criminal case must be expeditiously disposed of without unnecessary delay. Section 344 of the Code of Criminal Procedure, requires the Court to record (1) reasons for every adjournment (2) to consider the reasons for, and (3) the period for which an adjournment is to be granted. The section indicates that adjournments can be made for absence of witnesses or for any other reasonable cause. Any cause other than the absence of witnesses must be for a cause of necessitating or justifying an adjournment on reasonable grounds. What is a reasonable ground is a question of fact in each case. The Court must apply its mind to its reasonableness and should not grant an adjournment mechanically and without cause. The recording of reasons is as necessary a condition as the reasonableness of the cause for which adjournment is granted. The provision has been made deliberately to avoid unnecessary delays and adjournments so as to ensure speedy decision. In the present case, the adjournments were given without any reasonable cause, and in fact for causes which did not exist. Adjournments were given for months when a Public Prosecutor had already been appointed for the conduct of the case. The supply of copies, if it was necessary, could and*

The state of affairs discloses utter incompetence and callous disregard of the worry and anxiety of a person who is charged with crime. It is a mockery of law to allow criminal cases to proceed for four or five years without any progress. It is revolting to the conscience of a Judge under any system of law that a criminal case should take so long and still not be decided. The conduct of these cases by the learned Public Prosecutor reflects a lack of interest in the cases. He did not apply his mind to what was needed and he has sought adjournment after adjournment, which should have been shown such an indulgence? If not, should the prosecution fails persistently without reasonable cause to produce its witnesses, or seeks adjournments unjustifiably, it is the duty of a Court to proceed to judgment expeditiously and without unnecessary delay. Justice delayed is justice denied for the defence of the accused must suffer by lapse of time and the prosecution may also suffer likewise. A fair and speedy trial is the essence and essential of judicial administration in a civilized country. Protracted proceedings as in this case are a mockery of the law and must be deemed to be an abuse of process of Court."*

*free hand to the NAB authorities and premium to the prosecution of their own fault and provide them an opportunity to fill up their lacunas and equip them with better tool for victimization of the petitioners after the laps of more than 13 years"*

3. Brief facts for the disposal of instant petition are that Mian Muhammad Nawaz Sharif, petitioner No.2, was elected as Prime Minister of Pakistan in the year, 1999. On 12.10.1999, his Government was toppled by the then Army Chief and he was arrested and involved in some criminal cases. The reference No.7 of 2000 was filed on 29.06.2000 against three persons, namely, Mian Muhammad Sharif, father of petitioner No.2, Mrs. Shamim Akhtar, mother of petitioner No.2 and Mian Muhammad Nawaz Sharif, petitioner No.2. The reference was based on following allegations:-

*"3. The report reveals that an area measuring 401 kanals allegedly acquired by Accused Nos.1 and 2 has been used for the construction of palatial mansions and other ancillary buildings thereon. The record indicates that the land is in the names of Accused No.1 & 2, a major portion of which is surrounded by a high boundary wall.*

*4. That a number of buildings and structures have been constructed both inside and outside the boundary wall which are occupied by the accused persons. The construction appears to have been carried out between 1992-1999. *Raiwind Estate. As per the Survey Report, the investments and expenditures on the construction of the buildings and structures erected amounted to an estimated Rs. 247.352 Million. A sum of Rs. 171.130 million appears to have been paid by accused No.3 for the construction of his own house and the house of Mian Shahbaz sharif located at the Estate.*

*5. That the income of the accused persons declared in the income tax returns filed during the years 1992-2000 amount to Rs. 16.806 million, Rs. 21.961 million and 2.422 million respectively. The total income of the said accused persons during the years 1992-2000 if added appear as Rs. 41.190 million. Whereas the total investment made by the accused persons for the construction of the buildings amounted to any estimated Rs. 247.352 million. Therefore, the amount spent on the construction of the buildings and acquisition of land by the accused persons is wholly disproportionate to legitimate sources of income as reflected in the annual tax returns filed by the accused persons, from time to time during the relevant period.*

*6. It appears from the record placed before me and the statements of witnesses recorded that accused 1-3 in connivance with and in collusion with each other appear to be in possession of assets/property wholly disproportionate to their known sources of income which they have failed to account for. All the three accused persons appear to have committed acts of corruption and corrupt practices as defined in Section 9 read with section 10 of the Schedule of Offences of the NAB Ordinance, 1999.*

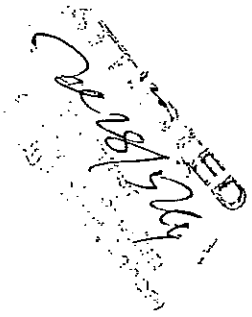
4. It is pertinent to mention here that instant reference was filed and was submitted before the Accountability Court at Attock Fort on 27.03.2000, when Mian Muhammad Nawaz Sharif, petitioner No.2 was under arrest. He was exiled to Saudi Arabia on 10.12.2000. The Accountability Court did not issue summon for the attendance of Mian Muhammad Nawaz Sharif, petitioner No.2, rather, on the basis of statement made by learned Additional Prosecutor General for NAB, the case was adjourned sine die.



5. Perusal of record further reveals that Hon'ble Supreme Court of Pakistan allowed the accused/petitioner Mian Muhammad Nawaz Sharif, who was abroad, to come back and he (petitioner No.2) returned back and after his arrival in Pakistan learned trial Court did not issue summon to Mian Muhammad Nawaz Sharif, petitioner No.2 to face trial for many years. Meanwhile, the petitioners filed instant petition for quashment of the reference which was fixed before learned Division Bench of this Court comprising of my learned brothers *Kh. Imtiaz Ahmad and Muhammad Farrukh Irfan Khan, JJ.* at Rawalpindi.

JOINT INVESTIGATION TEAM
CASE

7. After hearing arguments from both sides, learned Division Bench of this Court came to the conclusion that the instant reference was filed against the spirit of Section 9 of National Accountability Bureau Ordinance, 1999, which clearly implies that an accused can only be said to commit or to have committed the offence of corruption or corrupt practices when accused cannot ***"reasonably account for"*** his sources, which clearly means that joining the accused in an investigation is condition precedent because if he can reasonably account for his sources pertaining to the said allegation; then he has committed no offence and in such eventuality no reference can be filed against him but in the instant case it is an established fact that petitioner No.2, Mian Muhammad Nawaz Sharif was under arrest when the instant reference was filed and he was not joined in the investigation, therefore, he was unable to account for the allegation levelled against him. Although learned Addl. Prosecutor General for NAB agitated in his arguments that said questionnaires were issued to Mian Muhammad Nawaz Sharif, petitioner No.2 but perusal of said questionnaires clearly shows that these questionnaires were sent to petitioner No.2 through Superintendent of Jail, Karachi. However, there is no evidence, available on the record that Superintendent of the Jail, Karachi, served such questionnaires upon Mian Muhammad Nawaz Sharif, petitioner No.2, even this fact has not been mentioned in the reference or an investigation report, therefore, learned Division Bench came to the conclusion that no questionnaires were ever sent to Mian Muhammad Nawaz Sharif, petitioner No.2 and he was not joined in the investigation though he was under arrest at that time. However, record shows that

questionnaires were issued to Mian Muhammad Sharif, petitioner No.3 and Mst. Shamim Akhtar, petitioner No.1. Both the accused/petitioners specifically replied that answers to the questionnaires were being submitted under protest and without assistance of record which has since been sealed and it was requested by the petitioners/accused that if access is provided to them and the said office is de-sealed where relevant record is available, they would be in a better position to explain their resources and would be able to even append the record with the answers in order to prove their resources but this request of the petitioners/accused were never considered by the NAB authorities. In the opinion of learned Division Bench of this Court, it was un-understandable that when the record was sealed by the NAB authorities then why they did not allow the accused/petitioners to have access to the said record. While placing reliance on case law reported as *Nadeem Sarwar vs. Station House Officer, Saddar Hafizabad and others (2000 YLR 756)*, it was observed that *"it is the statutory duty of every Investigating Officer of a criminal case to associate the accused person with investigation and also to record his version of incident in question."* It was further observed by my learned brothers that Article 10-A of the Constitution ensures, as a fundamental right, a fair trial of the accused facing the charges, therefore, after incorporation of this new provision in the Constitution it has also become all the more important that investigations and inquires should be fully transparent. It was further observed by my learned brothers that the answers given by the petitioners/accused were not taken into consideration by the NAB and the accused/petitioners were not given an opportunity to explain

their position and the petitioners were not provided an opportunity to account for their resources, therefore, requirement of Section 9(v) of National Accountability Bureau Ordinance, 1999 was not complied with by NAB authorities.

8. While placing reliance on case law reported as ***Bank of Punjab and another vs. Haris Steel Industries (Pvt.) Ltd., and others*** *(PLD 2010 SC 1109)* it was observed that the Investigating Officer who conducted the investigation of instant reference was not a skilled person who could investigate the present reference which relates to acquiring of land, their prices and price of construction. While seeking guidance from a case law reported as ***Abdul Latif vs. Inspector General Police and others*** *(1999 P Cr.L.J. 1357)*, it was held by learned Division Bench of this Court that if investigation was not conducted in that manner, subsequent proceedings based on such findings, would be bound to fall on the ground automatically and that defective investigation, under the law, is no investigation at all.

9. After taking into consideration facts and circumstances of this case, learned Division Bench of this Court came to the conclusion that reference No.7 of 2000 against the petitioners/accused and subsequent proceedings before the Court stands quashed. However, one of my learned brother *(Kh. Imtiaz Ahmad, J.)* observed as under:-

> *"The result of the above discussion is that this writ petition succeeds. Reference No.7 of 2000 against the petitioners and subsequent proceedings before the Court stands quashed. 10. My learned brother *Muhammad Farrukh Irfan Khan, J.*, although agreed with the findings arrived at by my learned brother *Kh. petitioners that observation made by one of my learned brother for re-investigation of the reference would amount to provide an opportunity to the prosecution to fill up lacunas of the reference; that National Accountability Bureau Ordinance, 1999 is silent on the question of re-investigation after the submission of the reference before the Accountability Court which is a special law, therefore, reinvestigation after quashment of reference would be totally illegal. Thus, it was prayed that observation made by one of my learned brother *(Kh. Imtiaz Ahmad, J.)* is liable to be set aside.

12. Learned Additional Prosecutor General for NAB while defending the observations of one of my learned brother *(Kh. Imtiaz Ahmad, J.)* submits that NAB authorities are competent to re-investigate the matter and re-investigation can be carried out even after submission of report under Section 173 Cr.P.C. or at any stage. However, when confronted that whether he can refer to any case law that after quashament of the reference re-investigation can be carried out by the NAB authorities, he has frankly conceded that he was unable to find out any such case law.

13. Mr. Naseer Ahmad Bhutta, Additional Attorney General and Mr. Muhammad Mahmood Khan, DAG, representing Federation of Pakistan, have categorically stated before me that as the instant reference has been quashed, therefore, re-investigation in this matter cannot be carried out by the NAB authorities and they have frankly conceded that the observations made by one of my learned brother *(Kh. 14. I have heard the arguments, advanced by learned counsel for the parties and perused the record with care.

15. After taking into consideration facts and circumstances of the instant reference and keeping in view the law laid down in National Accountability Bureau Ordinance, 1999, I am of the considered view that both of my learned brothers have rightly quashed the instant reference as the same was filed contrary to the spirit of sub-section (v) of Section 9 of the said Ordinance which runs as under:-

> *"9. Corruption and Corrupt Practices:*
>
> *(a) A holder of a public office, or any other person, is said to commit or to have committed the offence of corruption and corrupt practices:-*
>
> *(v) if he or any of his dependents or benamidars owns, possesses, or has (acquired) right or title in any ("assets" or holds irrevocable power of attorney in respect of any assets") or pecuniary resources disproportionate to his known sources of income, which he cannot (reasonably) account for (or maintains a standard of living beyond that which is commensurate with his sources of income);*

16. Now, I would like to decide the point of difference between my learned brothers that whether after the quashment of the reference the NAB authorities can be permitted to re-investigate the matter or not. First of all I would like to reproduce the meanings of the word "QUASH".

(a) In the dictionary of Modern Legal Usage it has been defined as under:-

> "(1) **to suppress or subdue; to crush out, beat into pieces;**
>
> (2) **to annul; to make void (as a writ or indictment); to put an end to (as legal proceedings).**

(b). In the Law Lexicon of British India the word **'quash'** has been defined as under:-

> **"Quash-To overthrow or annul, to make void; to abate (Tomlins Law Dic)(as) Quashing a conviction."**

(c). Mr. Abbott, in his Abbott's Law Dictionary, defines **'quash'** *"to mean to annul, overthrow, or vacate by judicial acts"*.

17. The meanings of word **'quash'** gives rise to an impression that where proceedings are irregular or defective the same would be quashed in civil as well as criminal cases. In legal phraseology the word 'quashes' connotes the process of annulling or vacating proceedings by judicial decision.

18. It has been noticed that the Criminal Procedure Code or the NAB Ordinance does not contain any provision authorizing the Court to order for re-investigation after filing of reference or after submitting report under Section 173 Cr.P.C. before the competent Court of law and to call a person to join fresh investigation after the quashment of the proceedings, therefore, observation of my learned brother *(Kh. Imtiaz Ahmad, J.)* whereby NAB was empowered to re-investigate the matter, is beyond the jurisdiction of the Court.

19. It has further been observed that when report under Section 173 Cr.P.C. is forwarded to Magistrate for taking cognizance of the offence, the Magistrate can direct the Officer Incharge of the Police Station to make further investigation keeping in view the

JOINT INVESTIGATION TEAM PANAMA CASE

provision of sub-section (2) of Section 173 Cr.P.C. From the plain reading of above said section it becomes clear that even after submission of report under sub-section (2) of Section 173 Cr.P.C., police has right to further investigation but not fresh investigation or re-investigation. Although, under special circumstances re-investigation can be permitted after submission of report under Section 173 Cr.P.C and during the trial before the learned trial Court but findings of such investigation are just an opinion of the police and Court has to decide the case after recording evidence of the parties but in the instant matter the effect of quashing of proceedings is that said proceedings are *"annulled"/"void"* for all purposes. After the quashment of this reference it has become *"nonest"* and *"non existence"*.

20. The system of re-investigation was disapproved by Hon'ble Supreme Court of Pakistan in judgment reported as *Bahadur Khan vs. Muhammad Azam and 2 others (2006 SCMR 373)* wherein it has observed as under:-

> *"(c) Criminal Procedure Code (V of 1898)----*
>
> *---Ss.156 & 173---Reinvestigation---System of reinvestigation is a recent innovation which is always taken up at the instance of influential people for obtaining favourable reports, which in no way assists the Courts in coming to a correct conclusion, rather they create more complications in the way of administration of justice---Such system of reinvestigation and successive investigations, therefore, was disapproved."*

21. Sub-section (a) of Section 16 of National Accountability Bureau Ordinance, 1999 provides that an accused shall be prosecuted for an offence under this Ordinance in the Court and the case shall be heard from day to day and shall be disposed of within 30 days. The reference against the petitioners was filed before the Accountability Court, Rawalpindi in the year, 2000 which should have been decided within 30 days as it is a mandatory provision of law. The observation of one of my learned brothers allowing NAB authorities, for re-investigation of the reference, after about 13 years of filing of reference, would be contrary to the scheme of aforesaid law.

22. Perusal of record reveals that NAB or Federation of Pakistan (respondents) during the arguments of instant petition before Hon'ble Division Bench of this Court, did not make any request for allowing them to re-investigate the matter, therefore, there was no reason for making such an observation by one of my learned brothers (*Kh. Imtiaz Ahmad, J)* which would amount to give free hand to NAB authorities and premium to prosecution of their own faults and provide them an opportunity to fill up their lacunas and equip them with better tool for victimization of the petitioners after laps of thirteen years which is not permissible in the law.

23. For what has been discussed above, I am of the considered opinion that both of my learned brothers have rightly quashed instant reference (No.7 of 2000). However, observation made by one of my learned brothers *Kh. Imtiaz Ahmad, J.*, whereby, it

was held that *"However, it is clarified that the NAB authorities are competent to proceed against the petitioners if the investigation is again initiated in accordance with law."* is hereby set aside and I agree with the opinion and observations of my learned brother *Muhammad Farrukh Irfan Khan, J.*, wherein it was held by his lordship that *"As a sequel of the above discussion and reasons detailed above, I am of the considered view that after quashing the impugned Reference, the aforestated clarification/ observation would not only amount to give a premium to the prosecution of their own fault but also provide them another opportunity ostensibly to fill up their lacunas and equip them with better tools for combating/victimizing the petitioners at the hands of the NAB authorities, which obviously is not the intent and purport f the law. For these reasons, in my humble view the stated observation/clarification is superfluous and uncalled for."*

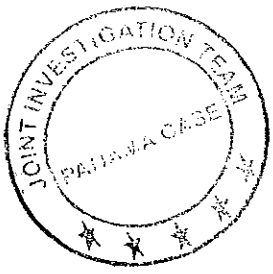
**Authorization of Inquiry by NAB in the matter of a "Trust" in the name of a Saudi National Abdul Ghani**



1. Further to the references/inquiries and investigations with NAB during the scrutiny of record of NAB it has been observed that some documents are available on file which are related to "trust" which is purportedly established in USA.

2. As per available documents the following 6x companies of Sharif family entered into an agreement with this "trust" for provision of security to banks in Pakistan on behalf of these companies so that companies could get loans against this security.

a. Chaudhry Sugar Mills Limited.
b. Ramzan Sugar Mills Limited.
c. Hudabiya Engineering Co. Pvt. Limited.
d. Hudabiya Paper Mills Pvt. Limited.
e. Hamza Board Mills Limited.
f. Hamza Spinning Mills Limited.

3. As per the complaint, available in NAB record, Sharif Family used this trust to launder their black money. Trust was operated through one **Moosa Ghani, a nephew of Mr. Ishaq Dar,** settled in USA, being the trustee of that trust whereas beneficiary of the trust was one Saudi National of Indian descent Sheikh Abdul Ghani Malik bin Siraj ud Din.

4. The matter was reported to NAB in year 2000 but somehow the investigation into the issue was not authorized by NAB. It is therefore recommended that NAB may be directed to initiate inquiry into the matter and collect all the relevant record pertaining to this "Trust" from USA to reach just and fair conclusion.

SHARIF FAMILY TREE

Further biographical information has been obtained regarding the immediate Sharif family. This includes additional information regarding Shamim Akhtar Sharif (Mian Mohammed Sharif's wife) and two additional daughters of Shehbaz Sharif as well as further birth dates. This information is included in an up-dated family tree (see appendix A).

Please note that Haroon Yusaf Aziz, mentioned in Report 1 as being listed on the electoral roll for Apartment 17 Avenfield House and in subsequent searches of utilities, is reported by sources to be the son of Yusaf Aziz, a cousin of the Sharif family, and his wife Kausar Yusaf Aziz.

According to Rehman Malik's reports, both Yusaf and Kausar are resident in 'Model Town', the Sharif family complex near Islamabad. Mr. Malik's reports also allege that Yusaf Aziz has been involved in the money laundering activities of Nawaz Sharif involving Foreign Exchange Bearer Certificates (FEBC's) which has been widely reported in the press. Copies of FEBC's bearing Yusaf Aziz' name are available.

AVENFIELD HOUSE

Enquiry made regarding the utilities at Avenfield House indicates the following:

- Apartment 16

  Electricity: Billed to Mr. H N Sharif (no DD, paid by cheque)

  Water: Billed to Mr. H N Sharif (no DD, paid by cheque)

  Gas: Checked but no utility recorded at this address

  Telephone: No telephone billing at this address.

- Apartment 16a

Gas: Checked but no utility was recorded at this address

Telephone: Billed to Mr. H Aziz until the line was cut off for non-payment in December 1998.

Further attempts have been made to identify Rabbaco Ltd, one of the rental parties listed in the Land Register for apartments 16 and 16a. A search through the corporate registers for all of the relevant domiciles indicates that the only company listing which approximately coincides with the Rabbaco Ltd style is a BVI company named Rabeco Ltd.

According to the BVI Company Register, Rabeco Ltd (No 42961) was incorporated on 11th April 1991 with a share capital of £10,000. The company's registered agent is Trident Trust Co (BVI) Ltd at Trident Chambers, Wickhams Cay1, PO Box 146, Road Town, Tortola (Tel: 284 494 2434).

- Apartment 17

Electricity: Billed to Mr. H Sharif

Water: Variously reported as billed to Nescoll Ltd and HN Sharif and 'Leading Hotels of the World Ltd' *

Gas: Checked but no utility was found at this address

Television: A license was held in the name of H Aziz (now expired)

Telephone: Bank records list 0171 493 4214 as the contact number for H N Sharif at this address.

Further enquiry based on this original number reveal the following numbers are also billed to this address:

0171 493 4214
0171 629 3584
0171 355 3455
0171 355 1366
0171 355 1292

Enquiries at the relevant utility confirm that each of these numbers is billed as a separate account, although all numbers are billed to H Sharif.

JOINT INVESTIGATION TEAM

Membership of the AA was also found under this apartment number in the names of H & HN Sharif. It was bought to our attention that this subscription had been paid through an account at:

Midland Bank
Alford House
72 Park Lane
(Sort code 40-05-22)

It has been suggested that the following are the account details:

a/c name: Hassan Nawaz Sharif
a/c number: 21157434

It has been suggested that as at 20th May 1999, the account balance was £2,318.51. The only payment into the account in the month previous to that date was believed to be a counter credit for £3,789.00.

It is also believed that Mr. Sharif has a Midland Gold Visa Card.

- Apartment 17a

|---|---|
| Electricity: | Billed to Mr. H Sharif (sic) |
| Water: | Variously reported as billed to H S Sharif, H N Sharif and 'Leading Hotels of the World Ltd'* |
| Gas: | Checked but no utility recorded |
| Telephone: | No telephone billing at this address. |

* Please note that some eight separate enquiries made to the Water company regarding the payment of bills for the four apartments each generated different names (listed above). All of these names, including those of the Sharifs and Nescoll Ltd were volunteered by the Water Company and therefore must exist on their database in some form. However, the database proved incapable of providing definitive billing names.

Some efforts have been made to establish the exact nature of the relationship between 'Leading Hotels of the World Ltd' and the Sharif apartments. Company filings in Companies House reveal no obvious connection with the Sharifs or any known associates. Publicity information from the company itself indicates that it is a promotional vehicle for an association of 315 member hotels in 68 countries around the

MOHSIN SULTAN
Assistant Director

world. The company has an international board of directors and claims to have been in operation for 71 years.

A visit made to 'Leading Hotels' under a suitable pretext established that the company is located in an office suite on the mezzanine floor. The signs within the building appeared to confirm that the suite is No 17, although a further telephone enquiry to the company indicates that it does not use any room number in its postal address. The Avenfield House office is one of 17 booking offices worldwide. The corporate headquarters is located at 99 Park Avenue, New York NY 10016.

A call to the building's caretaker indicates that there is a separate numbering system for the companies and the private apartments. As a result, initial enquiry into the ownership and activities of 'Leading Hotels' has been suspended.

Directory Enquiry list a number at Avenfield House for a company called:

Aziz & Co
Tel: 0171 491 7585

When this number was called however, a female receptionist) answered it as '17 Hanover Square'. Initial database research suggests that CB Hillier Parker Retail and The Chicago Pizza Pie Factory occupy the building. Subsequent telephone enquiry have confirmed that Hillier Parker maintain an office at 17 Hanover Square. Further enquiry into this address and any relationship with Aziz & Co are ongoing.

Efforts are underway to establish the domicile of Aziz & Co. An initial search at Companies House has found no listing for the company. Similarly, a search through the Law Society's list of members has failed to find a law firm with this name.

MIDDLEMEN

It was reported in Report 1 that the Sharifs use the services of a number of loyal middlemen to maintain their business interests and investments in the UK and elsewhere. These are thought to have included the Qazi family and Dr Toosi. Sources indicate that other representatives are also involved.

The Qazi Family

A well placed source has indicated that the high profile in the media which the Qazi's have attracted (even before last week's 'Correspondent' documentary) have made the family largely redundant in terms of managing UK based assets.

Arif Anwar

This same source has also indicated that an accountant called Arif Anwar has a key role in the management of assets for Shahbaz Sharif.

This has been confirmed by a second source who has provided a facsimile of a letter, which he claims to have purchased from a confidential source (Appendix B with explanation of acronyms in Appendix C). Amid apparent discussions of several issues regarding the international transferal of funds, this letter mentions the need to arrange a meeting with 'AA' and gives a '...secret telephone number: 01494 681301'.

It has come to our attention that this may be an ex-directory number reportedly billed to the following name and address:

Mr. A Anwar
68 Burkes Road
Beaconsfield
HP9 1EW

Mr. Arif Anwar is a Pakistani national who records his normal domicile in Pakistan and his current residence in the UK. Research confirms that he is a Chartered Accountant and works for an accountancy firm called Rifsons. In public records Mr. Arif gives his date of birth variously as 22 August and 22 September 1956.

It has been suggested that during May 1999 Mr. Anwar made international calls on the above number exclusively to Pakistan, Sweden and the United Arab Emirates during May 1999. Further research on the possible precise destinations of those calls is underway.

In a Companies House filing, Mr. Arif lists a second domestic address at:

Verwaltungs und Privat Bank

The letter included in Appendix B also mentions the following bank as a channel for payments:

Verwaltungs und Privat Bank
Im Zentrum
9490 Vaduz
Liechtenstein

MOHSIN SULTAN
Assistant Director

According to the letter, the account identified as a vehicle for the transferal of these funds is:

ATU General Trust (BVI) Ltd
a/c 276.386.013

Sources have confirmed that this bank account does exist under the details as set out above. This account is thought to have received regular internal transferal payments from

VP Bank BVI (sometimes more than one payment in a single day), which are thought to be the transfers of interest from securities sales.

This would tend to indicate the possible existence of a group of several accounts in VP Bank BVI of which ATU General Trust BVI is the beneficiary.

Further payments are thought to have been made to this Liechtenstein account in May and June 1999 by the following companies:

Hampton Consultancy
Joy Navigation
General Trust Company

Enquiry into these companies has been initiated.

The same source indicates that a second account is also thought to exist under the name '276.386.013 call account'. It has been suggested that at 5th June the balance of this account was $935,000.

Filings at the BVI corporate registry indicate the following information for ATU General Trust (BVI) Ltd:

Name: ATU General Trust Co Trust
Formerly: General Trust BVI Ltd
Registered: 11th September 1995
Capital: US$250,000
Reg. Agent: 3076 Sir Francis Drakes Highway
PO Box 3463
Road Town Tortola
BVI
Telephone: 284 494 1100

Further documents obtained from the BVI registry dated 30th June 1998 and signed by the manager of ATU General Trust (BVI) Ltd, lists the following directors for the Trust:

Dr Guido Meier
Edmund Frick
Rolf Ehlers
Viktor Buechel

All of these list their address at FL 9490 Vaduz, Liechtenstein, apparently the same address as VP Bank.

The same document also lists the following shareholders:

VP Bank and Trust Company (BVI) Ltd

Road Town
Tortola, BVI 249,999 shares

and:

Fort Trust Company Ltd
PO Box 3463
65 Main Street
Road Town
Tortola, BVI 1 share

Please note that the letterhead of the confidential letter in Appendix C appears to be:

Bank & Trust (BVI)
Road Town
Tortola, BVI

This corporate style and address would appear to bear a close resemblance in part to the address of VP Bank & Trust Co (BVI) Ltd. It is not clear from the facsimile in Appendix C whether part of the name and address has been obscured.

A search is currently being made in the BVI Company registry for a 'Bank & Trust (BVI)' in Road Town Tortola.

DECLARATION OF TRUST

A Declaration of Trust document has been obtained from well-placed sources (see Appendix D). Al Sheikh Abdul Ghani Malek Bin Serajaldein and Mr. Moosa Ghani have drawn up this document. The same source that provided the document has informed us that Sheikh Abdul Ghani was once a Pakistani national and is a close friend of the Sharif family. SHAHBAZ' 'SECRET' WIFE

Source intelligence has indicated that Shahbaz Sharif was secretly married in London two years ago. According to this confidential source, Shahbaz's wife had a baby in the Northwick Hospital in Harrow in October last year. Further enquiries indicate that the lady's name is Samina Butt. Reports that she lives in a large house in Brent are currently being investigated. Electoral roll data indicates five possible addresses. Research continues.

CANADA

Further research undertaken in various Canadian public records indicates that Arif Allahrakha is linked to an Ontario company named IMI Finance Inc.

Disclosure regulations in Ontario do not require the disclosure of shareholders. However, according to records, IMI's registered address is 28 Wilfred Court, Richmond Hill, Toronto; Mr Allahrakha's home address. This is the only property in the Province registered to Mr Allahrakha.

Searches in Provincial personal property records indicate that this property was purchased for CDN$400,000. The same records do not indicate any recorded liens against vehicles or property in the name of Allahrakha in Ontario, indicating that Mr Allahrakha owns all of his personal assets outright. Public records also indicate that Mr Allahrakha has negotiated a CDN$200,000 credit line against this property. It is not clear whether or not this facility has been used.

According to Federal vehicles records, Mr Allahrakha owns a 1987 Toyota Celica and a 1996 Ford Winstar van.

INCIDENTAL SOURCE INTELLIGENCE

Further information generated in the course of this investigation is included below. In the interests of maintaining focus, these leads are not currently being pursued, but are included for reference.

Alleged Sharif attitude to the Case

A well-placed source has indicated that the Sharifs are sensitive to increased press attention and are keen to reach a negotiated settlement regarding the Hubadiya debts. This source indicated that they are faced with the problem of generating sufficient capital to reach a settlement, without revealing the origins of their funds and open the floodgates for other creditors. According to this source, Nawaz Sharif attempted to borrow the funds during a recent visit to the United Arab Emirates.

This same source has also indicated that recently the Sharifs have become the subject of an initiative by Pakistani Intelligence. The source explained that the Army has begun to see the Sharif family's deteriorating reputation as an increasing liability.

Bukhari

Source intelligence indicates that a London based accountant named Sahid Bukhari acts on behalf of Shahbaz Sharif in the control of the latter's London assets. Several sources in the Pakistani community state that whenever Shahbaz Sharif is in London, Mr. Bukhari makes his Rolls Royce (reputedly decorated in an extravagant manner) available to him.

نیویارک۔ آفتاب گروپ کے طارق شفیع نے رحمان ملک کے الزامات کو جواب میں کہا ہے کہ
میں نے قواعد و ضوابط سے ہٹ کر کوئی کام نہیں کیا۔ رحمن ملک نے لفرسٹیورلی
قرضہ دینے کے بارے میں جو الزام لگایا ہے وہ غلط ہے۔ لفرسٹیورلی کوئی

# JUDGMENT SHEET

## IN THE LAHORE HIGH COURT LAHORE/ RAWALPINDI BENCH RAWALPINDI/ MULTAN BENCH MULTAN

## JUDICIAL DEPARTMENT

Writ Petition No. 12172 of of 1997

Mukhtar Hussain etc. V/s. Federation of Pakistan etc.

## JUDGMENT

TE OF HEARING 27-5-1997

TITIONERS BY M/s. Ashtar Ausaf Ali, A.K.Dogar, Raza Farooq Advocates

SPONDENT BY Kh. Saeed-uz-Zafar, Deputy Attorney General.
Syed Shabbar Raza Rizvi, Addl. Advocate General.

Saeed-ur-Rehman Farrukh,J. By this judgment we propose to dispose of the following two matters as common questions of law and facts are involved therein :-

i) W.P.12172/97 "Mrs.Mukhtar Hussain etc. vs. Federation of Pakistan etc."

ii) W.P.12173/97 "Mian Hamza Shahbaz etc. vs. Federation of Pakistan etc."

2. The facts, relevant for the determination of these cases are, on 10.11.1994, FIR No.12/94 was registered at police station F.I.A./S.I.U., Islamabad under Sections 419,420/468/471 and 109 PPC read with Section 5(2) of Prevention of Corruption Act,1947 and Article 3 of the Holders of Representative Office (Punishment for misconduct) Order, 1977, against Mukhtar Hussain and 4 others, directors in Hudabiya Engineering (Pvt.) Ltd. Challan after investigation has since been filed before Special Court constituted under Section 3 of the OFFENCES IN RESPECT OF BANKS (SPECIAL COURTS) ORDINANCE, 1984, hereinafter called the Special Court. In the final report under Section 173 Cr.P.C. the offences with which the accused are charged

are Sections 419/420/468/471 read with Section 109 PPC. Remaining Offences i.e. Section 5 of Act II of 1947 and Article 3 of presidential Order No.16 of 1977 have been dropped.

The allegations in the FIR are that on 26.8.1993, Two fake accounts were opened each in the name of Suleman Zia and Muhammad Ramzan in the Habib Bank A.G.Zurich, Lahore with small amounts and subsequently both were "issued" Dollar Bearer Certificates worth U.S. Dollars 7,50,000/- by the Union Bank Ltd. against cash receipts of Travellers Cheques encashed through American Express, New York. Allegedly the amount from these accounts was transferred to an account in the name of Kashif Masood Zia at the Bank of America, Lahore. Later on another account was opened in the name of Mrs. Nuzhat Gohar Qazi in the Bank of America, Lahore and an amount of about .05 million U.S. Dollars was also transferred from her account to the account of the above named persons. All these accounts were allegedly found to be fictitious.

Against the petitioners, the allegation is that they, in Collaboration with the officials of Habib Bank A.G.Zurich Lahore and Bank of America, Lahore, under the influence of Mian Nawaz Sharif, present prime Minister of Pakistan, managed to draw, by opening three fake accounts, an amount of Rs.60 million, by raising loan against the account of Kashif Masood Qazi. It was

alleged that it was the petitioners' black money which was fraudulently utilized by them, to procure "further wrongful gains".

5. In writ petition No.12173/97, the allegations levelled in the FIR registered at Police Station FIA/S.I.U. Islamabad under Sections 419/420/468/471 PPC, Section 5 of Act 2 of 1947 and Article 3 of Presidential Order No. 16 of 1977 are that two fake accounts were opened in the names of Muhammad Ramzam and Asghar Ali in Habib Bank A.G.Zurich by depositing traveller cheques amounting to U.S.Dollars 2 millions each in these accounts, and on the request of the account holders they were issued Dollar Bearer Certificates for the above two amounts. Subsequently another "fake" account was opened in City Bank, Lahore in the name of one Mrs.Sikandara Masood Qazi by depositing Dollar Bearer Certificates amounting to U.S. Dollars 150 millions. Later on D.B.C., for another amount of U.S. Dollars 1 million were also deposited in her account.

Further allegation is that Citi Bank, Karachi created a loan of Rs.40 millions in favour of M/s Hudabiya Paper Mills against the deposit of account of Sikandara Masood Qazi against "Weak/inadequate security", which loan is still outstanding. Allegedly, during inquiry none of the above named account holders could be traced out at the given addresses. Against the petitioners

(266) (5) 405

the allegation was that they, with the blessing of Mian Nawaz Sharif, have not only indulged in money laundering, but also cheated the Government.

During the course of investigation, charges under Section 5 of Prevention of Corruption Act II of 1947 and Article 3 of presidential Order No.16 of 1977 were dropped and challan was submitted before the "special Court"for the remaining offences, as mentioned in the FIR.

3. To complete the narration of the history of the litigation, two writ petitioners were filed by the petitioners in both these matters before the Rawalpindi Bench of this Court seeking quashment of the two FIRs; (i) W.P.No.1361/94-FIR No.12 and (ii) W.P.No.1362/94-FIR No.13.

Two bail applications were also filed; (i)Cri.M.846-B/94-converted into writ petition No.1376/94 and (ii)Cr.M.847-B/94-converted into writ petition No.1377/94. All these writ petitions were dismissed by a Division Bench of this Court on 28.12.1994 vide judgment reported as "Mian Muhammad Abbas Sharif and 2 others vs. Federation of Pakistan through Secretary, Ministry of Interior and 2 others"(1995 P.Cr.L.J. 1224).

Another writ petition(W.P.No.14532/94) was filed at the principal seat seeking a direction to the investigating agency to refrain from taking any

JOINT INVESTIGATION TEAM PRIMARA CASE

proceedings under the aforementioned two FIRs. This writ petition was dismissed by a learned Single Judge of this Court vide judgment dated 19.12.1994. presently, I.C.A. No. 16 of 1995 against this judgment is pending adjudication. It was earlier listed for hearing before a Full Bench of this Court, comprising the Honourable Chief Justice, Justice Asif Jan and Justice Saeed-ur-Rehman Farrukh.

Later on, the honourable Chief Justice directed the enlargement of the said Bench and now, as per orders, a Bench of five Judges, is to be constituted by including Justice Malik Muhammad Qayyum and Justice Raja Muhammad Khurshid, therein. Date of hearing has not been fixed so far.

4. In both these constitutional petitions the prayer made by the petitioners is for saving them from the agony of the trials, "which in any event would be an exercise in futility".

5. We questioned the learned counsel for the petitioners as to why the petitioners have approached this Court direct and not appeared before the learned "special Court" with a petition under Section 265-K of Code of Criminal Procedure for grant of relief about their acquittal. His reply was that the "special Court" is presently non-functional, as a sitting Judge of this

Court(Mr.Justice Khalid Paul Khawja) has been notified and appointed as presiding Officer of the said Court but only bail applications are being dealt with and that too, only on one day in a week and trial of cases is not taking place at all. According to him this situation would continue to prevail till the honourable Judge retires from High Court and assumes the office of the presiding Officer of "special Court" on whole time basis. Thus, it is urged that presently the petitioners are left with no other alternate remedy except to invoke the writ jurisdiction of this Court.

We find force in this contention in that the factual position as asserted is correct. At the present moment the petitioners are indeed handicapped due to the above situation and cannot thus, seek any relief from the "special Court". Consequently, we are inclined to dispose of these writ petitions on merits.

6. We have heard Mr.Ashtar Ausaf Ali,Advocate, learned counsel for the petitioners in both the cases, Kh.Saeed uz Zafar, learned Deputy Attorney General for Pakistan. We have also gone through the record of both the challan cases and also the police files.

7. It is submitted by Mr.Ashtar Ausaf Ali,Advocate, that the present petitions merit acceptance both on jurisdictional as well as factual planes. He has also

CRIME INVESTIGATION TEAM
PANAMA CASE
(Liaqat Ali)
Assistant Director (Investigation)
Federal Investigation Agency
Special Investigation Unit

made submissions on the maintainability of these petitions in view of the decisions of the earlier writ petitions on the subject, referred to hereinbefore.

As regards the earlier writ petitions filed by the petitioners, it is pointed out that these were instituted at a point of time when the matters were under investigation and the relief sought for in those writ petitions was mainly for quashment of the FIRs. Now the investigations have been crystalized into final challan reports under Section 173 Cr.P.C. and the prosecution has placed all its cards before the "special Court". A drastic change in the situation has been brought about justifying the filing of the present writ petitions seeking wherein a prayer for acquittal is made. These cannot be thrown out on the ground of dismissal of the earlier writ petitions.

As regards the I.C.A., presently pending, his submission is that it would be pressed only to the extent of the decision of the learned Single Judge with regard to the interpretation placed by him on the relevant law, regarding immunity available to the foreign exchange accounts under Economic Reforms Act XIII of 1992.

8. On the question of jurisdiction the plea raised by learned counsel for the petitioners is that the FIA had no authority to register these cases. It is argued

FIA INVESTIGATION TEAM
Special Investigation

that these are admittedly,foreign currency accounts, opened in private banks in the names of private persons against which private limited companies have availed of loan facilities. The transactions in question had nothing to do with the Federal Government at any stage whatsoever and thus FIA could not poke therein and no criminal cases could be registered by it. According to him the entire exercise starting with the registration of the cases and ending with the submission of challan is coram-non-judice which merits to be quashed by issuing an appropriate order/direction under Article 199 of the Constitution read with Section 561-A,Cr.P.C.

9. It is argued that even on merits,no offence whatsoever, from the perusal of the challan reports,is made out necessitating the trials of the petitioners as same would be an exercise in futility. It is argued that no wrongful loss has been caused to any person nor any wrongful gain has accrued to any one of the petitioners on account of alleged opening of "fake accounts". The banks and/or the account holders have not come forward to lodge a complaint. The reason is obvious as they have not been cheated in any manner, and therefore, no offence under Section 420 PPC is made out. Likewise offences under Section 468 and 471 are also not made out as the element of causing damage or injury to the public or any person is missing.

10. We find force in the contention of the learned counsel for the petitioners that despite the dismissal of the earlier writ petitions the present writ petitions are competent. Those writ petitions were filed at the initial stage of investigation of the cases and were dismissed on the ground that the prosecution was yet to collect incriminating material, if any, against the accused. Now after thorough investigation the investigating agency has formulated the final challan reports and submitted the same before the "special Court" the petitioners are entitled to seek quashment of the cases against them and ordered to be acquitted on proving to the satisfaction of this Court that the challan reports have been filed before the "special Court", unauthorisedly, and/or no offences on the face of these reports under Section 173 Cr.P.C. can be said to have been made out.

11. Federal Investigating Agency was established under Section 3 of the Federal Investigation Agency Act of 1974. The agency can investigate into the offences as given in the schedule attached to the Act, only in those cases where the offences are alleged to have been committed by a public servant as defined in Section 21 of PPC or those offences are allegedly committed in connection with matters pertaining to the Federal Government, or the same are committed by the

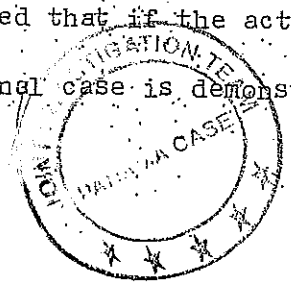
employees of the Corporation set up, controlled and administered by the Federal Government. This position of law is well established through number of reported judgments. We may quote few out of them as under:



i) Abdul Razzaq and 2 others vs. Pakistan Agricultural and Storage and Services Corporation Ltd. (1992 P.Cr.L.J. 1884).

ii) Akhtar Ali and 2 others vs. Assistant Director (1990 A.L.D.28(1)

iii) Javed Iqbal and 2 others vs. Federal Investigation Authority and 3 others(PLD 1986 Lah.424).

12. In the instant cases, undisputedly, neither any employee of Federal Government nor of any Corporation created, controlled or administered by the Federal Government is involved. The alleged offences cannot be said to have been committed in connection with the matters concerning the Federal Government. The allegations against private persons of allegedly opening foreign exchange accounts in foreign banks, against which certain amounts were taken as loan by directors of private limited companies cannot, by an stretch of reasoning, attract the jurisdiction and authority of FIA, so as to enable it to register cases in respect thereof. The investigations by the agency and submission of challan in Court are clearly without jurisdiction.

It is well settled that if the action regarding registration of a criminal case is demonstrated/proved

Assistant Director
Federal Investigation Agency
Special Investigation Unit
Islamabad

to be without jurisdiction the same can be legitimately quashed. See case of "Haji Muhammad Yousuf vs. M. Abbas Khan and others" (PLD 1968 Lahore 482).

13. We have carefully perused the judgments delivered in the earlier writ petitions referred to hereinbefore, and find that the question of jurisdiction of FIA to register these cases was neither agitated nor adjudicated upon.

On this short ground alone the petitioners are held entitled to the relief prayed for.

14. That is not all. We also find force in the contention of the learned counsel for the petitioners that on the face of the allegations in the final reports under Section 173 Cr.P.C., no offence is made out. No wrongful loss has been caused to any one and none has been wrongfully benefited. Element of cheating is totally missing. The question of commission of forgery also did not arise as neither the banks nor the account holders who could be said to have suffered damage or injury, as a result thereof, have come forward to make a complaint.

As regards impersonation and opening of "fake accounts" we pertinently asked the learned Dy. Attorney General to show us evidence/material, if any, available in the challan files in support thereof. He failed to do so. On the contrary, he informed us that as a result of

Assistant Director (Legal)
Federal Investigation Agency
Special Investigation Unit
Islamabad
PANAMA CASE

investigation, carried out by the FIA, it has transpired, that all those persons, in whose names the accounts in question were opened, are alive and in existence; while Suleman Zia is a resident of Essex, London, the others are pakistani Nationals, living in the country.

About Suleman Zia, he showed us page 115 of the police file, (letter from Consular Section, British High Commission, Islamabad, addressed to Raja Mansoor Elahi, Deputy Director FIA), testifying the fact that Suleman Zia was holder of British passport No. 312783-S. Thus allegation of opening of fake accounts in the names of non-existent persons is also to be treated to be groundless.

15. We are fully convinced that baseless cases were foisted upon the petitioners by an agency (FIA) which otherwise too, had no legal authority to do so. These cases were registered 3 years ago, during which period considerable harassment, tension and ignominy was unduly suffered by the petitioners. Further prolongation of their agony would be clear denial of justice to them, besides waste of public time and money in the useless trials.

16. The powers of High Court to quash the criminal case in exercise of Article 199 of Constitution where its very initiation is without jurisdiction stands established in Haji Muhammad Yusuf's case (supra). Likewise, High Court has ample authority to intervene under Section 561-A, Cr.P.C. as has been

Supreme Court in Asif Ali Zardari's case(1994 SCMR 798). Following passage from the judgment is being reproduced, with profound respect :

> "9. Section 561-A,Cr.P.C. confers upon High Court inherent powers to make such orders as may be necessary to give effect to any order under this Code or to prevent abuse of process of any Court or otherwise to secure the ends of justice. These powers are very wide and can be exercised by the High Court at any time. Ordinarily High Court does not quash proceedings under Section 561-A,Cr.P.C. unless trial Court exercises its power under Section 249-A or 265-K,Cr.P.C. which are incidentally of the same nature and in a way akin to and co-related with quashment of proceedings as envisaged under section 561-A,Cr.P.C. In exceptional cases High Court can exercise its jurisdiction under Section 561-A,Cr.P.C. without waiting for trial Court to pass orders under Section 249-A or 265-K, Cr.P.C. if the facts of the case so warrant to prevent abuse of the process of any Court or otherwise to secure the ends of justice". (underlining is ours)

16. Drawing strength from the above two precedents, we accept both the petitions and im exercise of our powers under Article 199 of the Constitution read with Section 561-A,Cr.P.C. quash the challan cases, under reference, against the petitioners and acquit them.

Through two short orders, dated 27.5.1997 the petitions were accepted. The above are the reasons therefor.

| **Conclusions** | The scrutiny of record pertaining to above mentioned FIRs show that Honorable Lahore High Court only discussed the jurisdiction of FIA regarding conducting investigations into the matters of foreign currency accounts of private individuals.<br>However, question regarding existence of the individuals in who`s name fake accounts were opened was not addressed.<br>It has been further noted that these cases have also been quashed without conducting a proper trial and without giving evidence a chance to come on record. |

The FIA I&AS Wing has completed an enquiry into the dubious loan of Rs.40 Million created in favour of M/S. Hudaibiya Paper Mills by the Citi Bank Karachi against Foreign Currency Account No.5816279102 (Benami) allegedly held by Mrs. Sikandara Masood Qazi in Citi Bank, Lahore. This account was ~~being~~ opened by an initial deposit of US $ 0.15 Million which was further fed through 2 other benami accounts allegedly opened in the names of Muhammad Ramzan and Asghar Ali in Habib Bank A.G Zurich, Lahore. All the 3 account holders could not be traced during the enquiry and it transpired that as a result of these fake accounts and subsequent transactions M/S. Hudaibiya Paper Mills was the main beneficiary which is owned by the family of Mian Muhammad Nawaz Sharif, the former Prime Minister of Pakistan.

2. The enquiry has further revealed that another Froeign Currency A/C No.5816279102 (Annex-D) was opened in the name of one Sikandara Masood Qazi (Be-nami) in the Citi Bank, Lahore. The account was opened with an initial deposit of US$ 0.15 Million on the basis of photo-copy of a British Passport (Annex-E) allegedly belonging to her. This account was introduced by an employee of the Bank of America, namely Mr. Taiq Mazhar. Subsequently, D.B.Cs amounting to US$ 1.00 Million issued by Habib Bank A.G. Zurich, Lahore to M/S Muhammad Ramzan and Asghar Ali and by Citi Bank, Indus Bank and Standard Chartered Bank Lahroe to different persons, were deposited in the A/C of Mrs. Sikandara Masood Qazi on 26.5.1993 (Annex-F). During enquiry, said Muhammad Ramzan, Asghar Ali and Sikandara Masood Qazi are not traceable on the given addresses which were available with Habib Bank Limited A.G. Zurich and the Citi Bank, Lahroe. However, on the given address of Mrs.Sikandara Masood Qazi. one Mr. Ishaq Dar, MNA (PML(N) was found to be residing. Links between Mr. Ishaq and Sikandara Masood Qazi is being investigated.

3. The Citi Bank, Karachi, later on, created a loan of Rs.40 Million in favour of Hudabiya Paper Mills Limited (List of Directors as Annex-G) against the account of said Sikandara Masood Qazi (Annex-H). The loan in the Citi Bank against Hudabiya Paper Mills Limited is still outstanding.

4. During the course of enquiry, it transpired that

Mian Nawaz Sharif and his family had got encashed millions of dollars (US$ 35/40 lacs approximately) through Mukhtar Hussain Director of M/S Hudabiya Engineer (Pvt) Ltd., from three Money Changers of Lahore. Mr. Mukhtar used to draw them from the safe of Ittefaq Brothers office. The affidavits of these three Money Changers confirming the facts are enclosed (Annexure J,K&M). According to the statement of Mr.Anwarul Haq alias Zafar Khan of Top Money Changers, these dollars were brand-new with original packing and the encashment proceed of these dollars ways deposited in the accounts of Ittefaq Brothers under the instructions of said Mukhtar Hussain.

5. From the facts narrated above, it transpires that three fake Foreign Currency Accounts were got opened in the Habib Bank, A.G. Zurich Lahroe and Citi Bank, Lahore, for subsequent creation of loans in favour of M/S Hudabiya Paper Mills Limited. The Directors of M/S Hudabiya Paper Mills Limited in collaboration with the bank officials of both the banks and under the influence of the former Prime Minister had got opened fake accounts. The opening of fake accounts, transfer of substantial amount from fake accounts to another fake account through complex transactions by Mian Muhammad Nawaz Sharif and his family indicates that they had been indulging themselves in money laundering, whitening of their ill-gotten money/tax evasion etc. By the complex mode of transaction, the Directors of M/S Hudabiya Paper Mills Limited have also misdeclared the facts before the Income-tax Department and have cheated the Government.

The enquiry conducted into the affairs of Hudabiya Paper Mills has revealed that fake accounts No.202120-106578 & No.202120-106585 dated 26.8.1992 were opened in Habib Bank A.G. Zurich, in the name of Muhammad Ikmam and Asghar Ali by depositing traveller cheques amounting to US $ 0.2 million each in these accounts. Later on at the request of these so-called account holders Dollar Bearer Certificates US $ 0.2 million each were issued by the bank. Subsequently another fake foreign currency account No.5816279102 was got opened in City Bank Lahore in the name of one Mrs. Sikandara Masood Qazi by depositing DBCs amounting to US $ 0.150 million in the said account. Later on DBCs amounting to US $ 1.00 million were also deposited in the A/C of Mrs. Sikandara Masood Qazi. The Citi Bank Karachi created a loan of Rs.40 Million in favour of M/s Hudabiya Paper Mills against inadequate/weak security including hypothecation. The loan in the Citi Bank Karachi is still outstanding. During enquiry neither M/s Muhammad Ramzan and Asghar Ali nor Mrs. Sikandara Masood Qazi were traceable at the given addresses. By this way of complex transaction, the Directors with blessing of the former Chief Executive of the country (Mian Muhammad Nawaz Sharif) not only involved themselves in money laundering but also cheated the Government. The above said acts of the aforesaid accused persons prima-facie constitute of offences punishable U/s 419, 420, 468, 471, 109 PPC 5(2)47 PCA and Articles-3 of Holder of Representative Offices (Punishment for Misconduct) Order 1977. The case was accordingly registered against the Directors of M/s Hudabiya Paper Mills Limited namely Mian Muhammad Sharif, Mian Shahbaz Sharif, Mian Abbas Sharif, Mian Husnain Nawaz, Mian Hamza Shahbaz and two ladies etc. concerned bank employees and others.

During the course of investigation, it revealed that M/s Hudabiya Paper Mills and its Directors namely Mian Muhammad Sharif, Mian Shahbaz Sharif, Mian Abbas Sharif, Mian Husnain Nawaz and Mian Hamza Shahbaz in collaboration with absconding accused Javed Kiani as shown in Col.No.2 of the Challan dishonestly and fraudulently got opened two fake foreign currency account No.202120-106578 in the name of Muhammad Ikmam and No.202120-106585 in the name Asghar Ali with Habib Bank A.G. Zurich, Lahore by depositing US $ 300 and 200 respectively. The investigation revealed that these A/C holders were not traceable and even have never resided at the given addresses. Subsequently, traveller cheques amounting to US $ 0.2 million each were deposited in these accounts, on the basis of which Dollar Bearer Certificates of US $ 0.2 million each were issued by the Bank. Further investigation revealed that M/s Hudabiya Paper Mills Limited and its Directors named above in collaboration with each other dishonestly and fraudulently got opened another fake Foreign Currency Account No.5816279102 in the Citi Bank Lahore in the name of one Mrs. Sikandara Masood Qazi and deposited DBCs amounting to US $ 0.150 million in this account. It further transpired that account holder Mrs. Sikandara Masood Qazi was not present in Pakistan on the relevant date and time when the account was opened in her name under her forged signatures. M/s Hudabiya Paper Mills and its Directors then induced Citi Bank Karachi through Citi Bank Lahore to sanction a loan facility to the tune of Rs.40 million against the Cash Deposit lying in the fake account of Mrs. Sikandara Masood Qazi. This loan is still outstanding.

Further the investigation, it is thus clear that M/s Hudabiya Paper Mills and its Directors in collaboration with accused Javed Kiani (absconding) dishonestly and fraudulently induced Habib Bank A.G. Zurich Lahore and Citi Bank Lahore to open fake accounts in the name of different persons under their forged signatures for cheating the national exchequer and cheating/inducing the Citi Bank Lahore/Karachi to grant financial facility and the same act of the accused persons prima facie constitute offences punishable U/s 420/468/471/109 PPC. Since the investigation has been completed, hence this challan is against accused persons mentioned in the challan to stand trial before this Honourable Court.

TITIONERS
TITIONANT BY M/s. Ashtar Ausaf Ali, A.K.Dogar, Raza Farooq Advocates

SPONDENT BY Kh. Saeed-uz-Zafar, Deputy Attorney General
Syed Shabbar Raza Rizvi, Addl. Advocate General.

Saeed-ur-Rehman Farrukh, J. By this judgment we propose to dispose of the following two matters as common questions of law and facts are involved therein:-

i) W.P.12172/97 "Mrs.Mukhtar Hussain etc. vs. Federation of Pakistan etc."

ii) W.P.12173/97 "Mian Hamza Shahbaz etc. vs. Federation of Pakistan etc."

2. The facts, relevant for the determination of these cases are, on 10.11.1994, FIR No.12/94 was registered at police station F.I.A./S.I.U., Islamabad under Sections 419,420/468/471 and 109 PPC read with Section 5(2) of Prevention of Corruption Act, 1947 and Article 3 of the Holders of Representative Office (Punishment for misconduct) Order, 1977, against Mukhtar Hussain and 4 others, directors in Hudabiya Engineering (Pvt) Ltd. Challan after investigation has since been tried before Special Court constituted under Section 5 of (CONFERENCE AND RESPECTION OF BANKS (SPECIAL COURTS) ORDINANCE, 1994, hereinafter called the (Special Court) [illegible] the Panel report under Section 173 Cr.P.C. [illegible] the offences which the accused are charged

are Sections 419/420/468/471 read with Section 109 PPC. Remaining Offences i.e. Section 5 of Act II of 1947 and Article 3 of presidential Order No.16 of 1977 have been dropped.

The allegations in the FIR are that on 26.8.1993, Two fake accounts were opened each in the name of Suleman Zia and Muhammad Ramzan in the Habib Bank A.G.Zurich, Lahore with small amounts and subsequently both were "issued" Dollar Bearer Certificates worth U.S. Dollars 7,50,000/- by the Union Bank Ltd. against cash receipts of Travellers Cheques encashed through American Express, New York. Allegedly the amount from these accounts was transferred to an account in the name of Kashif Masood Zia at the Bank of America, Lahore. Later on another account was opened in the name of Mrs. Nuzhat Gohar Qazi in the Bank of America, Lahore and an amount of about .05 million U.S. Dollars was also transferred from her account to the account of the above named persons. All these accounts were allegedly found to be fictitious.

Against the petitioners, the allegation is that they, in Collaboration with the officials of Habib Bank A.G.Zurich Lahore and Bank of America, Lahore, under the influence of Mian Nawaz Sharif, present Prime Minister of Pakistan, managed to draw, by opening three fake accounts, an amount of Rs.60 million, by raising loan against the account of Kashif Masood Qazi. It was

alleged that it was the petitioners' black money which was fraudulently utilized by them, to procure "further wrongful gains".

6. In writ petition No.12173/97, the allegations levelled in the FIR registered at Police Station FIA/S.I.U. Islamabad under Sections 419/420/468/471 PPC, Section 5 of Act 2 of 1947 and Article 3 of Presidential Order No. 16 of 1977 are that two fake accounts were opened in the names of Muhammad Ramzan and Asghar Ali in Habib Bank A.G.Zurich by depositing traveller cheques amounting to U.S.Dollars 2 millions each in these accounts, and on the request of the account holders they were issued Dollar Bearer Certificates for the above two amounts. Subsequently another "fake" account was opened in City Bank, Lahore in the name of one Mrs.Sikandara Masood Qazi by depositing Dollar Bearer Certificates amounting to U.S. Dollars 150 millions. Later on D.B.C., for another amount of U.S. Dollars 1 million were also deposited in her account.

Further allegation is that Citi Bank, Karachi created a loan of Rs.40 millions in favour of M/s Hudabiya Paper Mills against the deposit of account of Sikandara Masood Qazi against "weak/inadequate security", which loan is still outstanding. Allegedly, during inquiry none of the above named account holders could be traced out at the given addresses. Against the petitioners,

JOINT INVESTIGATION TEAM PANAMA Case

(266) 431

the allegation was that they, with the blessing of Mian Nawaz Sharif, have not only indulged in money laundering, but also cheated the Government.

During the course of investigation, charges under Section 5 of Prevention of Corruption Act II of 1947 and Article 3 of presidential Order No.16 of 1977 were dropped and challan was submitted before the "special Court"for the remaining offences, as mentioned in the FIR.

3. To complete the narration of the history of the litigation, two writ petitioners were filed by the petitioners in both these matters before the Rawalpindi Bench of this Court seeking quashment of the two FIRs; (i) W.P.No.1361/94-FIR No.12 and (ii) W.P.No.1362/94-FIR No.13.

Two bail applications were also filed; (i)Crl.M.846-B/94-converted into writ petition No.1376/94 and (ii)Cr.M.847-B/94-converted into writ petition No.1377/94. All these writ petitions were dismissed by a Division Bench of this Court on 28.12.1994 vide judgment reported as "Mian Muhammad Abbas Sharif and 2 others vs. Federation of Pakistan through Secretary, Ministry of Interior and 2 others"(1995 P.Cr.L.J. 1224).

Another writ petition(W.P.No.14532/94) was filed at the principal seat seeking a direction to the investigating agency to refrain from taking any

proceedings under the aforementioned two FIRs. This writ petition was dismissed by a learned Single Judge of this Court vide judgment dated 19.12.1994. presently, I.C.A. No.16 of 1995 against this judgment is pending adjudication. It was earlier listed for hearing before a Full Bench of this Court, comprising the Honourable Chief Justice, Justice Asif Jan and Justice Saeed-ur-Rehman Farrukh.

Later on, the honourable Chief Justice directed the enlargement of the said Bench and now, as per orders, a Bench of five Judges, is to be constituted by including Justice Malik Muhammad Qayyum and Justice Raja Muhammad Khurshid, therein. Date of hearing has not been fixed so far.

4. In both these constitutional petitions the prayer made by the petitioners is for saving them from the agony of the trials, "which in any event would be an exercise in futility".

5. We questioned the learned counsel for the petitioners as to why the petitioners have approached this Court direct and not appeared before the learned "special Court" with a petition under Section 265-K of Code of Criminal Procedure for grant of relief about their acquittal. His reply was that the "special Court" is presently non-functional, as a sitting Judge of this

Assistant Director (Investigation)
Federal Investigation Agency
Special Unit

(268) 433

Court(Mr.Justice Khalid Paul Khawja) has been notified and appointed as presiding officer of the said Court but only bail applications are being dealt with and that too, only on one dey in a week and trial of cases is not taking place at all. According to him this situation would continue to prevail till the honourable Judge retires from High Court and assumes the office of the Presiding Officer of "special Court" on whole time basis. Thus, it is urged that presently the petitioners are left with no other alternate remedy except to invoke the writ jurisdiction of this Court.

We find force in this contention in that the factual position as asserted is correct. At the present moment the petitioners are indeed handicapped due to the above situation and cannot thus, seek any relief from the "special Court". Consequently, we are inclined to dispose of these writ petitions on merits.

6. We have heard Mr.Ashtar Ausaf Ali,Advocate, learned counsel for the petitioners in both the cases, Kh.Saeed uz Zafar, learned Deputy Attorney General for Pakistan. We have also gone through the record of both the challan cases and also the police files.

7. It is submitted by Mr.Ashtar Ausaf Ali,Advocate, that the present petitions merit acceptance both on jurisdictional as well as factual planes. He has also

JOINT INVESTIGATION TEAM
PAKISTAN CASE
(Liaqat Ali)
Assistant Director
Federal Investigation Agency
Special Investigation Unit

made submissions on the maintainability of these petitions in view of the decisions of the earlier writ petitions on the subject, referred to hereinbefore.

As regards the earlier writ petitions filed by the petitioners, it is pointed out that these were instituted at a point of time when the matters were under investigation and the relief sought for in those writ petitions was mainly for quashment of the FIRs. Now the investigations have been crystalized into final challan reports under Section 173 Cr.P.C. and the prosecution has placed all its cards before the "special Court". A drastic change in the situation has been brought about justifying the filing of the present writ petitions seeking wherein a prayer for acquittal is made. These cannot be thrown out on the ground of dismissal of the earlier writ petitions.

As regards the I.C.A., presently pending, his submission is that it would be pressed only to the extent of the decision of the learned Single Judge with regard to the interpretation placed by him on the relevant law, regarding immunity available to the foreign exchange accounts under Economic Reforms Act XIII of 1992.

8. On the question of jurisdiction the plea raised by learned counsel for the petitioners is that the FIA had no authority to register these cases. It is argued

that these are admittedly, foreign currency accounts, opened in private banks in the names of private persons against which private limited companies have availed of loan facilities. The transactions in question had nothing to do with the Federal Government at any stage whatsoever and thus FIA could not poke therein and no criminal cases could be registered by it. According to him the entire exercise starting with the registration of the cases and ending with the submission of challan is coram-non-judice which merits to be quashed by issuing an appropriate order/direction under Article 199 of the Constitution read with Section 561-A, Cr.P.C.

9. It is argued that even on merits, no offence whatsoever, from the perusal of the challan reports, is made out necessitating the trials of the petitioners as same would be an exercise in futility. It is argued that no wrongful loss has been caused to any person nor any wrongful gain has accrued to any one of the petitioners on account of alleged opening of "fake accounts". The banks and/or the account holders have not come forward to lodge a complaint. The reason is obvious as they have not been cheated in any manner, and therefore, no offence under Section 420 PPC is made out. Likewise offences under Section 468 and 471 are also not made out as the element of causing damage or injury to the public or any person is missing.

10. We find force in the contention of the learned counsel for the petitioners that despite the dismissal of the earlier writ petitions the present writ petitions are competent. Those writ petitions were filed at the initial stage of investigation of the cases and were dismissed on the ground that the prosecution was yet to collect incriminating material, if any, against the accused. Now after thorough investigation the investigating agency has formulated the final challan reports and submitted the same before the "special Court" the petitioners are entitled to seek quashment of the cases against them and ordered to be acquitted on proving to the satisfaction of this Court that the challan reports have been filed before the "special Court", unauthorisedly, and/or no offences on the face of these reports under Section 173 Cr.P.C. can be said to have been made out.

11. Federal Investigating Agency was established under Section 3 of the Federal Investigation Agency Act of 1974. The agency can investigate into the offences as given in the schedule attached to the Act, only in those cases where the offences are alleged to have been committed by a public servant as defined in Section 21 of PPC or those offences are allegedly committed in connection with matters pertaining to the Federal Government, or the same are committed by the

employees of the Corporation set up, controlled and administered by the Federal Government. This position of law is well established through number of reported judgments. We may quote few out of them as under:

i) Abdul Razzaq and 2 others vs. Pakistan Agricultural and Storage and Services Corporation Ltd. (1992 P.Cr.L.J. 1884);

ii) Akhtar Ali and 2 others vs. Assistant Director (1990 A.L.D.28(1)

iii) Jawed Iqbal and 2 others vs. Federal Investigation Authority and 3 others(PLD 1986 Lah.424).

12. In the instant cases, undisputedly, neither any employee of Federal Government nor of any Corporation created, controlled or administered by the Federal Government is involved. The alleged offences cannot be said to have been committed in connection with the matters concerning the Federal Government. The allegations against private persons of allegedly opening foreign exchange accounts in foreign banks, against which certain amounts were taken as loan by directors of private limited companies cannot, by an stretch of reasoning, attract the jurisdiction and authority of FIA, so as to enable it to register cases in respect thereof. The investigations by the agency and submission of challan in Court are clearly without jurisdiction.

It is well settled that if the action regarding registration of a criminal case is demonstrated/proved

Assistant Director
Federal Investigation Agency
Special Investigation Unit
Islamabad

to be without jurisdiction the same can be legitimately quashed. See case of "Haji Muhammad Yousuf vs. M. Abbas Khan and others" (PLD 1968 Lahore 482).

13. We have carefully perused the judgments delivered in the earlier writ petitions referred to hereinbefore, and find that the question of jurisdiction of FIA to register these cases was neither agitated nor adjudicated upon.

On this short ground alone the petitioners are held entitled to the relief prayed for.

14. That is not all. We also find force in the contention of the learned counsel for the petitioners that on the face of the allegations in the final reports under Section 173 Cr.P.C., no offence is made out. No wrongful loss has been caused to any one and none has been wrongfully benefited. Element of cheating is totally missing. The question of commission of forgery also did not arise as neither the banks nor the account holders who could be said to have suffered damage or injury, as a result thereof, have come forward to make a complaint.

As regards impersonation and opening of "fake accounts" we pertinently asked the learned Dy. Attorney General to show us evidence/material, if any, available in the challan files in support thereof. He failed to do so. On the contrary, he informed us that as a result of

investigation, carried out by the FIA, it has transpired, that all those persons, in whose names the accounts in question were opened, are alive and in existence; while Suleman Zia is a resident of Essex, London, the others are pakistani Nationals, liming in the country.

About Suleman Zia, he showed us page 115 of the police file, (letter from Consular Section, British High Commission, Islamabad, addressed to Raja Mansoor Elahi, Deputy Director FIA), testifying the fact that Suleman Zia was holder of British passport No.312783-S. Thus allegation of opening of fake accounts in the names of non-existent persons is also to be treated to be groundless.

15. We are fully convinced that baseless cases were foisted upon the petitioners by an agency (FIA) which otherwise too, had no legal authority to do so. These cases were registered 3 years ago, during which period considerable harassment, tension and ignominy was unduly suffered by the petitioners. Further prolongation of their agony would be clear denial of justice to them, besides waste of public time and money in the useless trials.

The powers of High Court to quash the criminal case in exercise of Article 199 of Constitution where its very initiation is without jurisdiction stands established in Haji Muhammad Yusuf's case(supra). Likewise, High Court has ample authority to intervene under Section 561-A,Cr.P.C. as has been

Supreme Court in Asif Ali Zardari's case(1994 SCMR 798). Following passage from the judgment is being reproduced, with profound respect :

> "9. Section 561-A,Cr.P.C. confers upon High Court inherent powers to make such orders as may be necessary to give effect to any order under this Code or to prevent abuse of process of any Court or otherwise to secure the ends of justice. These powers are very wide and can be exercised by the High Court at any time. Ordinarily High Court does not quash proceedings under Section 561-A,Cr.P.C. unless trial Court exercises its power under Section 249-A or 265-K,Cr.P.C., which are incidentally of the same nature and in a way akin to and co-related with quashment of proceedings as envisaged under section 561-A,Cr.P.C. In exceptional cases High Court can exercise its jurisdiction under Section 561-A,Cr.P.C. without waiting for trial Court to pass orders under Section 249-A or 265-K, Cr.P.C. if the facts of the case so warrant to prevent abuse of the process of any Court or otherwise to secure the ends of justice". (underlining is ours)

16. Drawing strength from the above two precedents, we accept both the petitions and im exercise of our powers under Article 199 of the Constitution read with Section 561-A,Cr.P.C. quash the challan cases, under reference, against the petitioners and acquit them.

Through two short orders, dated 27.5.1997 the petitions were accepted. The above are the reasons therefor.

d. Finally, requisition to provide us certified photocopies (as per procedure) of the annual audited accounts of the above companies or where the persons mentioned above hold directorship for the 3 years ending June 30, 2011".

This draft letter was forwarded to Ms. Maheen Fatima who got its approval from Mr. Ali Azeem on same day and the letter was forwarded to United Kingdom Central Authority (UKCA) on 01-08-2011. The letter was signed by Ms. Maheen Fatima. (Annexure-D). It is interesting to note that all above mentioned actions have been taken in one day i.e. 01-08-2012

Several Correspondences are available between SECP and the company on local correspondence file regarding provision of complete record requisitioned by the SECP but company was not cooperating with SECP and was not providing the complete record. Later, an order dated 09-10-2012 was initiated u/s 261 of Companies Ordinance to the company through Incharge CRO, Lahore for provision of Record. (Annexure-E) but still company did not provide the complete record requisitioned by SECP despite issuance of Order U/s 261 of Companies Ordinance. Therefore, a letter was addressed by CRO office Lahore to Registrar of Companies Islamabad for initiating appropriate action against the Company. (Annexure-F)

A note dated 01-10-2012 (para 16 of Annexure-A) was initiated by Ali Adnan whereby a draft order for authorization of investigation u/s 263 of Companies Ordinance was forwarded to Ms. Maheen who further submitted it to Mr. Ali Azeem for signature **(para 21 of Flag-A).** Order u/s 263 Companies ordinance 1984 was issued to conduct investigation against Chaudhry Sugar Mills on 04-10-2012 (Annexure-G). This investigation was authorized to Ms. Maheen Fatima, Syed Ali Adnan and Shahid Javed. Authorization of investigation was conveyed to Chaudhry Sugar Mills vide SECP letter dated 04-10-2012 (Annexure-H). Through this letter it was also conveyed to the company that the investigation team shall be visiting their registered office for inspection of relevant record on 09-10-2012. The company requested 2 weeks extension in time which was granted by SECP and the visit was re-scheduled for 22-10-2012.

Chaudhry Sugar mills vide their authority letter dated 19-10-2012 authorized RS Corporate dvisory to represent them before SECP. (Annexure-I). RS Advisory vide their letter dated 19-10-012 requested further 2 weeks extension in time for submission of documents at Islamabad. nnexure-J), the same was granted vide SECP letter dated 23-10-2012. (Annexure-K).

RS Advisory replied the queries raised by SECP through their letter dated 06-11-2012 nnexure-L). In reply to this a letter dated 30-11-2012 (Annexure -M) was written to RS Advisory sing therein further queries about the Financial Transaction and demanding reply to the queries hich have not been addressed by RS Advisory in their letter dated 06-11-2012. No reply of RS dvisory was received despite reminders till 08-01-2013. RS Advisory replied to these observations hrough their letter dated 04-01-2013 (Annexure -N).

On the basis of this reply a note was put up by Ms. Maheen Fatima stating therein that the eplies received from the company are satisfactory and the investigation is proposed to be closed. It worthy to note here that initially letters were written to conduct the investigation on site (i.e. by isiting the office of the company) however, surprisingly SECP settled just for written reply of RS dvisory on behalf of the Company which shows that proper scrutiny of the record has not been onducted by SECP.

An in depth study of the replies of RS Advisory shows that information requisitioned by ECP was not provided completely and Ms. Maheen Fatima covered up all the lacunas of the reply RS Advisory in her above said note. Record received from SECP shows that this note was pproved by Mr. Ali Azeem despite clear and obvious omissions and deficiencies, thus Investigation gainst Chaudhry Sugar Mills was closed by SECP on 14-01-2013. It is also on record that Mr. Ali zeem has been associated with this investigation from day one and was in complete knowledge of he observations and proceedings taking place therein. It has been further noted that no intimation egarding the closure of the investigation was sent to the company.

The study of the above stated observations and replies made thereto by the company reveal hat the investigation has been closed hastily, malafidly and without giving appropriate justifications. ollowing table draws comparison between the observations made by SECP, reply received from RS

b. In view of the above, it is proposed that no further information is required from the company or those called for from third parties (i.e. information called for from UK authorities with regard to outstanding receivables arising out of export sale proceeds). The matter/investigation u/s 236 is proposed to be closed, as no further action is warranted.

The note was forwarded to Mr. Ali Azeem on 14-01-2013 and the same was approved by

The comparison drawn in above table shows that the investigation was closed without proper lysis and scrutiny of the reply received from company. The comparison also shows that iciencies on the reply of RS Advisory have been deliberately concealed to facilitate the closure of case. It is astonishing to note that initially letters were initiated to conduct the investigation on and as soon as RS Advisory is introduced by Chaudhry Sugar Mills the onsite investigation is uced to mere collection of record and stance of the company has been accepted without asking further queries.

The record received from SECP shows that letter from RS Corporate Advisory was received SECP on 08-01-2013 and was marked to Mr. Shahid, Deputy Director, SECP by Ms. Maheen for amination, however no examination report of Mr. Shahid is available on record. Interestingly, en no investigation report of this case is available on record, preparation of which is mandatory uirement u/s 269 of Companies Ordinance, 1984. Further, closure letter of the case is also not ilable in the record file.

Closure of investigation by SECP without getting further clarification from concerned arters and without preparing any investigation report seems dubious and raises suspicion. Legal oceedings initiated vide an order are required to be concluded/ closed also and noty through nature of Mr Ali Azeem.

JOINT INVESTIGATION TEAM

SECRET

Letter regarding observation at para 4 above was written to UK authorities on 01-08-2011. In ly to this letter following observations were raised by UK authorities who were conveyed to CP through their letter dated 26-07-2012 (Annexure -O).

a. Please confirm the legal basis upon which the SECP is empowered to make requests for assistance in obtaining evidence in connection with criminal investigations or proceedings. Under UK law we can only accept requests from authorities that are empowered to make such requests.

b. Please confirm the nature of the investigation you are conducting. If it is a criminal investigation, please provide copies of legal definition of the offence and the penalties. If it is an administrative investigation, please provide copies of the laws or regulations alleged to have been breached and the penalties.

c. Please confirm whether a First information report has been lodged.

d. Please provide a full factual summary of the offences or acts under investigation.

e. In relation to the two specific transactions that you ask us to "probe", please provide full details of the dates of the transactions, the bank accounts concerned and the information you require.

f. Please explain why the information requested is relevant to the offences or acts under investigation.

g. Please explain the purpose for which the requested information will be used.

These observations were not responded by SECP. Later, a reminder in this regard was sent UK authorities on 15-05-2013 to SECP (Annexure -P) in reply to which SECP withdrew its equest for Mutual Legal Assistance vide letters dated 21-05-2013 and 22-07-2013 (Annexure -Q).

It may be noted that no intimation regarding the closure of investigation was made to UK uthorities and letter for withdrawal of Mutual Legal Assistance was written in July 2013 whereas he investigation was shown to be closed in January 2013 **(which later on proved to be back ated).**

The whole transaction of closure of investigation against Chaudhry Sugar Mills defies laid own procedures of SECP for closure of investigation which create suspicion and shows malafide on art of the officers involved in hasty closure of investigation.

JOINT INVESTIGATION TEAM CASE

**SECRET**

During the course of Investigation by JIT it transpired that the investigation was actually closed in May-June 2016 and record has been tempered to show the closure in back date i.e; January 2013.

Witnesses divulged that the investigation was closed on the directions of Muhammad Zafar Haq Hijazi, Chairman SECP.

**Recommendation**

As the investigation against Chaudhry Sugar Mills was closed by officers of SCEP abruptly with malafide intent without completing codal formalities and ascertaining the facts and allegations of money laundering; therefore it is recommended that either investigation of the case under sec 263 of companies ordinance 1984 be reopened by SECP under the direction of the Honorable Supreme Court of Pakistan or the matter may be referred to National Accountability Bureau for inquiry / investigation under sec 9a of NAO 1999.

RE: LETTER OF REQUEST – INVESTIGATION INTO SUSPECTED FRAUDULENT TRANSACTIONS

Dear Sir,

The Securities and Exchange Commission of Pakistan (SECP) was set up in pursuance of the Securities and Exchange Commission of Pakistan Act, 1997. This Act institutionalized certain policy decisions relating to the constitution and structure, powers, and functions of the SECP, thereby giving it administrative authority and financial independence in carrying out its regulatory and statutory responsibilities. The SECP became operational in January 1999 and was initially concerned only with the regulation of the corporate sector and the capital markets, however, overtime, its mandate has expanded to include the supervision and regulation of insurance companies, non-banking finance companies and private pensions.

The SECP has a special focus on keeping an eye and targeting financial crimes (in the functional jurisdiction of the SECP) by having a proactive approach towards serious fraud and money laundering detection and investigation to create deterrence and propagate a message in the fraud industry.

In the capacity of Director, Enforcement Department, I have been empowered to seek help, if deemed necessary, from the relevant authorities, locally as well as in foreign countries, where it helps to proceed further with criminal proceedings and to bring those who are guilty to justice.

We write to you with reference to a probe being conducted in response to an alert generated in the matter of Chaudhry Sugar Mills where the Export Proceeds in the amount of PKR 739.767 million (2009: PKR 699.994 million) are suspected to be used as a medium to siphon/launder the outcome of concealed fraudulent activities in the disguise of regular and legitimate business activities, where the counter party on the other side of the transaction is based in UK.

In this connection, we would like to bring to your notice the following situation and the related queries:

- The Corporate Conduct history of the following individuals, having directorship in respective companies mentioned there-against, who are suspected of acting in concert in the aforesaid fraudulent integration across the borders;

## Volume IX
### (Assets beyond Means – Mian Muhammad Nawaz Sharif)

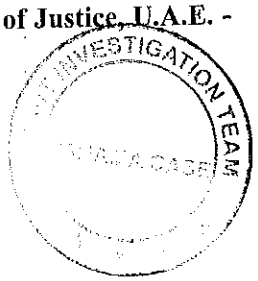
*Joint Investigation Team Constituted by the*
*Implementation Bench of the Supreme Court of Pakistan*
*vide Order dated May 5, 2017*

*IR (IX)/PC/10/7/2017*

**ISLAMABAD**

## INTRODUCTION

1. In its Order dated April 20, 2017, the Honorable the Supreme Court of Pakistan, in addition to the thirteen questions posed to the JIT for investigation, tasked investigate the case and collect evidence, if any, showing that Respondent No. 1, or any of his dependents or benamidars, owns, possesses or has acquired any assets or any interest therein, disproportionate to his known means of income. The thirteen questions posed in the Order each are linked with this universal query.



2. The entire two-month long investigation proceedings have been focused on ascertaining means of income of especially Respondents No. 1, 6, 7, and 8, namely; Mian Nawaz Sharif, Prime Minister of Pakistan, Ms. Maryam Safdar, Mr. Hussain Nawaz Sharif and Mr. Hassan Nawaz Sharif, respectively. Extensive hearings have been held to record statements of the Respondents and accord them opportunities to provide documents/information that may prove as plausible explanations for amassing the wealth and income. All Respondents, as well as the persons connected with the affairs of the Sharif family, who were summoned by the JIT, did not or could not furnish relevant and requisite information. The record that was made available to the JIT by the Respondents was a duplication of that already available, with very few new documents made available, in the Honorable Court through their responses to the Constitution Petitions No. 29 of 2016 etc. Not even a remote content of plausibility was provided.

3. The new evidence collected by JIT (discussed in the relevant documents of the JIT Report (Panama Papers Pakistan) is as under:

i. **Confirmation of the beneficial ownership of Maryam Nawaz of BVI companies namely; Nielsen Enterprises Limited and Nescoll Limited by the Federal Investigation Agency, British Virgin Islands - (Volume V);**

ii. **Confirmation of Chairmanship of Mian Nawaz Sharif in offshore company namely; FZE Capital, U.A.E. by Jabel Ali Free Zone Authority (JAFZA) - (Volumes VI and IX);**

iii. **Confirmation of fictitious sale/purchase agreements submitted to Honorable Court by the Respondents, by the Ministry of Justice, U.A.E. - (Volume III); and**

**iv. Confirmation of forged/tampered documents submitted as Declarations of Trust by the Respondents, by the forensic expert, UK. (Volume IV)**

4. The evidence, especially pertaining to the Avenfiled properties at (i) above, undermines the saga of the Sharif family and questions the veracity of the entire documentation submitted by them in the Honorable Supreme Court of Pakistan in their defence to justify the proportion of the income and the assets. It is established that the children of Respondent No. 1 and were his dependents as they were minors/students with no independent sources of income of their own and during 1985-99 when Respondent No. 1 entered into politics. The group of companies owned by the respondent no 1 witnessed an exceptional growth spurt in terms of wealth and income. The assets grew geometrically but the declared wealth and known sources of Respondent's No. 1 income vis-à-vis the tax returns, company information, and bank account statements of Respondents collected from the FBR, SECP and SBP, respectively, state otherwise.

5. It would be in the fitness of things that in a disproportionate assets case such as this, the Respondents should seek recourse to discharging the burden to prove that the assets are proportionate to known sources of income. It is up to the Respondents to establish beyond reasonable doubt, the value of the assets possessed by them and sources of income from which these were procured. JIT does not believe that it is necessary for the Respondents to provide an absolute estimation of their income and assets but rather an explanation that is, at the least, reasonable and worthy of acceptance. It would have sufficed to provide, relevant income tax and wealth statements; accurate and up-to-date audited financial statements showing the profits and income generated by companies incorporated locally and abroad; documented cash-flows; documentation of facilities undertaken from financial institutions and their repayment; proof of collateral/security/guarantees provided for securing letters of credit and other credit; documented cross-border and intercorporate transfer of funds through banking channels, amongst other things. More specifically, proper documentation showing the establishment and sale of Gulf Steel Mills, Al-Ahli Steel Mills, and Al-Azizia Steel Mills; sources of equity raised for establishment of Hill Metals Establishment, Jeddah, KSA, and Flagship Invesments Inc., and other companies in the UK, their profitability and remittances to Pakistan (detailed analyses of these issues are discussed in detail in the relevant volumes of the Final Report of the JIT). Yet another area of obscurity are the "SPVs" (Special Purpose Vehicles)/offshore companies identified by the JIT Capital FZE, Chadron Inc., Ansbacher

Inc., Coomber Inc., Nielson Enterprises Limited and Nescoll Limited and other shelf companies procured in the UK, British Virgin Islands, Isle of Mann, Jersey, etc., , which played the role of conduits for transferring money to destinations around the world or back into Pakistan.

6. Nevertheless, an analysis of the tax and wealth returns, financial statements of the companies in Pakistan, bank account statements and record of the Respondents was undertaken to attempt to establish the money trail and account for the build-up of assets in Pakistan and abroad since the establishment of Ittefaq Foundries by Mian Sharif and other assets which were/are subsequently managed by the children of Respondent No. 1. The subsequent paragraphs present an expose of Respondents No. 1, 6, 7, 8, and 10 and any person who had any nexus with the asset accumulation with respect to his/her tax, company and banking records.

**Respondent no. 1 (Mian Muhammad Nawaz Sharif)**

7. The available record shows that Respondent No. 1 started filing returns from year 1983-84. Complete record of tax returns/ wealth statements were not furnished by FBR as for *assessment years 1997/98 - 2001/02 & from 2004/05 – 2007/08, wealth statements were not filed by Respondent No. 1*, more so, IT return for the year 2007 was not provided (details are at Annex A). In his statement made before the JIT on 15 June 2017, Respondent No.1 categorically stated that, initially, he had been a shareholder and/or director in a few of the companies established by his late father in Pakistan. However, he had not been actively involved in the business of any of those companies since the year 1985. He also stated that he had been actively involved in politics since 1981 and has devoted his entire life to his occupation as a politician. The same stance has been taken by him in various public speeches. His stance has also been reinforced by Respondents 6, 7, and 8 in their concise statements filed before the Honorable Supreme Court, that their father (Respondent No. 1) has no concern/ role in their business and properties. The JIT, during the course of investigation, analysis of available tax returns and available financial details of his companies with SECP and State Bank of Pakistan (SBP) has come across the following facts:-

a. **Opening of accounts as CEO of Chaudhary Sugar Mills**. During evaluation of evidences and record collected from different banks by the JIT, it was noted that he opened 5 PKR bank accounts and 3 Foreign Currency accounts in four different banks during the period from 1-7-2009 till date. In the bank account opening forms submitted to the bank, he mentioned his occupation as 'self-employed' and name of the employer/ business as 'Chaudhry Sugar Mills Limited' (CSML) in all the account opening forms. In two of the accounts opened at Standard Chartered Bank (Pakistan) Limited, he showed himself as CEO of the Chaudhary Sugar Mills Limited (Annex B) while in an account opened at ABL, he had showed his designation as a shareholder. In addition to the individual accounts of Respondent No.1, the account opening form of his joint account with Ms. Shamim Akhtar Sharif also reflect the above details. Further, the Taxpayer Registration Certificate of the Respondent No.1 printed on 26-09-2009 (Annex C) reflected his business has been named as Chaudhry Sugar Mills Limited and address of taxpayer as 'c/o Chaudhry Sugar Mills Limited, 146, Abu Bakar Block, Garden Town, Lahore'. It may be noted that as on 31-12-2008, Respondent No. 1 held 1,600,000 shares of CSML, which

increased to 2,012,538 shares on 31-1-13 and 12 million on 31-1-16 (Annex D).

b. **Drawing of Salary from Chaudary Sugar Mills**. While analyzing an account statement of Respondent No.1 (Annex E), it was noted that during 2010 to 2013, he has been receiving regular salary from CSML on a monthly basis (Rs.24.372 million in aggregate). It was observed that during 2010-11, an amount of Rs. 560,000/ per month was received by Respondent No.1 from CSML for nine months while the amount was increased to Rs.800,000/ per month during 2011-12. Similarly, Rs.820,417/- per month was received during the first 11 months of 2012-13. Contrary to his publicly held stance that he had no role or involvement with the family business; he was drawing monthly salary from CSML. The drawing of salary from CSML is also disclosed in the Income Tax returns filed by him.

c. **Transaction showing involvement with CSML affairs**. In addition, a couple of financial transactions of respondent No.1 with CSML were also observed. On 28-06-2010, CSML transferred Rs.5.670 million in his account. Similarly, on 23-09-2015, Rs.18.019 million was transferred by respondent No.1 to CSML (Annex F).

d. **Capital FZE-Dubai**: The Honorable Justice Ijaz-ul-Ahsan in his separate judgment specifically raised the issue of Capital FZE-Dubai; The relevant para(s) are reproduced below:

Quote:

*87. It is also an admitted position that Respondent No.8 set up a company under the name and style of Flagship Investments Limited which received substantial sums of money in the year 2001 when the said Respondent had no source of income. Over the course of the next few years, a number of other companies were set up/taken over by Respondent No.8 allegedly for the purpose of his real estate business. The sources from which the said companies/businesses were funded are also shrouded in mystery. There is yet another company under the name and style of Capital FZE, Dubai presumably registered under the laws of UAE. Funds also appear to have been routed through the said company from time to time by / and on behalf*

INVESTIGATION TEAM PANAMA CASE

*of Respondent No.7. The real ownership and business of the said company is unclear from the record which needs to be explained. No effort has been made on the part of the Respondents to answer the questions on the afore-noted matters.*

*89. Further, the source(s) of funding for Azizia Steel Mills and Hill Metals Establishment in Saudi Arabia, Flagship Investments Limited and a number of other companies set up/taken over by Respondent No.8 also need to be established. In addition to the affairs of Capital FZE, Dubai which also appears to be owned by Respondent No.7 need an inquiry.*

*90. Evidence shall also be collected by the JIT regarding source(s) of funding of Capital FZE, Dubai; its business activities and role in transfer of funds to different entities owned or controlled by Respondents No.7 & 8*

Unquote

e. As also pointed out by Honorable Justice Ijaz-ul-Ahsan, the real ownership and business of the said company is unclear from the record which needs to be explained. No effort has been made on the part of the Respondents. The Honorable Justice also desired that evidence to be collected by JIT regarding FZE, Dubai; its business activities and role in transfer of funds to different entities owned or controlled by Respondents No. 7 and 8. These questions were posed to the aforesaid Respondents in their appearances before the JIT; however, despite repeated requests, no satisfactory evidence was produced by them.

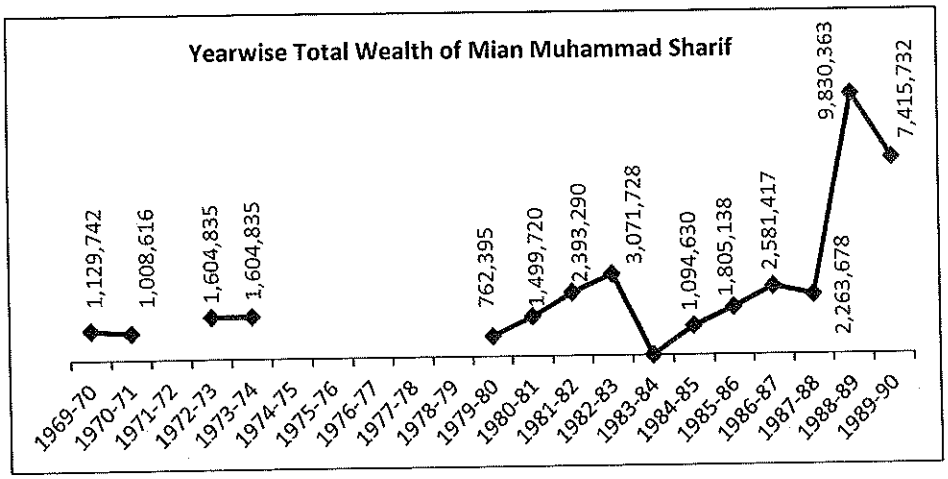
f. However, JIT in the course of its investigations was successful in collecting evidence directly from the concerned Regulatory Authority i.e. Jebel Ali Free Zone Authority (JAFZA), in Dubai. The evidence provided revealed that Capital FZE was granted a Trading License, bearing Registration No. 561, on October 1, 2001. The license shows Respondent No. 8 as Manager. The authorized activities included Metal Ores Trading, Basic Steel Products Trading, Basic Non Ferrous Metal Product Trading, Fencing and Barbed Wire Trading, Metal Cans and Containers Trading, Metal Alloys Trading and Metal Drums and Barrels Trading. Further, evidence thus procured reveals *that Mian Nawaz Sharif, Respondent No. 1, was the Chairman of the Board for Capital*

INVESTIGATION TEAM PANAMA CASE

*FZE from August 7, 2006 until April 20, 2014 at a salary of AED 10,000.* Further, evidence revealed that this salary was revised on February 02, 2007 vide Employment Contract Amendment – Form 9, duly signed by Respondent No. 1, filed with JAFZA. *On the basis of this employment Respondent No. 1 was able to procure "Iqama" dated 5-7-2009 and valid up to 4-6-2015 to work and reside in Dubai* (Annex G).

g. As discussed in detail under the Sections covering Hill Metals Establishment and "gifts" between the Respondents, a payment of USD 1,000,000 from the accounts of Hill Metals Establishment to Capital FZE was noted in the documents procured depicting an evidence of rotation of money between family businesses.

h. Another example of rotation of funds between the accounts of Respondents discussed in detail under the Section on Hill Metals Establishment that Respondent No. 1 instructed the Bank Manager Al Rahji-Jeddah to transfer SAR 750,000 from his account No. 462 60801 3344552 to Respondent No. 7 Account No. 462 60801 000 6782. Thereafter, Respondent No. 7, on the same day, through an Advice dated Sept 20, 2010 instructed Al Rajhi Bank to transfer SAR 750,000 from his account 462 60801 006782 to Hill Metals Establishment (Annex H).



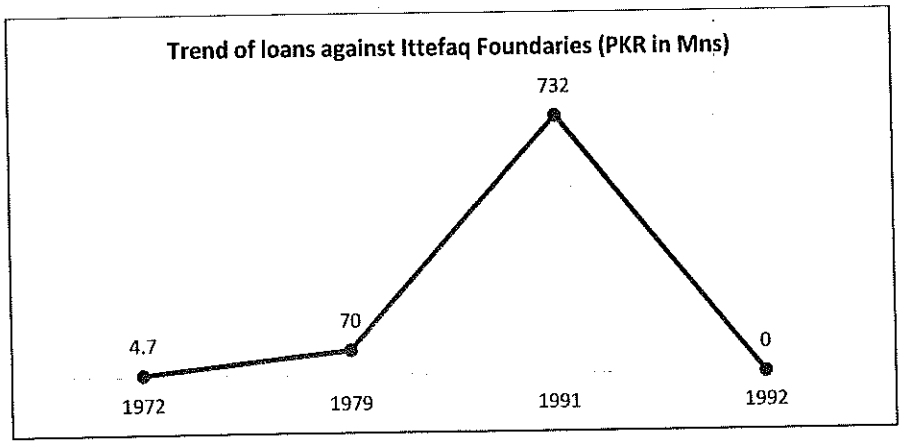
i. **Flow of transactions between Respondents No. 1 and 6 in Pakistan**. Significant inter-linkages have been observed during detailed scrutiny of bank accounts of Respondents No. 1 and 6. Between the period of 2009 to May 2017, approximately Rs. 1.4 Billion landed in Respondent No. 1's bank account mainly from Respondent No. 7. Of these inflows, Respondent No. 1 transferred Rs. 822.726 million to the account of Respondent No. 6. For details, reference to the Section covering the issue of gifts/ remittances is made.

j. **Mis-declaration in Wealth Statement for the Tax Year 2013 and concealment of Rs 45 million by Main Nawaz Sharif**. As per Wealth Statement submitted by the Respondent No.1 for the tax year 2013, an amount of Rs.100 million was shown as donation given to PML (N). This fact was corroborated by the JIT from the statement of Wealth of the respondent

INVESTIGATION TEAM PANAMA CASE

(Annex I). During analysis of account statement, it was also observed that an amount of Rs.45 million was transferred back by the PML (N) on 10-6-2013 to Respondent No.1 (Annex J). This inflow of Rs.45 million, although reflected in the account statement, was not disclosed in the Wealth Statement. Hence, it appears that the *Respondent No.1 not only concealed his assets to the tune of Rs.45 million but also misreported in the Wealth Statement for the tax year 2013* submitted under Section 116 of the Income Tax Ordinance, 2001.

k. Respondent No. 1 in his address to the nation and speech on the floor of the National Assembly claimed that his father owned multimillion rupees assets in the 1970's before the industry was nationalized; a claim that cannot be ascertained through his personal Tax returns as well as of the parents. **(Refer to** Annex A of Volume IX-A**).**



2. The record made available to the JIT by the SECP (details and mis-statements made by SECP with regards to provision of documents/ information is attached as Annex K) revealed direct shareholding of Respondent No. 1 as under:-

| Name of Companies | Years of Shareholding |
|---|---|
| Chaudhary Sugar Mills Limited | 2000-2008, 2010-2013 |
| Mohammad Buksh Textile Mills Limited | 2011-2015 |
| Ittefaq Brothers Private Limited | 1976-1979, 1981-1985, 1987, 1989-90, 1992-1994, 1996 |

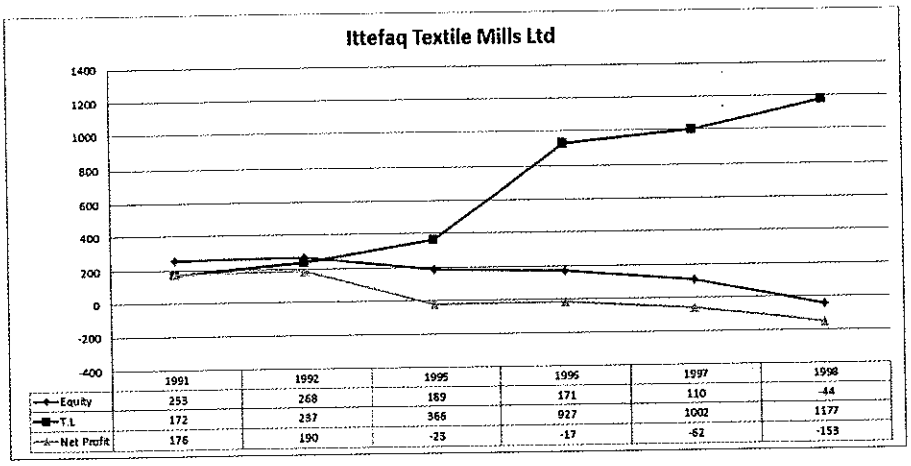
a. **Ittefaq Foundries (Private) Limited**. The company (incorporation on 6 Nov 1962) was the first company incorporated by Mian Muhammad Sharif; shares were equally distributed amongst seven brothers (Annex L). In 1966, 100 shares of this company were allotted to Respondent No. 1 thus he became the Director of the said company. Trend of loans obtained against Ittefaq Foundaries from 1972-1992 is reflected graphically below.



b. Prior to nationalization of the company in 1972, the bank loan was Rs. 4.7 million, however, after de-nationalization of the company in 1979, the loan of company was Rs. 70 million. Moreover, the said company obtained further loans and reported its loan liability of Rs. 732 million in the year 1991. Subsequently, the loan liability was reported as Nil in the year 1992 followed by winding-up petitions (Lahore High Court CO 109/94; CO 111/94; CO 120/94; CO 23/95) and recovery suits (390/94; 388/94; 359/94; 382/94) against the Company in 1996. It is pertinent to mention here Respondent No. 1 did not provide any financial statements of the said company to the JIT. After,

INVESTIGATION TEAM PANAMA CASE

Respondent's No. 1 rise to the political forefront of Pakistan, especially after 1985, this company obtained substantial loans. Thereafter, the said company was unable to pay off its liabilities, thus, winding up petition and recovery suits were filed against the said company in 1996. From the aforementioned, it appears that Respondent No. 1 used the loaning scheme to accumulate wealth. Moreover, major shareholding was kept in the names of other family members of Respondent No. 1, it would seem, to avoid any direct connection with the gains attained thereof. Thus a foundation for such ventures was laid by Ittefaq Foundries (Private) Limited.

c. **Ittefaq Textile Mills Limited**. Ittefaq Textile Mills Limited was incorporated on 30-April-1966 (Annex M). As per the available information provided by SECP, the shareholding of the Respondent No. 1 was 0.96% shares and he remained a director of the Company in the year 1972 and from 1986 to 1988 (Chief Minister Punjab). The financial review of the available record / information showed that in the year 1998, the Company has a negative equity of Rs. 44 million and total assets of Rs. 1,132 million. The Company has liabilities towards related parties amounting to Rs. 236 million and receivables from the related parties was Rs. 448 million. The available record revealed no payment of dividends by this company during the period of Respondent No. 1 held shares; and (Did we ask , if not then perhaps leave this out)The company's profits did not contribute towards the wealth accumulation of Respondent No. 1. The financial outlook of this company during the period when Respondent No. 1 had emerged as a leading political figure of Pakistan, has been a fund revolving company that is , prima facie, mainly used to move funds by creating liabilities on the company as figured below:

d. **<u>Ittefaq Brothers (Private) Limited</u>**. Ittefaq Brothers (Private) Limited was incorporated on 23 May 1972 (Annex N). The available record of the said company showed Respondent No. 1 to be the shareholder (ranging between 9% to 35%) since 1973 to the last annual return recorded in 1998 and director of the Company from 1973 to 1986. In 1981, Ittefaq Brothers (Private) Limited had a loan liability of Rs. 15 million (an increase from Rs. 2 million) with a paid-up capital of Rs. 1.15 million. A similar pattern of loaning was observed after 1986 (when he prominently had risen on the political forefront of Pakistan) the loans due by the company were reported to be Rs. 210 million in 1989 and Rs. 236 million the following year. However, in 1991 till 1996, the loan liabilities were reported as NIL. The company reportedly had negative equity and no dividend was paid to the shareholders. The said company subsequently filed a Winding-up Petition CO 6/95 and a Banking Tribunal Suit 113/95 followed thereafter. (Did we ask) The available record revealed no payment of dividend by this company during the period of Respondent No. 1 held shares of the company. After, Respondent's No. 1 rise to the political forefront of Pakistan especially after 1985, this company obtained substantial loans. Thereafter, the said company was unable to pay off its liabilities, thus, a winding up petition and recovery suits were filed against the company. Respondent No. 1 did not provide any profitability record of the said company to justify the income earned from it.

g. **Chaudhary Sugar Mills Limited**. Chaudhary Sugar Mills Limited is reported to be incorporated on 05-Aug-1991 (Annex Q). As per the information made available, Respondent No. 1 held approximately 7-8% shares of Chaudhary Sugar Mills Limited since 2000.

(1) In 1992, the said company mortgaged its properties located at plant site in Toba Tek Singh to secure a long-term morabaha finance from Faysal Al Islami of Bahrain E.C amounting to Rs. 309.813 million. However, Company's operating fixed assets were Rs. 15.587 million only and Rs. 652.064 million were disclosed as 'work-in-progress'. Moreover, an amount of Rs. 28.241 million long-term loan was secured from First Hajvery Modarba. In view of the fact that the Company's operating fixed assets (other than work in progress), borrowing under morabaha appears to be a suspicious arrangement as current assets were placed as security for the long-term morabaha loan.

(2) However, in the financial year 1993, a long-term loan secured from Faysal Al Islami of Bahrain was retired and loan was swapped with obtaining loan amounting Rs. 401.257 million (USD 15.520 million) from Chadron Jersey Limited, St. Hellier, Jersey Island, a company incorporated in Channels Island. Foreign private loan secured from Chadron Jersey Limited was secured at interest rate of 10% per annum payable in 10 installments commencing from October 1, 1994. However, as per first supplemental letter of hypothecation dated January 30, 1995, payment schedule revealed five installments commencing from 1995 and ending on 1999.

INVESTIGATION TEAM CASE

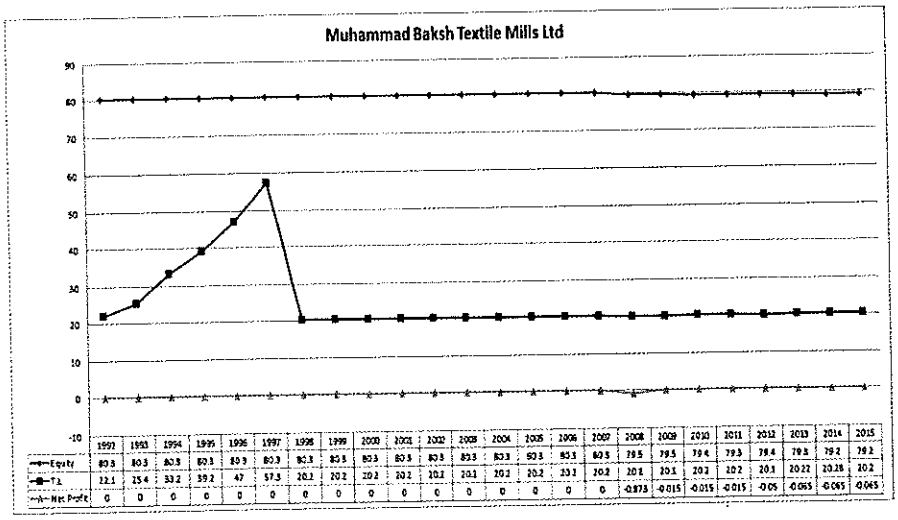
(3) The available financial record of the said company revealed that only dividends of Rs. 136.8 million were declared/ paid dividends during 1995-1999. However, no evidence of Respondent No. 1 holding shares during this period have been reported. Furthermore, financial statements of the said company do not provide any specific disclosure that Respondent No. 1 was drawing any emoluments/ other benefits from the Company.

(4) After, Respondent's No. 1 rise to the political forefront of Pakistan especially after 1985, this company obtained substantial loans

(5) From the aforementioned, it appears that Respondent No. 1 and his family members used this company as a loaning scheme to accumulate wealth. Moreover, major shareholding was kept in the names of other family members of Respondent No. 1 to avoid any direct connection with the gains attained thereof.

h. **Muhammad Buksh Textile Mills Limited**. The Company was incorporated on 8-Sept-1991 (Annex R). As per financial statements of 2015, the company did not commence operations of the business since incorporation. Moreover, it has been observed that the company submitted the accounts for the years 1992 to 2000 in year 2002. Respondent No. 1 along with his children and wife held 22-30% shares from 1994 to 2015. The majority of shares were held in the name of Ms. Shamim Akhtar (mother of Respondent No. 1) holding 26% shares. Individual shareholding of the Respondents are as follows:

(1) Respondent No. 1: 6% from 2011 to 2015



(2) Respondent No. 7: 6% from 1994 to 2015

(3) Respondent No. 8: 6% from 1994-96 and 1% from 1997 to 2015

(4) Respondent No. 6: 6% from 1994 to 2015.

The Company has been dormant since incorporation; has never paid dividend to shareholders and has negative equity. The financial performance of the Company does not warrant any share in the increase of wealth of Respondent No. 1. The financial performance graph is as follows:

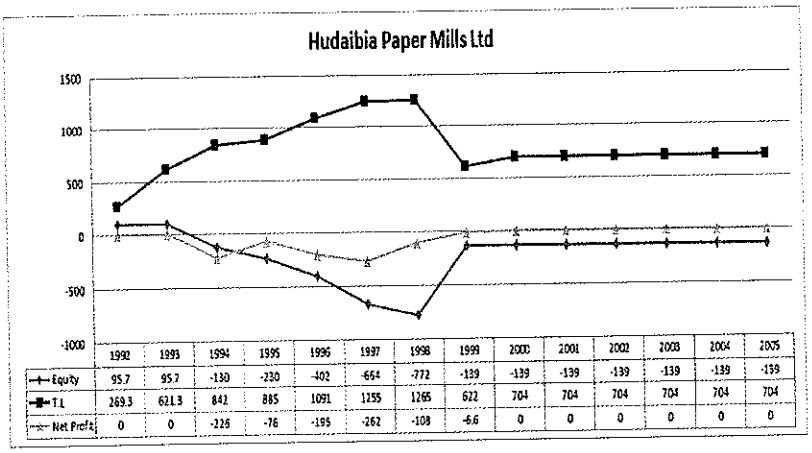
i. **<u>Hudabiya Paper Mills Limited</u>**. Hudabiya Paper Mills Limited was incorporated on 29-Jan-1992 (Annex S) (detailed analysis is in Volume xx).

(1) As on October 31, 1992, the company's fixed assets amounting to Rs. 98.708 million and its long-term secured loans were Rs. 184.247 million, which could have been possible by pledging any other asset that had not been disclosed in the financial statements. Moreover, 1993 was considerably variant financial year for the company as during the same year, the said company had long-term secured loans of Rs. 255.729 million, short term finances of Rs. 126.619 million and generated Rs. 126.024 million from associated undertakings. Furthermore, the company secured a loan amounting to USD 10 million from Al-Towfeek Company for Investment Funds, Bahrain through Al-Baraka Islamic Investment Bank Lahore on November 23, 1992.

(2) It is pertinent to mention here that the said company did not reveal any disclosure on the legal proceedings of Queen's Bench, London whereby the Avenfield apartments were attached. In the financial year 2000, the Company disclosed that liabilities (relating to Al-Towfeek Company for Investments Funds Bahrain) were settled for USD 8 million on January 5, 2000. As per relevant disclosure given in Note 3 of financial statements for the year ended 2000, long term loan of Rs. 494.960 million was disclosed.

JOINT INVESTIGATION TEAM PANAMA CASE



(3) The stance of Respondent No. 1 and his family members while responding to petitions CP 29/2016 & CP 30/2016 have been that Qatar's Prince Hamad Bin Jassim bin Jaber Al-Thani settled loan of the said company with Al-Towfeek Company. This stance has not been substantiated through any documentary evidence of transaction or arrangement by the Respondent No. 1 and his family members.

(4) It is noticed that a share deposit money of Rs. 642 million in 1998 was reflected in the accounts of the said company. This is contrary to adverse financial position of the said company as at that time the said company had negative equity of Rs. 772 million and operations of the said company had already been shut down. The said company went into negative equity in 1994 and closed its operations in 2000. Accumulated losses were Rs. 877.810 million as of June 30, 2005. Last available financial statements were filed for the financial year 2005. The Company did not file its accounts for the year 2006 and for subsequent years.

(5) The Respondent No. 1 and his family members failed to substantiate their stance through evidence that Qatar's Prince Hamad Bin Jassim bin Jaber Al-Thani settled loan of Al-Towfeek Company against the said company and it was disclosed in Note 3 to financial statements for the year 2000 that long term loan was converted at Rs. 53.80 per USD for USD 8,000,000 substituted loan. The actual liability recorded was for Rs. 494.960 million but liability of Rs. 430 million at the given USD conversion rate was reported to be settled.

(6) From the aforementioned, it appears that Respondent No. 1 and his family members used this company as a medium to revolve funds and accumulate wealth. Moreover, major shareholding was kept in the names of other family members of Respondent No. 1 to avoid any direct connection with the gains attained thereof.

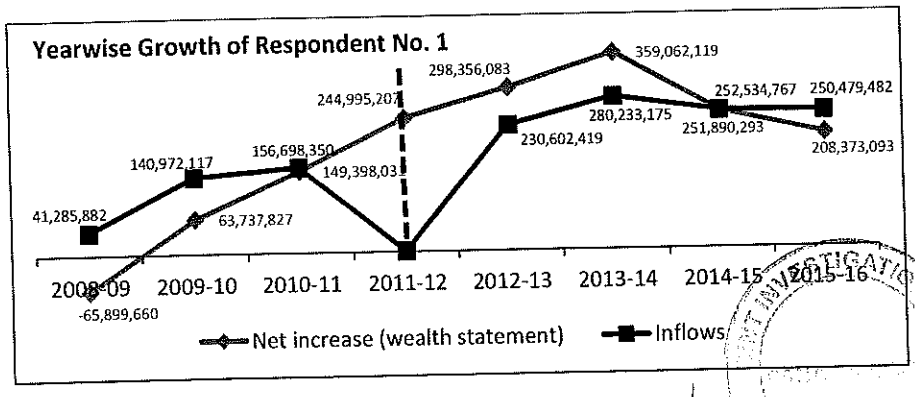
v. As per financial records of MBTML with SECP, Respondent No. 1 owned 467,950 shares in 2011 but were not declared in wealth statement for tax year 2011/12. Wealth statement for 2011/12 at Annex AA and MBTML Form A/ 29 are at Annex BB.



w. Loan worth Rs 110 million was taken from Ramzan Sugar Mills by Respondent No. 1 between 2001-03; out of the total, Rs 50 million was paid by Ramzan Sugar Mills to NAB on account of Respondent No. 1. These liabilities of RSML were settled in the year 2011/12 without any visible source of income. Wealth statement of Respondent No. 1 for the year 2011/12 at Annex AA, account statement of RSML and document of NAB is at Annex CC.

y. As per tax return of year 2012-13, Respondent No. 1 gave Rs 100 million as donation to PML (N) on 30 Apr 2013. Reporting of this entry in Return of Personal Assets *(ROPA)* in ECP needs to be counterchecked.

z. By year 2013/14, assets of Respondent No. 1 grew 6.59 times once compared with his assets of year 2008 (Rs 55 million in year 2008 to Rs 359 million in year 2012/13). Major source of increase was gift amounts sent by Hussain & HME (Hill Metals Establishment) from KSA *(Rs 457.3 million b/w 2009 - 14)*.

aa.

hange of gifts worth millions of rupees is observed from Mr. Hussain & HME to Respondent No. 1 and Maryam Nawaz and Respondent No. 1 to Hassan Nawaz. It is an abnormal pattern of exchanging gifts as why a company would gift such heavy amounts to individuals. Evidence for profitability of HME was not furnished; hence source of income of Hussain could not be ascertained. Heavy gifts in the form of cash raises eyebrows; likely attempt of money laundering. Inflow of gifts and their distribution/ utilization is at Annex EE.

3. **Conclusion**. The facts provided by Sharif family show that Respondent No. 1, ostensibly has confined his role to that of an equity holder only in the family owned businesses, who does not hold any formal position or role in running the businesses and is not a Director on any Board. Apparently the objective of such stance is to distance himself from a formal role in running of the businesses in strictest regulatory and legal sense. However, on the other hand, it is also evident that he is enjoying pecuniary benefits, other than dividends from these businesses in the shape of unexplained inflows in his personal bank accounts, on a fairly regular basis, from the business profits of his son and businesses run by him purportedly as gifts.

4. The evidence collected reveals that he, in fact, was the Chairman of the Board, drawing salary from Capital FZE; a company owned by his son Respondent No. 8, is at variance with the stance taken in the CMAs filed, by Respondents No. 1, 6, 7 and 8. This fact was not disclosed in any statutory returns/declarations before the authorities in Pakistan; be it the Income Tax returns or the Filings before the Election Commission of Pakistan.

5. Respondent No. 1 in his tax returns filed before the authorities for the year 2013, claimed to have made a donation of Rs. 100 million to Muslim League (N) and concealing the fact that he received back Rs. 45 million from the same party account, before the close of the relevant financial year end; amounts to mis-declaration of wealth.

6. The above facts depict that Respondent No. 1was enjoying monetary benefits from the family businesses, other that dividends in his declared capacity of equity holder. Moreover, he was maintaining an active operational link with his family owned businesses, contrary to his publically held position, that he is not actively involved in the family business and is devoting his entire life to his occupation as a politician. \

7. As per claims of Mian Nawaz Sharif, his business empire/ assets is based on his inherited money from his father who owned millions of Rupees in the '70s. The financial

analysis of Mian Muhammad Sharif does not substantiate this claim. An exorbitant hike in buildup of his assets is observed during his first tenure of premiership, however, inflows mentioned in his tax returns is not commensurate with his growth which leads to the presumption that this empire was not based on legal monetary sources. An anomaly of opening *benami* accounts in the names of Qazi family, Saeed Ahmed etc., and source of inflow in these accounts was not clarified by the Respondents. These *benami* accounts were used as collateral for acquisition of loans and also for moving funds abroad to build Sharif family's assets in Pakistan as well as in UK.

8. From the record made available on Respondent No. 1 to the JIT, it is observed that Respondent No. 1 held minor direct shareholding in closely held family companies. These companies were not profit-bearing. However, these companies were continuously revolving funds amongst themselves, shareholders/ directors/ sponsors and offshore companies. Moreover, it can be seen from the available record that Respondent No. 1 kept shares in the name of his wife, sons and daughters who were not financially independent at that time; a move to delink him from the closely held family businesses yet he had control over the business due to his strong political and family influence. Another important factor noted here is that despite the adverse financial position of all closely held family businesses, Respondent No. 1 had phenomenal growth in accumulation of wealth by his direct family and other shareholders of the company, which were also his family members.

9. A detailed analysis of available financial details of Sharif family's companies with SECP and their tax/ wealth returns reflect serious dichotomies in declaring their assets (mis/ non-declarations of assets). Respondent No. 1 built assets and declared them on the names of his children, however, there was no plausible source of income with Respondent No. 1 or his children.

10. As per Lahore High Court case no W.P 3114 HPML vs NAB, Mian Nawaz Sharif paid 110 million to NAB as settlement in HPML case. Analysis of account details of RSML revealed that the company paid Rs 50 million to NAB as payment on behalf of Mian Nawaz Sharif as part of total 110 million. This use of RSML funds is in violation of company law as his personal liabilities were paid through the funds of RSML.

11. Another hike is seen in assets after Sharif family's political rejuvenation in 2007/08. Funds were shifted from their UK/ UAE empires to Pakistan in the form of gifts in excess of Rs. 880 million. Substantial funds were transferred in the accounts of Respondent No. 1 in

the form of gifts from Hussain Nawaz and Hill Metals Establishment accounts, taking advantage of the tax exemption on foreign remittances/ gifts. Massive assets were built while showing the cost as nil being based on gifts. Moreover, the Respondents have failed to substantiate their sources of income behind these gifts abroad if compared with the account details of their companies abroad, it is observed that these companies were in losses/ under liabilities and were not in a position to generate any dividend.

12. Having gone through financial details of his companies/ bank accounts and his declarations in FBR record, it prime facie establishes that Respondent No. 1 is in possession of '**ASSETS BEYOND KNOWN SOURCES OF INCOME**'.

The Accounts will be distributed in various Categories. A group of Customers having same maturity classification for their Mudaraba Account for a given currency would form a particular Category (the "Category"). The profits from the Mudaraba Assets (the "Mudaraba Profits") shall be allocated between the Bank and the Customer at the end of the period for which Mudaraba Profits are being calculated (the "Profit Allocation Period"), as follows:
In consideration of the services provided by the Bank hereunder, the Bank shall be entitled to a pre-determined proportion of the Mudaraba Profits which have accrued during the relevant Profit Allocation Period as its management compensation (the "Manager's Profit Share").
The remaining Mudaraba Profit, after deduction of the Manager's Profit Share (the "Profit Amount"), shall be allocated amongst the Customers at the end of each Profit Allocation Period by reference to the weightages (the "Profit Weightages") determined by the Bank in respect of each Category at the commencement of each Profit Allocation Period and the average balance maintained by the Customer in its Mudaraba Account during the Profit Allocation Period calculated on a daily product basis. The Customer's share of the profit will be determined in accordance with the rate per annum (the "Profit Rate") applicable to the relevant Category to which the Customer belongs.

The Manager's Profit Share and the Profit Weightages applicable to each Category shall be determined by the Bank at the commencement of every Profit Allocation Period. The updated and prevailing Manager's Profit Share and Profit Weightages applicable to each Category will be available at the Bank's website, displayed in the Bank's branches, may be obtained from the Bank from time to time and/or shall be communicated to the Customer in any other mode, whether electronic or otherwise, in accordance with the Bank's prevailing practices.

Any losses incurred on the Mudaraba Funds during a Profit Allocation Period shall be borne solely by the Customer. If, however, the Bank has also invested a certain sum in the Mudaraba Assets then such losses shall be shared between the Customer and the Bank proportionately in accordance with the respective amounts invested by the Customer and the Bank in the Mudaraba Assets. In the event that such losses occur during a Profit Allocation Period, the Bank shall not be entitled to the Manager's Profit Share in respect of the relevant Profit Allocation Period.

## AUDITOR'S REPORT TO THE SHAREHOLDERS

We have audited the annexed balance sheet of **MUHAMMAD BUKSH TEXTILE MILLS LIMITED** as at June 30, 2014 and the related profit & loss account, cash flow statement and statement of changes in equity together with notes forming part thereof, for the period then ended and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purpose of our audit.

2. The narrative of the petitioners is that in pursuance of the conviction of Mian Muhammad Nawaz Sharif by the Anti-Terrorism Court No.1, Karachi on 06.04.2000 and Accountability Court, Attock Fort on 22.07.2000, respondent Authority arrogated to itself the power to recover the fines imposed on Mian Muhammad Nawaz Sharif not only by the Accountability Court, Attock Fort, but also by the Anti-Terrorism Court No.1 (Sindh High Court, Karachi). In this connection the Special Investigation Unit (SIU), NAB, Lahore illegally took over various properties of the petitioners without any lawful authority. The

said properties are more fully described in Schedule-B to this judgment and for brevity have been collectively referred to as "Properties" hereinafter.

3. Learned counsel for the petitioners contends that the recovery of the properties from the petitioners on account of the sentence, fine and forfeiture imposed on Mian Muhammad Nawaz Sharif was wholly illegal and without lawful authority because the petitioners could not have been coerced into handing over their properties on behalf of Mian Muhammad Nawaz Sharif simply on account of family relationship. Even otherwise, Mian Muhammad Nawaz Sharif was acquitted in both the above cases by the august Supreme Court of Pakistan on 17.07.2009 (judgment reported as *Mian Muhammad Nawaz Sharif v. The State* PLD 2009 SC 814) and by the Lahore High Court, Lahore on 26.06.2009 (judgment reported as *Mian Muhammad Nawaz Sharif v. The State*, PLD 2010 Lahore 81). After the acquittal of Mian Muhammad Nawaz Sharif even the nebulous connection of the Properties to Mr. Sharif stood removed. Therefore, the continued retention of Properties by the respondent is unconstitutional and illegal. It is further submitted that on 18.11.2009 the petitioners wrote to the respondent for the release/return of Properties but there has been no response.

4. Learned counsel for respondent NAB raised the following preliminary objections (raised in C.M. 2803/2010) to the maintainability of the instant petition:-

i. "That in the present Writ Petition, the Petitioner has requested the undoing of an act which was a result of political question. The Honourable Court is not empowered, exercising the authority under the Constitution, to issue a writ on the basis of Doctrine of Political Question."

ii. "That no writ can be issued under the Constitution of Islamic Republic of Pakistan for any act performed by the Applicant/Respondent as a consequence of any negotiations and for settlement arrived at by the Writ Petitioner, not with the Applicant/Respondent but with other authorities."

ATTESTED

iii. "That under the equitable jurisdiction, this Honorable Court has the authority to issue a Writ for declaring the act of a person while exercising his authority. In the present case, the Writ Petitioner has failed to disclose any act of the applicant which according to him, is violative of the Constitutional guarantees."

iv. "That the present writ petition is badly hit by delay and laches and merits to be dismissed in limine being aimed against recovery of share certificates which took place in the year 2000. Taking the allegation of the Petitioners true to the effect that recoveries made from them just on the basis of having relationship with Mian

Nawaz Sharif were illegal, then the present Writ Petition for redressal of their so called alleged grievance has been filed with delay of nine years without providing any sufficient cause or explanation as to what refrained them seeking any relief earlier, delay defeats equity, the Writ Petition should be dismissed on this ground alone." *(emphasis supplied)*

5. He then referred to a maze of miscellaneous applications namely: C.M. No.2801/2010 for production of additional documents, C.M. No.2802/2010 for impleading Mian Muhammad Nawaz Sharif as party to the proceedings and C.M. No.2868/2010 for impleading Government of Pakistan as party to the proceedings and contended that they ought to be decided first.

6. Arguments heard, record perused.

After hearing the counsel for the petitioners, the court posed a simple question to the counsel for the respondent to explain under what authority of law the respondent was holding the properties of the petitioners. Learned counsel for the respondent, in reply, frankly submitted that the Properties are not retained in connection with any case pending or decided by the Authority including the above mentioned cases of Mr. Sharif. He further submitted that impugned action of takeover of the Properties was on the "verbal orders/instructions" of the Federal Government, purportedly issued in pursuance of "Settlement Agreement" entered into between Mr.

Nawaz Sharif and the Federal Government. Learned counsel neither produced the copy of the said "Settlement Agreement" before the court nor was he aware of its contents. Learned counsel for the respondent had no answer, when asked, if respondent NAB was authorized to execute agreements on behalf of Federal Government on verbal orders, and that too, without first assuming jurisdiction under the NAB Ordinance, 1999.

8. Inspite of the inability of the Respondent Authority to explain the lawful authority under which the Properties were being held by the respondent Authority, learned counsel raised preliminary objections to the maintainability of the petitions and prayed that they be considered. We, therefore, take up the preliminary objections raised by the counsel.

*Preliminary Objections.*

a. *The instant petition is not maintainable as it is hit by the Doctrine of Political Question?*

9. It is argued, by the learned counsel for the respondent, that the subject matter of the petition involves a "political question," therefore, this Court is not empowered to issue any writ in this matter. In other words, it has been contended, that the subject matter of the instant petition is non-justiciable. It is, therefore, necessary to understand the scope of Political Question Doctrine.

JOINT INVESTIGATION TEAM PANAMA CASES

10. "The political question doctrine...holds that certain matters are really political in nature and best resolved by the body politic rather than by courts exercising judicial review...It should more properly be called the doctrine of non-justiciability, that is, holding that the subject matter is inappropriate for judicial consideration...Unlike other restrictions on judicial review- doctrines such as ...standing, ripeness and prematurity, abstractness, mootness, and abstention- all of which may be cured by different factual circumstances... non-justiciability is absolute in its foreclosure of judicial scrutiny."[1] "While jurisdiction characterizes the authority of the court to hear a case, justiciability characterizes the structure and form of a legal dispute and denotes its suitability for adjudication.[2]"

Justice Brennan of the United States Supreme Court explaining the doctrine in the celebrated case of *Baker v. Carr*[3] held that:

"....what the courts mean by a political question is that there is a certain category of cases which they are precluded from hearing, because there is a clear textual commitment of the issue to another branch of government, and there is a lack of judicially manageable standard by which courts can resolve the dispute, or there are factors that make judicial determination of the matter politically inexpedient.

At issue under the "political question doctrine" is the relationship

between the judiciary and the co-ordinate branches of the government.[4]"

12. Justiciability can be normative or institutional says Justice Aahron Barak[5]. Normative justiciability aims to answer the question whether there are legal criteria for determining a given dispute, while institutional justiciability is concerned with the question whether the dispute should be adjudicated in a court at all.

13. Our courts have also considered this doctrine. In *Khawaja Muhammed Sharif case*[6] this Court held that: "The rule that political questions, as far as possible, should not be decided by Courts, has primarily sprung up from decisions of Courts taken in respect of cases under Article 234 of the Constitution, which is equivalent to Article 356 of the Indian Constitution, where the action of the President is subject to the ratification of Parliament, and where it is generally felt proper to leave the decision of such questions for the decision of Parliament, or where election has been ordered, to the will of the people. Even otherwise, this rule is losing ground, due to the reason that constitutional mechanism in a democratic polity does not contemplate existence of any function which qua the citizens may be designated as political, so that orders made in exercise thereof cannot be tested for their validity before the Court..... question concerns the allocation and exercise of governmental powers and no constitutional question can, therefore, fail to be political. A Constitution is a matter of present politics, a structure of power."

14. Justice Saleem Akhtar J. speaking for the Supreme Court of Pakistan in *Achakzai case*[7] said: "...The fact that any question is a political question will not deter the court from determining it provided it involves the interpretation of the Constitution or the validity of such question is to be determined on the touchstone of the Constitution. The court would not adopt political question doctrine for refusing to determine difficult and knotty questions having political overtones. This would amount to abdication of judicial power." Therefore, "the circumstance that the impugned action has political overtones cannot prevent the court from interfering therewith, if it is shown that the action taken is in violative of the Constitution. The superior courts have an inherent duty, together with the appurtenant power in any case coming up before them to ascertain and enforce the provisions of the Constitution and as this duty is derivable from the express provisions of the Constitution itself the court will not be deterred from performing its constitutional duty, merely because the action impugned has political implications[8]."

15. The test of the Doctrine of Political Question rests on two questions: (i) whether there is legal standard or criteria to adjudge the issue and (ii) whether it is desirable to decide the dispute in court or should it rather be resolved by other organs of the state, Constitutional democracy is deeply anchored in the rule of law. As far as normative non-justiciability is concerned, there is no decision or action of the State that can transgress the framework of law. "In a democracy, law in not politics, and politics is subject to law.[9]" According to Dr Thomas Fuller: " Be you never so high, the Law is above you[10]." As no decision or action of the State can be outside the four corners of law it will always remain susceptible to judicial scrutiny and audit. Tom Paine made this point in 1776 when he said: 'that in America THE LAW IS KING. For as in absolute governments the King is law, so in free countries the law ought to be King and there ought to be no other.[11]" Hence with due process and fundamental rights firmly embedded in our Constitution, no State action or decision can escape judicial review by the constitutional courts including the most political of decisions.

16. As far as institutional non-justiciability is concerned, the question of desirability of taking up the matter might arise, not because the court cannot adjudicate the matter but because it might be

suitable that the matter is first reviewed and resolved by another branch of the government. Courts have the power to look into any matter without prejudice to its political content, especially if there is violation of law and fundamental rights of the citizen are under threat. Therefore, except a few matters like foreign policy, declaration of war or signing a peace pact, etc. which have been traditionally left to the government purely because it is desirable that these matters be handled and resolved outside court. We, however, hurriedly qualify that this is not an absolute ouster by any court.

17. Keeping aside matters of international relations or other matters of State which do not directly affect an individual or a citizen, the Doctrine has no feet in matters where enforcement of fundamental rights of a citizen are involved. No matter how deeply political the issue, the doctrine cannot thwart or restrict the exercise of judicial power in such matters. Any restraint on the part of constitutional court, in case of a constitutional or legal breach would amount to a judicial "under-reach" and will seriously undermine the *raison d'etre* of a constitutional court.

18. In the present case, relatives (citizens of this country) of Mian Muhammad Nawaz Sharif (as citizens) have invoked the constitutional jurisdiction of this court praying that their properties have been unlawfully held by respondent without any lawful authority and in violation of articles 4, 23 & 24 of the Constitution. The instant

case is a text book case of state excess and naked infraction of fundamental rights of the petitioners. It is not a matter of foreign policy or war between countries or any other state policy which perhaps lacks "judicially manageable standard by which courts can resolve the dispute". Just the fact that the petitioners are related to Nawaz Sharif does not attract the doctrine of political question. The argument that there has been a "Settlement Agreement" between the petitioners and "other agencies" is evasive and almost fictional when considered in juxtaposition with the frank submissions of the learned counsel for the respondent, recorded above. The doctrine of political question is not even remotely attracted to the present case. This main preliminary objection of the respondent is, therefore, overruled.

b. *Settlement between the petitioners with "other agencies"*

The objection is that the petitioners have no Settlement with the respondent but with some "other authorities." In Court, learned counsel for the respondent submitted that the "Settlement Agreement" has taken place with the Federal Government, however, he failed to place before the Court, copy of the "Settlement Agreement", the details of its contents or more importantly the lawful justification of assuming jurisdiction in the matter when there is no case/reference filed against the petitioners with the respondent authority. This objection has no feet to stand on and is embedded in conjectures and surmises, hence overruled.

JOINT INVESTIGATION TEAM
PANAMA CASE

c. *No constitutional guarantee of the petitioners is violated.*

20. This objection on its face is trivial and preposterous. Lawful properties of the petitioners have been forcibly taken over by the respondent authority and since retained without lawful authority. There is a clear infringement of constitutional guarantees under Articles 4, 10A, 23 and 24 of the Constitution. This preliminary objection is overruled without further ado.

d. *Laches.*

21. It is argued that the petition has been filed after nine years of the taking over of the Properties. Forcibly depriving the petitioners of their lawful properties is unconstitutional and in the nature of a recurring wrong. Laches cannot stall enforcement of fundamental rights guaranteed under the Constitution. This objection is, therefore, overruled. Additionally, reliance is placed on *Pakistan Post Office v. Settlement Commissioner and others*, (1987 SCMR 1119) and *Province of Punjab through Secretary, Irrigation and Power Department, Lahore v. Deputy Settlement Commissioner, Lahore and others*, (1991 SCMR 1592).

*Miscellaneous Applications.*

22. We now take up the miscellaneous applications mentioned above. The applications for impleading Federal Government or Mian Nawaz Sharif carry little weight in the light of the conceding

statement made by the counsel for the respondent before the Court, discussed above. In the absence of any Settlement Agreement shown to the court involving the petitioners, the Federal Government or Mian Nawaz Sharif are not necessary parties.

23. The other application deals with placing additional documents on record. We have gone through the list of documents. Respondent has prayed through the said application to direct the petitioners to place on record the "Settlement Agreement" or any other document which could form tangible basis for the impugned action of the respondent authority. This prayer besides being unique, reinforces that the respondent are not in possession of the "Settlement Agreement" and therefore, have no lawful justification to hold the Properties. All these applications for the above reasons are dismissed.

*Main Case.*

24. There is nothing on the record and no plausible justification has been given by the counsel for the respondent to show how the Properties of the petitioners are being withheld by the respondent. Learned Counsel for the respondent has frankly submitted that the Properties have not been subject matter of any case or reference before the respondent authority and have not been taken over or held in pursuance of the same including the cases of Mian Nawaz Sharif mentioned above. He went on to submit that the Properties have been

taken over in pursuance of a "Settlement Agreement" entered into between Mian Muhammad Nawaz Sharif and the Federal Government but failed to furnish a copy of the same. Lastly, the counsel added that respondent authority acted on "verbal orders/instructions from the Federal Government."

25. The act of taking over and thereafter the retention of Properties of the petitioners by the respondent is a stark transgression of the constitutional protections and guarantees provided under articles 4, 10A, 23 and 24 of the Constitution. The impugned action is without the backing of law and therefore the due process provided under article 4 and 10A stands offended. Further, articles 23 and 24 of the Constitution mandate that every citizen shall have the right to hold his property and no person shall be compulsorily deprived of his property except in accordance with law. These constitutional guarantees of the petitioners have also been trampled upon by no less but the leading accountability authority in the country without demur.

ATTESTED Examiner Copy Supply Section Lahore High Court, Lahore

26. Learned counsel for the respondent submitted that the impugned action was taken on the basis of a "verbal order' received from the Federal Government. Pakistan is not a kingdom which runs on the diktat of the king. It is a modern constitutional democracy, which rests on supremacy of the rule of law. There is no king and the highest office in the country is subject to law and has to function in accordance with law. Every public officer or public functionary has to

discharge his duties as a trustee on behalf of the people of Pakistan, with the highest level of dedication, commitment, integrity, transparency and fairness at his command. Like any trustee, a public functionary, must hold the interest of the public supreme. Public functionaries run the wheels of government through their decisions and orders, which therefore form the sinews of modern constitutional government. These decisions and orders of the public functionaries must at all times be just, fair, equitable, transparent, speaking, well-reasoned and within the four corners of law. Any transgression or infraction of law by the public functionary is open to judicial review by the courts, who sit as "auditors of legality"[12] over these decisions. Section 24 of the General Clause Act, 1897 provides that power to make any order or give any direction conferred on any authority, office or person, must be exercised reasonably, fairly, justly and for the advancement of the enactment. Inbuilt, in this, is the self-evident and unquestionable requirement that the decision or order must be in WRITING. Written order identifies its author and its recipient, written form is the only medium that brings to fore the reason behind the order and it is the order in writing that undergoes accountability of judicial review. Therefore, for an order to be in writing is integral to good governance and the rule of law. Verbal Order of a public functionary has no legal existence and does not constitute an order. Running of the government on verbal orders amounts to

domesticating the government into a personal fiefdom and trivializing the affairs of the State into a household affair, which cannot be permitted. Hence, governance through verbal orders is bound to be chaotic, corrupt, disorderly and unaccountable. In short, a system based on verbal orders in the public sector can take the country through "a short route to chaos." Verbal orders in the affairs of government or the public sector have no sanctity of law.

27. Rule of law is an integral part of a healthy democracy. It is essential for the public functionaries to understand the importance and meaning of a democratic welfare state. "What is democracy? ...It rests on two bases. The first is the sovereignty of the people. This sovereignty is exercised in free elections, held on regular basis, in which the people choose their representatives, who in turn represent their views. This aspect of democracy is manifested in majority rule and in the centrality of the legislative body through which the people's representatives act. This is the formal aspect of democracy. It is of central importance, since without it the regime is not democratic...The second aspect of democracy is reflected in the rule of values (other than the value of majority rule) that characterize democracy. The most important of these values are separation of powers, the rule of law, judicial independence, human rights, and basic principles that reflect yet other values (such as morality and justice), social objectives (such as the public peace and security), and

appropriate ways of behaviour (reasonableness, good faith). This aspect of democracy is the rule of democratic values. This is a substantive aspect of democracy. It too is of central importance. Without it, the regime is not democratic."[13]

28. According to Justice Aharon Barak there are three aspect of the rule of law. The first is the formal aspect i.e., making the law rule. The second aspect is a jurisprudential one, concerning the minimal conditions for the existence of law in society. The third aspect is substantive and concerns the rule of law that properly balances between the individual and the society. "When we say that a fundamental principle of democracy is the rule of law, we refer to all three aspects. "The rule of law means, at a minimum, rule by law. In my opinion, it means guaranteeing fundamental values of morality, justice, and human rights, with a proper balance between these and the other needs of society... the rule of law is not merely public order, the rule of law is social justice based on public order. ...This is the rule of law that strikes a balance between society's need for political independence, social equality, economic development, and internal order, on the one hand, and the needs of the individual, his personal liberty, and his human dignity on the other. The judge must protect this rich concept of rule of law."[14]

29. According to the statement of the counsel for the respondent, NAB has succumbed to verbal instructions of the political government in power at that time. Public functionaries being trustees of public property should stand as pillars against abuse of law and process. To all the said officers, the words of founder of the nation, Quaid-e-Azam Muhammad Ali Jinnah, might be a timely reminder:

> "The first thing that I want to tell you is this, that you should not be influenced by any political pressure, by any political party or individual politician. If you want to raise the prestige and greatness of Pakistan, you must not fall a victim to any pressure, but do your duty as servants to the people and the State, fearlessly and honestly. Service is the backbone of the State. Governments are formed, Governments are defeated, Prime Ministers come and go. Ministers come and go, but you stay on, and, therefore, there is a very great responsibility placed on your shoulders. You should have no hand in supporting this political party or that political party, this political leader or that political leader – this is not your business.[15]"

As a consequence NAB is directed to release the Properties of the petitioners forthwith. Considering the major part of the Properties (Part-I of Schedule B) are already deposited with the

Two other properties in the shape of cash in the sum of Rs.115 million are under lien and lying with the National Bank of Pakistan, Prime Minister's Secretariat Branch, Islamabad, as per Part-II of Schedule-B. The said branch of the Bank is directed to release the said amounts (cash) to the petitioners through the above named attorney on receipt of this order forthwith.

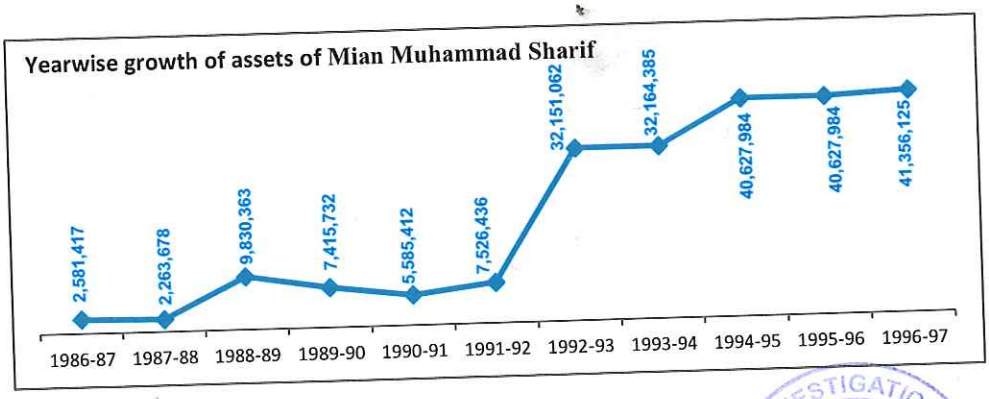
# ASSETS BEYOND MEANS – OTHER RESPONDENTS



## Mian Muhammad Sharif (Late)

1. Mian Muhammad Sharif had been filing tax returns/ wealth statements since the year 1969-70. Complete record of returns were not furnished by FBR as for **assessment years 1971/72 & 1974/75 - 1978/79, returns of wealth tax were not filed by Mian Muhammad Sharif**, more so, income tax **(IT) returns for the assessment year 1969/70 - 1993/94 were not filed. Wealth statements for the assessment years 1969/70 - 1999/2000 were not filed** (details are at **Annex A**). Analysis of returns of Mian Muhammad Sharif reveal the following:-

a. Respondent No. 1 claimed that his father owned assets in millions of rupees in the 1970's before the industry was nationalized; the tax returns of Mian Muhammad Sharif present a picture to the contrary, as assets held with Mian Muhammad Sharif were around Rs. 1 million since 1969-70. There was no drastic decline in his assets during the timeframe of Nationalization.

b. His wealth started to increase in the late eighties and early nineties. The wealth of Mian Muhammad Sharif multiplied 4.3 times during year 1992/93 i.e. from Rs. 7.53 million to Rs. 32.15 million and by Rs 8.5 million in 1995/96. Sources / income details were not available to determine the inflow.

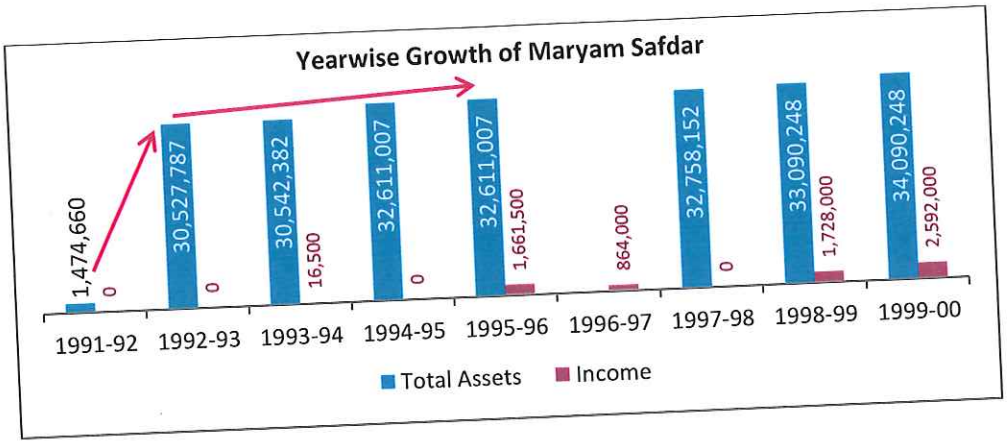
JOINT INVESTIGATION TEAM
PANAMA CASE

2. **Findings**

a. Although Mian Muhammad Sharif remained involved in the family business which evidently flourished considerably, he did not file IT returns for a major period of time.

b. Moreover, analysis of his companies' profile reflecting his source of income is not commensurate with the increase in his assets. A sharp increase in assets is seen in the years 1992-93.

c. Having analyzed his economic growth and available source of income, it can be ascertained that Mian Muhammad Sharif possessed, prima facie, **ASSETS DISPROPORTIONATE AND BEYOND KNOWN SOURCES OF MEANS** at the time.



**Maryam Safdar (Respondent No. 6)**

3. Respondent No. 6 started filing returns from year 1991-92. Complete record of tax returns/ wealth statements were not furnished by FBR as for **assessment years 1991/92 - 92/93, 1995/96, 1998/99, 1999/2000 & 2004/05 - 2008/09, wealth statements were not filed by Respondent No. 6**, more so, **IT returns for the year 1991/92 & 2004/05 - 2008/09 were not filed** (details are at **Annex B).** Analysis of financial details available with SECP and returns of Respondent No. 6 reveal following:-

a. Maryam Safdar has been part of the family business since she was a student and possessed assets worth Rs 1.47 million since year 1991-92 and started filing return of wealth tax. It is significant to note that she owned assets worth millions with no visible source of income.

b. Her assets grew in year 1992/93; 21 times in a single year from Rs 1.47 million in year 1991/92 to Rs 30.5 million without any declared income. **Annex C**.

c. As per the details of assets reflected in her return of wealth tax, Maryam Safdar held 424,400/- shares in Hudabiya Paper Mills since year 1993/94 till date. She was also Director of the company during years 1996/98. **Annex D**.

d. As per financial records of MRTML with SECP, Maryam Safdar owned 1000 shares (worth Rs 10,000) in years 2001-2003 but then same were not declared in wealth statement for the same years. **Annex E.**

e. As per financial records of Ittefaq Sugar Mills Limited with SECP, Maryam Safdar owned 55,000 shares (worth Rs 550,000) in years 2001 - 2003 and 2010 - 2013, however, she did not declare these shares in the wealth statement for the assessment said years. **Annex F**.

f. As per financial records of CSML with SECP, Maryam Safdar owned 12,401,455 shares (worth Rs 20,710,429) in year 2010, however, she declared 5,401,455 shares in wealth statement for the assessment year 2009/10; amounts to concealment of aasets and tax evasion. **Annex G**.

g. Maryam Safdar owned a BMW car which was gifted to her by the UAE Royal Family and value of the car was declared as Rs 3.5 million in the Tax year 2009-10; the same car was declared to be sold on a profit of Rs 19.66 million in year 2011-12. Such price escalation is abnormal, she declared the same BMW in her wealth statement in the next year 2012/13 as well. Moreover, Mr. Muhammad Safdar in his ROPA submitted to ECP in year 2008 declared worth of the same car as Rs 6.0 million. Wealth statements for years 2009/10 & 2011-13 are at **Annex F**, Muhammad Safdar ROPA for year 2013-16 at **Annex H**.

h. In the Return of Personal Assets (ROPA) filed with ECP, Muhammad Safdar declared owning that car ownership of the same BMW in year 2013-2016;

whereas Maryam Safdar declared that she sold the car for Rs 28.164 million in the year 2011-12.

i. In ROPA, Muhammad Safdar declared that Ms. Maryam Safdar paid for the duty of the car i.e Rs. 3,412,418/- , whereas in the same year Maryam Safdar total declared income was Rs. 1,184,000/-, where did the money come from?

j. As per 2009/10 record, Maryam Safdar owned assets worth Rs 73.50 million, which also included a loan worth Rs. 42 million to Chaudhry Sugar Mills Limited, loan worth Rs 2.2 million to Mian Muhammad Nawaz Sharif and loan worth Rs 1 million to Ms. Kulsoom Nawaz. Income during the year was Rs 1.18 million. There no evidence of such inflow or a periodic source of income as IT returns and wealth statements for years 2004/05 - 2008/09 were not filed by Maryam Safdar.

k. Mian Muhammad Nawaz Sharif declared land worth Rs 24.85 million in his personal returns in the name of Maryam Safdar in his wealth statement for year 2010/11, same was not declared in wealth statement of Maryam Safdar for the said year which amounts to concealment of assets. **Annex I**.

| Year | Gifts received | Total Assets |
|---|---|---|
| 2010/11 | 31.7 million | **102.93 million** |
| 2011/12 | 51.6 million | 210.8 million |
| 2012/13 | 35.86 million | 236.5 million |
| 2013/14 | 192.05 million | 347.6 million |
| 2014/15 | 310.53 million | 654.32 million |
| 2015/16 | 172.52 million | **830.73 million** |

l. Maryam Safdar did not have a regular authentic source of income commensurate to her growth in wealth and even her spouse did not possess a source of income (declared by Muhammad Safdar, till year 2013-14). She had been receiving heavy gifts from Mian Muhammad Nawaz Sharif and brothers Hussain and Hassan. However, these gifts boosted her assets from Rs 73.50 million to Rs 830.73 million within the period of 2009-2016.

m. During the period, she purchased agriculture land worth Rs. 804 million *(1431 Kanals)*, which is her declared source of income.

## 4. Conclusion

a. Accumulation of Maryam Safdar's assets shows a drastic hike in early 90's with no declared source of income.

b. Analysis of financial details of her assets and record of FBR reflects dichotomies of mis/ non-declaration of assets which seemingly tantamount to hiding of assets and tax evasion.

c. Maryam Safdar declared ownership of a BMW car claimed to be gifted from royal family of UAE. Rs 3.5 million was paid by her as custom duty custom duty without any visible source of income. The same car was shown to be sold @ Rs 28 million in her wealth statement and assets were increased, however, the same is reflected in her wealth statements of subsequent years. Moreso, dichotomies are found in declaration/ value of this car in wealth statements of Maryam Safdar and Muhammad Safdar who declares the value of the car as Rs 6.0 million and ownership of car till 2016 seemingly tantamounts to hiding of assets and tax evasion.

d. Not only the assets are observed to be accumulated without any declared source of income, but she has been observed loaning millions of rupees without any substantial evidence on source of income.

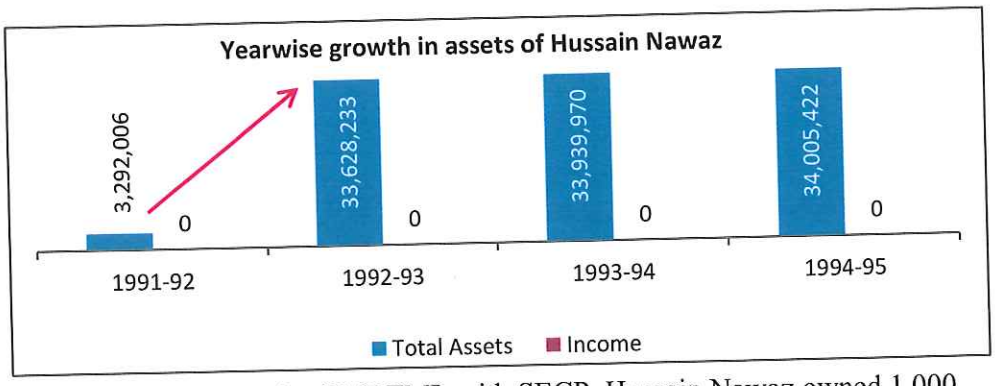
e. Since year 2008, Maryam Safdar started receiving hefty gifts worth millions of rupees which were utilized to acquire agriculture land. Since agriculture land or its income is tax exempted, reflection of substantial amounts as agriculture income annually afforded her to legalize her funds.

f. Financial analysis of Maryam Safdar's assets and her available record of FBR reflects that Maryam Safdar possesses, prima facie, **ASSETS DISPROPORTIONATE AND BEYOND MEANS OF KNOWN SOURCES OF INCOME**.

**Muhammad Safdar**

5. Mr. Muhammad Safdar, husband of Respondent No. 6, has filed his IT returns only for 2013/14 and 2014/15. The wealth statement was filed during tax year 2014/15 only. (details are at **Annex B**). Analysis of returns of Mr. Muhammad Safdar reveal following:-

a. Mr. Muhammad Safdar has not filed IT returns/ return of wealth tax and wealth statements since the 1990's though he was an officer of the Pakistan Army and was later inducted in the civil bureaucracy.



b. He contested general elections in 2008 and was elected as a Member of the National Assembly. He was drawing salary but did not file his returns in violation of income tax laws; though income tax was deducted at source, he did not file the returns. He did not disclose in his nomination papers that he had been paying tax since year 2008/09; it was revealed through copy of nomination papers submitted in ECP. Nomination papers submitted with ECP for General Elections 2013 are at **Annex J**.

c. As per ROPA submitted to ECP in year 2014/15 he declared his total assets worth Rs 12.26 million, however, in his wealth statement for same year he declared his assets as 13.19 million. Copy of ROPA submitted to ECP in year 2014/15 is at **Annex H** and wealth statement for year 2014/15 are at **Annex K**.

**Hussain Nawaz Sharif**

6. Mr. Hussain Nawaz Sharif, Respondent No. 7 started filing tax returns since the year 1991/92. He was a student at that time and owned assets in the form of shares of companies; value of these shares was Rs 3.3 million. He filed tax returns till year 2003. (details are at **Annex L**). Analysis of the financial details available with SECP and returns of Hussain Nawaz reveal following:-

a. His assets multiplied 10 times from Rs 3.3 million to Rs 33.63 million in year 1992/93, however, his income during the year was nil.

b. As per financial records of MRTML with SECP, Hussain Nawaz owned 1,000 shares (worth Rs 10,000) in years 2001 – 2003, however, he did not declare these shares in wealth statement for the said assessment years; amounts to concealment of assets and tax evasion. Wealth statement for assessment years 2001/02 till 2003/04 at **Annex M** and RBTML Form A for years 2001 - 2003 are at **Annex N**.

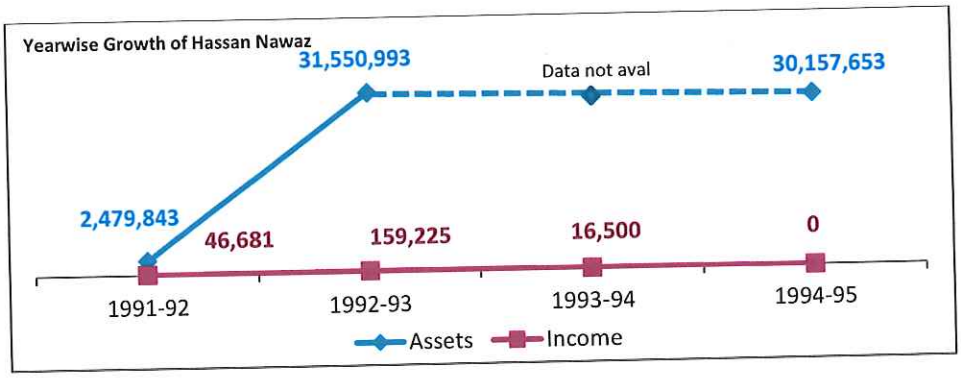
7. **Findings**

a. Accumulation of Hussain Nawaz's assets shows a drastic hike in early 90's and then in year 1997/98 with no declared source of income. Hussain Nawaz even failed to provide any details in this regard despite repeated requests/ advises. This is the time once Sharif family was part of ruling elite. Hence, JIT believes that this build up of assets was through irregular means and Hussain Nawaz was used as proxy to build family assets.

b. Analysis of financial details of his assets and record of FBR reflects dichotomies on mis/ non-declaration of assets tantamount to hiding of assets and tax evasion.

c. In year 1997/98, he was observed loaning Rs 1.4 million to Kulsoom Nawaz whereas his annual income for the year was Rs 400,000. In year 2001/02, his shares of MRTML were sold for Rs 51 million, this gain was not disclosed in his wealth statement and income tax return.



d. Financial analysis of Hussain Nawaz's assets and his available record of FBR reflects that Hussain Nawaz possesses, prima facie, **ASSETS DISPROPORTIONATE AND BEYOND MEANS OF KNOWN SOURCES OF INCOME**.

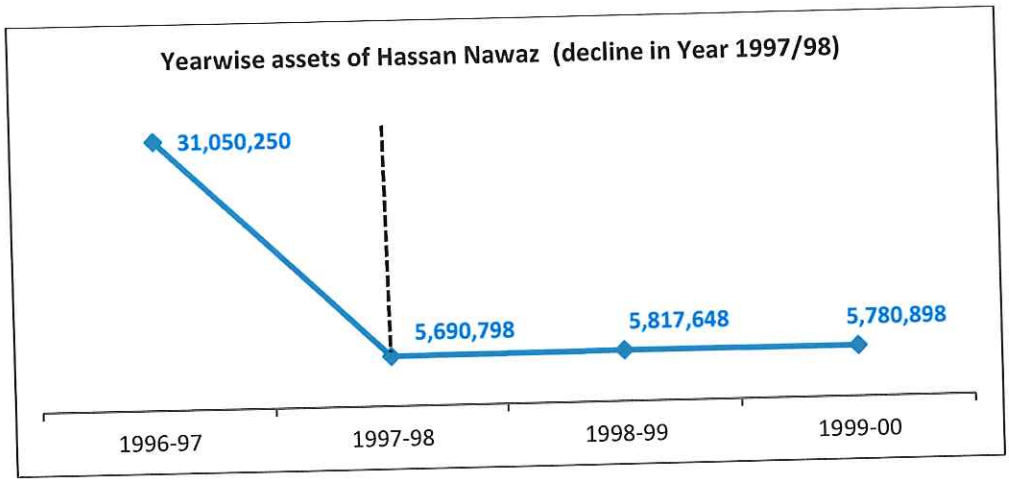
**Hassan Nawaz Sharif**



8. Hassan Nawaz Respondent No. 8 was a dependent child of Mian Muhammad Nawaz Sharif till year 1994; he started filing IT returns from year 1995-96 onwards. Mian Muhammad Nawaz Sharif was managing the assets owned by Hassan Nawaz till years 1995/96 as he was a minor. Mian Muhammad Nawaz Sharif has been filing IT returns of Hassan Nawaz since year 1989/90 till 1995/96 (details are at **Annex O**). Hassan Nawaz moved abroad (UK) in year 1994. After studies he started his business and established 10 known companies in UK till todate **(Yearwise fund flow charts, detailed financial analysis of UK companies of Hassan Nawaz and detailed analysis of his companies are covered in Volume VII of Investigation Report of Joint Investigation Team, Panama Case)**. Analysis of his returns and financial analysis of available record for the companies of Hassan Nawaz reveal following:-

a. Assets owned by Hassan Nawaz were worth Rs 2.4 million in year 1991/92, his assets grew 13.14 times in the year 1992/93 to Rs 31.55 million without any visible source of income. Return of wealth tax of Mian Muhammad Nawaz Sharif for assessment years 1991/92 & 1992/93 and IT returns of Hassan Nawaz for same years are attached as **Annex P**.

b. In the year 1995/96, Hassan Nawaz owned worth Rs 31.55 million which sharply declined to Rs 5.6 million in the next year *(1996/97)*; registering a decline of Rs 25.95 million. Details were not available; however, analysis of Hussain Nawaz's Wealth Statement reveals addition in shares of CSML, HEL and HPML, presumably transferred to him by Hassan Nawaz and a reason of decline in assets of Hassan Nawaz. This was not declared in the wealth statements of Hussain and Hassan Nawaz which is tantamount to concealment. Wealth tax returns of Hassan Nawaz and Hussain Nawaz for assessment year 1995/96 is at **Annex Q**.

c. Financial analysis of the companies in UK for the period from 2001 till 2016 establishes that there has been a gap between Hassan Nawaz's available resources in the shape of funds claimed to be received from Qatar compared to his funding as director to his UK companies. Inflow from Qatar from 2001 till 2004 was GBP 2,477,307, however, his outflow/ loans to his own UK companies enters into a deficit of GBP 762,149 by year 2007. Source of this overspending is not justified from financial

e. Another important factor revealed from financial analysis is the aggregate loss position of UK companies of Hassan Nawaz for the period from year 2001-2016 is GBP 10,551,540. Despite such heavy losses, Hassan Nawaz has managed to erect an empire of real estate in UK. From the available record it transpires that Hassan Nawaz has been associated with at least ten UK companies. Furthermore, the financial analysis of these known UK companies reveal underlining numerous properties. The aforementioned structure of properties against the companies is annexed at **Annex T**.

f. Financial information available on UK companies also reveals that links with certain BVI/ Gulf based companies. Movement of funds amongst UK companies and BVI/ Gulf based companies is reported in the financial statements of UK companies. Included in the BVI companies are Alanna Services Limited which is 20% shareholder in one of Hassan Nawaz company namely Quint Eaton Place 2 Limited. In addition to this another BVI company

namely Lamkin S.A which is 30% shareholder in one of Hassan Nawaz company namely Quint Limited. Another BVI company namely Coomber Gp Inc (owned by Hussain Nawaz and Mian Muhammad Nawaz Sharif) has financed money to Flagship Securities Limited and Que Holdings Limited being owned by Hassan Nawaz. Furthermore, another company namely Hilton International Limited has forwarded loans to Flagship Investments Limited. Another company namely Capital FZE (Dubai based company) has given loan to Quint Paddington Limited being owned by Hassan Nawaz. This is explained in table below:-

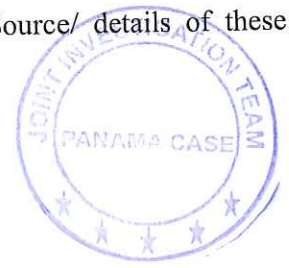
g. Reference is made to ICIJ Panama Papers wherein, it was revealed that a bank mortgage deed dated September 02, 2008 was executed by Nielson Enterprises Limited (Mortgagor & Borrower), Nescoll Limited (Borrower) and Coomber Group Inc., (Borrower) with Deutsche Bank (Suissc) SA. The lease hold properties known as 16 Avenfield House, 117 to 128 Avenfield, London, W1K 7AH and 16A Avenfield House, 117 to 128 Avenfield, London, W1K 7AH which were owned by Nielson Enterprises Limited, were mortgaged against a sum of GBP 7,000,000. It is pertinent to mention here that this mortgage deed, on behalf of Coomber Group Inc., was signed by Hussain Nawaz Sharif and Mian Muhammad Nawaz Sharif. Mortgage Deed at **Annex U**. The sum of GBP 7,000,000 was divided amongst Nielson Enterprises Limited (GBP 1,750,000), Nescoll Limited (GBP 1,750,000) and Coomber Group Inc (GBP 3,500,000). Letter from Farara Kerins (barrister and solicitor) is at **Annex V**. Coomber Group Inc., further loaned GBP 1,700,000 to Que Holdings Limited (owned by Hassan Nawaz) in year 2009. The available financial statements of Que Holdings Limited for year 2012 reveals the full

JOINT INVESTIGATION TEAM PANAMA CASE

settlement of GBP 1,700,000 with Coomber Group Inc, however, no documentary evidence on the source was furnished by Hassan Nawaz to the JIT despite several advises/ opportunities.

h. Hassan Nawaz's claim on proceeds from Qatar has not been substantiated by him through any documentary evidence. Having analyzed financial details available/ above mentioned loaning of Coomber Group Inc, it can be assumed that members of Sharif have stakes in other offshore companies as well which are involved in loaning to Hassan Nawaz's UK based companies as these offshore companies have been seen loaning to Hassan Nawaz's companies on the same pattern as of Coomber Group Inc . However, details/ financial documents were not furnished by the respondents despite several requests.



i. In the year 2011/12, as per wealth statement of Maryam Safdar, Hassan Nawaz gave out a loan worth Rs28.94 million to her, however, same is not reconcilable as Hassan Nawaz is not filing IT returns/ wealth statement since year 2004/05.

9. **Findings**

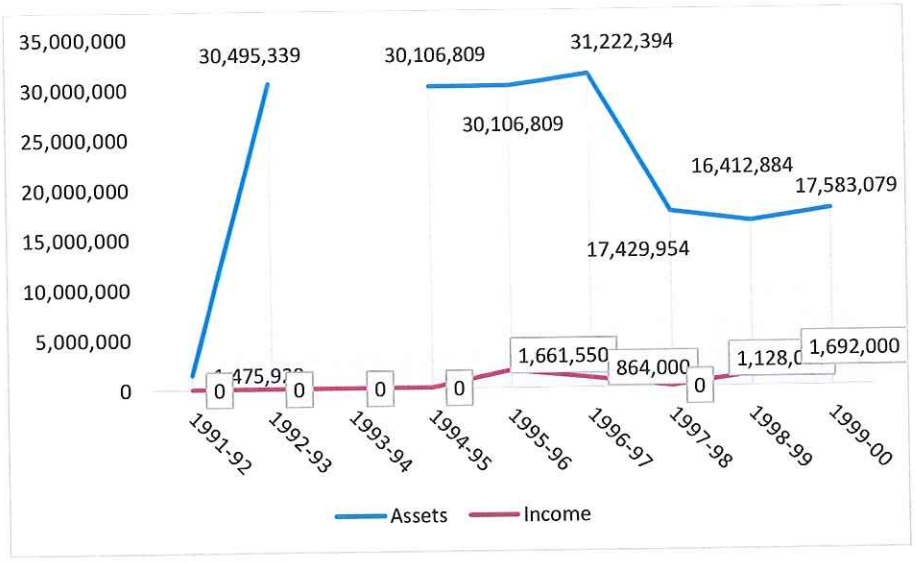
a. Accumulation of Hassan Nawaz's assets shows a drastic hike in early 90's with no declared source of income. This is the period Sharif family was part of the ruling elite. Hence, JIT believes that this build up of assets was through irregular means and Hassan Nawaz was used as a proxy to build family assets.

b. Analysis of financial details of his assets and record of FBR reflects dichotomies on mis-declaration of assets tantamount to hiding of assets and tax evasion.

c. Detailed analysis of available financial details of Hassan's UK companies reveals a gap between claimed parent funds from Qatar and his funding to UK companies as Hassan has been observed over loaning than available funds. Moreover, the company's annual financial position reflects that most of the companies remained in losses. Despite these losses, these companies not only erected an empire and purchased properties in UK but Hassan was seen loaning to Sharif family's companies in Pakistan. Source/ details of these

funds were not provided by the respondent despite repeated requests/ opportunities.

d. Financial analysis of Hassan Nawaz's assets and his available record of FBR reflects that Hassan Nawaz possesses, prima facie, **ASSETS DISPROPORTIONATE AND BEYOND KNOWN SOURCES OF MEANS**.



**Ms Asma Nawaz (Dar) - d/o Mian Muhammad Nawaz Sharif**

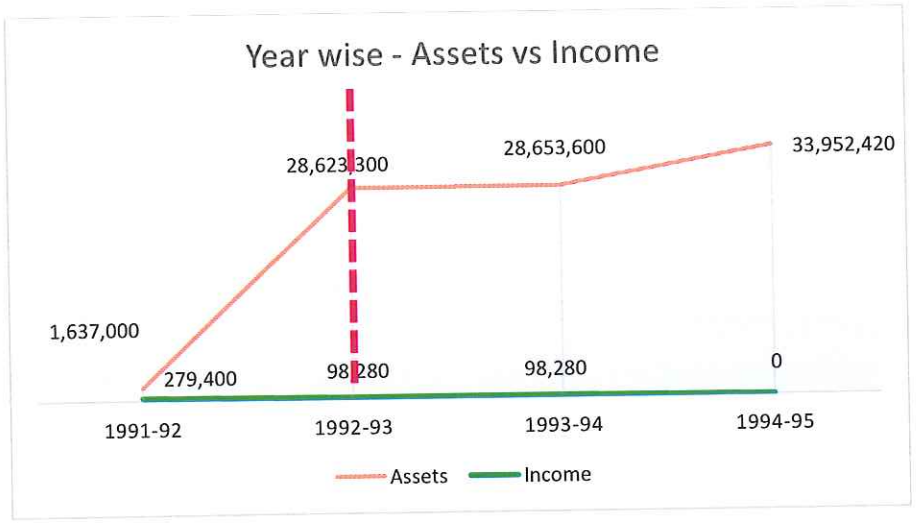
10. Asma Nawaz was dependant of Mian Muhammad Nawaz Sharif; her tax returns have been filed by his father from 1995-96, however she started filing her returns from 2001-02. She filed her IT Returns from 1995-96 till 2001-02 (Assessment years) and 2002-03 till 2005-06 were tax tears. She filed her Wealth Statement for assessment years 1996-97, 1997-98, 2000-01, 2001-02 and tax tear 2003-04, however, she never filed her Return of Wealth Tax; (details at **Annex W**). Mian Muhammad Nawaz Sharif declared her assets in his Return of Wealth Tax. Analysis of available data reveals following:

a. It cannot be ascertained from where assets worth Rs. 1.47 million in year 1991/92 have been acquired by Ms. Asma/ Mian Muhammad Nawaz Sharif in her name as declared by Mian Muhammad Nawaz Sharif in his Return of Wealth Tax. Prima facie, it seemed an attempt to hide assets and move money.

b. Assets owned by Ms. Asma Nawaz were worth Rs 1.47 million in year 1991/92; grew 21.7 times in the year 1992/93 to Rs 31.55 million without any visible source. Similarly, in the year 2000/01, Respondent No. 1 transferred assets Rs. 30.856 million in her name for which sources/ origin of assets were not declared by herself or her father. Returns of wealth tax of Mian Muhammad Nawaz Sharif for assessment years 1991/92 & 1992/93 are attached as **Annex P**.

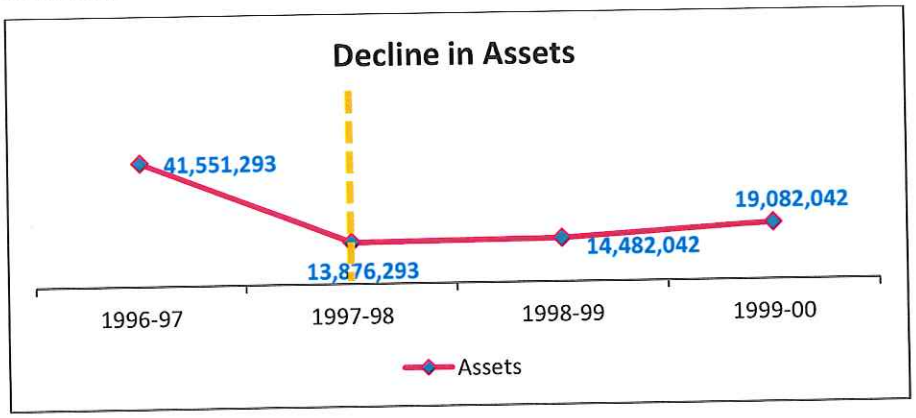
JOINT INVESTIGATION TEAM
PANAMA CASE

c. In the year 2000/01, CSML was incurring a loss of Rs. 131.12 million, however Ms. Asma received dividends in the form of income worth Rs 1,128,000/- from the company. The same cannot be justified as a company in loss cannot provide profit to shareholders.



d. In the year 2000/01, Ms. Asma received dividends worth Rs 1,128,000/-; whereas outflow of income included worth Rs 1 million loan to her grandmother SA and Rs 1.2 million to her mother Ms. Kulsoom Nawaz totaling Rs. 2.2 million which also excludes the expenditure incurred during the year.

**Mrs. Kulsoom Nawaz**



11. Mrs. Kulsoom Nawaz, wife of Respondent No. 1, has been part of the family business and had been filing return since year 1984-85. She owned assets worth Rs 747,231/- as per return of wealth for the year 1985/86. (details at **Annex X**). Analysis of returns of Mrs. Kulsoom Nawaz reveal following:-

a. Total Assets of Mrs. Kulsoom Nawaz increased 17.5 times from Rs 1.64 million in year 1991-92 to Rs 28.62 million in year 1992-93, against the reported income of Rs 279,400/- only.

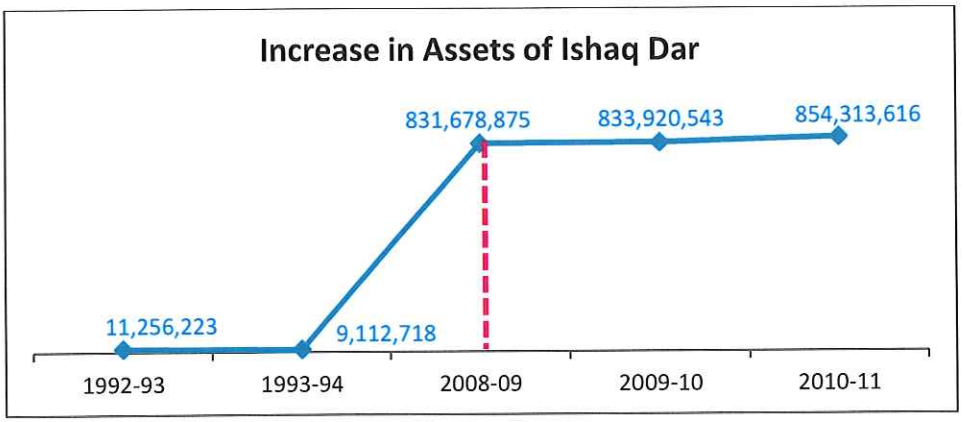
b. There was a sharp decline of Rs 27.67 million in assets in the assessment year 1997-98, details about the disposal in the form of transfer, sale or gift was not declared, hence cannot be ascertained.

c. Mrs. Kulsoom Nawaz also owned property worth Rs 63.75 million in Changla Gali which was not declared in her Wealth Statement of tax year 2012/13, however is declared in the Wealth Statement of spouse; Mian Muhammad Nawaz Sharif. Wealth statement of Mian Muhammad Nawaz Sharif and Mrs. Kulsoom Nawaz for tax year 2013/14 are at **Annex Y**.



**Mr. Muhammad Ishaq Dar (Respondent No. 10)**

12. Limited Tax record of Mr. Muhammad Ishaq Dar was available with FBR. **His IT returns are missing from 1981/82 till 1985/86. Wealth statements were not provided by FBR from assessment year 1994/95 till 2001/02 and tax year 2002/03 till 2007/08 despite repeated requests**. In order to ascertain the true picture of assets held, Return of Personal Assets (ROPA) was retrieved from Election Commission of Pakistan. (details at **Annex Z**).

a. In his wealth statement in 2008/09 an increase of 91 times in his assets was seen from Rs. 9.11 million to Rs. 831.70 million. This exorbitant leap in his

assets is not clarified/ supported through any plausible financial documents. Wealth statement for assessment year 1981/82 is at **Annex AA**.

b. In ROPA of year 2005, he reported investment of GBP 5.5 million in BARAQ Holdings Limited *(investment with Shaikh Nahayan)*. In 2008, out of the same investment, he extended loan GBP 4.9 million to his son. Source of GBP 5.5 million was not declared. Prime facie, this capital became the source to build his empire in Dubai as well as his assets in Pakistan. ROPA for year 2005 and 2008 at **Annex BB**.

c. From 2006 till 2016, he has received remittances from UAE worth Rs 627 million (*source ROPA*), which included repayment of loan and gifts from his son. These remittances became prime source of assets build up and increase in his income from mere Rs. 0.7 million in 2009 to Rs. 46 million in 2015-16. These gifts and foreign remittances are tax exempted. Since source of parent capital (GBP 5.5 million) is not clarified by Respondent No. 10, ROPA for years 2006, 2007 & 2009 - 2016 and Wealth statement for year 2016 are at **Annex CC**. ROPA for year 2008 at **Annex BB**.

d. ROPA/ wealth statements from 2009/10 till 2015/16 reveals donation of Rs 169.276 million to various charities with major chunk to his own Hajveri Trust and Hajveri Foundation (*Rs 86.18 million, details are tabulated below*).

Donations declared in ROPA of year 2012 - 16 were not declared in wealth statements of said years. 13. **Findings**

a. Mr. Muhammad Ishaq Dar did not file income tax returns from 1981/82 to 2001/02. Being an expert in economics and part of ruling elite is, prima facie, tantamount to tax evasion.

b. An exorbitant increase in his assets has been observed since year 2008/09 for which source of funds/ income and details were not furnished despite repeated requests/ opportunities.

c. Analysis of financial details of his assets and record of FBR reflects dichotomies on mis-declaration of assets is tantamount, prima facie, to hiding of assets and tax evasion.

d. Respondent No. 10 invested GBP 5.5 million in BARAQ Holdings in UAE. Source of these funds was not disclosed by him despite repeated requests. Out of these funds, GBP 4.97 million were given by him to his son. After year 2008, he started receiving funds and payment of loans from his son which became a source for his assets build up in Pakistan.

e. Respondent No. 10 gave substantial amount of funds (Rs 169.27 million) in Charity. Major chunk of charity was given to his own organisation and keeping the funds within his own access. These donations were mentioned in his personal expenses in his wealth statements. Thus, availing tax exemption on these hefty amounts is, prima facie, tantamount to tax evasion.

f. Financial analysis of Respondent's No. 1 assets and his available record of FBR reflects that Ishaq Dar possesses, prima facie, **ASSETS DISPROPORTIONATE AND BEYOND KNOWN SOURCES OF MEANS**.

**Mr. Saeed Ahmed**

14. Mr. Saeed Ahmed, currently the President of National Bank of Pakistan, registered as a tax payer in 2015, therefore, no record of prior to tax year 2015 is available.

a. In his IT Return for 2014-15, he declared foreign income amounting to Rs. 20 million but no evidence regarding source of this income is available.

16. Detailed financial analysis of these companies from the record made available to the JIT is at **Annex EE**:-

a. The companies, wherein respondents were acting as shareholders/directors/beneficial owners are primarily family owned businesses. These companies were mainly incorporated in 1980s and 1990s when respondent number 1 was holding public office.

b. The respondents being shareholders injected nominal capital as seed money and these companies were mainly entrusted with borrowed funds from bank/financial institutions/ foreign financial institutions or foreign incorporated special purpose vehicles.

c. The companies also borrowed funds at inception stages and rolled over funds with other facilities. Foreign currency funds were generated to install plants and machinery. However, going forward, majority of the companies were either non-operational or were not functioning at the maximum capacity and were in loss having negative equity. Such companies included Mohammad Buksh Textile Mills Limited, Hudaibya Paper Mills Limited Hudaibya Engineering Company Private Limited, Hamza Board Mills Limited, Mehran Ramzan Textile Mills Limited.

d. Due to weak performance and in absence to accumulated or operational profits, dividends were not declared except in few years. These companies are mainly loss making units and almost last twenty year no significant turnaround was observed.

## CONCLUSIONS

17. As per the afore-stated detailed analysis, significant gap / disparity amongst the known and declared sources of income and the wealth accumulated by the Respondent No. 1, 6, 7 and 8 have been observed. The financial structure and health of companies in Pakistan having linkage to the Respondents also do not substantiate the wealth of the Respondents. There exists a significant disparity between the wealth declared by the Respondents and the means though which the Respondents had generated income from known/declared sources.

18. Moreover, irregular movement of huge amounts in shape of loans and gifts from Kingdom of Saudi Arabia based company (Hill Metals Establishment), United Kingdom based Companies (Flagship Investments Limited and others) and United Arab Emirates based Company (Capital FZE) to Respondent No. 1, Respondent No. 7 and Pakistan based companies of Respondent No. 1 and family have been highlighted.

19. The role of off-shore companies is critically important as several off-shore companies (Nescoll Limited, Nielsen Enterprises Limited, Alanna Services Limited, Lamkin S.A., Coomber Group Inc., Hiltern International Limited) have been identified to be linked with their businesses in UK while conducting this investigation. These companies were mainly used for inflow of funds into UK based companies; which not only acquired expensive properties in UK from such funds but also revolve these funds amongst their companies of UK, KSA, UAE and Pakistan.

20. In addition to the companies, Respondent No. 1 and 7 have been found to be recipients of these funds movement into Pakistan as gifts/loans whose purpose/reason have not justified by them before the JIT. Needless to say, these UK companies were loss-making entities with heavily engaged in revolving of funds vis-à-vis creating a smoke screen that the expensive properties of UK were due to the business operations of these UK companies.

21. The JIT is compelled to refer to:

> *Section 9(a)(v) of the National Accountability Ordinance, 1999:*
> "A holder of a public office, or any other person, is said to commit or to have committed the offence of corruption and corrupt practices:-
> ...

JOINT INVESTIGATION TEAM PANAMA CASE

(v) if he or any of his dependents or benamidars owns, possesses, or has acquired right or title in any assets or holds irrevocable power of attorney in respect of any assets or pecuniary resources disproportionate to his known sources of income, which he cannot reasonably account for or maintains a standard of ASSETS beyond that which is commensurate with his sources of income ---"

*Section 14(c) of the National Accountability Ordinance, 1999:*
"In any trial of an offence punishable under clause (v) of sub-section (a) of Section 9 of this Ordinance, the fact that the accused person or any other person on his behalf, is in possession for which the accused person cannot satisfactorily account, of assets or pecuniary resources disproportionate to his known sources of income, or that such person has, at or about the time of the commission of the offence with which he is charged, obtained an accretion to his pecuniary resources or property for which he cannot satisfactorily account, the Court shall presume, unless the contrary is proved, that the accused person is guilty of the offence of corruption and corrupt practices and his conviction therefor shall not be invalid by reason only that it is based solely on such presumption."

21. The Qanun-e-Shahadat Order, 1984 and the following provisions are also relevant:

*Article 122 of the Qanun-e-Shahadat Order, 1984:*
"122. Burden of proving fact especially within knowledge. When any fact is especially within the knowledge of any person the burden of proving that fact is upon him.

*Article 117 of the Qanun-e-Shahadat Order, 1984:*
"117. Burden of proof. (1) Whoever desires any Court to give judgment as to any legal right or liability dependent on the existence of facts which he asserts, must prove that those facts exist.
(2) When a person is bound to prove the existence of any fact, it is said that the burden of proof lies on that person."

*Article 129 of the Qanun-e-Shahadat Order, 1984:*
"129. Court may presume existence of certain facts. The Court may presume the existence of any fact, which it thinks likely to have happened, regard being had to the common course of natural events, human conduct and public and private business, in their relation to the facts of the particular case.

*Article 2(4), (7) and (8) of the Qanun-e-Shahadat Order, 1984:*
Definition of "proved":
"(4) A fact is said to be proved when, after considering the matters before it, the Court either believes it to exist, or considers its existence so probable that a prudent man ought, under the circumstances of the particular case, to act upon the supposition that it exists.
---------- (7) Whenever it is provided by this Order that this Court may presume a fact, it may either regard such fact as proved, unless and until it is disproved, or may call for proof of it.

JOINT INVESTIGATION TEAM
PANAMA CASE

(8) Whenever it is directed by this Order that the Court shall presume a fact, it shall regard such fact as proved, unless and until it is disproved."

22. **Failure on the part of all Respondents to produce the requisite information confirming "known sources of income" is prima facie tantamount to not being able to justify assets and the means of income.**
